INDIVIDUAL SPECIFIC PROTOCOLS
For

Rev. Anthony Vader

The Individual Specific Protocols (ISP) implement the primary goal of promoting the safety of minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office for Child Abuse Investigations and Review, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Director of the Office for Child Abuse Investigations and Review (Director). The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Rev. Anthony Vader is as follows (Director to initial all that apply):

1. The client is restricted from being alone with a minor or minors, that is anyone under the age of 18, without the presence of another responsible adult.
2. ____ Therapy ____ times per week/month (please circle one) as recommended by _____ (name of therapist). Attendance to therapy is to be reflected on "Clergy Daily Log" forms.
3. ____ Continued regular Spiritual Direction ____ times per week/month (please circle one) as recommended by _____ (name of spiritual director). Attendance to Spiritual Direction is to be reflected on "Clergy Daily Log" forms.
4. ____ The "Clergy Daily Log" to be completed on a daily basis and co-signed by the on-site supervisor. The log is a tool that is used for the protection of minors, the cleric, the on-site supervisor and the Archdiocese. Although it identifies time periods, it is intended to provide a general record of the day rather than a detailed clock. If you are describing an off-site activity, please include your destination and the general purpose of the visit or activity. For example, it is enough to indicate that you did personal shopping at a given Shopping Center rather than the details of each individual store. However, if your self-description is challenged or a complaint is lodged with the Archdiocese, some documentation and verification may be necessary to sufficiently address the situation.
5. ____ Abide by the assignment of residence to 12220 S. Will-Cook Road, Palos Park, IL.

6. _____ Must complete and submit the "Travel/Vacation Agreement," and obtain concurrence with the Agreement, prior to a scheduled departure. In the event of a prolonged stay in a particular location, the Archdiocese is required to notify the Ordinary of that place of your presence there.
7. _____ Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
8. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* apply as they do to all Archdiocesan personnel.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. On-site visits by the Director and the VP annually to include a meeting with the cleric.

This Individual Specific Protocol is to be reviewed annually with the Director, VP, and the cleric. Also, there can be additional, written notations tailored to the needs of a specific situation which are signed by all parties and appended to this document. Any change or alteration to this agreement will involve consultation with the cleric, his on-site supervisor, the Director, and the VP. The cleric, his on-site supervisor, the Director, or the VP can initiate the discussion for change or alteration, or request that this Individual Specific Protocol be reviewed by the independent Review Board. At the discretion of any of the parties, the legal and/or canonical counsel of the cleric may be involved in the discussions.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Father Anthony J. Vader

Pastor, Holy Name of Mary

Father Vader began his 30 year journey with parishioners of Holy Name of Mary on January 31, 1968.

When he arrived, Holy Name of Mary had a debt of \$250,000. Under his wise leadership, a "Pay off the Parish Debt" drive was initiated. The drive was so successful, that the debt was paid off to the Archdiocese of Chicago. This tremendous effort made Holy Name of Mary Church the first African-American Church in Chicago to pay off its entire parish debt.

As time passed the congregation of Holy Name of Mary grew by leaps and bounds. A large part of the growth was due to the many Catholics that had been following Father Vader since his first assignment at Holy Cross Church. They found in Holy Name of Mary, a place to rest, plant, grow and cultivate their religious roots.

Before long, a larger church was needed. Again Father Vader led a drive to finance a new and larger church. The drive was a success and the plans for the new church began. Holy Name of Mary was the first African American Catholic Church to have an African-American architect and an African-American contractor, all paid for by the African-American parishioners of Holy Name of Mary Church.

Some of the best African-American artist were hired to decorate the church. Donated as well as purchased artifacts from Africa and American adorned the church. Father Vader brought back art works from the artist colonies in Kenya and Tanzania for his new Church. Holy Name of Mary is rich in love and pride of the accomplishments of the black man.

The new church was opened for Mass on Christmas, 1997. In the Spring of 1972, Cardinal Cody blessed the new Holy Name of Mary Church.

The Congregation continued growing so that even with the new church, another mass had to be added to the Sunday Schedule to accommodate the growing number of parishioners.

Holy Name of Mary acquired a Mission Church, Sacred Heart Church and gave it as much assistance as possible so that the people on the west and south boundaries of the parish could have their own Church.

The Holy Name of Mary parish school, through the cooperation of the Oblate Sisters of Providence and Father Vader receive the latest innovations in education. Today the school has the highest educational standards of all the schools in the Morgan Park area.

Throughout the years, Father Vader continued his education earning an M. A. in Sociology at the University of Chicago, a Ph. D. in Sociology at Loyola University, Chicago and did Post Doctoral studies at Tangaza University, Nairobi, Kenya, East Africa.

Even with the demanding position of pastor of an ever growing congregation, Father Vader has, over the last 15 years, made time to share his knowledge and his love of knowledge with his many students at Niles College and at St. Mary of the Lake Seminary.

May 9, 1997 marks the day of celebration for Father Vader who, after 45 years of service to God and his many, many parishioners approaches a much deserved retirement.

Father Vader will live within the parish boundaries of Sacred Heart Church, the mission Church of Holy Name of Mary. There he will act as pastor of the mission to continue the Christian goals of worship of the Lord, education of the children and care for the parishioners.

Father Vader, the many persons touched by you at Holy Name of Mary, St. Lawrence and Holy Cross Church thank you and wish you a blessed future.

SACRED HEART CHURCH

11652 CHURCH STREET
CHICAGO, ILLINOIS 60643

17 April

Your Eminence:

When Ray Goedert told me that I could not wear clerical clothing when at the Opera, Concerts, Art Institute, I am more than willing to comply.

I have been attending the Lyric Operaproductions since they began forty-nine years ago. I have been in the same seat all that time, and Monsignor John Cardiff always attends with me.

I know many of the people in our balcony and they know Monsignor and myself. We have always worn clerical suits. IF I were to suddenly show up in sports clothing, I am sure that people would want to know what happened. They are accustomed to seeing me in clerical clothing. I am sure that they would ask questions of myself or Monsignor.

The same is true of the Friday afternoon concerts (14 of them each season). There may be more scandal if I dressed otherwise.

With regard to the Art Institute, often I am casually clothed since most do not know me nor do I know them.

However, I have always thought that it is good for a priest to be formally clothed at all of these functions. People are happy to see the priest in the Art Institute. Some months ago I went to complete my study of the "Manet and the Sea". The young man who checked my membership said that he had given you your ticket that morning and he was delighted "for he had seen two priests that day". Good public relations for the Church.

(sorry, but the tape broke. Let me continue here.)

Good public relations for the Church. However, I am willing to abide with your decision.

At the Goodman Theatre for which I also have season tickets for the main stage, I never wear clerical clothes since some of the modern plays have some degree of nudity.

Vis-a-vis the third issue, namely Mass during the Santo Nino devotions. Today I informed the organizers of the devotions that we would no longer have Mass and they agreed. Instead, there will be more prayers and Bible study to fill out the Holy Hour.

I hope this complies with all of your demands. If there are any other, then please let me know. Also please excuse this typing, for this is a new typewriter and I feel the Company should be sued. I know I will never use their products again.

Sincerely in Christ,

PROFESSION OF FAITH

With firm faith, I, REV. ANTHONY J. VADER,
believe and profess each and all of the articles which are contained in the Creed; that is:

I believe in one God, the Father Almighty, maker of heaven and earth, and of all things visible and invisible. And I believe in one Lord, Jesus Christ, the only-begotten Son of God. Born of the Father before all ages. God of God, Light of Light, true God of true God. Begotten, not made, of one substance with the Father. By whom all things were made. Who for us men and for our salvation came down from heaven. And he became flesh by the Holy Spirit of the Virgin Mary: and was made man. He was also crucified for us, suffered under Pontius Pilate, and was buried. And on the third day he rose again, according to the Scriptures. He ascended into heaven and sits at the right hand of the Father. He will come again in glory to judge the living and the dead. And of his kingdom there will be no end. And I believe in the Holy Spirit, the Lord and Giver of life, who proceeds from the Father and the Son. Who together with the Father and the Son is adored and glorified, and who spoke through the prophets. And one holy, Catholic, and Apostolic Church. I confess one baptism for the forgiveness of sins. And I await the resurrection of the dead. And the life of the world to come. Amen.

I also firmly accept and hold in each and every part all that the Church has either defined by way of solemn pronouncement, or asserted and stated by way of its ordinary magisterium, concerning the doctrine of faith and morals, as proposed by the Church: especially the doctrines regarding the mystery of the Church of Christ, the Sacraments, the Sacrifice of the Mass, and the Primacy of the Roman Pontiff.

OATH OF OFFICE

I promise before God that I will faithfully exercise the office of Pastor of Holy Name of Mary Parish,
11159 South Loomis St., Chicago, Ill. which has been entrusted to me. So help me God.

Face-to-Face Interview

Anthony Vader [AV] was on time for the 10:30am scheduled meeting at the Vicar for Priests Office. After introductions were made, PFRA described the responsibilities of the Office of Professional Fitness Review as well as those of PFRA. AV stated that he had chosen not to have an attorney present as suggested by VP upon their original phone conversation regarding the allegations of misconduct made against him [AV].

PFRA then read the allegations of sexual misconduct made against him by [REDACTED]. In regards to [REDACTED] stating that she [REDACTED] confronted AV approximately 10 years ago, AV stated that he does not recall the meeting. He stated, "No, she [REDACTED] didn't come. I would have remembered someone [coming to see him] with an allegation." AV stated that he was assigned to Holy Name of Mary 10 years ago and again stated, "No, she [REDACTED] never came [with [REDACTED] 10 years ago to confront AV]. It would have been burned into my memory."

AV then stated, "I don't know who [REDACTED] is neither do I know either of the [REDACTED] sisters." As per AV, [REDACTED] name "rings a bell, but that's all."

AOC 020781

[REDACTED]

VP asked AV if he recalled two African American women visiting him [at Holy Name of Mary]. AV replied that “all of my work has been with African Americans, so that [being visited by two African American women] would not be out of the ordinary.” When asked by VP, AV stated, “I deny all allegations of misconduct.”

[REDACTED]

VP informed AV that once PFRA was able to speak with [REDACTED] regarding a meeting 10 years ago with [REDACTED] VP would contact AV. As per AV, he would welcome the phone call.

Upon the end of the interview, VM discussed with AV the process of PFRA presenting the allegations and responses to the Review Board. PFRA then asked AV if he had any additional questions. AV asked if [REDACTED] and her sister were “African American girls.” PFRA stated that [REDACTED] and her sister are both African American. AV was cooperative throughout the interview.

AV stated that he had chosen not to have an attorney present as suggested by VP upon their original phone conversation regarding the allegations of misconduct made against him [AV].

PFRA then read the allegations of sexual misconduct made against him by [REDACTED]. AV began by stating that he did not recall there being a [REDACTED] at Holy Cross, but then corrected himself by stating that there "might have been" [REDACTED] at the mentioned school. [REDACTED]

AV stated that he was assigned to Holy Cross from 1952-1964 and that Fr. Bob Doyle was the pastor until 1958. Upon the departure of Fr. Doyle, Fr. Martin "Doc" Farrell was the pastor at

Holy Cross. At the time that AV was assigned to Holy Cross the following priests were associates: John Cardiff [currently assigned to St. Linus], Leo Mann [currently assigned to St. Mary of the Woods], Jim Kenny [deceased], and George Kane [alive, unsure of current assignment].

When asked by PFRA and VP if he recalls visiting homes when assigned to Holy Cross, AV stated that he did "visit all homes...[but I] wouldn't go into the home if the parents were not home." When asked by VP, AV stated that he has never participated in misconduct "with anyone."

AV stated that Fr. Mann, Fr. Kane, and himself would meet every evening in the pastor's room and that they "all knew what the others [priests] were doing." AV stated that he and the other priests would also meet two nights per week for instruction classes.

After leaving Holy Cross in 1964, AV stated that he was assigned to St. Lawrence.

Upon the end of the interview, VM discussed with AV the process of PFRA presenting the allegations and responses to the Review Board. PFRA then asked AV if he had any additional questions. AV asked if [REDACTED] and her sister were "African American girls." PFRA stated that [REDACTED] and her sister are both African American. AV was extremely calm and cooperative throughout the interview.

Dear,

I've received your letter, filled with dismay about the accusations against Father Tony Vader. I am grateful that you wrote to say how your life has been touched so deeply by Fr. Vader.

I share your dismay, because Father Vader has been a generous and exemplary priest. God has used him to do much good. However, there is always the possibility that even very good people can do something seriously wrong. The Review Board, which received the accusation, deliberated long and hard before judging that there is reasonable cause to believe the accuser's story. The accusation was not lightly made, and the Board's judgement on it has to be taken very seriously. The policy now is to remove a priest from active ministry while the accusation is submitted to the canonical trial process. I would like to believe that this next step will bring forth evidence to show that Fr. Vader can return to ministry.

In the meantime, I hope you will continue to support Father Vader, especially with your prayers. This is a tragic situation for all concerned, and it fills everyone with sadness. Thank you for writing and for your life of faith. You are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Re: **ADDENDUM TO RESPONSE OF ALLEGATION OF SEXUAL MISCONDUCT MADE BY [REDACTED] IN AN ACCOUNT BY [REDACTED]**

Date: January 3, 2003

Date of Interview: December 16, 2002

Time: 3:00 p.m.

Present at Interview

Fr. Anthony Vader [AV], accused
Mr. Patrick Reardon [PR], AV's attorney
Ms. Leah McCluskey, Interim, Professional Fitness Review Administrator [PFRA]
Fr. James Kaczorowski, Vicar for Priests [VP]

Face-to-Face Interview

Fr. Anthony Vader [AV] and his attorney Patrick Reardon [PR] were on time for the 3:00pm scheduled meeting at the Vicar for Priests Office. After introductions were made, PFRA described the responsibilities of the Office of Professional Fitness Review as well as those of PFRA. PFRA also explained the Review Board process to AV and PR. At PR's request, PFRA also explained the basics of both [REDACTED] and [REDACTED] allegations of sexual misconduct against AV.

PFRA then read the account by [REDACTED], a friend of alleged victim [REDACTED]. PFRA had contacted [REDACTED] at the request of [REDACTED] regarding [REDACTED]'s knowledge of [REDACTED] initially confronting AV 10 years ago with her allegations of sexual misconduct. PR then asked for PFRA and VP to leave the room [for approximately 10 minutes] so that PR and AV could speak.

Once PFRA and VP rejoined AV and PR, AV stated, "I categorically deny the [REDACTED] incident...I never touched [REDACTED] breasts over her clothes." In regards to acknowledging [REDACTED] and her family, AV stated that he did recall that the family [REDACTED]. AV

added that he “ [REDACTED] was never in their home.” AV then stated that he did not know where [REDACTED] and her family lived at the time.

AV then informed PFRA and VP that he does recall “about 12 years ago two middle aged [African American] women came to see me [at Holy Name of Mary], but they left in a huff.” When asked by PFRA, AV stated that he does recall that these two women came to him and “an allegation of fondling was made.” When asked for clarification of what took place “about 12 years ago” by PFRA, AV stated that he does recall an individual calling him and “setting up an appointment” to meet with him, but does not remember the name of the person who called him. AV stated that the individual scheduling the appointment stated, “We’d like to come to see you,” to which AV responded, “Sure.” AV stated that this meeting took place at Holy Name of Mary, where he has been assigned for 35 years. He stated that “a seminarian” answered the door when the two women arrived for the appointment. AV informed PFRA and VP that the seminarian has since left the seminary. AV agreed that the meeting described by both [REDACTED] and [REDACTED] took place, however AV stated that he “denied the allegation 12 years ago.” He also does recall asking the woman who alleged the misconduct, “Do you need help?”

AV shared his feelings with PFRA and VP that he was not “in need of a lawyer last time [when allegations by [REDACTED] and [REDACTED] were initially read to him]” and that he still “feels the same way.” PR then stated that AV “completely denies” the allegations made by [REDACTED] and [REDACTED]. PR also made the point that the statute of limitations [both civil and criminal] ran out in “1963 or so” regarding the mentioned allegations of misconduct against AV. PFRA and VP then provided PR with specifics on the allegations made against AV by [REDACTED] and [REDACTED] as requested by PR.

PFRA and VP then informed AV and PR that the allegations and responses would be brought before the Review Board in January of 2003. VP stated that he would inform AV and PR of the specific date of when this matter will be brought before the Board.

DEAR CARDINAL GEORGE -

I'VE JUST LEARNED OF THE ACCUSATIONS MADE AGAINST FATHER VADER AND AM OBVIOUSLY SHOCKED. NOT ONLY SHOCKED - BUT APPALLED. APPALLED THAT SOMEONE COULD CONSIDER TAKING ADVANTAGE OF SUCH A KIND MAN. OVER THE LAST FEW YEARS, WITH ALL THE ALLEGATIONS ON CATHOLIC PRIESTS AND THE BAD REPUTATION THEY HAVE RECEIVED, I HAVE HONESTLY SAT IN CHURCH WITH FATHER VADER PRESIDING AND WONDERED TO MYSELF, "I WISH ALL THE PEOPLE WHO MAKE JOKES ABOUT CATHOLIC PRIESTS ... AND ALL THE PEOPLE WHO HAVE FORMED AN OPINION ON CATHOLIC PRIESTS BASED ON SINGLE CASES, OR EVEN JUST ALLEGATIONS - COULD BE IN THIS CHURCH RIGHT NOW & SEE THIS WONDERFUL MAN THAT THEY ARE INCLUDING IN THIS CLASSIFICATION." HE IS THE EPITOME OF A KIND MAN - SOMEONE YOU COULD EASILY SEE AS A GRANDFATHER FIGURE JUST AS MUCH AS A PRIEST.

I'VE ALWAYS SHAKEN MY HEAD IN DISGUST WHEN I SEE THESE STORIES ON THE NEWS (NOT THAT SOME OF THEM AREN'T UNDOUBTEDLY TRUE). BUT WHEN I HEARD OF THIS NEWS, I WAS NOTHING BUT ENRAGED. I AM ENRAGED & CONFUSED THAT SOMEONE CAN DO THIS TO SUCH A KIND, INNOCENT 70 YEAR OLD MAN. THAT HAS DEDICATED HIS LIFE TO SERVING OTHERS. I REALIZE THAT THE CHURCH DID WHAT IT

HAD TO DO IN TAKING FATHER VADER TO THE
RETREAT HOUSE, BUT IN THE SAME RESPECT,
I CAN'T FIND A WAY TO SEE HOW THESE
ALLEGATIONS ARE BEING TAKEN SERIOUSLY
IN 50 YEARS OF PRIESTHOOD, ONE INSTANCE (2 SISTERS)
OF SUCH BEHAVIOR (NOT BROUGHT TO THE TABLE UNTIL 40
YEARS LATER?!) JUST DOESN'T MAKE SENSE.
ESPECIALLY WITH ALL THE TIME HE HAS SPENT WITH
THE FILIPINOS - THEY LOVE HIM TO DEATH!!

BUT THIS LETTER IS NOT MEANT TO BRO-MOUTH
OR POINT THE FINGER AT ANYONE; IT IS TO SHOW
SUPPORT FOR FATHER VADER.

I AM 22 YEARS OLD AND AM CURRENTLY
IN COLLEGE. AS A YOUNG ADULT, I'VE FOUND IT
HARD NOT TO QUESTION MY FAITH & EVEN
DOUBT IT AT TIMES. I CAN HONESTLY SAY THAT
FATHER VADER'S SERMONS & SHARED OUTLOOK
ON RELIGION & LIFE ^{HAVE DEFINITELY} ~~HAVE DEFINITELY~~ BEEN ^{SOME} ~~THE~~ OF THE
MOST IMPORTANT FACTORS IN MY KEEPING OF FAITH.

IT IS BECAUSE OF THREE PEOPLE THAT I COULD
NEVER TURN MY BACK ON MY RELIGION -
MY MOTHER, FATHER BILL BURKE, AND FATHER
ANTHONY VADER. AND THAT SAYS A LOT TO
ME ABOUT THIS MAN. THANK YOU FOR READING.

SINCERELY,

Dear Cardinal George

I am shocked to hear about the 40 year old allegations against Father Vaden. I know him to be a good Priest. I simply cannot understand how any one could charge him as they have.

I most likely would not be a practicing Christian if not for the love and goodness of Father Vaden.

Sincerely

Dear Cardinal,

I am very disheartened to hear of the on going investigation of Fr. Vader. I grew up in Chicago, St. John Fisher Parish and became a very active member of Sacred Heart. If not for Sacred Heart and Fr. Vader I would have left the Church like most people in my age group. I learned alot about faith, loyalty and compassion. Fr. Vader was a great friend of my family and assisted in the funeral of my parents. His presence brought alot of comfort to us. Every visit home I look forward to mass at Sacred Heart with hopes of visiting Fr. Vader. Sincerely - [Redacted Signature]

My Dear Filipino American Family,

I'm very, very impressed, grateful and appreciative of all your support. You have no idea how comforting this has been to me. Please keep me in your prayers.

I want you to know that I am innocent, that I have never in my lifetime touched these two sisters who have brought the accusations which supposedly occurred while I was at Holy Cross Church.

I have had one hearing, but the important hearings are still to come. When they will be, I don't know. I have two attorneys for the civil action and will have a canon lawyer.

Please pray for me and I'll pray for you.

Dear Cardinal George,

We have just heard about the allegations against Fr. Vaden. It is very disturbing at best. I understand that the situation needs to be investigated but I truly believe Fr. Vaden is innocent. We have a wonderful zuka about him. He radiates goodness & holiness.

A few years ago (or more) I started going to mass again. After trying several parishes for mass, I always went to Sacred Heart because of Fr. Vaden. Mass with him is a truly uplifting & spiritual experience, unlike most of the others I've attended. His masses are the only ones my sons will willingly attend. I hope you can clear this matter up & prove his innocence.

Sincerely,

Cardinal Francis George, O.M.I.
Archbishop Archdiocese of Chicago
P.O. Box 1979
Chicago, IL 60690

Cardinal Francis George, O.M.I.:

I am writing this letter to you to inform you of my whole-hearted support of Father Anthony Vader. When I heard of the allegations made against Father Vader, I was dismayed and appalled that such falsity could gain any credence in a civil society. And I am gravely disappointed in a system that would entertain such obviously false allegations.

I speak to you on many levels. First, I speak to you as a life-long Catholic. I have been steadfastly supportive of the Church on many levels. Defending it, during scandals, supporting it, monetarily and with my faith in the Lord. It never has been easy being a Catholic in today's society, but I have felt that my faith has always been strong. It has always been a source of strength when I needed comfort. I am proud of my faith, I am proud of my religion. And my strength, belief and faith were greatly nurtured by Father Anthony Vader. Father Vader has been a pillar of my Catholic upbringing as well as my secular upbringing. Father Vader has said most of the masses that I attended in my young life. He baptized my younger brother as well as all of my cousins and recently he married my older brother. Father Vader has always been there through every heartbreak, every triumph, and every mundane life event that a person can go through. He has always shared, lead and guided my family, my friends and myself throughout our lives.

I have known Father Vader since I was a little girl. I never doubted his spiritual guidance and love for my family and me. Numerous times, throughout my life, I have been alone with Father Vader. And NEVER would Father Vader ever do anything inappropriate, he is always loving and giving and the most pleasant of company, but NEVER inappropriate in any way. And this is one of the reasons why I feel so strongly about the falsity of these allegations. I grew up with Father Vader, along with most of my friends and family, he is and always will be trusted with our lives, and now as we grow older with our children's lives.

