Dear Father Fitzharris:

It is with sadness that I must formally convey to you my decision that the nature of your psychological difficulties is such that you are not able to rightly carry out priestly ministry. Therefore, I must issue this decree that, effective immediately, you are prohibited from any and all exercise of the priestly ministry, in virtue of canon 1044, #2, n. 2. In addition, for the public good, you are not allowed to wear the Roman collar. Also, your assignment as the associate pastor of Saint Pascal Parish is terminated, effective immediately.

Considering the gravity of your difficulties, I do not forsee ever being able to allow you to exercise the sacred ministry. This is something which Father O'Malley and the Chancellor, Father Robert Kealy, will discuss with you

I assure you that this situation grieves me deeply. Be assured that you are remembered in my prayers.

With cordial good wishes, I remain

Sincerely yours in Christ,

Conference Call

Upon my arrival to the Vicar for Priests Office for the 11:00 am scheduled meeting, Rev. Edward Grace initiated the conference call with the former Rev. Joseph Fitzharris.

Fr. Grace and I began by thanking Mr.	. Fitzharris for his time and asking if he had any question:
or concerns prior to continuing the pho	one call. When asked by Mr. Fitzharris, I informed him
that had made the al	llegation against him that I was prepared to read. Mr
Fitzharris stated that he does not know	who is.

Mr. Fitzharris then asked if [civil attorney] Pat Reardon still works for the Archdiocese of Chicago [AOC]. Fr. Grace responded by providing Mr. Fitzharris with the clarification that Mr. Reardon does not work for the AOC, but that he is a civil attorney who does represent priests and former priests who have been accused of sexual misconduct with minors. Fr. Grace added that if Mr. Fitzharris chose to call Mr. Reardon in regards to this matter, that the attorney would work for him [Mr. Fitzharris] and not the AOC.

asked by Mr. Fitzharris, Fr. Grace verbally provided him with some general information on the legal process involving allegations of the sexual abuse of minors against clerics and related monetary settlements.

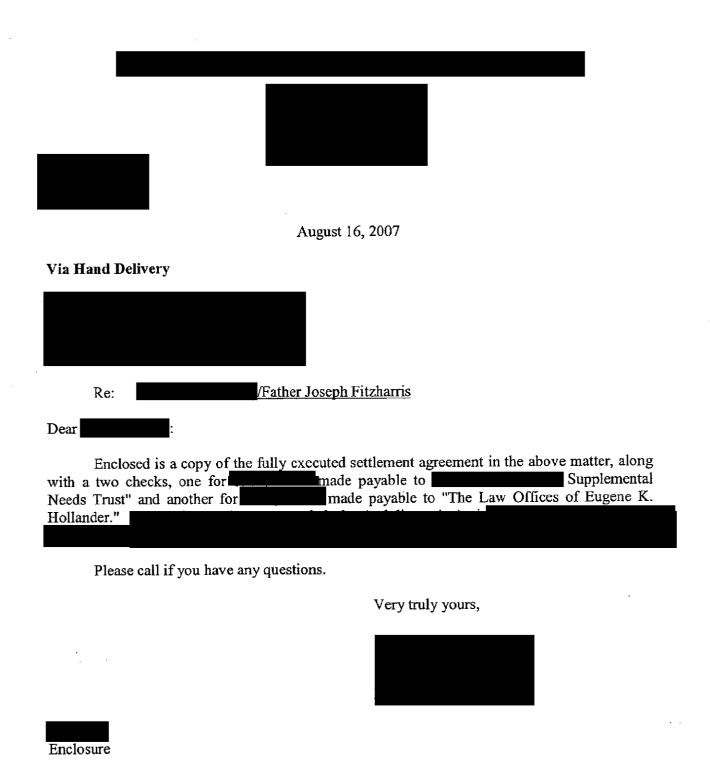

I expressed my appreciation to Mr. Fitzharris for providing the responses that he already had. When asked, Mr. Fitzharris agreed to respond to additional clarification questions.

I asked Mr. Fitzharris if he could remember who the cook and/or housekeeper was at St. Francis Xavier rectory when he was there. Mr. Fitzharris stated that his first year at St. Francis Xavier, a

When asked, Mr. Fitzharris stated that he did have a membership to Midtown Tennis Club for ten years. Also when asked, Mr. Fitzharris identified his tennis partners as Jim Flynn and Tom Pelton. Mr. Fitzharris again stated that he does not remember I then asked if Mr. Fitzharris remembered either of the other boys mentioned by Mr. Fitzharris stated that he does remember and added that the boy lived with his family. As for Mr. Fitzharris does not remember him. When asked about [not sure of spelling], Mr. Fitzharris stated that the name sounded vaguely familiar to him, but was not sure. Fr. Grace then asked Mr. Fitzharris if he ever had kids stay overnight at the rectory. Mr. Fitzharris stated that he did. I asked Mr. Fitzharris where the kids would have slept in the rectory. Mr. Fitzharris stated that the kids would have slept in the bedroom at the end of the hall [down the hall from his quarters]. When asked, Mr. Fitzharris stated that no other priests had quarters on the same floor of the rectory as him. I asked Mr. Fitzharris if there was a type of game room on the same floor of the rectory as his quarters. Mr. Fitzharris stated that there was such a room located on the third floor of the rectory [where his quarters were also located]. As per Mr. Fitzharris, this game room was commonly shared by all [other priests]. I asked Mr. Fitzharris if there was a "toy closet" anywhere on the third floor of the rectory. Mr. Fitzharris stated that he "...doesn't know what that's all about." When asked, Mr. Fitzharris stated that he has no memory of having boys over to the rectory for dinner. Also when asked, Mr. Fitzharris stated that he did sometimes bring boys with him to Midtown Tennis Club. I asked Mr. Fitzharris if his mother's home had a pool. Mr. Fitzharris stated that she did not have a pool, but also responded to the question that he did bring boys to his mother's home. When asked who played tennis with him at Midtown Tennis Club, Mr. Fitzharris stated that Charlie Tobin, John Lynch, and Tom Pelton all were tennis partners of his. When asked, Mr. Fitzharris stated that he did have a number of station wagons. Mr. Fitzharris then remarked that, "...lots of his details are correct...[but] a major one [detail] is incorrect." When asked for clarification, Mr. Fitzharris stated that major detail that is incorrect "... is the [alleged] abuse part." When asked again, Mr. Fitzharris stated that he did not wish to have copies of allegation or his response [in report form] sent to him. As I verbally provided Mr. Fitzharris with general information of the Review Board process, he asked that copies of the letters noting Cardinal George's decisions on the matter be sent to his address. Fr. Grace and I asked Mr. Fitzharris to confirm the current address that we have for him. Mr. Fitzharris provided the following as his current address:

tall German lady with grey hair worked in the rectory. He added that the pastor at the time was

Frank Frasier.

Mr. Fitzharris added that was at the rectory approximately 12 hours a day, but did not ever make dinner. When asked, Mr. Fitzharris stated that he never punished the altar boys if they "messed up." Responding to specific alleged incidents, Mr. Fitzharris stated that he has "...never had anal with anyone in his life..." Mr. Fitzharris also stated that he was never in bed with a boy in the rectory, he never gave wine or any other type of alcohol to a child, and the mutual oral sex "never happened." Mr. Fitzharris stated, "I never did anything sexually inappropriate with this person." When asked if he recalls giving toys kept in the basement of St. Francis Xavier to children, Mr. Fitzharris stated that every Christmas the parish had a toy drive. He explained that the toys were delivered to families in the parish. When asked, Mr. Fitzharris stated that the name is "vaguely familiar." When asked by PRA, Mr. Fitzharris stated that his transfer from St. Francis Xavier was "routine." As per Mr. Fitzharris, there was a mass and a good-bye party with staff and parishioners when he was assigned to another parish. Mr. Fitzharris stated that the sexual allegations made by are ridiculous. He agreed that the details in allegation about the existence of the pool table in the rectory and are correct, but that the substance of the allegation is incorrect. Grace thanked Mr. Fitzharris for his time and asked that he call either with any questions or concerns. PRA informed Mr. Fitzharris that a draft report of his response to allegation would be mailed to him for his review. It was agreed that Mr. Fitzharris would then make any corrections to the draft report and return it to PRA.

Fitzharris stated that he does not exactly remember the time of day that the boys and/or girls would be in this room in the rectory. Also when asked, Mr. Fitzharris stated that he never had any boys or girls stay overnight in the rectory. Mr. Fitzharris also pointed out

As per Mr. Fitzharris, he is "very disturbed" by the allegation and that "...the whole thing is very disturbing...none of the sexual allegations are true." Mr. Fitzharris asked PRA if it would be important for him to talk about details of allegation that he feels are not true. When asked for an example, Mr. Fitzharris stated that there was not a bumper pool table at St. Francis Xavier, but there was a "...huge slate pool table." Mr. Fitzharris also mentioned that memories of priests assigned before, after, and with Mr. Fitzharris at St. Francis Xavier are inaccurate. PRA advised Mr. Fitzharris to respond to any and all information that he was presented in allegation. Victim Statement Abstract

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AT's statement, given to Ms. McCluskey on October 19, 2005, formalizing his allegation of abuse against Rev. Joseph Fitzharris. The alleged abuse consisted of Fr. Fitzharris providing Victim AT with alcohol and multiple incidents of fondling, anal penetration, and oral sex when Victim AT was in grade school. All of the alleged abuse occurred in the rectory at St. Francis Xavier parish and on an out-of-town retreat. Victim AT reported numerous incidents of abuse while he was an altar boy at St. Francis Xavier. Victim AT also recalls that Fitzharris had a bumper pool table and toys in the rectory that he solicited Victim AT to use. Fitzharris also invited Victim AT to sleep over at the rectory. Victim AT also reported that Fitzharris gave him alcohol prior to an incident of abuse.

Phone Interview

Fr. Thomas Tivy [TT] and PFRA phoned Joseph Fitzharris [JF] promptly at 11:00am for the scheduled teleconference. After introductions were made, PFRA explained to JF the role of PFRA as well as the process associated with an allegation of sexual misconduct of a minor against a priest. PFRA also clarified for JF that there were two allegations that would need to be read to him. JF stated that he had not been able to reach his attorney, Patrick Reardon [PR] to be present for the reading of the allegations. However, JF stated that he wanted to proceed with the scheduled meeting without PR.

Prior to PFRA reading the allegation of sexual misconduct made by Jacobs JF asked several questions about the alleged victim. JF informed PFRA that he did not recall anyone by the name of PFRA suggested to JF that the allegation be read in its entirety and that some of his questions regarding identity may be answered. JF agreed to let PFRA read the allegation.

JF's initial response to the allegation was "I don't know what to say." JF's comment was followed by much silence. VP then suggested to JF that he did not need to say anything if he felt that he would need to speak with PR prior to making an official response to allegation. JF

then responded, "I don't know what to say... I vaguely remember the kid now...the story is full of inconsistencies... I don't know what to say." VP then asked JF if his parents resided in Highland Park. JF responded that his parents did not reside in Highland Park, but that he had friends who resided in and he "took kids on the boat...but never stayed overnight."

JF continued, "Maybe I should talk to Pat [PR] first. I'll talk to Pat." These comments made by JF were again followed by a period of silence. It was then clarified by PFRA and VP that JF would contact VP after JF had a chance to speak with PR.

The alleged abuse occurred at St. Francis Xavier parish, at the home of a family member of Rev. Fitzharris and in Rev. Fitzharris' car. Victim AV was between 12 and 14 years old when the alleged abuse occurred. According to Victim AV, Fitzharris invited kids up to the rectory after CCD to play the pinball, bumper pool, and foozball games that he kept there. Victim AV also reported that Fitzharris would take kids to a local health club, and to movies. Fitzharris abused Victim AV at the health club when he was alone with Fitzharris. On other occasions he would have kids sit on his lap while reading them the bible. Francis Cardinal George Archbishop of Chicago 1555 North State Parkway Chicago, Illinois 60610 VIA HAND DELIVERY

Dear Cardinal George:

My name is I was sexually abused by Joseph Fitzharris, a diocesan priest approximately 27 years ago. I was 10 years old at the time. Father Fitzharris, I hesitate to call him father, He was assigned to various inner city parishes and, two or three times a year, would bring a number of parish children to my childhood home in for a day in the suburbs. Fitzharris was loved by all the children and, it seemed, he loved them, legitimately, in return.

I now know that Fitzharris was and, unless he is deceased, remains a pedophile. His conduct was a betrayal of the complete trust I and all the other children placed in him. I loved him. I trusted him. He betrayed a child's trust. How sad and reprehensible.

My life has been profoundly affected by Fitzharris' conduct. I'm sure in many ways I can't and never will fully understand. After all, I'm not able to quantify how much happier, more secure etc., I would be if the abuse never occurred. What haunts me most is the knowledge that Fitzharris had unrestricted access to many under-privileged children, primarily Latino, whose parents undoubtedly placed their trust and the lives of their children in his care. They viewed him, I believe, as essentially infallible.

I understand that Fitzharris was exposed a number of years ago as a sexual predator. Until recently, it was my understanding that he had been defrocked. I now know that this is not true and that, until at least four to five years ago, he continued to serve as a parish priest in the Chicago Archdiocese. This discovery has been very disturbing to me because Fitzharris has, presumably, been provided continued access to yet another pool, yet another generation, of victims.

I fear and know in my heart that there are many, many boys and men who bear the heavy burden of having been sexually abused by Fitzharris. I am horrified by the thought that this conduct may be continuing as I write this letter. It is time, at least for me, to address this issue.