Second, I speak to you as a social worker. I have spent most of my post college career, in social services. I spent two years after college working at a group home for abused and neglected children. I went on to get my social work degree at University of California, Berkeley. I spent most of my time in California, specializing in sexual abuse and sexual offenders at Giarretto Institute in San Jose, California. I did intense clinical intake, assessment, and therapy with sexual abuse victims, non-offending parents and sexual offenders. I know every single, in and out of sexual offense and the cycle of a sexual offender. I have done intense group therapy sessions with sexual offenders and understand comprehensively, the characteristics of a sexual

offender. This is how I know, without reservation, that the allegations against Father Vader are absolutely and completely false. He holds none of the characteristics exhibited by sexual offenders. He does not have anything close to the repeated cycle of an untreated sexual offender. On the contrary, Father Vader has always upheld the values, principles and ideals of the Catholic Church. He has been completely ethical and moral in every possible way.

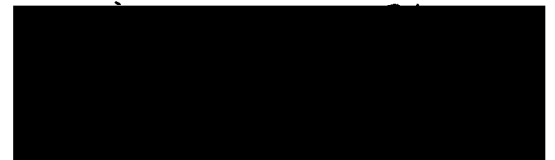

Third, I speak to you as an attorney. I have spent much of my law school career, being a champion for sexual abuse victims. I worked many hours at the Illinois Attorney General's Office in the Sexually Violent Persons Unit of the Criminal Enforcement Division. Prosecuting life-long sexual offenders was second nature to me in the two years that I worked at the Attorney General's Office. Knowing a case, the intricate, lengthy details of a sexual offenders life became a part of my everyday working life. It is what I know, it is what I breathe, and it is what I understand. As a result, I look at cases, bad side always in the forefront, never giving the benefit of the doubt to them and they are lifelong offenders with many victims in their wake.

And as a result, with my prosecution background I can tell you with absolute certainty that Father Vader is so far from those people. He is quite the opposite in fact and in life. Father Vader cares and loves deeply-- it is his greatest quality. He has upheld the ideals and the morals of the Catholic Church for as long as I have known him. He has done this better than any other person in the priesthood that I have ever met.

I hope this letter reflects my deepest sorrow that these false allegations have been initiated against Father Vader. I am deeply concerned and hope my words are taken genuinely and seriously. I believe the greatest sadness in this situation is that Father Vader has been taken out of the active ministry. It is a great loss to the Catholic Church and the countless parishioners and other Catholics that he has guided through hard and trying times that our world is now facing. It is my greatest hope that this loss is not permanent and I urge you to do whatever is possible to bring Father Vader back into active ministry. I say this because I know with my deepest convictions, both personally and professionally that these allegations are baseless, untrue and complete fiction.

Please contact me for any further questions or information or if there is anything I can do further to bring Father Vader back into active ministry. I will continue to pray for Father Vader as I hope you will too.

Respectfully,

Dear Cardinal George,

I am unable to describe my reaction to the 40 yr. old allegations regarding Father Vader. I have known Father Vader and been an active member of Sacred Heart Church for over 20 years and find these allegations unbelievable.

Father Vader has been available for anyone who may need his help either at Sacred Heart or Holy Name of Mary. I was especially astounded at his concern for the aged Nuns at Holy Name of Mary when the Archdiocese closed Holy Name of Mary School. The little sisters did not care to live in an institution and Father Vader saw to it that they didn't.

We are hoping and praying that Father will be back with us within 30 days.

Thank you.

4-11-2000

Dear Cardinal George,

We have just learned of the allegation made against our retired pastor Father Vader. These reportedly date back 40 plus years and as a result, we are told Father Vader cannot celebrate Mass and must remain at the retreat house in Mundelein for at least 30 days. This news is a shock and unbelievable to everyone.

I am 30 years old and have been raised and educated through the Catholic church. I attended St. John Fisher grammar school, Mother McAuley High School, and Saint Xavier University. I have attended mass every week and sometimes during the week my whole life. I have run across many priests with a lot of different styles, some very inspirational but very few like Father Vader.

Father Vader has been very special to me personally, he has always been kind and shows a real commitment to his church and parishioners. I was asked to be a god mother to my nephew and the baptism was going to take place at Sacred Heart. Father Vader had a meeting with the parents and god parents explaining what it meant to be a god parent and the responsibility that it holds. Since that time I have been asked two more times to be a god mother and neither time was there a meeting or a conversation between myself and the priest, not even an introduction. Father Vader had taken the time to make the baptism special for me as the god mother but also the parents, I take that honor and responsibility to this child very serious as a result of Father Vader taking the time to simply talk to us. Every week I sit in mass and listen to Father Vader talk about the gospel and how it pertains to our daily life, he talks about how to be a good parent, child and friend. He encourages us to keep going when times are difficult. I leave mass every week feeling refreshed, renewed and with the energy to try harder to be a better person after listening to Father Vader. I have never seen a person who could reach out to the old and young and get a greater response.

Father Vader is an exceptional person and is such an asset to the Catholic Church, he is a fine example for young priests and it should be noted. During this difficult time I will continue to attend mass at Sacred Heart in full support for Father Vader, because at this time he certainly deserves it. I do hope and pray everyday that Father Vader will be back at Sacred Heart as soon as possible because he is needed.

has been very important to me.

Dear Fr. James T. Kaczorowski

I am greatly saddened on hearing about the recent accusations against Fr. Anthony J. Vader, it made me cry. I have known Fr. Vader for over three years now. He has been a great source of strength to me through his kindness and spiritual guidance. Everything I have known and seen of Fr. Vader all these years fully convince me that these accusations are nothing but lies, designed to destroy a good, honest and holy man. Fr. Vader will always be in my thoughts and prayer. Please help him clear his name

Father has been at our church for more than 20 years, as Administrator, celebrating Mass and ministering to our religious needs. My reaction to this 40 year old allegation is complete shock and disbelief.

Father Vader is dearly loved by all. The number of men - young and old - attending Mass, in fact, the overflow crowds at Sacred Heart Church each Sunday is truly amazing. We will certainly miss his interesting sermons while he is in the Retreat House. Please send him back to us soon.

Thank you,

Some suggestions for your letter to Cardinal George. It can be as long or as short as you wish.

Dear Cardinal George,

We have just learned of the allegations made against our retired Pastor, Father Vader. These reportedly date back 40 plus years and as a result, we are told Father Vader cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This 'news' is a shock and unbelievable to everyone.

We've known Father for many (20) years and cannot understand any of this. We know him as a kind person and wonderful priest.

(add your own words - your experiences with Father Vader - help kindness, weddings, baptisms, etc.)

WE BAPTISED OUR GRANDDAUGHTER 11 YEARS AGO. WE KNEW HIM THEN & KNOW TO BE A KIND & LOVING PRIEST. WE DO NOT BELIEVE THESE ALLEGATIONS

Dear Cardinal George; The allegations and resulting requirement that he spend 30 days at the Retreat House at Mundelein, are incredible, unbelievable and shocking. Father Vader has been at our Church for more than 20 years, as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs.

(again, please add your personal words of support)

HANG IN THERE FATHER VADER. YOUR CONGREGATION IS 100% BEHIND YOU YOU HAVE OUR PRAYERS. GOD BLESS YOU.

Dear Cardinal George,

The only words to describe my (our) reaction to the 40 year old allegations against Father Vader are shock and disbelief. We know him to be a good Priest, always. I (we) simply cannot understand how anyone could charge him as they have.

We owe him much and he certainly deserves our support now.

(again, please add your personal words)

Fr. Pfloeger can bring in a Baptist minister and preach anti-Catholic doctrine on the altar I was baptized on in 1946. and he stays !!! I don't get it !!!

Dear Cardinal George,

I am writing to you on behalf of Father Vader. I have been going to mass at Sacred Heart Church for many years. I have always found Father Vader to be a wonderful, kind, loving man. I refuse to believe the allegations made against him! I urge you to do likewise.

He couldn't possibly hurt anyone -- in any way !!

The disrespect you & the Archdiocese are showing Father Vader are disgraceful!

Please return our priest to us !!

Dear Francis Cardinal George,

We attend Sacred Heart Church where Fr Vader has celebrated the Mass since we've attended. We've always enjoyed his masses because he seems very well-versed with the bible and combines the 3 readings each Sunday. I did not know him 40 yrs. ago but do know there is but one truth. Hopefully with our prayers this truth will set him free to come back to Sacred Heart where he was and is regarded a good priest that preaches what it's all about - JESUS/LOVE.

Sincerely,

Dear Cardinal George,

When Father (a visiting priest) told us at Sunday Mass that Father Vader is being accused of sexual misconduct dating back forty years, I felt extreme shock and grief. I have only known Father Vader for approximately one year. I was spiritually lost at my former parish. I felt no connection. I felt I could not fit in. Our pastor would not even acknowledge our presence unless we addressed him first and then he would act like it was the first time he had ever seen us. One Sunday, I went to mass at Sacred Heart, which because of Father Vader has become our family's parish. I felt engulfed in love in the presence of Father Vader. His aura of quiet gentleness, peace, respect, integrity, strength, and reverence made me feel hopeful in my despair. I wanted my children to be in his presence, especially at a time when our world is in such great pain. In his sermons, he spoke so simply of love, as if he possessed the heart of a child. He made me feel that I could truly change the world with simple acts of love. Because of Father Vader, for the first time in my life, I looked forward to Sunday mass. The church is standing room only every Sunday, at every mass, because we come for Father Vader. At the end of every mass, Father Vader blesses every child, and shakes every parishioners hand. I always looked forward to shaking Father's hand at the end of Mass. It made my week. I felt as though I was personally touched by a saint. I would gently squeeze his hand, and say, "Thank you, Father," hoping he could feel my gratitude for his presence at Sacred Heart Church.

I cannot comment on Father Vader's past, but I know in my heart that he is a good and holy man. He fills me with a desire to love my world and my fellow man. He heals my shame of being a human being. He inspires me to use my life in service to others, and convinces me that I can make a positive difference with every human encounter.

Father Vader is greatly missed and we hope and pray that he will return very soon. Sacred Heart is not the same without him. He is the "heart" of Sacred Heart.

Father Vader, and all priests will be constantly in our prayers. If there is anything we can do to help Father Vader at this most painful time, please do not hesitate to let us know. We remain faithful and supportive of Father Vader and the Catholic Church no matter what the circumstances.

Sincerely Yours,

Dear Cardinal George,

We have just learned of the allegations made against our retired Pastor, Father Vaden. These reportedly date back 40 Plus years and as a result, we are told Father Vaden cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This news is a shock and unbelievable to everyone.

Our family has known Father for 20 years and cannot understand any of this. We know him as a kind person and wonderful priest.

Father Vaden helped reopen our church when times were bad for us, Father was the Priest who married my Wife & I in 1990 and baptized our children — though the years, he also blessed my wife's mother along with blessing us all every time we left the back of the church. My prayers & blessing are with him now.

This church was where I rediscovered
my faith in God. I built trust
& strength due to the teaching of
Father Vach.

Please be able to let me (us) know
how Father Vach acted every in plain
terms (The Facts). If I know the truth
then maybe I can understand. We know
of no facts at all, just that Our Father
Vach has been taken away.

When will we have peace again!

P.S. Return of Father Vach is Peace

greatest respect for the
man.

He came to the
church's aid when we
needed him. I feel as
though the people need
to come to his aid.

I feel as though a
retired Pastor with all
the background & years
of service that he has put
in - should be given
some extra consideration
& concern for his future
plans.

Please let FR/Vicker
come back to us.

Dear Cardinal George,

I am one of many Sacred Heart parishioners who are shocked at the allegations against poor Fr. Vader. I know the church must take any such charge into account, however, does this open the door to any individual who wants money to take aim at people who have dedicated their entire adult life to help others.

I am 53 yrs old from a family of [redacted] & my wife [redacted]. My uncle is a Carmelite priest serving in [redacted] & my aunt [redacted] runs [redacted] home for abused women. My wife's sister is [redacted].

[redacted] Do these people love to know how to defend themselves like Fr. Vader because they help others & serve God. I hope the church takes a stand against these greedy people & their lawyers.

I go out of my way to go to Sacred
Heart just for ~~For~~ For Vader. I know
I am not the only one to do so. I wish
I could do more now

Dear Cardinal George

We have just learned of the allegation made against our retired Pastor, Father Valler. This is very shocking news

We have known Father for 10 years and cannot understand any of this. We know him as kind and wonderful.

He is the reason my teenage boys go to church & our family really misses him.

We will pray for his quick return. We know these are false accusations.

Dear Cardinal George,

FEB 19 2003

Bishop Perry was kind enough
to come in person to ~~see~~ Our Mission Church
& inform us of ~~our~~ ^{Fr} Vader's situation.

Bishop Perry was direct & compassionate. It
was very much appreciated.

I do not know Fr Vader but have exper-
ienced his great love for people through two
masses for sometime. I believe him to be
a saint. We struggled for years at St Barnabas
ever since Fr (now Bishop) Goodland left. I pray
for Fr Vader and that he is treated with the respect
& dignity he has earned over the last 50 years.
Thank You

He was very good to my mother. He came to give her communion on Sunday.

Dear Cardinal,

I am very disheartened to hear of the on going investigation of Fr. Vader. I grew up in Chicago, St. John Fisher Parish and became a very active member of Sacred Heart. If not for Sacred Heart and Fr. Vader I would have left the Church like most people in my age group. I learned alot about faith, loyalty, and compassion. Fr. Vader was a great friend of my family and assisted in the funeral of my parents. His presence brought alot of comfort to us. Every visit home I look forward to seeing Fr. Vader at Sacred Heart with hopes of visiting Fr. Vader. Sincerely [redacted]

Dear Rev. Kaczorowski,

The allegations and resulting requirement that Father Vadek spend 30 days at the Retreat House at Mundakum, are incredible, unbelievable and shocking. Father Vadek has been at our church for more than 20 years, as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs.

Sincerely,

February 2003

Dear Cardinal Seane —

The only words to describe my reaction to the 40 yr. old allegations against Fr. Vadre are shock & disbelief. Fr. Vadre has been at our Church for about 20 yrs. as administrator and now retired as our Pastor certainly giving his all to our religious needs. Fr. Vadre's families are a credit to him, telling us how to better ourselves with God & others. It's hard for me to think that God would allow anybody that is good, reasonable, kind to have this happen to him.

All I know what to do is to pray that this is all a mistake and that everything will be O.K. & he'll be back as Pastor of Sacred Heart Church.

Sincerely

Dear Rev. James T Kaczorowski!

These forty yrs allegation against Father Vades
Come beyond disbelief and with great sorrow
I have known Father Vades to be kind and ready
to hear of our needs and concerns and so much more.

I find that it is my turn to offer support and
prayer words of comfort, courage and strength and these
allegations found to be untrue

"
With Gods Blessings
"

Dear Cardinal George,

I know your position is a tremendous responsibility, but I believe you certainly are the man for it and we are truly blessed to have you in Chicago!

I hope and pray Father Vadez will remain strong through his ordeal and justice will prevail on his side.

The Church will someday emerge healthy and strong after this trial of fire it is now experiencing.

Sincerely,

Father James Kaczorowski

Dear Father Kaczorowski;

I am writing to you in reaction to the 40 year old allegations against Father Vader. It is shocking and unbelievable that a man with such faith, leadership, and compassion would be taken from us. It is my understanding that he must spend 30 days at the Retreat House upon further investigation of this matter. I ask you to please give this matter your personal and utmost attention. Father Vader has been a great source of faith and consolation to my family and myself. He has shown compassion with my family through the death of my mother and my aging father. I have the most respect for him and have never felt in anyway was he a threat to our parishioners. We miss him terribly and although we have a wonderful group of priests willing to step into Father Vader's shoes his will be difficult. It is very hard to fill the most comfortable, well worn, best fit ever. We love him, we miss him and most of all we support him until all allegations are settled.

Thank you for your support and may God bless you:

Dear Rev. James T. Kaczorowski,

I was so sad to hear the allegations made against Father Uader. He is what draws people to Sacred Heart Church. I believe he is innocent and want to extend my support. It seems to me that he is one of the holiest priests I've ever met. He has a deep love and respect for God. When he says the mass you can feel it. I pray and hope the truth will come out soon and he will be brought back to us.

Sincerely,

Dear Cardinal George

We have just heard of the allegations made against Father Vades. These reportably date back forty plus years which is unbelievable to us. It is a sick world we live in. Father Vades is one of the most understanding, kind and helpful man we've ever known and we are not of the Catholic faith.

We pray you will find that Father Vades is innocent as we know God already knows -

Dear Father Kaczarowski

We as a family can't believe the allegations against Father Vader. We know the truth will be out soon and he will be back with us.

We owe him much and he certainly deserves our support now.

Please use your head
we all know FX Vader is
not lying — Ladies want the
money that's all — where the

Dear Rev. Taczanowski,

I was totally shocked to hear about the allegations against Fr. Vader. He is a wonderful priest who radiates goodness, kindness, & holiness. His masses are uplifting and spiritually strengthening, which is very rare these days.

Please get to the bottom of this as quickly as possible, and prove his innocence.

Fr. Vader's masses are the only ones my sons will attend willingly. We can't afford to lose such a wonderful priest.

Sincerely,

Dear Cardinal George,

I am a parishioner at Sacred Heart Church. Father Vader has been the Administrator and Pastor for more than 20 years. The allegations made against him are shocking. I know him as a good priest, and an excellent spiritual advisor. He is a great leader of the Catholic Church. These allegations date back 40 years, as a result we lost our Pastor and we are not allowed to visit him. I do believe in innocent to proven guilty. I firmly support Father Vader and I believe in his innocence. I will continue to pray for him and our wonderful Sacred Heart Church.

Dear Cardinal George;

I have just learned of the allegations made against our retired Pastor, Father Vader. This "news" is a shock, incredible and unbelievable. Father Vader has been at Sacred Heart for more than 20 years as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs. During the time that Sacred Heart was closed he was very supportive of our needs and desires.

I have never known Father Vader to be anything but a kind, understanding, and above all a wonderful priest.

I ask that you consider all of this in your consideration of his status and his future.

Unless there are allegations of others, that we are not aware of, I think it unusual that a pedophile act only once, it is my understanding that this disease is an ongoing problem.

Sincerely,

Dear Cardinal George:

Yesterday, at Mass, the Bishop notified us of the allegations made against Father Voder. As a result of these 40 year old allegations we are told we will be deprived of Father's presence at our Church. He cannot celebrate Mass and must "retire" and remain at Mundelein.

Father has been at our Church for 40 years. He has always been a good, caring, holy priest. I don't understand these allegations against him. He has always been a good priest and has ministered to all our religious needs.

I'd like you to know how I - we feel

I would like you to know my feelings

I fully support him against these
charges and am praying for his

Dear Father Kaczorowski,

I have enclosed a copy of a letter I sent to Cardinal George concerning Father Tony Vader. I think you might find it illuminating.

Thanks for taking the time to read my letter.

God bless you now and always, Father.

2/8/03

Dear Cardinal George,

Why, you might ask, is someone from [REDACTED] from outside the Archdiocese, writing in support of Father Tony Vader? I grew up in St. Walter Parish, on the far southwest side of Chicago, but, since my mother first brought me to midnight Christmas Mass at Sacred Heart before I was old enough to have made my First Communion, I have been going to the Shrine. It is the church of my childhood, and, even though my family and I live in [REDACTED] and are active members of a wonderful parish, [REDACTED] we still get to Sacred Heart about once a month for Mass. My wife, [REDACTED] loves the Shrine. Our kids, even though only one of them is old enough to have made her First Holy Communion, feel the warmth that surrounds the Shrine and which is embodied in Father Vader. In fact, our oldest had her throat blessed for the first time when she was (obviously) in utero at the Shrine. I help out with the readings, and serve as a Eucharistic Minister, at Sacred Heart. The wonderful little Shrine, which filled my childhood with so many wonderful memories, is now making memories for my children.

In the early 1980's, our Shrine was closed down for reasons that were never made entirely clear to us. But the people of our Shrine never took this decree as final. Through endless prayers, some of which took place off a truck parked adjacent to the shuttered Shrine, and petitions, we continued to fight to reopen Sacred Heart. At first, our pleas fell on deaf ears, not in Heaven, but at the Archdiocese. However, when Joseph Bernadin became our Archbishop, he gave our petitions a receptive ear. One of his first acts as Cardinal Archbishop was to reopen the Shrine. Sacred Heart, under the official tutelage of Holy Name of Mary, was reopened in 1983. Father Vader, the pastor of HNM, was put in charge of our church; he became our new pastor.

Father Vader had tough shoes to fill. For over twenty years, our pastor had been Father Ken Borchardt, and a more beloved figure has rarely tread this earth. You see, for many of us, Father Borchardt *was* Sacred Heart. He was the reason we came here. Bear in mind that Sacred Heart is not a parish, no one lives in its boundaries. No one attends Sacred Heart because he or she *has* to. People come here because they *want* to. It has always been that way. And for many of us back then, Father Borchardt, and his kind, loving approach to life, his Christian faith, and his Catholic calling, was the reason we wanted to come to Sacred Heart. So, when Father Vader became our pastor, we were wary. We were sure no one could fill Father Borchardt's shoes, and, certainly, no one could take his place in our hearts.

We were wrong. Father Vader became, not the new Father Borchardt that we had been hoping for, but a kind, loving, concerned pastor that found his own way into our hearts. On the few occasions that Father Borchardt came back to say Mass for us, he told us how blessed we were, and how happy he was, that Sacred Heart was now under the tutelage of "Father Tony." And he was absolutely right. Despite his being full time pastor at HNM, Father Vader never left us feeling denied or second best. Despite his busy schedule, and all the challenges that come with running a big parish like HNM, he never neglected his little flock at Sacred Heart. He has celebrated with us when times have been good, he has consoled us when times have been rough. He became our pastor, and we love this man. We only wish that he could be with

us during these times, when the determination, and, more importantly, the faith of the Family of Sacred Heart is once again being tested. Meeting the test will be especially difficult without our beloved pastor. But, with your support, and the support of Bishop Perry, we, and our pastor, will find our way through this trial.

We will continue to pray for Father Vader and to support him in any way we can. He is our pastor, our spiritual advisor, our consoler, our counselor, our priest. We want him back, and are sure that God will, in accordance with His will, find a way to send him back to us.

Thanks for taking the time to read this letter, your eminence. May God bless you and all the members of the Archdiocese, now and forever.

[REDACTED]

Dear Cardinal George,

We are very sad to have learned of the allegations made against our retired Pastor Father Anthony Vader. These allegations are stemming from actions that supposedly happened over 40 years ago.

We have known Father Vader ever since he came to Sacred Heart Church and have always known him as a kind, wonderful and caring priest. We look forward to attending Mass when Father Vader is celebrating, as his homilies are always most informative and comforting to all. Our family travels over 13 miles one-way to attend services at Sacred Heart each week and we've been doing this for over 15 years. On our way to Mass on Saturday, we would pick up my Mom in Blue Island. At that time she was 90 years old. Fr. Vader always has the most kind and inspiring words for her. Before that we lived in the Beverly neighborhood and attended Sacred Heart Church before and after its closing. We are very happy with each priest that visits our little Shrine. But Fr. Vader certainly has been one of the best.

If these allegations are true, we need to acknowledge there may be circumstances involved that we are not aware, and to follow the teachings of Christ by forgiving. If these allegations are not true or accurate, we need to pray for Father Vader and his accusers, and question their motives. Our Church teaches that we are all sinners and should be striving to make our lives better. Fr. Vader certainly has done this by taking on burdens that he did not have to do in his senior years.