In addition to the therapeutic value of writing this letter, I am seeking information and a formal response from you on the following issues:

- 1. What steps were taken to discipline Fitzharris;
- 2. What limitations were placed on his activities, i.e. was he precluded from working with children and adolescents and, if so, what steps were taken to monitor his compliance;
- 3. What treatment was he provided and, most importantly;
- 4. What guidance and counseling was and is being offered to the victims of this sexual predator.

I know you face many challenges as the newly installed head of the Chicago Archdiocese. I will pray that God guides your decisions and that you find time in the next two weeks to respond to my letter. I would, of course, welcome the opportunity to meet with you to discuss the issues raised in this letter directly.

Please feel free to contact me direct at may also write to me at the above address.

Rev. Joseph Fitzharris Cardinal Stritch Retreat House Post Office Box 455 Mundelein, Illinois 60060

Dear Joe,

When I returned from vacation, John told me that you had sent out a letter requesting donations to pay off your mortgage. According to what I was told, you said in your letter that I was telling you that you had to resign from the priesthood. Apparently the Cardinal was greatly upset when he heard about the letter. And so am I since, as you know, I didn't tell you you had to leave. Rather, I presented you with the options of either following the program and protocol as designed or submitting your resignation. If you only emphasize one aspect of those options when speaking to people, then you are not telling the full truth, Joe.

I need to point out a couple of other things to you:

- 1. You remain under Canon 1044 with psychological impediments to ministry. This means you cannot celebrate Mass either as a concelebrant or in any other way. You are to exercise absolutely no ministry. When you were placed under Canon 1044 back in December, 1991, there was an opinion that exceptions could be made and, indeed, exceptions were made in your case. Since that time Rome has clarified Canon 1044 and has said that, if a man is under 1044, he can perform no ministry whatsoever. This means even private Masses. There are no longer any exceptions to that Canon 1044. If you have any questions about this, please call me.
- 2. You had mentioned the possibility of going to live in your house. You should know that if you were to do that, you would be in violation of your protocol and that could create some real problems. If, however, you were to submit your resignation to the Cardinal, and at the same time send me a copy of your letter, then you would of course no longer be under the jurisdiction of the Vicar for Priests Office. The

resignation is effective only when the Cardinal accepts it, and since he is out of town until the end of October, he would not be able to do so unless we were to contact him directly.

Please do not do anything foolish in this matter to jeopardize the arrangements that are being made right now. Again, if you have any questions, please give me a ring.

Re: Joseph Fitzharris

While in St. Louis on 5/27/94, I met with Fr. Joseph Fitzharris

Joe is not pleased with the new assignment. He has many complaints. He feels frustrated, uprooted, and at loose ends. I told him that I would convey his concerns to Fr. John O'Neill when I met him.

I then met with John and his side of the story is that Joe is a constant complainer. Joe is obviously ill at ease in the setting and is making no efforts to settle down. John felt that some word from us to Joe that he is going to be there and needs to make the best of the opportunity might be helpful. O'Neill feels they can put up with Joe, although they find it difficult and sometimes they have to ignore him in his constant whining.

After talking to Fr. O'Neill, I met with Fitzharris again for lunch along with another priest. I spoke to Joe about the necessity of settling in and making the most of it. I told him it was not permanent. I told him, that in order to restore any kind of sense of trust with the Cardinal, he must cooperate in this venture. We had a nice lunch and Joe seemed to hear what I was saying. We shall see.

I asked Joe not to be negative when he met and talked with him.

Rev. Joseph Fitzharris

Dear Joe,

I was just making some plans today to get down to St. Louis on May 27 over to the Wahl Institute on some business and I was thinking of you and the others I hope things are going well for you. I know you're still in that adjustment stage at this point.

Bernadette was very impressed by the land. She told me that she thought it was like Ireland.

impression over the last couple of years has been that, of all the fellows, you are the one who put your roots down the quickest to establish some kind of decent home for yourself. It really is our hope that we may have that problem in hand by the end of the summer. We are keeping our fingers crossed.

Not much happening back here, although we're still pretty busy. I don't know whether it will be possible to get when I am down there on the 27th, but I'm going to look into the possibility just to drop by and maybe have lunch, say hello, and see how things are going.

In the meantime, I'm keeping you in my prayers and hoping that the Spirit, during this Pentecost time, will be in your life and grant you the understanding, the wisdom and the fortitude to follow through on this latest lap of your long journey. Take care.

Fraternally yours,

Rev. Patrick O'Malley Vicar for Priests

Re: Joseph Fitzharris

Fr. Canary and I met with Joseph Fitzharris accompanied by his lawyer, Rev. Patrick Lagges, on Friday, March 25, 1994. We explained to Fr. Fitzharris his options at this point:

- l The Cardinal wishes him to go to Evergreen Hills, the Wounded Brothers Project, for the next step in his rehabilitation. Thus far, Fitzharris has declined to go.
- 2 If he declines to go to the Project, then the Cardinal will ask him to go to a residential setting where he will be under supervision for as long as he remains a priest. We mentioned Cherry Valley and Albuquerque.
- 3 Fr. Fitzharris obviously also has the option of leaving the priesthood, in which case we would prepare an exit package for him. Both Fr. Canary and I told Fr. Fitzharris that the Cardinal does not want this nor do we advise this option for him. Fr. Canary explained that we do not feel he should leave because of his age and his lack of skills to get a job in the job market at this time.

Fitzharris said he needed time to think over whether he should go to Evergreen Hills. Fr. Fitzharris asked if he might have sufficient time to prepare himself for the move to Evergreen Hills. We told him that he would have to make the decision fairly soon and we would certainly work out a reasonable amount of time for him. It would not be six months down the line, but it might be somewhere around the end of April or the beginning of May.

The meeting was fairly cordial. Fr. Fitzharris expressed regret that he had spoken so harshly to Fr. Canary recently. He seemed in a good place and he seemed to hear us properly.

Re: Joseph Fitzharris

it is time he begin to look towards fashioning a future for himself which will help him make a contribution to society, or even in the Church itself. The Cardinal reiterated that Joe would not be going back into ministry. And that therefore he recommends that Joseph go to the Wounded Brothers project in Missouri.

We then spent some time explaining what the project was about, those who are running the project, the support that is a part of the project and the purpose for the project.

Joe felt that he has already begun to re-tool himself. The Cardinal acknowledged this, saying that he knew Joe was taking a psychology course and that he had been working at St. Theresa Hospital.

At one point Joe said that, as he understood the Cardinal, the Cardinal wanted Joe out of the diocese. The Cardinal was quite definite in confronting Joe at that moment to say that Joe had misunderstood. He explained very carefully to Joe that we had initially wanted this Wounded Brother project around Chicago but were unable to get an adequate location. The Cardinal said that he did not want Joe out of the diocese. He even forsaw the possibility that Joe would be coming back at some point. He could not say when exactly that time was. Since the program was to be designed with Joe in mind, a lot would depend on how Joe progressed. The Cardinal did say to Joe that it wouldn't be as short as a couple of months, but it wouldn't be as long as five years. It could be longer than five years if that is what Joe wanted to do, that is, make the site in Missouri his permanent home.

VICAR FOR PRIESTS

Joe asked if any other Chicago people would be there and we said, yes. Joe asked us when we wanted him to go. We said we would like him to go down there by March 7, which would be approximately 3 weeks. Joe said he did not know if he could wind up his affairs in that time. I asked how long he would need. He said he did not know. I said we could extend it a week to the 14th of March. Joe and I will work on that aspect of his going down to St. Louis.

While he was obviously disturbed by this news, Joe Fitzharris seemed to handle it well. He asked the Cardinal if this was compulsory. The Cardinal said he did not like to put it that way, but if Joe was to continue to be part of the Archdiocese and make a contribution, the Cardinal felt that this was a good step forward.

On 6/1/93 John Canary and I met with Joe Fitzharris at his apartment. We explained to him the meaning of Canon 1044 and what that means in terms of his ministry. We also explained to him how he would get out from underneath the 1044. We told him that we would need an assessment from an independent group. After he has dealt with the question of Canon 1044, then down the future, according to the direction given by the Cardinal, there may be a possibility of having his case reviewed by the Fitness Review Board.

We told him that there has to be at least two years between the time of the last incident with the adult, which would be around December of 1991, and when he might be able, at the Cardinal's permission, to go before the Fitness Review Board.

Re: Joseph Fitzharris

Cardinal Bernardin, Fr. John Canary and I met with Joe Fitzharris at 4:30 on 5/10/93. We discussed Joe's request for partial return to ministry, i.e. working with sexual abusers at Trinity House. The Cardinal felt that there was no problem in giving him permission to do that and will speak to John Keenan about that possibility.

The Cardinal did advise Joe that he should get more training, that he should allow more time to elapse, and indeed that he has to build up his trust among other priests if he is to be effective outside of Trinity House. Whatever happens in the future will have to be studied carefully beforehand.

Another issue Joe talked about was Cooke's Manor and his feelings about staying there. The Cardinal sympathized with him. We said that that is our fall back place but we are looking for something else that would be more humane.

So the Cardinal in a post-meeting session with John and I felt that:

- 1. He could approve Joe's working at Trinity House
- 2. It was premature to address other things at this time.

John and I met with Joe on Tuesday, Feb. 16, and we advised him that you would not be present

but that he, the two of us and yourself could sit down afterwards and we could convey together

I would suggest that you write Joe and tell him that you would be glad to meet with him with us present as soon as we have information. Joe also asked that Steve Sidlowski be present but, until his case is actually turned over to Steve, we do not know if that is a good idea. If, however, he gives permission for Steve to be present though he does not know the background. If you have any more questions about this, please let me know.

She wants Joe to know that she is sorry if everything did not work out as they had planned. I told her I would convey that message to him but that I had ordered him not to be in touch with her.

A copy of this agreement and job description should be sent to the Priests' Personnel Board by January 15, 1990.

As you begin your new assignment, Joe, rest assured you are in my thoughts and prayers. I am confident that Our Lord will bless your ministry at Saint Pascal's as He has throughout your many years of service in the Archdiocese.

1. Joe Fitzharris is presently on a sabbatical at Notre Dame which will conclude on Dec. 15. He has been in touch with the Personnel Board and myself, and is requesting a change of assignment.

- 2. As you know, Joe was appointed as associate pastor to Tom Maher at St. Genevieve on Jan. 8, 1988. Joe now indicates that he is unhappy at St. Genevieve, finds no companionship there, and feels unchallenged. That, of course, is Joe's perception and what the reality is, who knows? But Joe would prefer not having to return to St. Genevieve when his sabbatical ends on Dec. 15.
- 3. Working with Ray Cusack, Joe has expressed interest in going to St. Pascal's where Gary Miller is the pastor. I have discussed this with Gary and he is willing to have Joe be appointed. Gary is aware of Joe's problems and I will be meeting with him on Dec. 7, just to go over what his responsibility would be as the on-site supervisor, if the appointment is made.
- 4. I would appreciate it if you would let me know if you will agree to this transfer of Joe from St. Genevieve to St. Pascal?

1-17/89-Ken Velo Said Card. Ok othes. Dirll prepare a letter of ayent. for Jose.

RE: Joseph Fitzharris

1. I received a phone call from Joe. He wanted to know if I had heard anything yet. I told him that Gary Miller had called and that he was very open to receiving Joe, but that he wanted a little more time to think about it. Gary promised to get back to me in the next day or two.

- 2. I asked Joe if he was quite definite in going to St. Pascal if Gary does say "yes". In other words, I wanted to know if Joe has any other irons in the fire. Joe said that Hennessey at St. Isaac Jogues had indicated that he was not interested in a priest, as he had just hired a Pastoral Associate. And Ron Kalas at Mary Seat of Wisdom had indicated that he wanted a younger priest. So Joe definitely will go to St. Pascal, if Gary will allow it.
- 3. I just hung up on Joe's conversation when the phone rang and it was Gary Miller. Gary said he thought it over, prayed over it and is quite willing to accept Joe. Gary had also informed Ray Cusack of his decision to accept Joe. Gary will get together with me on Dec. 7 and I will go over with him some of the responsibilities as an on-site supervisor. I had wanted to meet with Gary and Joe together, but Joe preferred to have this done as quickly as possible and so he asked if I would meet with Gary without him.
- 4. I then called Ray Cusack and told him that I was quite agreeable to Joe going to St. Pascal's. Ray had informed Joe that he would have to run it by the Personnel Board on Friday, and Joe was reluctant to have any mention of my name attached to it. I told Ray that it would probably be better if the appointment just came directly from the Cardinal through me, rather than to present it to the Personnel Board. Since the Board would have no opportunity to question me, it would seem unfair to the Board to even present it to them for discussion.
- 5. I will call Joe on Thursday and let him know the decision. I will then send a letter to the Cardinal asking him to make the appointment.
- 6. Ray Cusack said that Joe preferred not to have to say anything himself to Tom Maher. He had hoped that Ray Cusack would do that for him. I told Ray I didn't think that that was being man enough on Joe's part and that I will talk to Joe about it. I think he has the responsibility to tell Tom Maher that he wants to leave and why.

2. I called Joe. I explained what Notre Dame wanted and read to him from the additional questionnaire that whoever writes the letter would have to fill out. Joe was confused as to why I was involved at all. He said that he was told that the letters should come from Wayne Prist and the Bishop. When he asked whether or not that meant the Cardinal, he was told that anyone of the Bishops would do. Joe wanted to know if I would send it to Bishop Jakubowski, the Vicar of his area. I told him that I preferred not to do anything, as the minute I become involved, people right away no that there is something wrong. I would rather not give rise to any suspicions. I told Joe that if he wanted to do that himself, he was welcome to do it. Joe said he will call Notre Dame tomorrow and ask them to send the forms to Bishop Jakubowski.