We love him, respect him, and pray this ordeal will be over as soon as possible so that Fr. Vader may return to Sacred Heart Church.

Sincerely,

Cc: Father Kaczorowski

February 9, 2003

Dear Cardinal George,

My fiancé and I were very saddened by the news about Father Vader. We have been attending Sacred Heart as a couple for the past 4 1/2 years. We were planning to get married there in the Spring of 2004. We find the news disheartening and feel the allegations made against Father Vader are false. I was saddened to see tears in our lecturer's eyes and the worshippers around me. My prayers are with Father Vader and the decision makers in the case.

Sincerely,

Dear Cardinal George,

I am a member of Sacred Heart Mission on the far south side of the city. I have been a member since 1976, before the church was closed. Father Anthony Vader took us under his wing when Cardinal Bernardin opened our mission and became our Administrator and Spiritual leader. It is because of him, that our family became so active at Sacred Heart. He is the most caring and kind priest I have ever known. The shock and disbelief that I experienced this morning when Bishop Perry informed us that Fr. Vader was removed due to allegations of sexual misconduct over 40 years ago were unbelievable. He has always been a kind and caring man in the more than 25 years that I have known him. It is unbelievable that anyone could charge him as they have. I pray that this whole matter will be resolved as quickly as possible and that Fr. Vader will be returned to shepherd his flock at the Shrine of the Sacred Heart as soon as possible.

I pray for you, also, as I'm sure these matters weigh heavy on your heart.

Sincerely,

Re: Fr. Vader

The allegations and charges brought against Father Vader were quite shocking; he has been a very good priest, at all times. Father Vader has been servicing our religious needs for many years. We are very thankful for him and believe he has made a positive impact in our lives. We will continue to pray for him. Thank you.

Dear Cardinal George,

This is the first time I have written a letter of this type. I recently heard the allegations against our retired Pastor Anthony Vader. Our church community has been told the allegations date back forty years. While I am aware both you and Bishop Gregory have worked very hard on the developement of how to treat these allegations I wanted to share with you my personal feelings on Rev. Vader.

I have been a member of the Sacred Heart Community since I was three years old over 45 years. While my brothers and sister live in various Chicago and Indiana communities, three of us still attend mass at Sacred Heart and the reason is the love, compassion and faith which Father Vader communicates to his parish members. When we leave church after the celebration of mass we often discuss Father Vader homily on the way home and review its meaning to us personally as well as to the events of todays world.

Our youngest daughter and her best friend [REDACTED] served mass with Father Vader almost every Sunday for 2 and 1/2 years. And during the holiday season several times a day when extra services were added to assist with the parish needs. We would never allow [REDACTED] to be exposed to Father Vader if we had felt he was a threat to her or other children. Needless to say [REDACTED] was very unsettled by the allegations against Father Vader.

I often thought of Father Vader as a lamb. Very gentle in nature, kind in his actions towards others. Yet strong stalwart in his leadership at keeping our little parish church open and running smoothly.

Page Two

It is my hope that every consideration be given to address the accusations against Father Vader. And that his name be cleared. My prayers and those of my family are with him.

Thank you for your time.

Sincerely,

CC: Rev. James Kaczorowski

Dear Cardinal George,

I have just learned of the allegations made against my retired pastor, Father Vader. I have been going to Sacred Heart for 15 years, and I live in Oak Lawn. Father Vader is one of the nicest people I know.

I understand this happened 40 yrs ago, and that Father Vader cannot celebrate Mass. The allegations are incredible & shocking. I know the truth w/come out.

Dear Cardinal George,

I am writing on behalf of our Pastor and friend,
Fr. Anthony Vader from Sacred Heart Church.

The allegations against him are so shocking
Fr. Vader is the kindest, most caring priest I
have ever known. When my mother was dying, Fr. Vader
came out at 10:00 p.m. on a cold January night to give
her the last rites. Recently my son-in-law's father had
surgery and wasn't expected to live and Fr. Vader made
it to the hospital as soon as he was called.

He has baptized my grandchildren and given 1st Communion
to them also. I've been coming to Sacred Heart for
over 20 years as has my family and extended families.
There has never been a hint of inappropriate behavior
from Fr. Vader and I find the allegations to be
unbelievable!

We, my family, friends and all of the Sacred Heart
community need Fr. Vader back here where he can
continue doing what God has called him to do.

My prayers are with Fr. Vader and everyone
who has to be involved in this horrendous situation.

Sincerely, [REDACTED]

Dear Cardinal George and Father Kaczorowski:

I just learned of allegations made against Father Vader, dating back over 40 years. I am writing to convey how adamantly the community of Sacred Heart desires the return of Father Vader to where he belongs – as celebrant of Mass on the alter of Sacred Heart.

Father Vader has served Sacred Heart for 20 years. He is a true blessing to those of us who know him and benefit from his service. I value priests as extraordinary people, and Father Vader stands out among those extraordinary people we know as priests. Father Vader is a wonderful, caring, kind and warm minister to our religious needs. His devotion to the Church, his parishioners, and Christianity is without question.

Father Vader carries a message through his homily every week that has meaning for me and that I apply in my daily life. Father Vader demonstrates a warmth and connection with his parishioners, much in the likeness of how I believe Jesus conducted his teachings. Father Vader leads by allowing his parishioners to determine the personality and culture of Sacred Heart, not by dictating what that personality and culture should be. Father Vader services us with a smile and a sense of humor that makes Sacred Heart a place you want to be, not a place you have to be.

I am fortunate to have benefited from the many clergy serving the Archdiocese of Chicago throughout my life. I am grateful for the Catholic education I attained for 16 years of my life. I am blessed to have parents who passed on to me the values and importance of Christianity and the Catholic faith. I attribute my many good fortunes in life to God, the Church and my faith. I believe that God, the Church and my faith carried me through the tougher times in my life and will continue to do so. I attend church regularly and contribute to it financially because of all this.

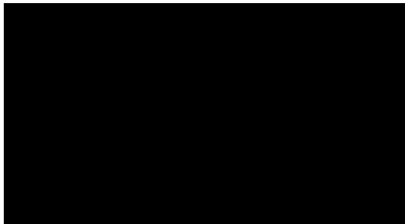

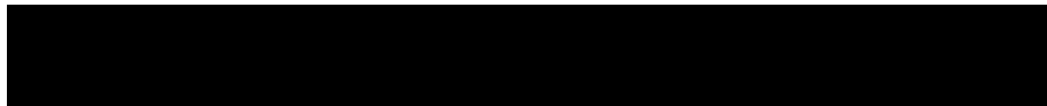

Throughout the crisis in the Catholic Church in the United States over the past year, I remain solid in my convictions – choosing to maintain my active participation in the Church, as well as my level of financial support. As I have done in other challenging times, today I rely on God, the Church and my faith to do what is best. What is best in this case is to return Father Vader to service at Sacred Heart.

The people of Sacred Heart deserve to have our beloved Father Vader back. Father Vader deserves to serve God, the Church and his faith in the way his talents best fit – in active service. The Archdiocese deserves to deploy its clergy where they are most needed – for Father Vader, this is back in active service for the people of Sacred Heart.

I have the utmost regard for the horrible situation the crisis in the past year places on the Archdiocese. I do not envy the position this places on you as our leaders. But I am committed that we together -- Church leaders and Church members -- do the right thing. We cannot allow media hype and misplaced perceptions to force decisions that are a disservice to God, our Church and our faith.

The right thing in this situation is to allow Father Vader to return to the service of those who cherish and value him at Sacred Heart. We understand we have to miss him for 30 days, but we should not have to be without him beyond that. We are the people who best know Father Vader in recent years and today, and we are the people who most need him today and tomorrow. Please heed our voices -- as we are the voices most pertinent to his service today.

Sincerely,

Dear Cardinal George,

My family was so sad to learn of the allegations against our pastor, Father Anthony Vader, who has worked so selflessly on behalf of the Church at Sacred Heart parish. We cannot understand how anyone could pick him out as the target for these accusations.

Knowing Father Vader, we know that he has forgiven and is praying for his accuser and because of our faith in his ability to do just that, we know that he will be cleared, beyond the shadow of a doubt, of these charges. Father Vader is the kind of priest that can make a common man a better person in Christ by his ability to help us understand the spirit of a complicated reading and by his constant example of compassion and forgiveness while at the same time projecting an image of strength in conviction that allows us to believe in what we know is right.

He has strengthened my faith in the Church and in God and along with Father Scheid, was responsible for bringing me back to God at a time when the day to day pressures and responsibilities of our mortal world had driven me to such a low level of faith that I no longer cared about going to Mass.

Father Vader teaches us to see the good in people. My grade school aged children look to Father Vader and the CCD program at Sacred Heart for the nuts and bolts of their Roman Catholic faith and I believe they receive the greatest gifts of understanding God through that involvement.

My wife, a non-Catholic, attends mass every Sunday with us and has the utmost respect and admiration for Father Vader as well. We drive fifteen miles each way to join in the spirit of the message that Father Vader brings. It is a very genuine method he employs to impart that message that keeps her and many others who may be turned away by the antiseptic tone of many Catholic masses coming back.

Cardinal George, we know that you will pray for Father Vader, as will all who know and trust him. He is the kind of priest that we need more of. He is a great and humble servant of God and I know that he would pray to have this type of situation brought on himself rather than another innocent priest because that is the type of man he is.

May God have mercy on us all.

Dear Cardinal George,

The only words to describe my reaction to the 40 year old allegations against Father Vader are shock and disbelief. I know him to be a good and kind Priest, always. I, not able to understand how anyone could charge him to such e.

I had fallen away from the faith for a long time, even though I had been brought up, gone to school and attended Mass in the Catholic Church.

When I found my faith again - about three years ago - Sacred Heart was the church I found the most peace at - why - a big part was due to Father Vader. His sermons every Sunday seem to touch my very soul. I will keep Father Vader and you, Cardinal in my prayers, in the belief that God will grant you the wisdom to return Father Vader to Sacred Heart.

Sincerely,

Dear Rev. George,

The allegations and resulting requirement that Father Vader of Sacred Heart Church spend 30 days at the Retreat House at Mundelein, are incredible, unbelievable and shocking. Father Vader has completed for us a beautifully redecoration of the church's interior ceiling, wall areas, stations, and statues. He has been administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs. We certainly would have him stay with us for as long as possible. We owe him much and he certainly deserves our support now.

Dear members of the Holy Name of Mary Parish family,

I regret to inform you that your pastor emeritus, Fr. Anthony Vader, has been withdrawn from all parish ministry following allegations received by officials of the Archdiocese of Chicago this Fall that he engaged in sexual misconduct more than 40 years ago with minors while he served as an assistant pastor at the now closed Holy Cross Parish in Chicago's Woodlawn neighborhood.

These allegations have been reported to the Cook County States Attorney.

In its first-stage review last month, the independent Fitness Review Board found that there was reasonable cause to suspect that sexual abuse of minors had occurred. In accord with national and local archdiocesan policies, the Review Board recommended to Cardinal George that, pending further review under the norms of church law, Fr. Vader be temporarily withdrawn from all ministry. Cardinal George accepted that recommendation. Fr. Vader is now residing in a monitored and restricted setting and has been directed not to be alone with minors.

Archdiocesan officials have not received any other allegations of misconduct involving Fr. Vader. However, if any parishioner has additional information or a concern to raise, please contact Fr. James Flynn, myself or the Archdiocesan Fitness Review Administrator directly at 1-800-994-6200. However, you may also report any allegation directly to the Cook County States Attorney's office at 312-603-5440.

I am meeting with your parish leaders to determine how I might be of help to your parish at this difficult time. Representatives of the Archdiocesan Assistance Ministry will meet with your community soon. I have assured Fr. Flynn of my willingness to answer any and all questions you might have about these issues. Please pray for the Lord's healing for all associated with this painful issue.

Dear Fr. Kaczorowski,

I am a member of Sacred Heart Mission on the far south side of the city. I have been a member since 1976, before the church was closed. Father Anthony Vader took us under his wing when Cardinal Bernardin opened our mission and became our Administrator and Spiritual leader. It is because of him, that our family became so active at Sacred Heart. He is the most caring and kind priest I have ever known. The shock and disbelief that I experienced this morning when Bishop Perry informed us that Fr. Vader was removed due to allegations of sexual misconduct over 40 years ago were unbelievable. He has always been a kind and caring man in the more than 25 years that I have known him. It is unbelievable that anyone could charge him as they have. I pray that this whole matter will be resolved as quickly as possible and that Fr. Vader will be returned to shepherd his flock at the Shrine of the Sacred Heart as soon as possible.

I pray for you, also, as I'm sure these matters weigh heavy on your heart.

Sincerely,

Dear Rev. Koczorowski,

My fiancé and I were very saddened by the news about Father Vader. We have been attending Sacred Heart as a couple for the past 4 1/2 years. We were planning to get married there in the Spring of 2004. We find the news disheartening and feel the allegations made against Father Vader are false. I was saddened to see tears in our lecturer's eyes and the worshippers around me. My prayers are with Father Vader and the decision makers in the case.

Dear Cardinal George:

I have been a registered parishioner at Sacred Heart Mission Church for almost twenty years. Sunday was a sad day for all of us when Bishop Perry informed us of the allegations made against our beloved pastor, Fr. Tony Vader. Fr. Vader has been an inspiration and he will be sorely missed by all of us.

Under Fr. Vader's example and service, the community of Sacred Heart has grown to be one of the most unique religious families I have ever experienced in my seventy odd years of being a Roman Catholic.

To learn that because of allegations (over forty years old) that Fr. Vader will be unable to celebrate Mass was most disturbing to me. I shall surely pray for him and believe that this crisis is one he will be able to handle due to his faith and disposition.

Please handle this situation with diligence and speed. We miss, and want, our good pastor to return to Sacred Heart as quickly as possible.

Dear Cardinal George:

My family and I would like to express our unwavering support for our friend and priest, Father Anthony Vader. We understand that certain individuals have recently made claims against Father Vader that date back 40 years ago. We are saddened and surprised by these claims and find them impossible to believe.

Father Vader has been our priest at Sacred Heart Church for close to 20 years and a close family friend for more than 30 years. He baptized both of our children, [REDACTED] and [REDACTED], who admire and respect him. We consider Father Vader to be an extension of our family, [REDACTED]

[REDACTED] In fact, Father Vader is a part of every celebration and important occasion in our family. But this is not just a social relationship, as we rely on Father Vader's common sense, worldly perspective and commitment to Jesus Christ to guide us through our daily lives. Further, he has helped us develop an appreciation for our good fortunes and to care deeply about the needs of people in crisis throughout the world.

We look forward to a quick resolution to this issue so that Father Vader can return to his life's work and to the people who love and need him.

Dear Cardinal George,

I am writing in regarding the accusations of our pastor and beloved family friend Fr. Anthony Vader. The allegations are simply unbelievable. I have known Fr. Vader all of my 31 years of life and consider him a member of my family. He presided over my marriage, baptized all three of my children, and has counseled me in times of despair. He has joined my family for dinner almost every night of the week for as long as I can remember. My family knows Father Vader perhaps better than any other family does. He is and has always been a person of the utmost professionalism, never faltering from his love of God and his duty to serve Him and pass along His word. Father Vader is a compassionate, intelligent, moral, ethical man who deserves to be treated as such. He is greatly needed by the families of Sacred Heart Church and Holy Name of Mary Church and should not be required to be confined to the Cardinal Stritch retreat house. He is an incredible man and loved and respected by everyone who knows him—regardless of race. For Father Vader of all people to be accused of misconduct is preposterous. We love him and are prepared to stand by him no matter what.

2-10-2003

Dear Rev. Fr. James Kaczorowski:

Greetings. May this letter find you in the best of health and spirit. The purpose of this letter is to offer our support and prayers for our beloved Rev. Fr. Anthony J. Vader. We learned that Fr. Vader has been accused of improper conduct some 45 years ago. Our group cannot believe that Fr. Vader would be subject to such malicious lies as has been leveled at him. As a matter of fact, we are surprised that the Committee hearing this case even found some merit to move it forward.

Our group, the Samahang Santo Nino, Midwest USA, an organization venerating the Infant Jesus, was formed 23 years ago. The organization has hundreds of member families throughout the Midwest and many other States across the country. Fr. Vader has been our Spiritual Director since the group's formation. He has faithfully served the needs of the group, the community and all its ethnic diversity. Outside of the weekly devotions, he ministered to our needs: baptizing our children, marrying some couples, counseling the troubled, visiting the sick, burying our dead, leading our pilgrimages, helping those discriminated against, helping others find jobs and supporting our religious, cultural celebrations such as the Christmas Simbang Gabi. Our group found that although Fr. Vader was then running a big parish, the Holy Name of Mary, he always found time to respond to our needs. He even found time to be Spiritual Director of several Filipino-American organizations and other ethnic organizations, providing support to a group of people away from their homeland. On his many visits to the Philippines, he has shared his limited financial resources with the seminaries and homes for the abandoned, poor children.

In all these years of association with Fr. Vader, and several of us have known Fr. Vader as far back as the late 1950s and early 1960s, his words and actions have conveyed nothing but the highest ethical and respectful behavior and the most inspiring spiritual integrity. We, therefore, urge the Committee and all decision makers to look closely, listen intently and appreciate the integrity of Fr. Anthony J. Vader, who has served God and man most faithfully for the last fifty years.

We, members of the Samahang Santo Nino, and the rest of the Filipino-American community, here in the United States and the Philippines, pray for Fr. Vader's strength and health and unshakable faith in the Almighty as he suffers this heavy cross. We pray for the Committee and decision makers for their enlightened judgment. Most especially, we pray for the accusers, that God may enlighten them and guide them to tell only the truth and not be motivated and influenced by any material or financial gains from their allegations.

We firmly believe that like his "brother", the late beloved Joseph Cardinal Bernardin, Fr. Vader is innocent of these allegations. We only hope and pray that this horrendous burden with its unthinkable suffering does not kill Fr. Vader.

Thank you for listening to us and considering our appeal. Please give back to us and to the community the caring, loving, prayerful and honest Fr. Vader, who had and will always be a part of our families and the source of strength and guidance of our spiritual lives.

If during the investigation and deliberation process, it is possible for Fr. Vader's friends to come and listen or to present statements of support to the Committee, please contact [REDACTED]. Also feel free to call any of us in the attached signature sheets. Thank you.

Sincerely and prayerfully yours,

The members of the Samahang Santo Nino (Please see attached signatures.)

Dear Cardinal George

The only words to describe my reaction to the 40 years old allegations against Fr. Vaden are shock and disbelief. We know him to be a good Priest always. I simply cannot understand how anyone could charge him as they have. We owe him much and he certainly deserves our support now - what happened to Forgive

DEAR CARDINAL GEORGE

February 10, 2003

The allegations made against our Pastor Father Vader reportably date back 40 years. If these allegations are true why did they wait so long? Basically they are looking for a fast settlement.

Father Vader is a good priest, I cannot believe he did anything wrong. These women have their eye on money; they would not do this for anyother reason. Don't let them get a way with it.

February 10, 2003

Dear Rev. Fr. James Kaczorowski:

Greetings. May this letter find you in the best of health and spirit. The purpose of this letter is to offer our support and prayers for our beloved Rev. Fr. Anthony J. Vader.

We learned that Fr. Vader has been accused of improper conduct some 45 years ago. Our group cannot believe that Fr. Vader would be subject to such malicious lies as has been leveled at him. As a matter of fact, we are surprised that the Committee hearing this case even found some merit to move it forward.

Our group, the Samahang Santo Nino, Midwest USA, an organization venerating the Infant Jesus, was formed 23 years ago. The organization has hundreds of member families throughout the Midwest and many other States across the country.

Fr. Vader has been our Spiritual Director since the group's formation. He has faithfully served the needs of the group, the community and all its ethnic diversity. Outside of the weekly devotions, he ministered to our needs: baptizing our children, marrying some couples, counseling the troubled, visiting the sick, burying our dead, leading our pilgrimages, helping those discriminated against, helping others find jobs and supporting our religious, cultural celebrations such as the Christmas Simbang Gabi. Our group found that although Fr. Vader was then running a big parish, the Holy Name of Mary, he always found time to respond to our needs. He even found time to be Spiritual Director of several Filipino-American organizations and other ethnic organizations, providing support to a group of people away from their homeland. On his many visits to the Philippines, he has shared his limited

financial resources with the seminaries and homes for the abandoned, poor children.

In all these years of association with Fr. Vader, and several of us have known Fr. Vader as far back as the late 1950s and early 1960s, his words and actions have conveyed nothing but the highest ethical and respectful behavior and the most inspiring spiritual integrity.

We, therefore, urge the Committee and all decision makers to look closely, listen intently and appreciate the integrity of Fr. Anthony J. Vader, who has served God and man most faithfully for the last fifty years.

We, members of the Samahang Santo Nino, and the rest of the Filipino-American community, here in the United States and the Philippines, pray for Fr. Vader's strength and health and unshakable faith in the Almighty as he suffers this heavy cross. We pray for the Committee and decision makers for their enlightened judgment. Most especially, we pray for the accusers, that God may enlighten them and guide them to tell only the truth and not be motivated and influenced by any material or financial gains from their allegations.

We firmly believe that like his "brother", the late beloved Joseph Cardinal Bernardin, Fr. Vader is innocent of these allegations. We only hope and pray that this horrendous burden with its unthinkable suffering does not kill Fr. Vader.

Thank you for listening to us and considering our appeal. Please give back to us and to the community the caring, loving, prayerful and honest Fr. Vader, who had and will always be a part of our families and the source of strength and guidance of our spiritual lives.

Sincerely and prayerfully yours,

The members of the Samahang Santo Nino

Dear Cardinal George -

The reason I choose to attend Mass at the Shrine of the Sacred Heart is solely because of Father Vader. Father is a good, pious, modest Christian man. Living a good Christian life is very important to me. I know many Catholics who I do not feel are good Christians. Father has a special way about welcoming everyone into the congregation. Each Sunday his words inspire me to be a better, kinder and more forgiving person. I find it impossible to believe these allegations which supposedly date back forty years. I am praying for these allegations to be proven to be false and for Father Vader to be returned to all of us here at the Shrine of the Sacred Heart. We all need his guidance.

Sincerely,

Dear Fr. Kaczorowski,

We also are writing to you in full
support of Fr. Vader. We have written to
Cardinal George about the unbelievable
situation!

As parents of [redacted] children, we
would trust ours and their lives to Fr. Vader,
we have been trusting our souls, which
are much more important, to him for years
at Sacred Heart Church. We have appreciated
Fr. Vader's holiness and compassion; his
warmth, and his dedication. We are praying
for a quick ending to his imposed exile
to Mundelein. If only we had more priests
like Fr. Vader - courageous in the faith - the
parish might be more filled.

Fr. Vader suffers through this
while Fr. ~~Pfeiffer~~^(sp?) is free to do as he pleases

Dear Cardinal George,

We were at our weekly 4:00 PM Mass at Sacred Heart Church on February 8, 2003 when we were asked to pray for Father Vader. At first, we thought he was ill, but then we were told that Father Vader needed our prayers and support because of 40-year-old allegations. This is incredible, unbelievable and shocking. Father Vader has been at Sacred Heart for over 20 years, as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs. He is always cheerful and upbeat with an especially caring attitude. He has been an inspiration in our lives with the down-to-earth words he speaks in his homilies.