3. I discussed this in general terms with Wayne Prist on the occasion of the overnight at the seminary on April 11. Wayne does not know what the problem is as far as Joe is concerned, although he does know that Joe has some difficulty, because when Joe made his original request for a Sabbatical, he asked Wayne to get in touch with me. Wayne is also aware that there is some personality problem with Joe and he could mention that in his own letter, if he decides to send it. But Wayne is also concerned as to his responsibility not to recommend people that we would consider to be seriously disturbed, etc. I had to dance around this question on Wayne's part, because I did not want to state explicitly exactly what Joe's problem is. Based on my experience with the Menlo Park program, I feel quite sure that Notre Dame would exclude Joe.

1. Merle Ann, from Wayne Prist's office called. She said that Fr. Fitzharris intends to take the rest of his sabbatical. He had originally been given six months, but he broke it up into three sections. The final section is from August through December 15th at Notre Dame.

- 2. Notre Dame has required two letters of recommendation for all participants. Wayne Prist has sent his letter and thought that I would send the other. Merle Ann, indicated, that those who send letters of recommendation will receive a follow up letter from Notre Dame in which they ask some very specific questions such as does the person have any physical problems? does the person have any amotional problems? does the person have any drug or alcohol addiction or sexual disorders, pedifilia, etc.
- 3. I did not let on to Merle Ann what the problem was, but I suggested that it would not be proper for me to send the letter. I could send the initial letter, but I would be violating confidentiality if I were to respond to the second questionnaire. I told her I would talk to Wayne Prist about this on Monday. Joe is not aware of the contents of the second letter that would have to be written. Apparently that is why he thought it would be fine if the Sabbatical Board and the Cardinal or myself wrote the letter for him.

Rev. Joseph F. Fitzharris Good Shepherd Catholic Church 2719 South Kolin Avenue Chicago, Illinois 60623

Dear Father Fitzharris,

It has become necessary to re-consider your application to the Vatican II Institute. In your letter of Oct. 31, 1987 you mentioned that "last year was a very difficult year for me due to burn-out and other reasons". You did not specify the other reasons but quite inadvertently these reasons were brought to our attention.

I am in no way condemning you or passing judgment on you. Although we would very much like to help you, we do not feel that our type of program would be helpful for you. I deeply regret that we are unable to accept you into the Fall 1988 session as previously planned and will be returning the board-tuition amount of \$3150 to your Center for Development in Ministry.

This decision was not reached lightly. Much thought, prayer and many consultations with our Board of Directors were under-taken and we feel that the decision is correct. I will be calling you within a few days after you receive this letter to talk to you personally.

In the meantime you may want to talk to your Vicar for Priests, Father Raymond Goedert to whom I am sending a copy of this letter. I have been in touch with Father Goedert though he is not the person through whom we discovered your situation. Indeed, Ray was very much on your side and would have preferred that we had come to an affirmative decision for you.

Until I talk to you on the telephone, I remain

Sincerely yours in the Lord,

(Rev) Leonard E. Racki

RE:

Joseph Fitzharris

- 1. I received a phone call from Rev. Leonard Rocki, the Associate Director of the Vatican II Institute at Menlo Park. (phone: 415-325-9122). Len said that he and the director had discussed the matter and they really felt it would not be good for Joe Fitzharris to come out there. The program is a wholistic program, not geared to offer therapy, etc. A great deal of emphasis is placed on community building. One person could destroy a lot of stuff. Len does not feel Joe would be receiving any help there. There is a lot of in-depth sharing that goes on, and Joe would not be able to talk about his problems.
- 2. I asked Len how it came about that he was aware of Joe's problems. He said it was strictly by chance. Fr. Tucker happens to be a Sulpician and he just mentioned off the cuff one day that a Chicago priest would be coming out for the program. Fr. Tucker gives a lecture on stress to this program. Len happened to be talking to Larry Maddock who is in the program and mentioned that a Chicago priest was coming. When Len mentioned his name, he could see immediately from Larry's expression that there was something amiss. When he pursued it, he learned that Joe had problems, etc. Also, when Tucker first brought the matter up, he said something about the nature of Joe's problems.

1. Joe called today. He said that the court supervision ended May 3. A year from now the attorney can petitition to have the entire record expunged. I suggested to Joe that he mark it down on his calendar and I would put it in the case file.

2. Joe is leaving for the Trappist monastery in Snow Mass in August. He will be there three or four weeks. He will then be going to Menlo Park in September and his term there will finish December 15, at which time he will return to Chicago. He originally intended to go to Bangladesh in January, but he has put that on hold. He and Jim Flynn are supposed to be going to China in June, 1989.

RE: Joseph Fitzharris

- 1. I met with Tom Maher, the pastor of St. Genevieve's, today. The purpose was to see how Joe Fitzharris has been doing since his arrival in January.
- 2. Tom indicated that the parishioners have reacted very positively to Joe. His homilies apparently are pretty good, because Tom receives positive vibrations from the parishioners about them.
- 3. Joe shows up at parish activities and seems to be actively involved. One of the things that surprises Tom is that Joe seems to know a lot of people. Apparently a number of parishioners from St. Francis Xavier on Nelson Street have moved further west and ended up in St. Genevieve's, so there seems to be a lot of connections.

friendly enough and Tom is <u>not aware of</u> any difficulties. Tom recognizes that	
Joe has other committments etc., so there are a lot of times	
when Joe is not around, but what Joe does do, he seems to do well. As far	
as Tom knows, Joe is keeping up with his various committments	

- 5. To the question as to whether Joe seemed happy there at St. Genevieve, Tom said he didn't quite know how to answer, but Joe doesn't complain. On the other hand, Joe doesn't go out of his way to communicate with Tom. But basically there seems to be no problem. Joe relates well to the Spanish and he seems to be very sensitive to the poor.
- 6. I asked Tom whether Joe has ever violated the mandate to avoid all unsupervised activities with young people under the age of 18. Tom said that he only noticed on one occasion, around 6:30 or 7:30 in the evening, a boy went up with Joe to his room. Tom was not aware of anything beyond that. When I asked him what he thought the age of the boy was, Tom thought he was around 18 or 19. Tom has no reason for thinking anything inappropriate happened. I will have to check Joe on this when he comes in to see me.

- 1. I met with Joe and Tom Maher at St. Genevieve Rectory (237-3011) at 2 PM today. I began the meeting by asking Joe to simply fill in Tom again on what the nature of his problem is. Joe stated the situation clearly enough and I simply added the precaution that Joe not be in an unsupervised situation with high school age boys. I also told Tom Maher that he should do his best to make sure that people do not pressure Joe into working with that age group. I told both Joe and Tom that I would be in touch with them from time to time just to see how things were going. At the end of our meeting, Tom was still in agreement to accept Joe.
- 2. I spoke to Cardinal Bernardin later on in the evening and he gave his OK to the appointment.

Jan. 2, 1988

I called Tom Maher and Joe Fitzharris and let them both know that the appointment has been approved by the Cardinal. Joe is making arrangements to move in next Saturday, Jan. 9.

In my conversation with the Cardinal Saturday evening I mentioned to him the mistake in the letter which he sent concerning Joe's sabbatical. I suggested that he let Joe know that "fifteen" was a typist error. I did not want Joe to be hurt by thinking people don't know how long he has been ordained.

In talking to Joe, I reminded him of the necessity of notifying the Court of a change of address. I suggested to Joe that he talk to Pat Tuite, his lawyer, and Joe agreed that he would do this on Monday or shortly thereafter.

I spoke to Joe today. I told him that Tom Maher had OK'd his coming there. I told him that I mentioned to Tom the nature of Joe's problem and asked him to think about it. Tom called the next day and said he was still open to it. He also mentioned that he had talked to the other two associates and they also were open to it. This took me by surprise, as I had not expected Tom to say anything to anyone else. On the other hand, I don't recall not to say anything. When I mentioned this to Joe I think he was a little upset. I suggested to Joe that he ask Tom just how much he said to the other two.

I also told Joe to tell Tom as much as he could a

Joe will

call me after he and Tom have met. I then will probably arrange to meet with Tom and Joe and talk over the whole situation. I also suggested that it be done in writing.

RE: Joe Fitzharris

- 1. I received a call from Frank Cimarrusti. He told me to call Tom Maher at St. Genevieve's. Tom is open to receive Joe as an associate, but Frank told Tom that I would have to talk to him first before he makes a final decision.
- 2. I called Tom Maher on Dec. 17 and indicated to him the nature of Joe's problem. I gave him only the barest essentials, just so that he would know what the situation is. He was taken aback by the revelation, as he wasn't prepared for it. I told him that this would have to be confidential, but I would understand if he would want a day or so to think about it. Tom said that he would call me the following day.
- 3. Tom Maher called me Dec. 18. He said that he was still open to receiving Joe. He did mention that he told the other two associates the nature of Joe's problem to see whether they would be willing to have him come. Tom admitted that he forgot about the confidentiality aspect. At any rate, both the associates were open to having Joe come. Interestingly enough, one of the associates was on retreat with Joe and Joe made mention of his problem as being one of alcoholism and women. What that is all about, I do not know, but it appears as though Joe was not prepared to tell the truth to them. Just why the matter even came up, was not clear to Tom Maher.

rusti. The bottom line for Tom was that we have to help priests like this, as long as I can assure Tom that there is nothing irresponsible about what we are doing.

5. I called Frank Cimarrusti immediately to let him know that Tom Maher is willing. Frank will contact Joe and get back to me.

Frank Cimarrusti said that Joe came to see him and looked over the list of possible parishes. Joe selected Our Lady of Mercy as his first choice, Our Lady of Grace and St. Genevieve as additional choices. Don Headley was concerned as to whether his budget could afford Joe. Moreover, he feels that Joe can be very hard on a staff. So Don appears to be negative. Our Lady of Grace was also negative, in view of the fact that McDonald is supposed to go there. Tom Maher at Genevieve's expressed interest. The Board seemed to feel that Joe ought to go on medical leave but give him a residence. If Our Lady of Mercy and St. Genevieve's say "no" Frank will get back to me.

October 27, 1987

Dear Ray,

How are things going? I hope you are still remaining strong and hopeful with all that you encounter. I am sure it is not easy and I for you.

I realize that I am a little slow in writing. One reason is to find the time. Another reason is that nothing really has changed from the other times that I have written you regarding Joe Fitzharris. Joe is still very much withdrawn and speaks very little. All he has really done at Good Shepherd is celebrate weekly and Sunday Mass, which totals about four to five Masses a week. He has also taken two funerals. He is generally gone from the rectory. Last week he took three days off. This week he is on retreat. Next week he plans to visit his sister for a week in Iowa. As I mentioned in my last letter, when he is present there is a sense of uneasiness. At meals, the few that we have all had together, the conversation is contrived and heavy. The other Saturday, at breakfast, Joe quickly mentioned something about having dinner with his sister and friend who were in visiting Chicago. I presumed, they were going out somewhere. When I went down for supper that evening, there were extra plates on the table and I asked the cook what was up. She said that Fr. Joe had told her the day before that he was bringing people to supper. I was upset and so was Jim, especially when they all came forty-five minutes late. Jim Kastigar and I had basically finished eating. They came in as if we were not there, continuing their conversation. Jim got up and left. I stayed to be polite, but again, being uncomfortable, excused myself and left. The difficulty was that our cook, being a very humble and dedicated person, stayed to take care of them and then did the cleaning up. She had another commitment that evening for which she was late. I was upset because it was a surprise for me and $\widetilde{\text{Jim}}$ - and that as on other occasions, I find things out through a third party.

I felt as though I had little to write this time, since everything is basically the same. What I did do was to go over the contract that was made with Tom Ventura. In terms of Joe's other commitments

I know very little since Joe has said very little.

Once in awhile Joe would mention that he was going on an overnite to the retreat house. He has said nothing concerning

presume he has been going. In terms of parish work, as I mentioned above, it has mainly dealt with celebrating Mass. In the contract, under #6.

Parish Work: the hospital visiting - very little was done, if at all.

There was no assisting of the undocumented or home visiting that I know of.

Ray, my concern now is that Joe's six month assignment will be coming to a close on December 15th. - less than a month a half away. Nothing has been said or planned as to what will happen on that date. I personally would find it extremely hard for Joe to stay here. He expresses no interest in the parish or what is going on. He basically uses Good Shepherd to eat and sleep - when he is here. I find it very difficult to support this type of "country-club" lifestyle when mostly everyone else is working very hard. If the purpose of Joe's stay here was to "re-enter"

ministry, I feel it did not take place. I hope we can meet to discuss what will happen, before December 15th is upon us.

Sincerely yours in Christ,

Alon ofund

ST. ALOYSIUS CHURCH 2300 West LeMoyne Street Chicago, Illinois 60622 Phone: 312 278-4808

January 2, 1969

Most Rev. John L. May, D.D., Chairman of the Priests' Personnel Board, Harrison and Hillside Avenue, Hillside, Illinois 60162.

Dear Bishop:

For about a month, now, I had planned to consult you, or some other member of the Personnel Board, about the situation in our house here at St. Aloysius. I had decided to wait until after the holidays before bringing the matter to your attention.

Quite directly, the problem centers in Father Joseph Fitzharris, who is the first assistant, as you know. The other men in the house include Father Jose Acevedo, newly ordained, and Father John Vlazny, professor at Quigley North.