All four of our children were baptized at Sacred Heart. Our oldest is 31 and youngest, 25. When our son and then our daughter decided to get married, Father Vader graciously helped with their baptismal certificates that needed to be updated in order for them to be married in the Catholic Church.

We are all hoping and praying that Father Vader will be back with us soon. He is a wonderful person and doesn't deserve this, nor do we, the parishioners. He will be sorely missed.

Please, Cardinal George, do all that you can to help get Father Vader back to us!

Sincerely,

Dear Father,

I appreciate the opportunity to express my views regarding the situation related to Fr. Anthony Vader of Sacred Heart Church.

I find it impossible to believe the accusations made against Father. I have known him for many years and he is a kind and wonderful priest.

I hope these allegations against him can be resolved as soon as possible.

Sacred Heart and its parishioners need Father Vader very much for he has become the backbone of our little church.

Thank you and God Bless

Dear Rev. Kaczorowski,

I hope that this letter will reach you in the best of health. I am [REDACTED] an acquaintance of Fr. Vader. I am writing this letter (as opposed to typing it in the computer) to indicate my sincerity.

Rev. Kaczorowski, I am writing this letter to express my personal feelings about Father Vader. Over the weekend during our weekly Santo Niño Prayer service, we were told of some sort of allegations that were made against Fr. Vader.

Naturally we were all shocked because we have known Father for many, many years. (Personally, I met him for the first time sometime in the 1980's while I was a pastoral council member of my parish).

In all those years that we have known him, I, and the Santo Niño prayer group members, see him almost every week in the prayer service in which he attends.

He is a very considerate, kind, and a man of integrity with untarnished reputation. I am not aware, nor have I heard negative things about him. That's why we always pray with him in the Santo Niño.

He has done so many good things not only to his own parish but also particularly to the Filipino community. For example, just a few months ago, the Filipinos in Chicago bestowed on him the "Hall of Famers" award for his exemplary service to the community. A few years back the President of the Philippines awarded him for his love and service to the Filipinos in the Midwest and the Philippines.

Last year the Filipinos honored him in his 50th anniversary in the priesthood. This celebration was attended by hundreds of individuals with whom he has been associated over the years.

He travels to the Philippines to provide much-needed assistance to the impoverished children of Don Bosco, with assistance from his friends and acquaintances here in America.

He also assisted individuals obtain jobs. I heard that he even traveled to Michigan to testify for a Filipina individual who was consequently exonerated by the courts.

These are few of the many stories I heard about him; and accomplishments he has achieved that I am aware of. He is not a very young man anymore. I don't even remember what I had for lunch last week. How in heavens do we remember details of incidents that happened more than 4 decades ago?

We respect him very much. We will pray for him and hope that The Almighty will free him from these allegations. We want him to continue his spiritual and social service to us and to the Lord. We will also pray for His Eminence, you, and the other members of the committee to make the right and fair judgment for him and the other priests.

Your Brother in Christ.

Dear Cardinal George -

I have just learned of the allegations made against our retired Pastor, Father Anthony Vader. I understand that Father Vader cannot celebrate Mass and must remain @ the retreat home for @ least 30 days. I don't understand or believe any of this. Father Vader had been to dinner @ our home on several occasions and it deeply saddens me that he is being accused of something so horrible. I know him as a kind, loving and wonderful man. Our family misses him so much. Please let him come back to us. He has helped me so much through his kind words and generous actions. He has truly helped me find my way back to our Lord. My children as well as myself and my husband love and cherish him so much. Please let him come back to where he

truly belongs. Every Sunday I look forward to his mass so I may go on and pass on his Good word. He makes me believe in God, Jesus Christ and our Holy Spirit. He is a good man and I deeply love him. Our family as well as the Sacred Heart family truly needs him. Please let him come home to us.

Respectfully yours,

Dear Cardinal George,

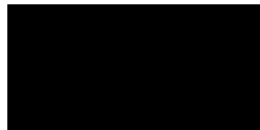

We are all saddened at the allegations directed at Father Vader. Our family has known Father Vader since he came to Sacred Heart Church.

We have had our grandson baptized by him and our grandson also made his First Holy Communion and Confirmation at Sacred Heart under the direction of Sacred Heart Church. We have been practicing Catholics for over seventy (70) years and developed a closeness with Father Vader and Sacred Heart that we never had at any other parish (5 different churches). All of this is attributed to the leadership and communication abilities of Father Vader.

We sincerely hope and pray that this entire "nightmare" for all of us ends soon.

We can never repay him for what he has done for us spiritually, but at least we can give him our sincere support in these sad times.

Sincerely yours,

 and Family.

Dear Cardinal George,

I've been a member of Sacred Heart (Chicago) for over 12 yrs. and have known Father Vader to be an ideal priest and one wonderful human being.

These allegations against Father Vader are as shocking as they are unbelievable. I can safely say I speak for every member of Sacred Heart that Father should be back with us soon and I mean in a lot less time than thirty days.

Understanding the people who have gone back forty years to do this makes me wonder IF these charges are true, why all this time? Money, I guess and may the not receive a dime.

Yours in Christ,

February 11, 2003

Dear Cardinal George,

Last Sunday, February 9, 2003, my fellow parishioners and I received the news that our beloved Pastor, Rev. Anthony Vader, is the subject of allegations of near-ancient impropriety. This is totally shocking.

Father Vader has been the heart of Sacred Heart since he accepted the responsibility of overseeing us so we could reopen over 20 years ago. I first came to know him outside of the pulpit when he said my dad's funeral in July of [REDACTED]. Then he performed my wedding ([REDACTED]), and Baptized both of my children ([REDACTED]). He sometimes visits my [REDACTED] grade Catechism class to say hello and offer support.

I've had several opportunities to converse privately with him; it is a very pleasant experience. Father is smart, compassionate, well read, well traveled, and quite funny. During one of my marriage preparation meetings with him (while he was still Pastor at Holy Name of Mary) some neighborhood children rang the doorbell – they were looking for candy. Father sent them on their way empty-handed. He was concerned that not all of them were honest, and cautioned me against being alone with a child not my own. I have heeded his words in my work at my children's school.

Among Father Vader's fans is my [REDACTED] father-in-law. [REDACTED] says that there's something about Fr. Vader that really gets him in the heart. Although he's only been to Sacred Heart five times ([REDACTED] [REDACTED]) Father's words and tone have stayed with him. He regularly asks how Father is doing and tells me how much he was affected by his homilies. Now I have to work up the courage to tell him of Father's situation. This is not going to be pleasant.

Respectfully,

Dear Rev. Fr. James Kaczorowski,

Our family was greatly devastated upon learning about the recent accusations against Fr. Anthony Vader. We have known Fr. Vader for more than 2 decades now and he has been our Spiritual Director for over 20 years. During our difficult times, he was always there to give us spiritual guidance, moral support and help us gain our power and strength through powerful prayers throughout the years. We know Fr. Vader as a caring, loving, honest, respectful, respectable, very sincere, compassionate, and a very Holy man who can be likened to our Beloved Cardinal Bernardin. Fr. Vader joins us on our weekly rosary and novena prayers to the Infant Jesus and our Lady of Fatima. This proves that Fr. Vader is very spiritually dedicated & committed to his job, to the people and to the community.

These accusations against Fr. Vader and all the other priests are emotionally and psychologically affecting families. Some people appear to undermine and try to damage the Archdiocese. Some of these cases are motivated only by economic & financial interests. So, Father, we ask of you to please do a thorough investigation before arriving at a drastic conclusion to this very sensitive matter. We are hoping that Fr. Vader may continue with his commitment to serve the people in the Midwest, as a leader of worship, builder of the community and his ministry abroad.

We will continue to pray for Fr. Vader, for the Committee, for you and all the priests in the Archdiocese, and all the accusers that may the Lord enlighten their minds and may they realize that what they are doing is not in God's will. More power to you and we will always keep you in our prayers. Thank you.

Dear Cardinal George,

The only words to describe our reaction to the 40 year old allegations against our beloved retired Pastor, Fr. Anthony Vader, are unbelievable, incredible and shocking! Our hearts go out to Father Vader and we want Your Eminence to know that we stand beside Fr. Vader during this time of adversity. We know him to be a good priest, steadfast and true.

Father Vader's absence leaves us with a great void, and a legacy too big to fill. He has taught us well, to be a brother/sister, and a friend ... to place our egos aside, so we may do God's work. He has shown us what God had in mind when he created us, and for that, we are grateful. We are his sheep and he is our shepherd, always instructing us that Jesus loves us, to follow the commandments of God, to persevere, and to carry our crosses. We, the parishioners of Sacred Heart are his precious children. He is the driving force behind everything accomplished at Sacred Heart and we pledge him our fidelity.

We hope that soon Fr. Vader will be restored to his Ministry at Sacred Heart Church. We pray that our Blessed Mother will wrap her protective mantel around him at this difficult time.

I have known Fr. Vader for at least 19 years and cannot understand any of this. He has always been kind, caring, and understanding. I have told many of my friends this on several occasions.

My history at Sacred Heart has been long and happy. My father was an usher there when Fr. Borchardt was pastor. My husband and mother are both Eucharistic Ministers. My husband and I were married there and had our son baptized there and he made his First Communion there. All thanks to Fr. Vader. He has kept our church going when some wanted to close it.

He has been a good friend to our family in times of need.

This is a man who is truly walking in Jesus' footsteps.

I will always support Fr. Vader. I will not believe these allegations. I will continue to pray for him and for the people who have brought these allegations forth.

God bless you and guide you in the days ahead.

Sincerely,

Dear Cardinal George,

We have just learned of the allegations made against our retired Pastor, Father Vaden. These reportedly date back 40 plus years and as a result, we are told Father Vaden cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This news is a shock and unbelievable to everyone.

We have known Father Vaden and cannot understand any of this. We know him as a kind and wonderful priest and person.

Dear Cardinal George;

We have just learned of the allegations made against our dear Father Vader. These allegations and the requirement that he must remain at Mundelein for at least 30 days are just incredible.

Father Vader has been an inspiration to us as well as a kind person and a wonderful priest. He has been there for our families baptisms, First Communion's and 2 years ago for our renewal of vows for our 50th wedding anniversary. My husband is now in the hospital in critical condition and when we called Father he was there within the hour and he was such a comfort to me and to my entire family.

We, along with everyone else at Sacred Heart owe him so much and will always continue to believe in him and support him.

Dear Cardinal George,

I am writing to express to you my total shock and utter disbelief at the news of certain allegations made against Father Anthony Vader of Sacred Heart Church. Father Vader has been nothing but exemplary in performing his duties as a priest.

He graciously served as pastor of our little church, Sacred Heart of the Chicago South Side. I know no other priest to be as real and down-to-earth as he. I grew up at Sacred Heart and had the pleasure of Father Vader performing my wedding ceremony. He supported my husband and I through the spiritual path that led us down the aisle of Sacred Heart.

In addition, he baptized my niece and has offered his guidance to other members of my family. I pray that Father Vader can soon be allowed to say masses again. I also pray that you too will see that he is a big part of our family and that his reputation not be tarnished.

Respectfully yours,

Forty years ago, how much credibility could there be? I do not know Father Vader's accusers or their motives, but I have strong suspicions.

Dear Father Kaczorowski,

The allegations and resulting requirement, that Father Vader spend thirty days at the Retreat House at Mundelein, are incredible, unbelievable and shocking. Father Vader has been at our Church for more than twenty years, as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs.

I know Father Vader to be an outstanding individual and priest. My fear is that Father Vader might be lumped in with other priests who have violated their trust. I cannot and will not believe that Father Vader violated his trust, at anytime. Please, ensure that Father Vader is judged separately and fairly.

Subject: Deministration of Father Anthony J. Vader

Mid-morning Saturday 2/11/03 I called Father Vader to ask him if he had plans for lunch. My wife and I periodically treat him to a meal out. It was at this time he notified me of the allegations of 40 years ago. I could detect the quivering in his voice as he told me.

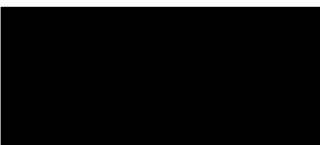

We have a unique congregation at Sacred Heart. It is composed mainly of people who, for one reason or another, are dissatisfied with the liturgies of their geographical parishes.

My wife and I started attending Sacred Heart nearly 20 years ago. I cannot remember precisely when I met Father Vader, but I know it has been at least 10 years. Our initial one-on-one with Father Vader was in 1998 when he visited me in the hospital 

Father Vader is among the best homilists I have ever heard. His messages are delivered in a brief style – and are issue and current event relevant. He is able to hold one's attention versus many of today's long winded orators.

Last Spring Father celebrated the 50th anniversary of his ordination. The congregation expressed our appreciation for his work with a reception. More than 150 people attended, including some of our Archdiocese hierarchy.

It is my opinion that 30 days "house arrest" is uncalled for in this instance, and only adds to the stress of the situation for Father Vader. As a  it is my opinion the matter should not take that long to investigate. A decision should be reached sooner, to enable Father Vader back where he belongs – serving the people of Sacred Heart.

The Philippine Consulate General in Chicago and myself are very disturbed to learn that Father Anthony J. Vader is under investigation by the Church.

I speak for my country and countless of my people here and outside the state of Illinois as well as those back home when I say that we have the highest and absolute regard for Fr. Vader.

For being an exemplary pastoral model and for his continued unselfish love and concern for the young, adult, and elder members of the Filipino-American community which began 45 years ago, Fr. Vader was awarded the Philippine Presidential Citation on 23 June 1999.

Please count on the Philippine Consulate General and myself to strongly vouch for the reputable character of Fr. Anthony J. Vader.

Dear CARDINAL GEORGE,

We are writing to you on behalf of Father Vader, Pastor of Sacred Heart Church. We are deeply disturbed by the allegations that have been brought forth against him. We find it hard to believe that anyone could charge him as they have done. Father Vader has given my family a place to call home. My children attend the religious education program at Sacred Heart and we have been loyal parishioners for many years.

This past summer my brother wanted to have his first child baptized. He had just moved to [REDACTED] and went to his local catholic church. My brother [REDACTED] and had been unable to work. The church REFUSED to baptize his baby unless he provided them with copies of his income tax returns and pledged 10% of his income to the church. These were their requirements to become a parishioner. He could not even keep up with his bills. I approached Father Vader about this situation. And as to be expected with Father Vader, he graciously agreed to perform the ceremony for my family. My brother tried to give him a donation for his kindness but again Father Vader told him to put it in the Sunday collection.

The point that we are trying to get across is that at a time when people are losing faith in the Catholic Church there are priests such as Father Vader who are there to renew that faith and hope. We stand by this man and plead with you to reconsider your actions.

Respectfully yours,

[REDACTED]

Dear [REDACTED],

I've received your letter, filled with dismay about the accusations against Father Tony Vader. I am grateful that you wrote to say how your life has been touched so deeply by Fr. Vader.

I share your dismay, because Father Vader has been a generous and exemplary priest. God has used him to do much good. However, there is always the possibility that even very good people can do something seriously wrong. The Review Board, which received the accusation, deliberated long and hard before judging that there is reasonable cause to believe the accuser's story. The accusation was not lightly made, and the Board's judgement on it has to be taken very seriously. The policy now is to remove a priest from active ministry while the accusation is submitted to the canonical trial process. I would like to believe that this next step will bring forth evidence to show that Fr. Vader can return to ministry.

In the meantime, I hope you will continue to support Father Vader, especially with your prayers. This is a tragic situation for all concerned, and it fills everyone with sadness. Thank you for writing and for your life of faith. You are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Dear Cardinal George;

The only words to describe my reaction to the 40 year old allegation against Father Vader are shock and disbelief.

My brother was involved in putting the roof on Sacred Heart when it was re-opened by Cardinal Bernardin, which is how I heard of the Church. It has been my place of worship since that time.

Father Vader to me is the image of Christ on earth. He is a truly marvelous Priest, humble, holy and honest. He loves children, stops to bless every child he sees. Please do not let the same thing happen to him that happened to our wonderful Cardinal Bernardin. Sincerely,

Dear Cardinal George,
My family and I have just learned of the allegations made against Father Anthony Vader, the pastor of our church, The Shrine of the Sacred Heart. We were told that there go back 40 years and, as a result, Father Vader cannot celebrate Mass and must remain in Mundelein for at least a month. Needless to say, this news is not only a shock to me and my family, and unbelievable, but to everyone at the Shrine.

We have known Father Vader for twenty years. In fact, we had not gone to church for years and it was only through hearing about Father Vader and his ministry at the Shrine that we returned. Father Vader has always been a kind, good, and wonderful priest. One feels the Holy Spirit and sanctity when he is there and saying Mass.

My family and I are all better Catholics today because of Father Vader and we all owe him so much. We cannot understand how anyone can bring such charges. We stand behind Father Vader and hope and pray that he will soon return to our Shrine.

Respectfully,

Dear Cardinal George,

I just learned of the allegations made against my friend, Father Anthony Vader. These reportedly date back forty plus years and as a result, I am told Father Vader cannot celebrate Mass and must remain at the retreat house in Mundelein for at least 30 days. This news comes as a shock and is unbelievable to all that truly know him.

When I was in my late twenties I had the pleasure to work with Father Vader as a Eucharistic Minister at Sacred Heart in Chicago. As a practicing Catholic all my life and having attended Catholic grade school and high school I have heard many homilies. Father Vader is the only Priest that would explain the Gospel in real-life meaning terms and after he spoke you came away with wanting to be a better person. No one else has ever had that impact on me. Unfortunately, I moved from the area and have struggled very hard to find a Church with Priests that could encourage and speak with such meaning. Father Vader came to our home and blessed our first child and celebrated her baptism. I am in shock over these allegations and find it disheartening that a man who can touch so many and make this world a better place cannot celebrate Mass any longer. I have often traveled a good distance to hear him speak because I know his words would get me through any problems and I would leave feeling much better. I am thirty-two years old and as life gets more difficult we need more leaders like Father Vader to get us through the hard times.

I pray for him and for you so that God will give you the strength to do the right thing. He deserves our support and we will give him back what he's given to us. Please consider that this man is not a threat to society; the crime is that he is not able to celebrate Mass. For that we all suffer.

Sincerely,

Feb. 14, 2003

Dear Rev. Father:

This letter comes to you regarding our [REDACTED] Father Anthony Joseph Vader and the accusations brought against him. We, his family in [REDACTED] are both shocked and outraged that anyone would question Father Vader's integrity or accuse him of compromising his priestly vocation. While we understand that the Diocese of Chicago must review and evaluate any accusations brought against one of their own we cannot accept the accusations and find them ludicrous.

I have known Father Vader since before his Ordination as he came to [REDACTED] each year for vacation. He lived in our home, and became part of our family as he does today during his visits. I have also been on pilgrimages with him. I can state without hesitation that he is foremost a Priest both then and now; a man of dedication to his family and his ministry. I am sure you will agree with me that Father Vader had and continues to have opportunities, while on vacation, to put aside his priestly vows. Never once did we see him or hear him violate those vows.

For 50 some years he has always been there to counsel and console his family. [REDACTED]

Father Vader's life as a priest speaks for itself. He has given, and continues to give, his life for the rights and well being of all his brother and sisters in Christ especially the Black community and Filipino American community. He has always been true to God and His church, true to his vocation, and true to himself.

May God have mercy on the soul of the accused and the accusers. We pray that the truth will triumph.

Sincerely in Christ,

Dear Cardinal George,

I am write to express my support of Father Anthony Vader after learning of the unbelievable allegations made against him.

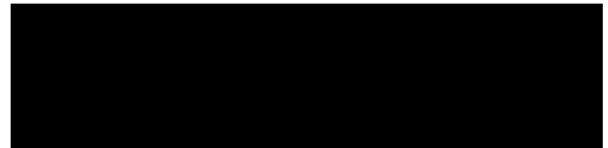

I have been attending Mass at Sacred Heart Church for a number of years. I have always found Father Vader to be wonderful priest. I enjoyed attending a Mass celebrated by Father Vader because he made them more meaningful. His sermons were always inspiring and thought provoking. They were never pompous or pretentious as, unfortunately, some priests' sermons are prone to be.

Naturally, I find the allegations against Father Vader to be shocking. They are difficult for me to understand since the Father Vader I know is a wonderful and kind person as well as being a dedicated priest.

I can only hope that you will be guided by the Holy Spirit in making your decision regarding Father Vader so that he may be exonerated.

Thank you for your consideration. I will continue to pray for you and Father Vader.

February 15, 2003

Dear Rev. Fr. James Kaczorowski:

The purpose of this letter is to offer support for our beloved Rev. Fr. Anthony Vader.

We learned that Father Vader has been accused of improper conduct some forty five years ago. We do not believe that he is capable of such malicious allegations. To us Father Vader is a living Saint. He has been there when we and countless others need him for spiritual guidance and moral support and helped us in our pains and sorrows.

We have known Father Vader since we came to America (me in 1981 and my wife in 1985). But recently we became real good friends with him [REDACTED] on Sundays for our "Samahang Santo Nino" novena and mass. Sometimes we have experienced traveling for hours to and from different locations and Father Vader has always been an inspiration to us as we discuss life's various problems concerning us and our family. We think of Father Vader as the embodiment of goodness and as a priest we have only the highest regard for his work.

He is innocent from all the charges and we believe it without any reservation. We believe that the charges are false and ridiculous. They should not even be considered or heard.

We beg your good committee to dismiss these allegations and let Father Vader go on with the wonderful work that he is doing. His fifty years of serving God and men has not been without hardships, that his health is failing him and he had some major operations on his hip and leg and these has considerably slowed him down. It has been five years since the last time we saw Father Vader as we now residing in [REDACTED] but our memory of Father Vader will always be cherished in our hearts. We can only hope that we will see him again very soon, alive and kicking and very much exonerated.

Thank you very much for listening to us and for considering our appeal. Please give back to the community our caring, loving, honest and prayerful Father Vader. He will always be a part of our families and the source of our strength and guidance of our spiritual lives.

Sincerely and prayerfully,

(Please see attached signatures from members of our family)

Dear Cardinal George,

The only words to describe our reaction to the 40 year old allegations against Father Vades are shock and disbelief. We know him to be a good Priest, always. We simply cannot understand how anyone could charge him as they have.

We owe him much and he certainly deserves our support now. He is a kind person and wonderful priest. We've known him for many years.

Dear Cardinal George,

Last Sunday, I learned of the allegations made against Father Anthony Vader. Father Vader has been at Sacred Heart for over twenty years. I am shocked at this news. I am saddened that Father Vader must remain at the Retreat House in Mundelein for thirty days.

I attended Sacred Heart with my parents and siblings as a child. After I was married, I brought my husband, and eventually our children, to Sacred Heart Church. Like my mother before me, I am a Catechist in our little mission. I serve Sacred Heart as a Eucharist Minister.

[REDACTED]

Why do we do all of this? One man, Father Anthony Vader, has inspired us.

Father Vader's kindness, guidance and support have kept my family coming back to Sacred Heart Church every week. His gentle manner with everyone is an inspiration, especially to parents in a harried world. His Homilies make the Word of God more meaningful in a society that seems to be more focused on "stuff" than on living the way Jesus taught.

When I see my sons run into church each Sunday, I know it because they feel at home at Sacred Heart, just as I did when I was their age. When I see my sons serve God by offering their time as altar servers, I know it is because of the encouragement they have received from their pastor, Father Vader. There is a sense of community in Sacred Heart Church that is not found in many other parishes. It is a feeling of being welcomed each and every time I walk into the building. It is a sense of renewal after hearing Father Vader guide me through the scriptures and the Holy Mass.

I pray that Father Vader will be allowed to return to Sacred Heart Church very soon. He is a kind pastor and a good man. He will always have the support of my family.

Sincerely,

Dear Cardinal George,

I am writing this letter regarding Father Anthony Vader. I have worked closely with Father Vader at Sacred Heart Church. [REDACTED]

[REDACTED] Throughout all this, Father Vader has been nothing but the kindest gentleman and leader. He is certainly an inspiration and a wonderful role model.

Although there are several Catholic churches in much closer proximity to my home than Sacred Heart, I choose to attend Sacred Heart. At Sacred Heart, one feels very much part of the church community. I feel that this is a direct reflection of Father Vader. Unfortunately so many Catholic churches are very commercialized these days, always with their hand out. At Sacred Heart, there is none of this. There is a real sense of belonging, of making a difference. Father Vader welcomes everyone, regardless of their status in the community. In fact, when my son was born, I was a single parent. At that time, I belonged to Sacred Heart but was not very active in the church and did not know Father Vader well. When I asked Father Vader to baptize my son and told him that I was a single parent (something I'm told would have other Catholic churches "reject" my child and I), Father Vader did not bat an eye and simply smiled and told me that "every baby is God's baby".

I have gotten to see firsthand how the children at CCD and Father Vader interact and it is very refreshing. He listens to the children and showers them constantly with praise. The children light up when he enters the room.

On behalf of the Sacred Heart Community, I would again like to profess my admiration of Father Vader, his dedication to the Catholic church and for being such a wonderful role model. If there is anything that I can do either individually or as part of a whole, please do not hesitate to let me know. We are very anxious at Sacred Heart to have Father Vader back where he belongs. While I feel very strongly that it is wrong to seclude him, especially since a man is innocent until proven guilty, I am confident that justice will prevail and action be taken against those guilty. Father Vader is a true priest, one to turn to in times of sorrow or joy. The Catholic church should be grateful to be represented by such a fine man.

Sincerely yours,

Thank you!

Dear Cardinal George:

I wanted to write to you to offer my support for Father Anthony Vader (retired). Fr. Vader has been a close friend of our family for many years. He has impacted my life through his many years of spiritual guidance. Since he became a part of the Sacred Heart community as a Pastor, I have become much more committed to my Catholic foundations. Much of this is due to him. I found his words of guidance at mass were delivered in a way that impacted me and challenged me to become more devout. I have. I am distressed by the accusations being made against him. Fr. Vader has been to my house and has presided over the baptism of my daughter and I am shocked that these accusations could be made. There is not a more devout priest in your flock. He never waivers from his strong catholic beliefs and is a strong proponent of this same approach with his parishioners. These accusations simply cannot be true.

I hope you will find it in your heart to take the time to get to know Fr. Vader and investigate his case thoroughly. I am convinced that if you do this he will be back again presiding over mass for his flock, where he should be. He truly is one of the best you have.

Thank you for your time and all that you have done for our religious community.

Sincerely,

Retired priest removed after abuse claims

BY CATHELEEN FALSANI *ST 2/15*
RELIGION REPORTER

A retired Roman Catholic priest who for 30 years served as pastor of the first Chicago parish founded by and for African-American Catholics has been removed from the ministry amid allegations he engaged in sexual misconduct with minors in the 1960s.

The Rev. Anthony Vader, 76, former pastor of Holy Name of Mary parish at 115th and Loomis, was removed last week as chaplain of the Sacred Heart Mission, 11652 S. Church. Archdiocesan officials received allegations last fall that he had abused minors while an associate pastor of Holy Cross parish in the Woodlawn neighborhood more than 40 years ago.

Rev. Anthony Vader
1960s allegations

Vader is the 14th priest the Chicago archdiocese has removed in the last year for sexual misconduct with minors.

According to a Feb. 9 letter from Auxiliary Bishop Joseph Perry to parishioners at Sacred Heart Mission, Vader is now "residing in a monitored and restricted setting and has been directed not to be alone with minors."

Holy Cross parish, now closed, was Vader's first assignment after he was ordained in 1952. He served there until June 1964. He served as an assistant pastor at now-shuttered St. Laurence parish from 1964 to 1968, when he was assigned to Holy Name of Mary, where he would serve as pastor until his retirement in 1998.

One of Vader's associate pastors at Holy Name of Mary, the Rev. John Calicott, successor to the Rev. George Clements as pastor of Holy Angels parish in Chicago, was removed from ministry earlier this year because of allegations of sexual misconduct with two teenage boys in 1976.

The allegations against Vader have been turned over to the Cook County state's attorney, Perry said.

The news that Rev. Tony Uder is under investigation by the Church for alleged sexual abuse over 40 years ago gives me great pain and distress.

Please insure that Fr. Uder's case is given proper care and attention, including due process appropriate to a man of his wisdom, experience, piety and professionalism.

Dear Rev. Fr. Kaczorowski,,

We are appalled by the news that our dear friend, Rev. Fr. Anthony Vader, is being accused of inappropriate behavior in an incident 45 years ago. My wife, [REDACTED], and I have known Fr. Vader on a continuing basis for that many years. He officiated in our marriage in [REDACTED] 1958 at the Holy Cross Church. He baptised [REDACTED] our [REDACTED] children and officiated in the marriage of [REDACTED] of them. He also baptised [REDACTED] grandchildren. He comes to visit us at least once a year here in [REDACTED].

I first met Fr. Vader shortly after I first met my wife, [REDACTED] at the University of Chicago Nurse's Residence on 63rd Street in 1957. At that time he was starting to minister to the spiritual needs of the Filipino students in Chicago. [REDACTED] and I were immediately attracted to his sincerity, warmth and helpful attributes. He gave us, as he did to our other Filipino friends, the guidance, which otherwise would have been a vacuum, being new transplants from the Philippines. He filled the void for a spiritual mentor and continued to be one through the years, not only to my wife and I, but also to my children.

We are saddened that at the waning years of his priestly vocation he would be subjected to the humiliations of the accusation. We pray the Almighty and Knowing God give him the strength to see through his trials and ultimately be vindicated. We know Fr. Vader as a friend and as a dedicated priest of outstanding character and morals.

Sincerely yours,

Your Eminence:

I write this letter to express my support for Father Anthony Vader.

I graduated from Holy Cross Elementary School in [REDACTED]. Father Vader heard my First Confession; he was there for my First Holy Communion as well as for my Confirmation and my Graduation. After leaving Holy Cross, I attended [REDACTED] High School in downtown Chicago, but still often attended Sunday Mass at Holy Cross Church.

During my years at Holy Cross, Father Vader was the first cleric who "humanized" the priesthood, demonstrating that priests were more than just the "mysterious men in black" who said Mass and heard confessions. Father Vader showed us that priests could also play basketball with the boys and jump rope with the girls. Father Vader always celebrated with us during the good times just as he was there to offer his support and compassion during our struggles and failures. He was vibrant and funny; caring and compassionate; we all loved him.

I am a resident of the State of [REDACTED], but have been here in Chicago visiting relatives for the past few months. Each Sunday, I attend Mass at Holy Name of Mary Parish with my family members. Because Father Vader was there, it has been the perfect incentive for me to bypass the many Catholic churches located nearer to where I am staying to drive to Holy Name of Mary. The first time I saw Father Vader after these many years it felt like "coming home." The few Sundays that I have missed Mass, Father Vader has always asked my family where I was. This is but one example of how Father Vader truly cares about you, even noticing when you miss Mass.

It is my sincere hope and prayer that Father Vader will be cleared of these charges.

Respectfully submitted,

DIGEST**

Retired priest faces sex-abuse allegations

A retired Roman Catholic priest who worked for decades in South Side parishes was removed from ministry last week because of allegations of sexual misconduct against minors in the 1960s.

Rev. Anthony Vader, 76, had been serving as a chaplain at Sacred Heart Mission, 11652 S. Church St., according to the Archdiocese of Chicago. He was removed Feb. 9, Dwyer said.

Vader "is residing in a monitored and restricted setting and has been directed not to be alone with minors," Auxiliary Bishop Joseph Perry said in a statement.

The archdiocese received allegations last fall that Vader had abused underage girls while he was an associate pastor of the now-closed Holy Cross Catholic Church in the Woodlawn neighborhood more than 40 years ago.

He served there from 1952 to 1964 and then at St. Laurence Parish until 1968.

From 1968 to 1998, Vader was a priest at Holy Name of Mary Church, a historic parish in Morgan Park that was founded to serve African-Americans. The parish is known for adding gospel traditions into the Catholic service.

Vader served at Holy Name of Mary with Rev. John Calicott, who was removed as pastor of Holy Angels Parish last year because of sexual misconduct allegations dating to 1976.

The Cook County state's attorney's office is investigating the allegations against Vader, a church official said.

In the past year, the archdiocese has removed 14 priests from the ministry because of allegations of sexual misconduct.

Dear Cardinal George:

My wife and I have been attending Sacred Heart Church for the past seven years. Father Vader has been our primary celebrant for five of those years. We can't tell you how shocked we were to hear of his removal from the ministry a week ago.

I don't know what prompted these women to accuse Father Vader of wrongdoing but it is hard for us to believe he would do such a thing. I consider myself a pretty good judge of character and if there ever was a priest who could be trusted to tell the truth it is Father Anthony. He says he is innocent and although I know this must be investigated that is good enough for me.

Please make sure he is given a fair and impartial hearing and don't let politics influence the outcome. Even a priest is innocent until proven guilty.

We will pray for Father Vader (he is a good man and priest), you Cardinal George, and all that are involved in this hearing.

Dear Cardinal George:

My name is [REDACTED] and I am a member of Sacred Heart Mission Church located at 11650 S. Church Street in Chicago.

I am writing on behalf of our administrator/pastor, Father Anthony Vader, who is accused by two women of inappropriate physical contact nearly forty years ago. Details of these allegations were given from Bishop Joseph Perry at a mass celebrated at our church on February 9th.

I believe Father Vader is innocent of these charges. Fr. Vader is one of the most genuine and loving priests I have ever known. He is one of the main reasons why over the past 20 years, Sacred Heart Church has grown in membership and attendance. At the regular 10:30am Sunday mass for example, the congregation overflows into the vestibule. The standing room only crowd includes many people who have come back to practice their faith after time away from the church. To lose the man responsible for this kind of leadership is devastating.

Father Vader represents all the church would hope for in her clergy; he is a beautiful man and a wonderful priest.

In closing, I respect the process of which this investigation must take place. I also respect the individuals making the accusations and I pray for them. I trust however, that after so many years the real facts will be made known in this case.

God bless you Cardinal George, now and always.

For all the years that I have known him Fr. Vader exhibits professionally as a priest and so loving and caring individual. He comes to home if so requested for any special events to take care.

He is a special priest and loving too, I Hope and pray that he will come out clean.

Re: Pastor Father Vader

I have just learned of the allegations made against our retired Pastor, Father Vader. These reportedly date back 40 plus years and as a result, we are told Father Vader cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This 'news' is a shock and unbelievable to everyone.

We've known Father for many (20) years and cannot understand any of this. We know him as a kind person and wonderful priest.

My personal experiences go back many years, as he was there for me when my father and mother were both dying of cancer. He assisted my family in what we remembered at the time, was the worst experience of our lives. [REDACTED]

[REDACTED] *When he (my father) became so ill, Father Vader was there to attend to our needs, knowing we had never experienced the death of someone so near and dear. The same holds true of my mother a few years later. He would come to the house and distribute Communion to my mother even though she could only swallow a small bit of the Host. He also came and gave the Last Rites to both my father and mother. There were many more things he did for me and my family.*

Unfortunately, I experienced the death of my husband [REDACTED]. Father Vader consoled my children and myself along with my brothers and sisters and their children. My husband was fifty-two years old at the time of his passing, which left me a fairly young widow. I guess all I'm trying to say is that Father Vader has never been anything but kind and helpful and there for me. I feel the allegations made against him could never be true.

Please know that I support Father Vader 100%. I hope you will take just a moment to understand how much the people of Sacred Heart Church miss him and hope he can return to us very soon.

Sincerely,

[REDACTED]

February 18, 2003

Dear Reverend Kaczorowski:

This letter is in support of Father Vader. I have worked with Father Vader for Sacred Heart since 1982.

John Cardinal Cody closed our little Church in January 1979 stating there was no longer was a need for it. The parishioners thought otherwise and rallied to save our Shrine. In 1982 Father Vader met with Cardinal Bernardin and he offered to administrate to Sacred Heart if His Eminence would reopen Sacred Heart. We are grateful to Father Vader for believing in the parishioners. Cardinal Bernardin gave the people the responsibility of finding and scheduling priests to serve, restoration of the Church and maintenance. Father Vader has been a wonderful priest and friend to all who attend Sacred Heart.

Father Vader has led a busy and active life. He taught for years at the seminary. He became involved with the Filipino community as a young priest and has been taking care of their spiritual needs for many years. He was very involved in the civil rights movement and can be seen marching with Dr. King in Selma. As a matter of fact, he once told me that he babysat for Dr. King and Coretta in Montgomery. During his assignment at Holy Name of Mary, through his efforts HNM became one of the most successful Black Catholic Churches in Chicago. His accomplishments are many. He is an avid African art collector. He is an opera buff. He has traveled the world. He is intelligent, has several doctorates and he knows right from wrong. This is not the lifestyle of someone who would hurt children.

I respectfully ask that that this matter be dropped and Father Vader be allowed the dignity and respect he deserves in his last years. He is a good and holy priest.

Respectfully,

Re: Pastor Father Vader

I have just learned of the allegations made against our retired Pastor, Father Vader. These reportedly date back 40 plus years and as a result, we are told Father Vader cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This 'news' is a shock and unbelievable to everyone.

We've known Father for many (20) years and cannot understand any of this. We know him as a kind person and wonderful priest.

My personal experiences go back many years, as he was there for me when my father and mother were both dying of cancer. He assisted my family in what we remembered at the time, was the worst experience of our lives.

When he (my father) became so ill, Father Vader was there to attend to our needs, knowing we had never experienced the death of someone so near and dear. The same holds true of my mother a few years later. He would come to the house and distribute Communion to my mother even though she could only swallow a small bit of the Host. He also came and gave the Last Rites to both my father and mother. There were many more things he did for me and my family.

Unfortunately, I experienced the death of my husband. Father Vader consoled my children and myself along with my brothers and sisters and their children. My husband was fifty-two years old at the time of his passing, which left me a fairly young widow. I guess all I'm trying to say is that Father Vader has never been anything but kind and helpful and there for me. I feel the allegations made against him could never be true.

Please know that I support Father Vader 100%. I hope you will take just a moment to understand how much the people of Sacred Heart Church miss him and hope he can return to us very soon.

Sincerely,

Rev. Fr. James T. Kasarowski,
Our family has recently learned
that Fr. Anthony J. Vader has been
accused of improper conduct against
young girls about 45 years ago. With
sadness we wish to let you know
that we cannot believe these accusa-
tions. Everything that we have known
& seen of Fr. Vader over the last 20
years that we have known him convince
us that he is a kind, caring & holy
priest. We would like to share w/you
some of our personal experiences w/
Fr. Vader.

Fr. Vader officiated on our
renewal of vows on our 25th
wedding 30th & 35th wedding
anniversaries. He is always
praying with us on our problems
and my husband serves as his
acolyte on his masses whenever
we are with him. We traveled
with him on a pilgrimage &
cruises and he celebrated mass
with us everyday.

So finally we hope that
these accusations for him will be
denied through our prayers. Thank a lot.

Dear [REDACTED],

I've received your letter, filled with dismay about the accusations against Father Tony Vader. I am grateful that you wrote to say how your life has been touched so deeply by Fr. Vader.

I share your dismay, because Father Vader has been a generous and exemplary priest. God has used him to do much good. However, there is always the possibility that even very good people can do something seriously wrong. The Review Board, which received the accusation, deliberated long and hard before judging that there is reasonable cause to believe the accuser's story. The accusation was not lightly made, and the Board's judgement on it has to be taken very seriously. The policy now is to remove a priest from active ministry while the accusation is submitted to the canonical trial process. I would like to believe that this next step will bring forth evidence to show that Fr. Vader can return to ministry.

In the meantime, I hope you will continue to support Father Vader, especially with your prayers. This is a tragic situation for all concerned, and it fills everyone with sadness. Thank you for writing and for your life of faith. You are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Dear Rev. Fr. James Kaczorowski:

When our family heard the news of the accusations of improper conduct by Fr. Anthony J. Vader, we were truly shocked and immediately said there was no way this fine man could be involved. I first met Fr. Vader (I'm now [REDACTED]), when he was first ordained a priest. I was 13 years old then, and attended Holy Cross School from where I graduated. Fr. Vader loves sports and he would regularly take a group of my classmates and I to play football on the Midway in Hyde Park.

He later married my wife and I, and baptized our two children, [REDACTED]. He celebrated the Mass at my mother's funeral in Chicago. Needless to say, we've known Fr. Vader for a very long time and have been very close to him all these years, and always stay in touch. I have always known Fr. Vader as being a kind, giving and generous person who would help anyone in time of need. He is the holiest of priests and would never resort to the horrible accusations being leveled at him by these two sisters. At his age, there is no way that he should have to live out his retirement, suffering such indignity.

It seems like after 45 years, these two sisters are more concerned about financial gain, and think nothing of destroying a man's integrity and a lifetime of good deeds.

Thank you for listening to us. My family and I pray that Fr. Vader will be exonerated of these charges. If you have any questions, please feel free to call me at the above telephone number.

Respectfully Yours,

Our family has learned through SUNDAYTIMES, SATURDAY, February 15, 2003 that our beloved, retired Fr. ANTHONY J. VADER has been accused of improper misconduct, 1960's allegations.

With great sadness we wish to let you know that I knew him since 1969. He was our spiritual adviser in our organization, Philippine Nurses Association of CHICAGO (PNAC in short). He has touched so many families not only in Illinois but the whole U.S. and beyond.

I've asked him lots of favors like baptismal of babies and children, weddings, celebration of Christmas "SIMBANG GABI" etc. He's kind, holy, caring priest — always ready with helping hand.

We believe in our hearts that he is innocent of recent allegations before the eyes of man and the eyes of GOD.

Thank you for your very kind consideration,

Re: Father Vader

Dear Cardinal George:

The allegations and resulting requirement that he spend 30 days at the Retreat House at Mundelein, are incredible, unbelievable and shocking. Father Vader has been at our church for more than 30 years, as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs.

I am [REDACTED]. I come from a family of [REDACTED]. When we were growing up the Sacred Heart Church was always our parish.

It was Father Vader who spoke to my father about having faith and God and actually got my dad to start attending mass regularly. As for my mother she was always a very religious person. For the last three years when my dad's health was failing and my mom's last five years, Father Vader was always there for them and our family.

When they could no longer attend mass Father Vader came to our home to give communion and to comfort my parents, he always had time for them. We always feel good when Father Vader gives mass for my parents because we know he cared for them.

We know father to be a good priest always. We simply cannot understand how anyone could charge him as they have.

Sincerely,

My son was a altar boy for 3 years, he baptized 2 of my grandchildren and married one of my daughters. He also celebrated a 50th Anniversary for my sister's brother-in-law.

Father Vader is a lonely man, he loves our little parish, 'The Shrine of the Sacred Heart'. He is always there to help in anyway. He truly is a joy to know and I trust him completely.

We will keep Father in our prayers daily.

Rev.Fr. James T. Kaczorowski:

Our family has recently learned that Fr. Anthony J. Vader has been accused of improper conduct against girls about 45 years ago. With great sadness we wish to let you know that we cannot believe these accusations. Everything that we have known and seen of Fr. Vader over the last 10 years convince us that he is a kind, caring and holy priest.

I would like to share with you some of my personal experience with Fr.Vader. About five years ago when my father was hospitalized [REDACTED], Fr. Vader was there for the family. He prayed and visited my father and talk to my mother and the rest of the family. Eventually, my Dad died and Fr. Vader was there to console us. He officiated in the funeral mass and shared our sorrows as a friend.

Then a year later my Mom got sick. She was in the hospital for four months [REDACTED]. My family was devastated because its only been a year that we lost our Dad and now our Mom is going to leave us too. Fr. Vader was there for the family and again prayed and presided in my Mom's funeral mass.

Fr. Vader became so close to us [REDACTED] Fr. Vader was there to say mass and just talk to the family and friends. My parents are gone now and Fr. Vader has become my adviser and mentor.

These accusations are untrue to our knowledge. Fr. Vader is a caring Priest who will never ever hurt anybody. He is to me already a saint. He is the champion of our family and the whole Filipino community.

I hope that the process will free Fr. Vader of any wrongdoing let alone clear his name.

Thank you and God Bless you.

Dear Father Koczorowski:

It would be so much easier to speak with you face-to-face about Fr. Anthony Vader. When he didn't write for nearly two months, I started worrying about him.

He and I enrolled together in Quigley Preparatory Seminary in 1940. Our last names fortuitously placed us in the same classroom; we often shared the same bus going into downtown Chicago and back. Although I left the major seminary , we met with other friends before and after Tony's ordination. And we corresponded regularly by letters and e-mails.

When we spent the afternoon together about four years ago, it was obvious to me that Tony had grown into a serious, dedicated priest who still knew how to laugh at himself. Because he is a sociologist and I had taught moral theology in Catholic colleges and in s seminary, and consulted with Fr. Albert Moraczewski, O.P., on medical ethics, most of our conversation that day was about the current and future situation of the church in America. The only disturbing change I noticed was that Tony had gained more weight. He was still the innocent, delightful boy I had come to admire so much, and could count on as a most valued friend.

Isn't there some way that the two sisters who have accused him of sexual misconduct could be induced to take a lie detector test or submit to a psychiatric evaluation? Tony is quite incapable of breaking his vows, and even more incapable of lying to his superiors or his friends.

I trust that you will see to it that Fr. Vader is treated with the respect he deserves.

Sincerely,

Dear Cardinal George,

I am writing in reference to the recent allegations against Father Vader. I personally feel they are false. Father Vader, in my opinion, is the last person on the face of the earth that would ever molest a young child. I find it suspect that two sisters would come forward some forty years later and make these allegations. No one else has made any allegations against Father Vader.

In [REDACTED] I divorced and became a single parent of two young girls. My faith was lost in the Catholic Church and I was searching for another religion to worship in. My friend told me to give Sacred Heart a chance and also the Roman Catholic Church another chance. My first Sunday at Sacred Heart will always be remembered. Father Schied, now deceased, stopped his homily and looked out the window. I found this a bit odd, but then he hollered out, "Mary, the tow truck still isn't here". I guess you could say I was hooked on how personal and family like this little Church is. Father Vader has always made Sacred Heart special with his easy to understand homily and way of words like no other priest that I've ever listened to. At the end of mass we have the usual round of applause for a Birthday or a local High School's victory. I can only remember one time being asked for money and because of this I donate about twice what I gave at St. Bernadette in Evergreen Park.

The Church is in an African American section of town that is also a high crime rated neighborhood, but still every Sunday the Church is filled to capacity. In fact there are people out the door and standing on the stairs that lead to the Church.

My younger daughter graduated from Sacred Heart's CCD Program and my nieces are still involved. My daughter said she learned more in one day from Sacred Heart's Program then she did all year at St. Bernadette'.

I'm not sure if this letter will help, but I sure hope you understand how loved Father Vader is. He is a great man!

Sincerely,

Dear Father Kazanowski: re: Father Anthony Vades

While I have only known Father Vades for about seven years, I am told that I am a good judge of character.