Father Fitzharris' difficulty is a serious personality problem which I am convinced calls for professional help. I am no diagnostician, nor am I attempting to play the part of one, but from my own observations I would say that unless Joe gets some professional help he is going to have serious problems wherever he is assigned. For my part, after allowing a reasonable period of time for observation and personal efforts to help, and after careful reflection, I can come to only one conclusion: For the good of the spirit in this house, and for Joe's own good, I am requesting a change from this Parish of Father Joseph Fitzharris.

I have reached this conclusion quite dispassionately, and, as I say, after careful reflection and discussion with others who know and have lived with Father Fitzharris. If ever he is to mature and "level off", this can only come about by way of some change (under direction) in Joe. Nothing will be achieved by his denying his problem, or by attempts at escaping from it into other areas of activity. I would suspect that this sort of attitude might well lead to much more serious difficulty in the future.

Rather than discussing this matter in detail here and now, I would prefer to speak with you in person, John, and look forward to doing so in the very near future.

Wishing you every blessing of God in the New Year, and with a promise of prayers for you, I remain,

Rev. George F. Aschenbrenner Wehenberund

Victim Statement Abstract

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim AW's statement, given to Ms. McCluskey on August 13, 2007, formalizing his allegation of abuse against Rev. Joseph Fitzharris. Victim AW reported that he helped out at the parish and that he stayed overnight at the rectory at St. Francis Xavier parish with 2-3 dozen times. The alleged abuse consisted of several incidents of fondling when Victim AW was a minor. The alleged abuse occurred at St. Francis Xavier parish, an athletic club, and the home of a family member of Rev. Fitzharris. Victim AW also reported that Fitzharris would fondle his own genitals in front of Victim AW, and would fondle Victim AW while he was sleeping. Victim AW also recalls that Fitzharris had a pinball machine, bumper pool table, and toys in the rectory for kids to play with.

Fitzharris also massaged Victim DT at the St. Francis Xavier parish rectory when Victim DT was between 3rd and 4th grades at St. Francis Xavier Elementary School, and again when he was approximately 15 years old in approximately 1985. Fr. Fitzharris also took Victim DT and other boys, and on one occasion with another priest, to an athletic club in Chicago. On another occasion while at an athletic club in Chicago Fr. Fitzharris instructed Victim DT to shower and watched Victim DT disrobe.

Victim Statement Abstract

This abstract replaces the memorandum from Matt Hunnicutt, Director of the Office of Assistance Ministry of the Archdiocese of Chicago, to Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, dated February 11, 2009, summarizing the conversation Mr. Hunnicutt had with Victim DU after Victim DU formalized his allegation of abuse against Rev. Joseph Fitzharris on February 10, 2009. Victim DU stated to Mr. Hunnicutt that Fr. Fitzharris rubbed Victim DU's genital area when Victim DU was naked.

Victim Statement Abstract

This abstract replaces the summary prepared by Leah McCluskey, Professional Responsibility Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, of Victim DV's statement, given to Ms. McCluskey on April 18, 2008, formalizing his allegation of abuse against Rev. Joseph Fitzharris. The abuse consisted of being forced to shower with Fitzharris, being fondled by Fr. Fitzharris while sleeping in Fr. Fitzharris's bed in the St. Francis Xavier rectory, and forcing Victim DV to touch Fr. Fitzharris's penis. On a separate occasion, Fr. Fitzharris slept in the same bed with Victim DV, fondled his genitals throughout the night, and attempted anal penetration. The alleged abuse occurred at the St. Francis Xavier parish rectory and at a house in another state in approximately 1981. Victim DV was in eighth grade and an altar boy at St. Francis Xavier at the time of the alleged abuse.

Re:	Fitzharris, Rev. Joseph [Resigned]
Date:	July 21, 2008

Earlier today I received a phone call from Rev. Thomas Tivy, pastor of Resurrection parish on Nelson Street in Chicago. Fr. Tivy was calling to respond to Santa Garcia's request made on behalf of this office for a possible altar server list from St. Francis Xavier [now Resurrection] during the time period identified by his allegation against the former Rev. Joseph Fitzharris.

Fr. Tivy stated that for the identified time period, there were no altar server lists for the Spanish Masses. As per Fr. Tivy, the Spanish Mass was always at 12:15pm and it was not published in the bulletin. Fr. Tivy said that in all of the bulletins that he looked through for the identified time period, even though he does not have a complete record of all bulletins, there was no altar server [for the English masses] with the name listed.

Fr. Tivy said that he thinks that the altar servers for the Spanish Masses were not listed "in those days" because Spanish-speaking parishioners did not take the bulletins due to the fact that they were only printed in English. As a result, information was passed among those who only spoke Spanish through word of mouth.

who graduated Fr. Tivy said that he only found one student with the last name from St. Francis Xavier, but that the student was female.

I thanked Fr. Tivy for all of his assistance with this matter. Fr. Tivy may be reached at

Joseph Fitzharris. The alleged abuse consisted of fondling under Victim DW's clothing, which occurred when Victim DW was between nine and fourteen years old between approximately 1981-1986. The alleged abuse occurred at the St. Francis Xavier parish rectory and during several out-of-state trips. Victim DW also stated that Fr. Fitzharris took her to an athletic club in Chicago where Fr. Fitzharris would meet with other priests. Victim DW also stated that there were rumors among the students at St. Francis Xavier that Fr. Fitzharris was a pervert.

Re:

Fitzharris, Rev. Joseph (Laicized)

Date:

August 6, 2009

As you may know, formalized her allegation of the sexual abuse of a minor against Rev. Joseph Fitzharris. This allegation was presented to Mr. Fitzharris for his response via phone on April 21, 2009. During the April 21st phone call, Mr. Fitzharris stated that he did not want a copy of the report of allegation against him mailed to him, nor did he want any other paperwork from my office mailed to him "unless it was good news." For these reasons, I have not sent Mr. Fitzharris a copy of the report of allegation against him or any letters with regard to Francis Cardinal George, O.M.I.'s decisions concerning the Initial Review and Review for Cause of this matter before the Review Board.

The Review Board conducted an Initial Review of allegation of the sexual abuse of a minor against Mr. Fitzharris on April 18, 2009. Cardinal George accepted the Review Board determination that this matter warranted additional investigation.

The Review Board conducted a Review for Cause of this matter on July 18, 2009. Cardinal George has accepted the Review Board's determination that there is reasonable cause to suspect that Mr. Fitzharris sexually abused when she was a minor.

Please feel free to contact me at (312) 534-5205 if you have any questions about this information.