Obviously, I have no idea of what kind of priest or man Father Vades was 40 years ago, but I do know that the Father Vades of today would not lie... especially about a serious matter.

At Sacred Heart he is not just valued, he is treasured.

Please, please be absolutely certain before you hurt a man that I consider to be a "Man of God". We have far too few of those.

Dear Father -

I have been attending Mass at Sacred Heart Church for quite some time, and have found Fr. Vader to be most pleasant, kind, & holy man. In this time when "our church" is under attack - you probably need to hear these words of encouragement about one of your own. We need all the priests we can keep to help celebrate Mass & the other sacraments. He truly is a good & holy man. Do what you can to facilitate this matter so he can return to his duties

Thanks

Study: False Memories Easily Implanted

Mon Feb 17, 1:01 PM ET

[Add Science - AP to My Yahoo!](#)

By JOSEPH B. VERRENGIA, AP Science Writer

DENVER - Remember that wonderful day when Bugs Bunny hugged you at Disneyland? A new study shows just how easy it can be to induce false memories in the minds of some people.

More than a third of subjects in the study, presented Sunday, recalled that theme-park moment — impossible because Bugs is not a Disney character — after a researcher planted the false memory.

Other research, of people who believed they were abducted by space aliens, shows that even false memories can be as intensely felt as those of real-life victims of war and other violence.

The research demonstrates that police interrogators and people investigating sexual-abuse allegations must be careful not to plant suggestions into their subjects, said University of California-Irvine psychologist Elizabeth Loftus. She presented preliminary results of recent false memory experiments Sunday at the national meeting of the American Association for the Advancement of Science ([news - web sites](#)).

Loftus said some people may be so suggestible that they could be convinced they were responsible for crimes they didn't commit. In interrogations, "much of what goes on — unwittingly — is contamination," she said.

The news media's power of suggestion also can leave a false impression, Loftus said.

"During the Washington sniper attacks, everyone reported seeing a white van," she said. "Where did it come from? The whole country was seeing white vans."

Loftus is one of the country's most controversial memory researchers. She frequently draws harsh criticism from victims' advocates, attorneys and

Over 25 years, she has examined more than 20,000 subjects and written 19 books. She appears frequently in court as an expert witness.

While some recovered memories turn out to be true, Loftus says her experiments repeatedly show that memories are fragile possessions that are easily manipulated. But she does not condemn her subjects for being gullible.

Of adopting false memories, she said: "This behavior is entirely normal."

A key, researchers said, is to add elements of touch, taste, sound and smell to the story.

In the Bugs Bunny study, Loftus talked with subjects about their childhoods and asked not only whether they saw someone dressed up as the character, but also whether they hugged his furry body and stroked his velvety ears. In subsequent interviews, 36 percent of the subjects recalled the cartoon rabbit.

In another study, Loftus suggested frog-kissing incidents that 15 percent of the group later recalled.

"It is sensory details that people use to distinguish their memories," said Loftus. "If you imbue the story with them, you'll disrupt this memory process. It's almost a recipe to get people to remember things that aren't true."

In other research presented Sunday, Harvard University psychologist Richard McNally tested 10 people who said they had been abducted, physically examined and sexually molested by space aliens.

Researchers tape-recorded the subjects talking about their memories. When the recordings were played back later, the purported abductees perspired and their heart rates jumped.

McNally said three of the 10 subjects showed physical reactions "at least as great" as people suffering post traumatic stress disorder from war, crime, rape and other violent incidents.

"This underscores the power of emotional belief," McNally said.

To Reverend Fr. James Kaczorowski;

We were very sorry to hear that our dear Father Vader has been accused of improper conduct. Where were these two women for the past 45 years - suddenly to come out and accuse. In today's society, we have become of too many "I sue' ers". Some people will do anything for financial gain.

We have known Fr. Vader for many, many years. These are horrible accusations against a very beloved, kind and hard working Priest. He has devoted all his life, in serving our God - caring and doing for so, so many people. Do not let these malicious lies destroy an honorable, good and decent man.

Also, the Archdiocese should be giving our Priests financial aid to fight off these accusers. After all the years of serving, Fr. Vader and all the Clergy should be entitled to and be represented by highly qualified attorneys. Fr. Vader + many Priests do not have the money for a thoroughly and complete investigation.

May God help Fr. Vader + the decision makers for a quick, exonerated finding in this problem.

God's Blessing,

YOUR EMINENCE

THIS IS IN REGARD TO THE REMOVAL OF FATHER VADER
FROM SACRED HEART CHURCH.

MY FIRST RECOLLECTION OF FATHER WAS DURING THE LATE
50'S AND EARLY 60'S WHEN I WAS A FIRE FIGHTER [REDACTED]
[REDACTED]. I NEVER GOT TO KNOW HIM THEN,
BUT WAS ALWAYS IMPRESSED BY THE ENERGY HE SHOWED AS HE
WALKED BRISKLY BY THE FIRE HOUSE ON THE OTHER SIDE OF THE
STREET. WE ASSUMED HE WAS IN A HURRY TO GET TO BILLINGS OR
WOODLAWN HOSPITALS, OR TO CATCH A BUS ON 63RD ST, SO ALL WE EVER
GOT IN WAS A "HI FATHER" WHICH HE ACKNOWLEDGED WITH A FRIENDLY WAVE.

MY NEXT ASSOCIATION 20 TO 30 YEARS LATER WAS A
LOT CLOSER WHEN HE BECAME ADMINISTRATOR OF SACRED HEART
WHERE I HAD BEEN SERVING AS [REDACTED] ON
SUNDAYS. I'VE HAD THE PLEASURE TO WORK WITH HIM REGULARLY, AND
I'VE NEVER KNOWN ANYONE TO BE CONSISTENTLY FRIENDLY EVERY SUNDAY
MORNING, AND EASIER TO WORK WITH THAN FATHER.

HE IS, AND I'VE TOLD HIM THIS, THE BEST AT EXPLAINING SOME
OF THE READINGS, OR A GOSPEL, AND RELATING THEM TO OUR EVERY DAY LIVES.
ALSO, I ONCE COMMENTED ON NEVER SEEING HIM USE ANY NOTES FOR HIS
HOMILIES, ETC. HE JUST HELD HIS HAND TO HIS HEART AND SAID "IT COMES
FROM HERE".

THE ONLY WORDS TO DESCRIBE MY REACTION TO THE 40 YEAR
OLD ALLEGATIONS, TAKING ME BACK TO MY DAYS ON 63RD STREET, WERE
SHOCK AND DISBELIEF WHICH I'LL NEVER BE ABLE TO ACCEPT.

RESPECTFULLY YOURS

Dear Cardinal George,

I am writing you regarding the allegations made against my pastor and friend, Rev. Anthony J. Vader. My family is shocked and deeply saddened by these unfounded charges. There is no way that these allegations about Father Vader could be true.

I have known Father Vader for more than twenty years and do not believe for a moment that these forty year old allegations could be true. He is everything the Church could want in a priest- thoughtful, compassionate, caring. Father Vader has married my sister, baptized my nephew, and buried my mother. He has been there for us in happiness and in sorrow. In all the years I have known him, I have never heard him say or do anything that was not in accordance with the Christ's teachings.

I recently read an article about a study showing that the mind can be fooled into believing fiction as fact, especially over time. I would not be surprised if Father Vader's accusers are not only mistaken but are being manipulated to bring scandal and disgrace to the Church and its ministers.

It has been painful to watch Father Vader go through this ordeal, especially today with the death of his beloved sister. I have found comfort in Cardinal Bernadin's words in his book *The Gift of Peace*, "From deep in my soul, however, I heard the Lord's words... "The truth will set you free" (John 8:32). My faith reassured me that the truth was all I had, and all that I really needed." I hope and pray that the truth will be enough for Father Vader to return to ministry without delay.

Sincerely,

This is the second letter I am sending you re Father Anthony Vader, re at the Shrine of the Sacred Heart miss Father Vader so very much, I feel that this false accusation is a scam to obtain money from the Church. It has been done many times before.

I hope that this matter will soon be proven false, and that Father Vader can return in the near distant future.

Dear Cardinal George,

This letter is in support of Rev. Anthony, Vader, retired pastor of Sacred Heart Parish. It has been my privilege to know Father Vader for most of my married life (31 years). My husband has known him over 50 years. In all those years, I have known Father Vader to be a man of great Compassion, Keenness, and Piety. If one would look for a definition of the word "priest," they would find a picture of Father Vader there. I am most impressed by the way he says Mass. His homilies are always to the point with a simple, good message to take with you. And when he celebrates the Consecration, it's as if he's doing it for the first time, full of reverence. A remarkable priest, a remarkable man.

Dear Cardinal George:

In faith and in fealty we write to ask for your concern and intercession on behalf of our dear priest, Father Vader. We are despondent over the scurrilous accusations made against this stalwart man of the Church, and saddened that he has been removed from us.

In the second floor of a tiny church called Sacred Heart, Father Vader has served faithfully for two decades as our priest. He is more than our priest. For hundreds of Catholics in the Archdiocese of Chicago, Father Vader is a bulwark to our faith. When he preaches to us, we get it. When he says hello after Mass, he looks us in the eye. He blesses the children. Rest assured, Cardinal George, that Father Vader has meant the difference for scores of folks between coming to Mass and leaving the Church.

Our daughter, [REDACTED] works part-time in [REDACTED]. When we are lucky enough to have her home, there is no question but that on Sunday mornings, she is with us at Sacred Heart to hear and see her beloved Father Vader. It is not just old folks who love him.

We are dumbfounded that 40-year-old accusations against this good and loyal priest would take this turn. With all the "curve balls" that we as Catholics have had to face in the past few years, Father Vader has been our pillar. Please return him to us.

Sincerely,
[REDACTED]

Dear Cardinal George;

The only words to describe my reaction to the forty year old allegations against Father Vader are shock + disbelief. I have known Father Vader over fifty years and I have great respect for this wonderful servant of God. I do not believe these charges!

Sincerely,

Rev. Kaczorowski,

The allegations made against Father
Vader are unbelievable and shocking.

I consider him a kind and wonderful
priest who has and shows great faith.

My family and I are saddened by the
allegations made against him, forty
years is a long time.

Please return him to us as soon
as possible for I do not believe this
allegation to be true.

Rev. Fr. James T. Kacsorowski,

I am greatly saddened on hearing about the recent accusations against our dear Fr. Anthony J. Vader. Although I have not seen Fr. Vader for several years, I now live in San Diego, he was a part of several important stages of my life. Fr. Vader baptized me some 26 years ago, and again was present for my First Holy Communion at Sacred Heart Catholic School in Chicago, IL. Growing up, I always remember Fr. Vader participating in family events and holidays.

Fr. Vader always had such a loving and caring presence about him, and definitely is an inspiration to us all. This is why I am fully convinced that these accusations against him are false, and are designed to destroy an honest and holy man.

I hope and pray that this letter will help show that Fr. Vader is a good person with a loving heart. I am also writing this letter on behalf of my brother, [REDACTED], who is serving our country in [REDACTED] at this time. He wanted me to extend his sadness on →

this terrible news, and how he can only remember positive qualities of Fr. Vader.

Thank you for listening and considering my appeal. I believe that the truth will be known, and Fr. Vader will be able to continue to serve his community and the Lord the same way he has been doing for several years.

Sincerely,

Re: Fr. Anthony J. Vader

Dear Rev. Fr. Kaczorowski:

We are deeply saddened by reports that Fr. Anthony J. Vader was accused by two women of sexual misconduct, which allegedly happened over forty years ago. We cannot and do not believe these accusations. We believe Fr. Vader is innocent and pray that he will be exonerated and returned to his ministry, soon!

We have heard of Fr. Vader since we first came to Chicago in 1970. We knew that he worked and served as spiritual director to Filipino doctors, nurses, other professionals and the Filipino community in general. His association with the Filipino community dates as far back as 1957 or earlier.

As you probably know, the Filipino community, then and now, is a very close knit and religiously conservative community. We place priests and other members of the clergy in a very high position of honor and respect. We likewise have very high expectations of them, morally and spiritually. Therefore, any indiscretion, sexual or otherwise, that Fr. Vader may have committed, would have been held against him by the community, privately or publicly. He would never have lasted in the Filipino community's high regard for a year, much less 50 years. Everything that we have heard and seen over the last several years, convince us that Fr. Vader has been a model of priestly devotion and spiritual integrity.

It was not until 1999 that our family became good friends with Fr. Vader. He was the spiritual director of our pilgrimage group to the Holy Land in 1999, then to Fatima and Lourdes in 2000 and to Italy and Medjugorje in 2001. We came to know this wonderful, caring, respected and prayerful man even better when we started participating in the weekly Santo Nino (Infant Jesus) devotions, of which he has been spiritual director since 1980.

In 2002, together with another Filipino couple, we coordinated the celebration of the 50th anniversary of Fr. Vader's priestly ordination. It was during this planning and preparation period that we truly appreciated what Fr. Vader meant to the vast majority of over 100,000 members of the Filipino American community here in Chicago, to those who have moved to other States and to the many people who have since retired in the Philippines as well as to the hundreds of homeless and abandoned young people in the Philippines who live in shelters generously supported by Fr. Vader from his limited financial resources.

Our celebration committee was very impressed and surprised by the overwhelming response of these long time acquaintances, friends and "families" of Fr. Vader. We received calls, letters and greetings – all grateful for what Fr. Vader has done for them and their families. We heard of how Fr. Vader had married them in the late 1950s and the 1960s, baptized their children, married their children, baptized their grandchildren, buried their dead, consoled and counseled them and many other forms of assistance. We also heard how Fr. Vader arranged to have them supplied with boots and winter coats during their first winters here in Chicago, how Fr. Vader went with them to the immigration office to have their working or student visas extended or revalidated. We also heard how Fr. Vader went with some nurses to State capitols to lobby for equal pay for these hardworking, underpaid nurses. All these testimonials speak of their love and respect for Fr. Vader, love and respect that could only have been earned by someone who had discharged his priestly duties with the utmost spiritual integrity. We are enclosing a copy of the souvenir program that the Filipino American community put together and distributed at the celebration dinner in honor of Fr. Vader on May 4, 2002. A copy of this souvenir program was given to His Eminence, Francis Cardinal George immediately after the celebration.

Incidentally, the parishioners of Holy Name of Mary Parish and the Mission Church of the Sacred Heart, also showed their appreciation for this wonderful pastor with equally touching 50th anniversary celebrations in 2002.

Several friends of Fr. Vader, especially those who knew him over 40 years ago, have expressed interest in appearing before the Board of Review to attest to Fr. Vader's sterling and prayerful character. We believe it is the sacred duty of the Board of Review and of the Archdiocese of Chicago to listen and to consider these testimonials about Fr. Vader's character during the time period of these accusations.

Fr. Vader has as much right as his accusers, before God, before man and before the Board of Review to be treated with respect and to be heard. We can provide you with the names, addresses and phone numbers of these potential character witnesses for Fr. Vader. Thank you for your attention and your consideration to our appeal to return Fr. Vader to his sacred ministry.

Sincerely yours in Christ,

Enclosure

Dear Father Kaczorowski,

I am a practicing physician in the City of Chicago for more than 30 years. I have known Father Anthony Vader ever since I came to this country in 1966. During those years I have found him to be one of the most dedicated priest I have ever known. He is always there when you need him. He has served well in the Filipino-American community. He has sent many Filipinos to study priesthood in the Philippines and financed there schooling thru our little donations and from his own pocket. For him to be accused for something that happened 45 years ago by two women I find it preposterous. I sincerely believe that he is an innocent victim like the late Cardinal Joseph Bernardin. We need more priest in the Archdiocese of the City of Chicago like Father Anthony Vader. My family and I pray that he will soon be exonerated of the charges against him.

Sincerely yours in Christ,

Dear Rev Kaczorowski,

I am sure that this

letter is one of hundreds written about Rev Anthony J. Vader's character as both a person and a priest. I have known Rev Vader about 27 years collectively in groups and person to person and thru out these periodic contacts one would always feel of being in the presence of a special, caring person. In his priestly ministry, I am aware of his many years as being available to the Philippine community both collectively to their group religious activities and to their individual needs. I am also aware of him being a pastor to both CAUCASIAN and African-American congregations thru out his priestly career. Beside always being there to baptize, marry and bury, Father Vader was always there as that special person to help people with both religious and temporal issues in their lives. He is known for his generosity for helping people in the missions and especially in the Philippines. One always knew that any monetary gift given to Father Vader was not going to stop with his needs but mostly was going to be passed on to the mission field.

To Keep writing more would be only to Add what other persons have written About Father Vader thru out their Lives and how he was Always there in time of both spiritual and temporal Needs.

And like our beloved Joseph Cardinal Bernardin, I am sure Father Vader is devastated At these Allegations some 45 years Ago. But like Christ I am sure he is Accepting of this cross Laid upon his shoulder At the end of his priestly career Like Christ Accepted His cross At the end of His priestly career.

This letter is being humbly and prayerfully submitted for your consideration and in your responsibilities relating to this matter now being renewed

Most Rev. Raymond Goedert:

I am writing this letter to you to inform you of my whole-hearted support of Father Anthony Vader. When I heard of the allegations made against Father Vader, I was dismayed and appalled that such falsity could gain any credence in a civil society. And I am gravely disappointed in a system that would entertain such obviously false allegations.

I speak to you on many levels. First, I speak to you as a life-long Catholic. I have been steadfastly supportive of the Church on many levels. Defending it, during scandals, supporting it, monetarily and with my faith in the Lord. It never has been easy being a Catholic in today's society, but I have felt that my faith has always been strong. It has always been a source of strength when I needed comfort. I am proud of my faith, I am proud of my religion. And my strength, belief and faith were greatly nurtured by Father Anthony Vader. Father Vader has been a pillar of my Catholic upbringing as well as my secular upbringing. Father Vader has said most of the masses that I attended in my young life. He baptized my younger brother as well as all of my cousins and recently he married my older brother. Father Vader has always been there through every heartbreak, every triumph, and every mundane life event that a person can go through. He has always shared, lead and guided my family, my friends and myself throughout our lives.

I have known Father Vader since I was a little girl. I never doubted his spiritual guidance and love for my family and me. Numerous times, throughout my life, I have been alone with Father Vader. And NEVER would Father Vader ever do anything inappropriate, he is always loving and giving and the most pleasant of company, but NEVER inappropriate in any way. And this is one of the reasons why I feel so strongly about the falsity of these allegations. I grew up with Father Vader, along with most of my friends and family, he is and always will be trusted with our lives, and now as we grow older with our children's lives.

Second, I speak to you as a social worker. I have spent most of my post college career, in social services. I spent two years after college working at a group home for abused and neglected children. I went on to get my social work degree at [REDACTED]. I spent most of my time in [REDACTED], specializing in sexual abuse and sexual offenders at [REDACTED]. I did intense clinical intake, assessment, and therapy with sexual abuse victims, non-offending parents and sexual offenders. I know every single, in and out of sexual offense and the cycle of a sexual offender. I have done intense group therapy sessions with sexual offenders and understand comprehensively, the characteristics of a sexual

offender. This is how I know, without reservation, that the allegations against Father Vader are absolutely and completely false. He holds none of the characteristics exhibited by sexual offenders. He does not have anything close to the repeated cycle of an untreated sexual offender. On the contrary, Father Vader has always upheld the values, principles and ideals of the Catholic Church. He has been completely ethical and moral in every possible way.

Third, I speak to you as an attorney. I have spent much of my law school career, being a champion for sexual abuse victims. [REDACTED]

[REDACTED] Prosecuting life-long sexual offenders was second nature to me in the two years that I worked at [REDACTED]. Knowing a case, the intricate, lengthy details of a sexual offenders life became a part of my everyday working life. It is what I know, it is what I breathe, and it is what I understand. As a result, I look at cases, bad side always in the forefront, never giving the benefit of the doubt to them and they are lifelong offenders with many victims in their wake.

And as a result, with my prosecution background I can tell you with absolute certainty that Father Vader is so far from those people. He is quite the opposite in fact and in life. Father Vader cares and loves deeply-- it is his greatest quality. He has upheld the ideals and the morals of the Catholic Church for as long as I have known him. He has done this better than any other person in the priesthood that I have ever met.

I hope this letter reflects my deepest sorrow that these false allegations have been initiated against Father Vader. I am deeply concerned and hope my words are taken genuinely and seriously. I believe the greatest sadness in this situation is that Father Vader has been taken out of the active ministry. It is a great loss to the Catholic Church and the countless parishioners and other Catholics that he has guided through hard and trying times that our world is now facing. It is my greatest hope that this loss is not permanent and I urge you to do whatever is possible to bring Father Vader back into active ministry. I say this because I know with my deepest convictions, both personally and professionally that these allegations are baseless, untrue and complete fiction.

Please contact me for any further questions or information or if there is anything I can do further to bring Father Vader back into active ministry. I will continue to pray for Father Vader as I hope you will too.

Respectfully,

[REDACTED]

Dear Archbishop Francis Cardinal George:

We are writing this letter to support Reverend Anthony J. Vader against any alleged charges. We know you are a very busy individual and we will make this letter as brief as possible.

My husband and myself have known Reverend Anthony Vader for over twenty years. Reverend Vader married us at Holy Name of Mary Church [REDACTED]. [REDACTED] personally met Reverend Vader at the age of 8 at Holy Cross Grammar School/Church. At that time, Father Vader just began his priesthood. He was an eager young priest who cared deeply in sharing God Words to the students and members of his congregation. I remembered a kind priest who always prepared his students by making sure we understood the sacraments we were receiving.

Reverend Anthony Vader is a priest who has many good attributes. A few of these attributes are: A man and priest who would visit and pray with the sick. A man and a priest that believed in equal rights for all nationalities. A man and priest who is a great listener and allows you to realize what measures you should take to solve any problem. A man and priest who gave back whatever he could to his church and community.

We realize there may be times when a situation seems beyond our realm of understanding. We know to release the outcome into God's care. We are hoping and praying for a brief and comprehensive investigation in these allegations. We are positive that Reverend Anthony J. Vader will be vindicated and will be allowed to re-enter back into the community to do what he does best, serving his church and all of God's people.

Sincerely,

Dear Rev. Fr. James T. Kalgorowski,

We have just heard that Rev. Fr. Anthony J. Vader is now been accused of "improper conduct" toward a couple of girls (now no-men !!) forty five years ago. This would be about the year I went to Chicago and met Fr. Vader.

Since I met Fr. Vader he has always been a proper priest and person.... warm, & sincerely concerned about spiritual, mental, physical and social well being of the people around him.

It is impossible and completely out of the question that I can imagine him acting improper toward anybody, especially "kids". If someone is accusing him of improper conduct must have interpreted his concern and warmth.... well

[REDACTED]

That is their problem.

Did they come out with this because of
what has been happening to other priests?
Unbelievable - - - !!!

I would personally come to court and stand
beside dear Fr. Vader to show my faith
and belief in his innocence & integrity
as a man of God & a person.

He has gone to the Philippines several times and
has stayed with my parents in our home
in [REDACTED] (when they were still alive). He
was always treated like a son by my
parents. He officiated at my daughter's wedding,
and my mother passed here in [REDACTED]

This letter is to confirm our love and
support for our dear Fr. Anthony Vader.

With hope that the Lord will be with him
at this stressful time.

Most sincerely,

Dear Rev. Fr. James Kaczorowski:

In the name of the Father, of the Son and of the Holy Spirit, Amen. Loving God, Father of mercies and compassion, comfort and strengthen Fr. Anthony J. Vader from the ordeals he now faces. In your mercy Lord, protect Fr. Vader from the injustice of the unfortunate, "one strike and you are out", USCCB Norms. Grant wisdom and compassion to our bishops to revisit the norms and policies against sexual misconduct with minors by clerics.

I have known Fr. Vader for the last 25 years. I found him to be an "Alter Christus", as he does his ministry towards the Filipino Community. No other priest, American or Asians have done what this pious priest had done for us Filipinos. Fr. Vader gave meaning to our Faith, Culture and Tradition. He made it easy for us to integrate easily to an "American Church" and at the same time helped us preserved our own traditions. Fr. Vader's commitment and faithful service to us Filipinos enriches our lives with God's love. Fr. Vader reflects the love of the Good Shepherd.

Whether the allegation toward Fr. Vader is true or not, is irrelevant to me. My love, respect and thankfulness to God for giving Fr. Vader to us will not change. My heart goes to the accusers, but we have known a different man of God. Children of God will sin and will continue to sin, Christ paid in full for our sins, indiscretions and bad judgements. St. Peter denied Jesus 3 times, but there was no "one strike and you are out" for St. Peter. Whatever happened to the "cast the first stone"? Did the US bishops cast the first stone when they agreed to the norms? Whatever happened to the church business of forgiveness and compassion? Jesus and his first disciples are probably glad they were born and ministered in Asia and not in United States, compassion and understanding is sorely lacking in this country!

Sincerely in Christ,

Dear Cardinal George, [REDACTED]

I have recently learned of the allegations made against Father Voder which date back forty years. Needless to say I was shocked and astonished.

I have known Father Voder for about fifteen years. He has been administrator of Sacred Heart Church for years and more recently our Retired Pastor celebrating Mass and administering the Sacraments for our congregation.

Ten years ago he married my son and daughter-in-law and a year ago he baptized my niece's adopted little boy. A year ago we helped him celebrate the Fiftieth anniversary of his Ordination at the Oaklawn Hotel. One Hundred of people were in attendance if not more. Now I understand he can't say Mass. How sad! We never met a more devote or caring priest.

There are trying times for the Church and certainly for the Priesthood. I pray for guidance for you in these matters and vindication for Father Voder.

I am writing on behalf of my good friend, Father Anthony Vader. I have known Tony for six years. We are brothers in community with The Maple Park and Morgan Park Ministerial Alliance on the Southside of Chicago.

Rev. Vader is a kind and generous man who exhibits real Christian love, concern and care for others. I find him to be serious minded with a deep conviction regarding church ideas and issues. I am impressed that he is a godly man whose life examples our Lord Jesus Christ himself.

I have never known Tony to be self-centered, proud or arrogant, but a humble pastor who is friendly and most caring for the folks in his parish. I support him in prayer and I hope that all charges against him will be dismissed. I believe he is a man of his word and the Word.

Dear Reverend Kaczorowski -

Please allow Father Anthony Voder to return to our parish as Pastor. We are extremely sad and disappointed @ the charges brought against Father Voder. We know and love him very much. He has been an inspiration to our family and has brought us so much closer to our Lord Jesus Christ. Please hurry your investigation. We know you will find him innocent of these charges and allow him to return to our family. Please call us for further information and support. We miss him and love him so very much. Thank you. Sincerely, The [REDACTED] Family.

Dear Cardinal George, O.M.I.

My mother and I wish to express our firm support, respect, and affection for our pastor Fr. Vader. He has been an important part in our lives while serving as pastor of the Shrine of the Sacred Heart on Chicago's Southside. He has always demonstrated faithful service to the Church and the People of God.

We are deeply grieved about recent events that have caused Fr. Vader's absence from our Mission Church. We believe in him and will always be grateful to him for his good example and loving service at Sacred Heart.

Please send him back to us if at all possible. We need him and we love him as our pastor, spiritual leader, and friend.

Respectfully yours,

Dear Cardinal George,

We have recently learned of the allegations made against our retired Pastor, Father Vader. These reportedly date back 40 plus years and as a result, we are told that Father Vader cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This news is a shock and is unbelievable to us.

My husband and myself have known father for 3 years, and we cannot understand any of this. We have known him as a kind and compassionate priest. When we married, my husband and I bought a house in the suburbs. We had previously grown up in the city and we were accustomed to the traditional family atmosphere of the parishes found in the urban setting. When we went to several different masses at local parishes in our new neighborhood, they lacked the warm and heartfelt parish family that we were used to. In our local churches, we felt that the clergy was extremely patronizing to the parishioners. This attitude was so severe that we would leave church feeling bitter. At times, we would question whether to continue practicing the Catholic faith.

Because of this, we decided to join my parents and grandmother at Sacred Heart Church. Immediately, Father Vader made us feel welcomed, and his sincere respect for his parish family was shown. He treated the parishioners as equals, which allowed us to listen more attentively to his homilies. Now, we do leave church feeling reconnected with God. Therefore, we have a renewed faith in the Catholic Church, and we feel that we have become better Christians.

In addition to us having a positive experience at Sacred Heart, my parents have also felt Father Vader's compassion.

[REDACTED]

[REDACTED]

Please reconsider Father Vader's placement during the investigation process. This man has dedicated his life to helping other people. His parish is his family. To keep them away from him hurts Father Vader, as well as, the parishioners of Sacred Heart.

my mother and I write this letter
in support of our dear friend and pastor
Fr. Anthony Vader.

Fr. Vader has been a great influence
on our small southside faith community
of Sacred Heart Shrine and Mission.

We will never forget his priestly
zeal and service for our entire community.

We believe in Fr. Vader. We support
him in this time of crisis because we know
that he is a dedicated, holy, truthful and
faithful Catholic Priest and Pastor.

Please return Fr. Vader to Sacred
Heart at the earliest opportunity and know
that we are in the best of spiritual hands
with Fr. Anthony Vader as our Pastor.

Dear Cardinal George,

The allegations recently made against Father Vador have been most disturbing. I have only met Father and do not know him personally but have heard what a good man he is from many friends. Could our beloved Church be going to the extreme again? Why does the pendulum always have to go from one drastic point to the other? A man can spend many, many years in the service of God and the people and subsequently have an allegation by two sisters & ruin his valued reputation. We are not talking about multiple charges, just siblings who will certainly bear witness for each other. Isn't it at all possible that financial reimbursement might be the motive?

Please reconsider Father Vador's case. He should be with his people saying Mass and ministering to their spiritual needs.

Sincerely,

cc Father Kaczorowski

Dear Rev. James Kaczorowski,
 Our family has recently learned that Fr. Anthony J. Vader has been accused of improper conduct against young girls about 45 years ago. With great sadness, we wish to let you know that we cannot believe these accusations. Everything that we have known and seen of Fr. Vader over the last 10 years that we have known him convince us that he is a kind, caring and holy priest. I am a eucharistic minister and a minister of care in our parish, but during the Santo Nino novena every week-end, I assist Fr. Vader giving communion. With my experience and working with him I believe and trusted him. He is there for us especially when my husband was sick. I can't believe that after 45 years that those girls

complaining now, all they want is money. A thorough investigation should be made on the family background of those 2 girls who is accusing Fr. Vader, how is there life as a teenager and also how bad is their financial need right now. This is a torture to Fr. Vader especially at that age. Just to let you know ~~unaware~~ the decision or the result of these accusation, my respect to Fr. Vader is right. I'll pray that God will help Fr. Vader, the decision makers and even his accusers.

Thank you,

Dear Cardinal George,

First of all, I would like to thank you for responding to the many letters received from the people of Sacred Heart. This accusation against Fr. Vader has touched all of us very deeply and we are very upset and angry about it. One thing that really is difficult to understand, is how can a man be removed from his ministry when he hasn't even been given the chance to appear before the Review Board and answer their questions directly. Father Vader's removal was based on the interpretation of what he said at a meeting between the Vicar and Leah McClusky. This seems totally unfair to me. Why can't Fr., himself, appear before this board and be questioned directly? Have his accusers appeared before this board? It is my understanding that he hasn't been able to face his accusers, either. Bishop Perry stood on our altar and told the congregation that Father was innocent until proven guilty. It certainly seems that in the eyes of the church, he is guilty until proven innocent. I understand that with all the abuse that has gone on for years and that has now been published in the press, that the church must do all that is possible to see that this does not happen again. The pendulum has swung so far back the other way. Doesn't it seem feasible that if there was only one accusation that allegedly happened 45 years ago, it should be treated differently than cases where there are multiple accusations against priests? I truly feel in my heart that these women are just out for a quick buck and are using Fr. Vader to try and get it. In the mean time, he is banished to the Retreat House and the church hopes that all will forget about it and that it will go away.

Now we wait for the canonical trial process to be put into place and who knows how long that will take. How can he defend these alleged allegations from so long ago? These two women have each other to corroborate any story that they like. He has no one!! There, again, it is totally unfair. We, who have known Fr. for so many years, find this whole situation totally unbelievable and pray that after 30 days you will return him to us and to the community that he has so willingly served for over 50 years.

Sincerely,

Cc: Rev. James Kaczorowski

Dear Cardinal George,

I am a devout Catholic who respects the laws of the Church and understands the need for procedure. I do not envy the position you hold because some of the laws and procedures are not popular by your flock. But at the same time your flock and your staff (other priest and nuns) look to you for guidance.

That being said I write to you regarding Father Anthony Vacher. We are members of St. Barnabas Parish but attend mass at Sacred Heart Church. The reason is Father Vacher. My wife and I receive some much from his masses. He gives us such a warm feeling being with him at mass. I really feel we get the same feeling as early Christians must of had by being in the presence of Jesus.

The only people who know the truth about Fr. Vacker's allegations are the 2 women and Fr. Vacker. What I do know is the truth will prevail. I feel very strongly he did not commit these alleged acts.

My wife and I miss him tremendously. We will pray for you + Fr. Vacker and the 2 women.

I believe all things happen for a reason and believe good will come of this and he will be back with us soon.
Thank you for listening

Dear Cardinal George,

The only words to describe our reaction to the 40 year old allegations against Father Vader are shock and disbelief. We know him to be a good Priest, always. We simply cannot understand how anyone could charge him as they have.

The allegations and resulting requirement that he spend 30 days at the Retreat House at Mundelein are incredible, unbelievable and shocking. Father Vader has been at our Church for more than 20 years as Administrator and more recently, as retired Pastor, celebrating Mass and ministering to our religious needs. We owe him much and he certainly deserves our support and prayers now.

Dear Rev. Fr. James,

It has been two weeks now when I had been informed of the bad and sad news concerning our dear Fr. Anthony J. Vader. Some allegations of wrongdoings had been lodged against an honest, trustworthy, caring, loving, kind and holy man. I cannot believe, for the life of me, this is happening.

I have known Fr. Vader for years. He went with us to our pilgrimages to the Holy Land, our Lady of Lourdes and our Lady of Fatima, as our spiritual director. He celebrated masses and novenas for our Filipino group a lot of times. In fact, we celebrated his 50th anniversary as a priest last May 2002. He never took advantage of any of us or for that matter, of anybody as far as I know. Because of his impeccable character, I'm fully convinced that these allegations leveled to him are nothing but lies and his accusers

only want materialistic monetary reward from him. These two sisters did not even have the conscience that they are destroying the life of an apostle of Christ. Despite of what they did I am praying to our Lord that some where, sometime they will see the light and will tell the truth and nothing but the truth to absolve our beloved Fr. Vader. The late Cardinal Bernardin suffered under a similar circumstance and the court dropped the case against him.

Tomorrow is Ash Wednesday, the beginning of Lent, and it is fitting, in my mind, that Fr. Vader serves as the sacrificial lamb being crucified like our Lord Jesus Christ because of alleged sins committed against two sisters many years ago.

Hopefully this simple letter of mine might help Fr. Vader's case and I promise you that I will continue to pray for him, for the two sisters, and for you, Rev. Fr. James and Cardinal George and Rev. Fr. Goedert.

Sincerely yours in Christ,

Dear Rev. Fr. James Kaczmarek,

Our family has recently learned that Father Anthony J. Vader has been accused for improper conduct against young girls about 45 years ago. We wish to let you know that we cannot believe these accusations. We have known and seen Father Vader over the past 33 years and we are convinced that he is kind, caring and holy priest. We'll share some personal experiences with Father Vader and hope that the Committee reviewing his case can make the right decision.

When we first arrived from the Philippines way back in 1978, the first religious American priest introduced to us was Father Anthony Vader. He was very kind and friendly.

We sense that he was very close and friendly to Filipinos. His closeness is due to the fact, that he had helped a lot of Filipino nurses especially in their fight of discrimination in their work as nurses with working visas. We learned that because of their working visas they were, were not treated very well in their work area, like working so many hours in different shifts. We also learned that their wages were not compensated with their qualifications as nurses, since they were treated as aides, so Father Vader helped them in their fight of discrimination by going to the proper government authorities. He fought for their rights. He was like Raymond Jesse Jackson of the Filipino nurses. The Filipino community in Illinois especially the nurses and their families thank him for the splendid and magnificent job in protecting their rights. A very protective and kind in nature, a quality that outshines

him is extended to all people that he had always dealt with. We honestly think that his kindness and fatherly protection to this young 2 girls ages 9 and 10, 45 years ago was his fatherly gesture as their parish priest.

We have known Father Vader for 33 years. He was our spiritual director in our "Filipino Spiritual and Cultural Association in America" (FISCA). It was in our religious gathering that we consider him a priest with dedication, love, compassion and understanding of his flock. We really admire him for his holiness and fully respected him as our spiritual director and a true friend. We are also a member of a devotional group "The Samarang Saints Kings of the Midwest". This is a weekly devotion which started in the year of 1980. Again with Father Vader as our spiritual director, he attends with us every week. When he is in session he gets his prayer, the devotion will continue. With his spiritual direction I was able to propagate the devotion with my husband and children to 33 states in U.S.A., 6 Cities in Canada, 2 Cities in England, and 1 in Israel. All these places are still doing the devotion of the Infant Jesus and Blessed Mother.

The most cherished and treasured gesture Father Vader had done to our family was sponsoring my husband [redacted] my husband is still [redacted] with love and devotion [redacted] taught to him.

As Father Vader had shared & taught to him, Father Vader's devotion and love to our Lord and Blessed Mother is traced back as he served his parishes. It's just his love and holiness that he had guided, protected, and served his faith community.

Your brother and sister in Christ,

Dear Rev. Father,

We have known Fr. Anthony Vaden since we came to the States in 1974. At that time he was already very much involved in helping and counselling Filipino nurses and their families. He had renewed our 35th wedding vows in 1984 and con-celebrated and gave the homily on our 50th wedding anniversary ^{MASS} in 1999.

We had always ^{known} him to be a loving, kind and pious priest. He came to our prayer meetings & celebration of important events in our lives. We even had several opportunities of having him as our Spiritual Director on our pilgrimages. Although he was close to us like he was a member of our family he always acted like a true representative of Jesus. He gave us good advice and hugs us whenever he sees us - this made us feel we are God's children.

We are therefore deeply saddened and disturbed that such accusations were hurled against our beloved priest. We fully believe he is innocent and we pray that he be cleared soon so he could return to his ministry of loving and serving.

In Jesus Love.

Dear Francis Cardinal George,

I am writing you today on behalf of my family to express our total support of Reverend Anthony Vade of Sacred Heart Parish.

We believe in his innocence and are troubled by the fact he has been removed from his parish. He is Sacred Heart Parish. We cannot imagine the toll this has taken on Fr. Vade both mentally and physically. We pray for him everyday.

We understand the Church is obligated to follow rules and regulations when faced with situations such as this. We are asking you to please resolve Fr. Vade's situation as quickly as possible so he may return to Sacred Heart and continue his wonderful work.

We will continue to pray

for Sr. Vader, that God give him the strength to weather this storm.

We pray for the accusers, that God give them the strength to recant their false statements.

And we pray for those who make decisions in situations such as these, that God may give them strength to make the right decision quickly and return Sr. Vader home to Sacred Heart Parish.

Thank you for your time and consideration.

Sincerely,

On his behalf, I would like to support

 Church was a friend who told me how wonderful
 the church and Father Vader are. What kept me
 coming back was Father Vader. His love for God
 is so sincere, respectful and holy. I put my

 so it would be very special. I thought how perfect
 that we were led to Father Vader. I pray for his fast
 return and that he may give my daughter her First Holy
 Communion.

The only words to describe our reaction to the 40-year old allegations against Father Vader are shock and disbelief. We know him to be a good priest and we cannot understand how anyone could charge him as they have. He is a kind and caring man who has most certainly been wrongly accused. Father Vader has always been there for us and we now owe him our support.

Our parish is made up of families from different locations on Chicago's Southside and surrounding suburbs, which makes it very unique. We happen to be drawn to the Shrine of the Sacred Heart as a family and Father Vader is our leader. Father Vader is a very meek man and has always been there for his parish family.

We have shared religious and social events with Father Vader and cherish the times we have spent with him. He married my daughter, baptized her children, and officiated over funerals of our family members. [REDACTED] and I are very active in the church, [REDACTED]. We know Father Vader very well and are very hurt by the allegations. We feel that he would serve the Catholic Church best if he were able to return home to his family at Sacred Heart.

We continue to pray for him and the other priests that have been wrongly accused.

I need to know the following information -

The names of my accusers
When they went to school at Holy Cross (years)
Where they lived in the parish and who were

I appreciate hearing from you as quickly as possible.

Dear Father Kaczorowski,

The only words to describe our reaction to the 40 year old allegations against Father Vader are shock and disbelief. We know him to be a good Priest, always. We simply cannot understand how anyone could charge them as they have.

The allegations and resulting requirement that he spend 30 days at the Retreat House at Mundelein are incredible, unbelievable, and shocking. Father Vader has been at our Church for more than 20 years as Administrator and more recently as retired Pastor, celebrating Mass and ministering to our religious needs. We owe him much and he certainly deserves our support and prayers now.

Our family is greatly saddened on hearing about the accusations against Fr. Anthony Vader. We have known Fr. Vader for over 15 years now.

Everything we have known and seen Fr. Vader all these years fully convince us that these accusations are nothing but lies, designed to destroy a good, honest and holy man.

We would like to share with you one of our personal experiences with Fr. Vader.

[REDACTED] the Quezon Association of the Midwest (QAM). One of the organizations activities is the Mayflower Celebration. I was looking for a church where we can have the celebration of the mass and the mayflower offering. With just one phone call with Fr. Vader, he agreed to be "host church" for our celebration.

With our prayers for Fr. Vader to have his name cleared so that he can return to his ministry soon.

Dear Cardinal George:

We have just learned of the allegations made against our retired Pastor, Father Vader. These reportedly date back 40 plus years and as a result, we are told Father Vader cannot celebrate Mass and must remain at the Retreat House in Mundelein for at least 30 days. This 'news' is a shock and unbelievable to everyone.

We've known Father for many years and cannot understand any of this. We know him as a kind person and wonderful priest.

Dear Cardinal George,

We are writing to you on behalf of our pastor, Father Vades of Sacred Heart Church. We are shocked and greatly saddened by the allegations that have been brought against Father Vades. As parishioners, we have found Father Vades as a warm, compassionate, and guiding individual.

In light of all the recent allegations about priests, please keep in mind not all of them are true.

We are praying to God to give you the strength to make a fair decision and return Father Vades to us at Sacred Heart Church.

Respectfully,

Dear Cardinal George,

Rev. Fr. James Kaczorowski,

Our family heard about this heart
breaking news about the accusations on
Fr. Tadek. These are all fake accusations
and we all firmly believe in his
innocence. He is a very loving, caring
honest + holy priest. He has been a
great support and strength to my family

to tarnish his name and reputation is
a sin.

We ask for your support to relieve
him of this burden. We believe that he
is a victim of lies. Despite all these
we pray for the "women" who make
false accusations on Fr. Tadek to come forward
and drop the charges. May the Holy Spirit
clear their minds of this sinful accusation.

Dear Cardinal George,

Thank you for responding to our letter of February 11, 2003, concerning the allegations made against our Pastor, Fr. Anthony Vader.

We are deeply disturbed, Your Eminence, regarding the second paragraph of your letter stating that "The Reviewing Board deliberated long and hard before judging that there is reasonable cause to believe the accuser's story."

It is incredible that the Reviewing Board could come to this conclusion! Based on the inconsistencies in the facts, we feel strongly that Fr. Vader is falsely accused. We hope soon that Fr. Vader will be restored to his Ministry at Sacred Heart Church.

Enclosed for your perusal is a copy of a news item from the Internet on a study made of **False Memories Easily Implanted**. Hopefully, the Reviewing Board has access to the same information.

Our prayers are with you, and our Church at this difficult time.

Dear Cardinal George;

I am writing to you in reaction to the 40 year old allegations against Father Vader. It is shocking and unbelievable that a man with such faith, leadership, and compassion would be taken from us. It is my understanding that he must spend 30 days at the Retreat House upon further investigation of this matter. I ask you to please give this matter your personal and utmost attention. Father Vader has been a great source of faith and consolation to my family and myself. He has shown compassion with my family through the death of my mother and my aging father. I have the most respect for him and have never felt in anyway was he a threat to our parishioners. We miss him terribly and although we have a wonderful group of priests willing to step into Father Vader's shoes his will be difficult. It is very hard to fill the most comfortable, well worn, best fit ever. We love him, we miss him and most of all we support him until all allegations are settled.

Thank you for your support and may God bless you:

March 11, 2003

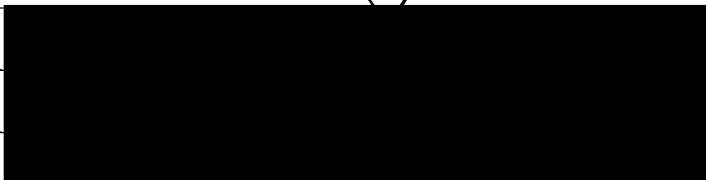

Dear Father Kaczorowski,

I am a devout Catholic who respects the laws of the Church and understands the need for procedure. I do not envy the position you hold because some of the laws and procedures are not popular by your flock. But at the same time your flock and your staff look to you for guidance.

That being said I write to you regarding Fr. Anthony Vacker. We are members of St. Basil's Parish but attend Mass at Sacred Heart Church. The reason is Father Vacker. My wife and I receive so much from this kind and gentle person. He gives us such a warm feeling being with him at mass. So much so I feel what it was like for the early Christians being with Jesus.

The only people who know the truth about Mr. Vader's allegations are the 2 women and Mr. Vader. What I do know is the truth will prevail.

My wife and I miss him tremendously. We will pray for the 2 women, Mr. Vader and yourself. I believe all things happen for a reason and believe good will come out of all this. I hope Mr. Vader will be back with us soon.

Thank you for listening,

When is Father Vader going to return to Sacred Heart? He always inspires us to do good, and always there to keep all in need. We miss him, and the people are all down.

I would appreciate some good news soon.

Dear Cardinal George:

It has taken me some time to fully arrive at my focus in this letter to you. I will avoid any feelings of anger or comments stemming from misunderstanding. I will only express my love for Father Vader and ask only for you to help in the proper treatment of a fine man and a holy priest. Father Vader's close friendship has been a blessing to me for nearly forty years and my wife and we feel that we know and love him as a beloved member of our family.

Father Vader has been a living symbol of all the good the Roman Catholic Church can bring to the world and specifically to those multitudes in his personal care which is rooted in his faith and his God.