I. Case Reviews Initial Review

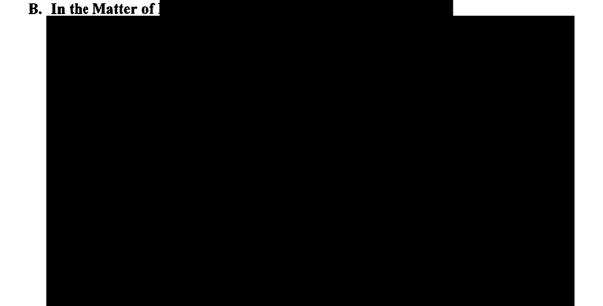

A. In the Matter of Rev. Joseph Fitzharris [Resigned 1995] - PFR - 12

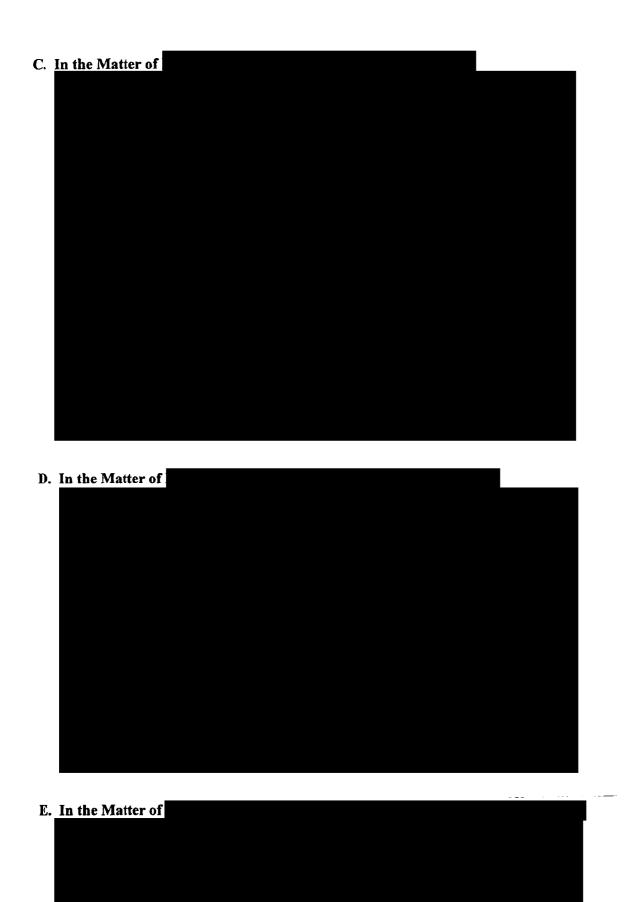

The Review Board conducted an Initial Review of I allegation of the sexual abuse of a minor by the former Rev. Joseph Fitzharris. A summary of the allegation is as follows: about seven total incidents; both Fr. Fitzharris and disrobed, fondling by the cleric; in car, Fr. Fitzharris touching over clothing, kissing; massaging, masturbating by Fr. Fitzharris; Fr. Fitzharris had fondle his [cleric's] genital area.

Ms. McCluskey referred the Review Board members to the March 15, 2008 Meeting Minutes. She noted that there seems to be a difference between an investigation done out of the Office for Child Abuse Investigations and Review and an investigation done in relation to a claim for a financial settlement. Ms. McCluskey read from the March 15th minutes, "...the members present discussed the matter and expressed that there was no additional information needed because of Mr. Fitzharris' admission."

When asked, Fr. Smilanic addressed the question if a vote was necessary to determine if this matter warrants additional investigation or not, in light of Mr. Fitzharris' admission. Fr. Smilanic expressed the opinion that the Board observe the mechanics of the policy and procedure so that there is consistency in all matters before the Board and therefore, voting on whether or not this matter warrants additional investigation.

In a 7-0 vote in light of the information presented, the Board determined that this matter warrants additional investigation.

Fitzharris fondling inner thigh and genitals; Fr. Fitzharris toweled off after showering.

Ms. McCluskey provided the Review Board with a verbal overview of this matter.

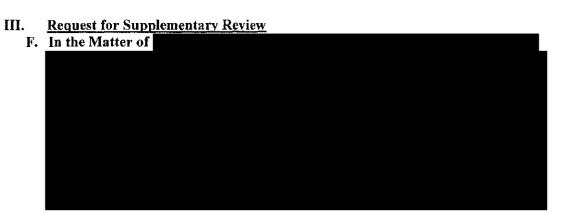

In an 8-0 vote in light of the information presented, the Board determined that there is reason to suspect that the former Fr. Fitzharris did sexually abuse when he was a minor.

St. Aloysius.

If Don Dohr were to come to St. Aloysius then John Ring would recommend that Joe Fitzharris go to Chicago Heights to help out with the Spanish there, and to replace Don Dohr there. This might be very difficult to do because Joe Fitzharris also has some pretty deep roots at St. Aloysius, and is now studying in Puerto Rico and is probably looking forward to returning to St. Aloysius. It is possible that Joe could be persuaded to go to Chicago Heights to take care of the Spanish needs there. In the Chicago Heights area, the Spanish are spread out quite a bit. It is possible also, that St. Casimir parish in Chicago Heights will close down in about a year or so. After it does close down, there will still be a need for a Spanish Mass as Sauk Village and the priest who would service the area could live at St. Agnes Parish. It is rather clear

from all reports that George Aschenbrenner is anxious not to have Joe Fitzharris return to St. Aloysius. Ring states that George has left Joe Fitzharris' name off the Bulletin since he has left.

5. Concerning George Aschenbrenner. May had a long interview with George Aschenbrenner on January 2nd. He has sent a long report to the Board, which is in the Personal File of George Aschenbrenner. George defended himself quite well against some of the charges that were leveled against him by Joe Fitzharris and Jose Acevedo. To quote May's last paragraph: "All in all, Goe made a good impression on me. He did not seem nervous or defensive. He admitted much citicism but defended himself rather cogently

in some instances where the associates did not know all the facts. He seems intelligent and flexible enough in his opinions and attitudes. He sympathizes very much with Jose and promises that he will try to work very hard to iron out their differences. He knew nothing of the proposed course for Fitz but expressed no reluctance in seeing him go and perhaps joining the 18th Street project. He will consider the pastor's Spanish and agrees it would probably be very good for him all the way around. Shortly he expects a young Mexican student priest who has been helping on weekends to live there also.

"I would **a**uggest we wait to see if Geo can work things out a bit. He certainly has good will, and it is a rather difficult job he has. We can keep in touch meanwhile with Jose to see if there is any improvement."

WKXX /s/ John May

When George saw May he brought with him a letter that he had written sometime ago, but had never typed in finally to send it. When he planned to see Bishop May, he then typed it up and brought it to him. He puts on the letter, January 2, 1969. In this letter he asks that Father Fitzharris be transferred from his parish. Aschenbrenner thinks that Fitzharris' difficulty is a serious personality problem which George is convinced, calls for professional help. He feels that unless Joe gets some professional help, he is going to have serious problems wherever he is assigned. Fitzharris has been recommended to go away to study and has okayed the recommendation. His study being Spanish would be directed toward preparing him to return to St. Aloysius to do work amongst the Spanish in that Parish. Should we talk to Joe Fitzharris to let him know what George has reported to us? If so, we will have to check with George for permission to do this. The letter of Father Aschenbrenner asking for the transfer of Father Fitzharris, is in the Personal File of Joseph Fitzharris.