It is not possible to imagine any evil in this man who has shared so much love and has been a constant inspiration to four generations of my family. He has buried, married, baptized all of us. He has taught us respect and deep love of God and as well as love for each other. Have an unfailing love for Father Vader and a trust in his goodness that will never be changed. It has been proven by his life.

Dear Rev. Fr. Kaczorowski,

Our family is greatly saddened by the accusations placed upon Fr. Anthony J. Vader and his removal from the ministry due to allegations of sexual misconduct with minors.

In the forty (40) years our family has known Fr. Vader, we have not had one incident of misconduct and/or misrepresentation of his position as a priest to our family, friends, and the communities he has served.

Father Anthony J. Vader, Spiritual Advisor to Philippine Nurses Association of Chicago assisted in the change of immigration ruling for foreign educated nurses. He participated in the defeat of the resolution against foreign educated nurses which would have inhibited these nurses to come to the United States. He fought in the Legislative Halls of Springfield to change the requirements for licensure of foreign educated nurses.

Through all these years he had made himself available for counseling families and members of PNA of Illinois.

We firmly believe that Fr. Vader is innocent of these allegations and hope that the investigation will clear his name.

We pray for an early exoneration of Fr. Vader, and that he will be able to minister to the parishioners of the Sacred Heart Mission.

Sincerely,

Dear Tony:

I realize you must have many questions about what is happening with regard to your situation. I have appreciated your patience and understanding, and I thank you again for agreeing not to exercise ministry while your case is pending. As you know, the Dallas Charter and Norms created a canonical difficulty. They required bishops to act immediately, but Church law prohibited us from taking any action under the Norms until they received the approval of the Holy See. I am very grateful to each of you for cooperating in the implementation of the Charter and Norms, even though that cooperation has taken a toll on you. I am writing the same letter to each of you so that you are clear as to what will be happening next.

The Holy See approved the revised Norms on December 8, 2002, and Bishop Gregory indicated they would go into effect March 1, 2003. I want you to be aware of the implications of this, so that at least you will understand how we will be proceeding in the Archdiocese of Chicago. There are still some aspects of the process that the USCCB Committee on Canonical Affairs is working on, so some part of the process are less clear than others.

In the near future, I will be submitting each of your cases to the Congregation for the Doctrine of the Faith, as required by the Norms that Congregation issued in 2001. At that time, I will ask the Congregation for a dispensation from the statute of limitations so that we are free to conduct a trial according to the Code of Canon Law.

The reason for my request will be that the seriousness and the nature of the matter demand it. The sexual misconduct of clergy has caused great harm to the Church in the United States. Unless the Church appears to be taking these allegations seriously, we will lose the confidence of our faithful people and the Church in the United States will no longer have a credible voice.

Moreover, the nature of sexual abuse is such that those who are abused often repress the memory of these actions for many years. It has taken great courage on the part of many of them to come forward with these accusations. I can assure you that they did not make their decisions easily. Whether these actions took place, who was involved, and other such matters are things that are to be dealt with in a canonical trial. But I do not doubt for a moment the sincerity of those who have claimed to be victimized.

At the same time I submit the case to the Congregation for the Doctrine of the Faith, I will make formal what up to now has been simply an agreement between you and me. The Essential Norms for the United States require that at this time I issue a decree, in virtue of canon 1722, prohibiting you from exercising sacred ministry and directing where you are to reside.

If the Congregation for the Doctrine of the Faith dispenses from the statute of limitations and directs me to conduct a trial here in Chicago, I will then submit all the material from your case to Father Bill Woestman, the Promoter of Justice, who will then present a petition to the Metropolitan Tribunal. The petition will ask the Tribunal to decide two issues: Did you commit an act of sexual misconduct, as described in canon 1395? If the answer to that is affirmative, shall the penalty of dismissal from the clerical state be applied to you?

At this point, if you have not already engaged the services of a canonical advocate, you will be required to do so. Your advocate's job is to ensure the protection of your rights and to raise any issues with regard to the above questions.

According to the wishes of the USCCB, the judges for the trial will be chosen from a pool of judges who will be trained in Washington during the last two weeks of February. This will ensure that no Archdiocesan priest will be deciding your case.

The judges will use the information that has been gathered by the Fitness Review Board Administrator, the Vicar for Priests, the Victim Assistance Minister, and your own personnel file. They may also ask for additional information in the case, as they see fit. You or your advocate can also propose other questions to the judges that would assist them in their investigation.

After the judges have collected all the information in the case, you and your advocate will be allowed access to all of the information that the judges will be using in making their decision. You will also be allowed to comment on the information you review, and your advocate will be given an opportunity to present arguments in the case.

At the conclusion of the process, both the Promoter of Justice and you can appeal the decision of the Tribunal. The appeal can be based upon the procedures that were followed during the course of the trial or upon the merits of the decision that was handed down. According to the 2001 Norms of the Congregation for the Doctrine of the Faith, these appeals are to be directed to the Supreme Apostolic Tribunal of that Congregation.

I believe that this is the most effective way to ensure that justice is served in the Church. By using our legal system, the rights of all parties are guaranteed and decisions are made on the basis of correct jurisprudence. Regardless of the outcome, the decisions will not only *be* just, but they will also *appear* just in the eyes of our people. This will demonstrate that decisions are not made in an arbitrary manner in the Church, but are made in an orderly and well-reasoned manner.

It is for this reason that I will not make any administrative decisions about the disposition of your case. I believe the judicial process will allow you and your advocate to present arguments concerning the substance of the case and the procedures that have been followed. The

judges will then be able to render a decision on this matter which is consistent with our jurisprudence and canonical practice.

I am very much aware of the pain that you have gone through during these months. While this has been personally painful for you, I believe this time has also given our people an opportunity to look at this issue more thoroughly and realize its complexity. Some of the stridency has lessened, and people seem to be reassured that the cases will be handled in a just and equitable manner.

You have been in my prayers each day, and I ask that you continue to keep me in yours

Fraternally yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

*The letter supports all you have done & is
a valuable testimony.*

Dear Cardinal George,

We have known Father Anthony Vader for a good many years. Father Vader has always been a kind and gentle man, and a wise and holy priest. When he gives his homily it is from the heart, w/o notes, and always on target. We attend masses that he officiates whenever possible for this very reason.

We do not know if you personally know Father Vader. If you do you are aware of his manner and of the holiness which surrounds him. If the eyes are the window to the soul then by looking into Father Vader's eyes you can tell that there is no duplicity there, only love and sweetness.

Father Vader has a great deal to do with the reasons we cling to the Church and obey her teachings. He makes us want to do good and to share our faith by our actions.

Needless to say in our job related duties we vitally interacted with all aspects of society from the infant only hours old, to the children who were victims or offenders and

sometimes both; as well as teenagers and adults right up to the geriatric set. The cared for, interviewed, assisted, and sometimes prosecuted these very people. In our personal experiences we learned that people do not always tell the truth, sometimes on purpose, and sometimes on accident.

We know from our experiences in the areas of Child Abuse investigations and sexual abuse investigations that memories are delicate and sometimes faulty, and sometimes accusations are made for personal gain or out of vengeance. Please bear this in mind. We know Father Vader and we observe him weekly - at church and socially. We also know and observe "perps." Our observations and knowledge tell us Father Vader isn't one of them - he is not a "perp".

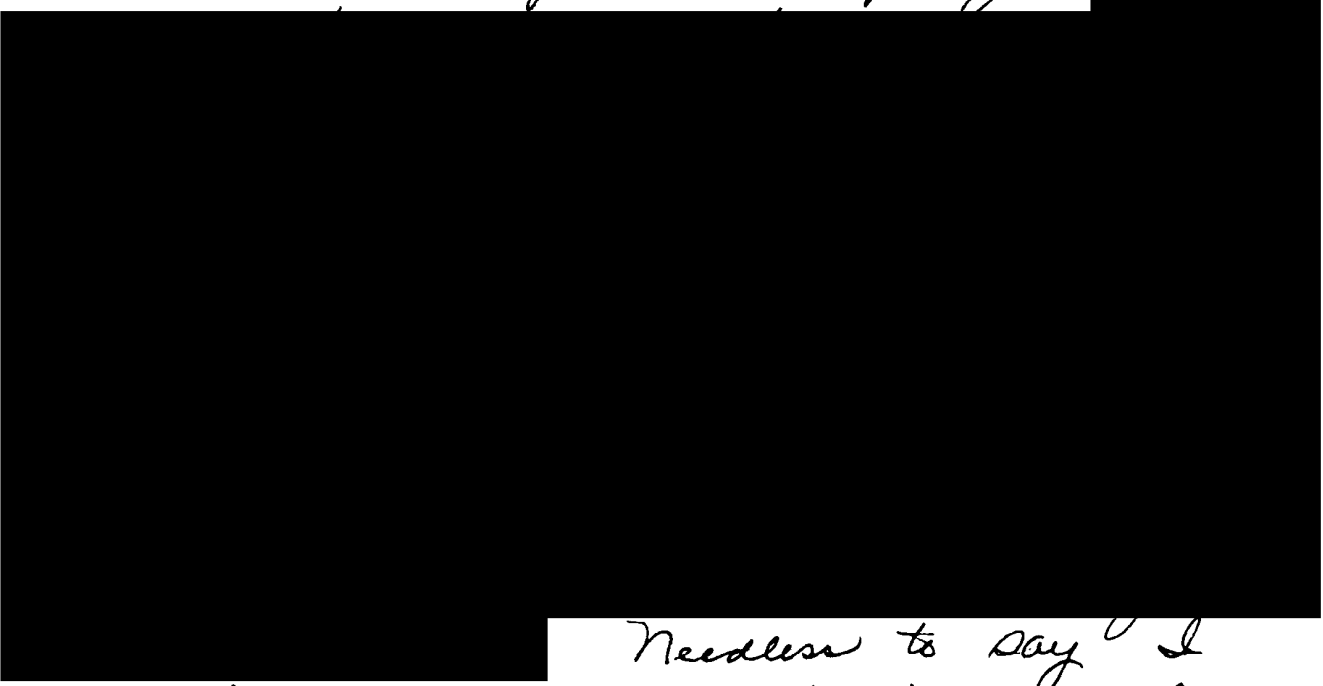

Let us pray to the Holy Spirit for enlightenment and strength and to St. Michael the Archangel, Defender in battle for surely the devil Satan himself is afoot here.

In closing I would like to say that Father Vader guided us spiritually and soundly, marrying us and ministering to us. Being a part

of the Shrine of the Sacred Heart, known for its very spiritualness and many healings, I would like to add this testimony.

When Father Vader learned of my illness he came to the hospital and prayed with

Needless to say I am here to write this testimony. It is my belief that the Sacred Heart of Jesus, using Father Vader as his

instrument, performed another healing.

 We saw the debacle and heard the recasting of the allegations against Joseph Cardinal Bernadine, another Holy soul. Please, Eminence error on the side of caution. Remember Satan and his duplicity. We are praying for the guidance of the Holy Spirit to be with you. We love Father Vader, believing him to be a Holy man, innocent of any sinful allegations made against him.

Yours in Jesus' Sacred Heart,

C.C. Rev. James T. Kaczorowski

Dear Cardinal George,

I am writing this letter in response to the recent allegations against Father Vader. I have been a parishioner of Sacred Heart Church since my family moved to [REDACTED] back in 1976. The only reason I have stayed with the Catholic Church is because of Father Vader, he is a kind and compassionate man and the false allegations against are cruel and unjust.

It is ironic how all of a sudden this supposed incident has come to light and I know that God is testing my faith and that of my family to be good Catholics and to forgive these women of their cruel intent.

I hope you find out what many of us already know and that is that Father Vader is innocent of these allegations and is an asset to the community and people that he serves.

Dear Cardinal George,

When I read about the allegations against Father Vader, I found it unbelievable!

I think when a person waits 40 years, it is only a way to improve their finances. I see no reason that their name is never published.

Father Vader is a gentle man who has only good things at Sacred Heart to his credit.

His sermons are inspiring & I truly enjoy going to his Masses. I hope this matter is resolved soon & in his favor.

VICAR FOR PRIESTS
645 NORTH MICHIGAN AVENUE- SUITE 543
CHICAGO, ILLINOIS 50511

Dear Father Kaczorowski,

Our family has been deeply saddened upon receiving the unbelievable sad news regarding the accusations made against Fr. Anthony J. Vader.

To my recollection from several years past, Fr. Vader has been a very sincere, honest man and very holy indeed, if I may say so. We have had opportunities to meet and discuss with him in our religious and social meetings several aspects of human problems to which he had been deeply sympathetic. I venture to speak in behalf of my fellow country men (Filipinos) and for all people who know him personally that we all have the deepest respect for his sincerity and devotion to duties.

I am very confident that in the very near future and with God's help and his friends this holy person will soon find peace of mind and will soon be indeed exonerated. Most specially, he can count on our most fervent prayers for the speedy resolution of this delicate problem. We also pray for his continued good health and strength to weather all these shameful accusations.

We are also troubled by the Archdiocese's decision in not providing any legal support to accused priests. This attitude most probably stems to previous situations. There has to be a shining exception to every situation and I am very certain this is one of them.

Father Vader is innocent. May God bless him forever.

With my sincere best wishes and prayers,

Dear Father,

I was very disturbed about the allegations against Father Voder. When a person waits 40 years, I must suspect their intentions. "It is an easy way to add to a bank account."

Father Voder must be very hurt - a gentle man, even a bit shy. He blesses each child coming out of Mass and I find this whole mess incredible. I hope it is resolved soon.

We miss him & need him back with us where he belongs

Dear Cardinal George:

I don't know how to describe my reaction to the 40-yr. old allegation against Fr. Anthony Vadev, I guess its heartbreak. Two women looking for an opportunity to collect unearned money from our Church, destroying a wonderful priest, a man we all admire, & respect.

For our Fr. Vadev, we pray & support him now, he deserves it.

I know Father Anthony Vader through our association as members of the Maple Park/Morgan Park Ministerial Alliance. I have been a member of this organization for over a decade. I have listened to the words of wisdom, comfort and exhortation from Father Vader in our meetings and in sermons given by him in our Alliance worship services.

When I lived in Morgan Park, I would often see Father Vader as he jogged around Ada Park in his red jogging clothes, waving at people in the neighborhood.

I am saddened that accusations have been made concerning Father Vader's conduct from years past. I do not believe that the person I know and have known would be guilty of any conduct that would bring shame to the name of our Savior Jesus Christ.

Today's climate makes it seem plausible that members of the clergy *might* have done things in the past that were hidden, and that some even now might be engaged in conduct offensive to God. Yet, the only persons who know the truth of the situations are those who might have done whatever was done, and those who were the targets of the deeds. Beyond that, there is a more faithful witness, and it is God. (Prov 15:3 KJV) "The eyes of the LORD are in every place, beholding the evil and the good."

I am praying that the Lord will vindicate Father Vader, just as Cardinal Bernadine was.

Sincerely,

cc: Rev. J. T. Kaczorowski

Dear Cardinal George,

I am writing this letter as a parishioner of Sacred Heart Church. I am 14 years of age and have been attending mass at Sacred Heart for as far back as I can remember. My mother has explained to me the recent allegations against Father Vader and I feel he has been unjustly accused. With recent incidents of priest in the Catholic Church, I feel that these persons have decided to ruin an innocent man's life for their own personal gain.

I will stand behind Father Vader and I will not believe nor listen to these persons who are in it for the money.

I hope you find out what many already know and that is that Father Vader is innocent of these allegations and is an asset to the community and people that he serves.

Sincerely,

SENT FORM LETTER

Dear Cardinal George,

The only words to describe my reaction to the 40 year old allegations against Father Vader are shock and disbelief. I know him to be a good Priest, always. I simply cannot understand how anyone could charge him as the have.

We at Sacred Heart owe him much and he certainly deserves our support now.

Thank you.

Vader Deth

Dear Cardinal George,

It has come to our attention that certain allegations have been made against Father Vader of the Sacred Heart Church. We find this to be shocking and unbelievable in view of the fact that we have known Father Vader for many years. We have found him to be a kind and gentle man.

We feel he needs our support at this time and we hope that the church investigates these allegations, so that Father Vader's good name will be cleared and untarnished.

Sincerely,

March 24, 2003

Dear Father Kaczorowski,

I wanted like to know when Father Vadee is going to return to Sacred Heart? It has been taking so long?

He miss Father and all the people are getting so depressed. He is such a good and Holy Priest. A Real Priest

Sincerely,

Dear Cardinal George:

You have heard from most of my family regarding Father Anthony Vader. It is now my time to speak. I am saddened and angry with the Catholic Church for the treatment of this holy man.

Father Vader has done nothing that can be proven. Our ancestors came to this country to flee religious persecution. The treatment he is receiving is just that. People are innocent until proven guilty. He has had no trial, only accusations from many years ago. In our country even the worst men accused of crimes are out on bail. Father Vader is isolated and kept from his friends and flock. Nothing has been proven. If he is found "not guilty," how will you restore his good name and the days you have disgraced him? So many priests in the Catholic Church have been found guilty. Does that mean Father Vader is one of them by association?

If Father Vader is guilty then he should be punished. As of today, no stain on his name has been proven. I am justly angry and my eyes are ablaze with frustration and fear. Just as Jesus was angry at the "Cleansing of the Temple" in el Greco's masterpiece, I am angry at the church for the unjust treatment of an innocent priest. His is not in the best of health, old, with only one good eye. He has given his life to the Catholic Church and his punishment is isolation. Don't you fear, as Cardinal Brendan was falsely accused, that some woman might decide there is money to be made... and accuse you? How would the church handle Cardinal George in the same situation? What would you do then? You would remember, for the rest of your life, as I have done, remembering [REDACTED].

Yours respectfully,

Rev. Fr. James T. Kaczorowski
Vicar for Priests
645 North Michigan Avenue – Suite 543
Chicago, Illinois 60611

Dear Rev. Fr. James Kaczorowski,

It is with deep concern and disbelief to learn about the accusation of an alleged misconduct of Rev. Fr. Anthony J. Vader some 45 years ago. My family and I had close association with Fr. Vader since we came to the United States in 1973 when my late husband, [REDACTED] was assigned [REDACTED] at the Philippine Consulate General in Chicago. Because of this close association we had this rare opportunity to know him well and this experience was pleasant, gratifying and spiritually healthy.

Through all these years that we have known Fr. Vader, there has been no occasion at all that we knew of any wrong doing much less any immoral conduct that he has committed. On the contrary, he has always been very congenial, helpful and goes out of his way to be of assistance to those who sought his guidance which he did according to the morals of Catholic teaching. My late husband, [REDACTED] had been very much aware of this because of his close contact with the Filipino community during his term of office from 1973 up until 1982 when he retired. Even after his retirement we have known about the same support Fr. Vader has continuously given to the Filipino nationals in the way that he maintained his dignity and integrity as a minister of the church. It is very unlikely that he would have had done wrong knowing the consistency of the manner by which he conducts himself in his ministry.

It is unfortunate that the good deeds and honorable intentions of Fr. Vader in extending assistance have been regarded with great malice thus tarnishing the reputation of a man of unequalled integrity as a true representative of the church, a man who finds no obstacle along his way just to be of assistance, a man who sees in all human beings the image of God in them, regardless of creed or color of skin.

As a physician, I am aware that Fr. Vader always responds immediately to the spiritual needs of patients which enhances the healing process. In cases where it is God's Will that the patient returns to the Bosom of the Father, Fr. Vader gives spiritual solace and comfort to the grieving family. I have personally experienced this when my husband had [REDACTED] in 1978 and after that successful operation, Fr. Vader officiated a thanksgiving mass on our behalf. Again when my husband passed away in [REDACTED], Fr. Vader was instrumental in easing up the pain of our loss not only by his consoling expression of sympathy and prayers but by con-celebrating during the funeral

mass. We are truly grateful to Fr. Vader not only for his spiritual guidance to my family but also to the Filipino community in Chicago and his personal mission in the Philippines.

It is a shame that at this period of Fr. Vader's life when he is supposed to reap the fruit of his honorable deeds which he faithfully gave it all for 50 years of service to his ministry and now peacefully reflect in continued prayer and more service through his remaining years, he is subjected to stress, embarrassment and shame because of such petty and unfounded allegations which is presumably motivated by material gains, the statute of limitations for criminal charges having lapsed.

This letter expresses our support of Fr. Vader and our sincere plea for an enlightened guidance in the judgment process of this unfounded case. It is our prayer that this information be given due consideration and hopefully, may be of some help in clearing the name and reputation of Fr. Vader who truly deserves this fair judgment.

Thank you for your very kind attention to this letter and we pray for peace in our hearts.

Very truly yours,

Dear Rev. James Kaczorowski,

Rev. Vador is not only my pastor but someone whom I trust completely. The allegations are incredible and totally unbelievable.

I cannot understand why anyone would believe this accusation that date back more than 40 years. The sound character and the wonderful, caring work that he has given to his various parishes and community throughout the years alone should vindicate him. We need our pastor back with us.

Sincerely,

Dear Father,

Father Vader is a wonderful priest and has been very helpful to our family over the years.

Any help from you would definitely be appreciated

Dear Rev. James T. Kaczorowski,

Our beloved pastor, Rev. Anthony Vader, has always and will continue in our hearts, to be the trusted spiritual leader of our parish and family. There has never been a single moment that our faith and belief in him has wavered.

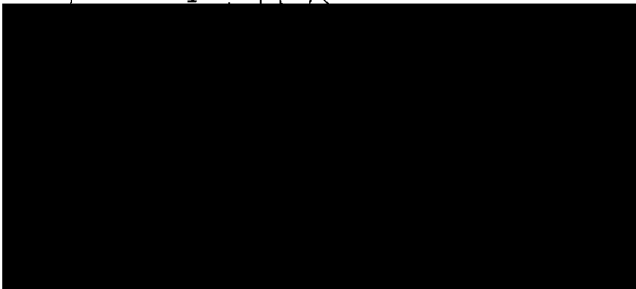

He is a worthy and outstanding priest, not only for our parish but for the community as well.

Our family has never wavered in our love and trust in him.

Please return our pastor, back to his parishoners.

He is always in our prayers and thoughts.

Thank you.

Dear Rev. James Kaczorowski

Please return to my family and our parish, our kind, loving and caring pastor, Rev. A. Vader.

We all miss him terribly. We know that this forced separation from his flock has made it difficult for him also.

Without reservation our family and his parishoners support him. We have never wavered in our belief in him and that he will be cleared of all charges.

Yours Truly,
The [REDACTED] Family

Dear Rev. James T. Kaczorowski,

I am writing again to plead for the return of our pastor, Rev. Anthony Vader.

Although we have had caring priests, during these difficult months, no one but our parish priest know us quite so well. Whenever we have needed him, he has been there for our family. He has presided over our family's baptisms, First Communion, weddings and funerals.

Father Vader has always lent his spiritual advice not only for our family but for any parishoner who needed him.

Please send our spiritual leader back to his parishoners. We need him!

Dear Cardinal George:

Its been over two months since Fr. Vader was removed from Sacred Heart and sent into exile in Mundelein. In your response to my first letter, you mentioned a "canonical trial process". What, pray tell, is holding up the process? The faith community of Sacred Heart Mission deserves an answer to this question.

Also, I understand that Fr. Vader has requested permission to reside at Holy Name of Mary until whatever process exists to exonerate him is completed. I truly hope that you will agree to this request in light of his age and physical condition.

Dear Fr. Kacsorowski:

I wanted to send you this letter to voice my concerns about the false charges being leveled against Fr. Anthony Vader.

As a student, altar boy, and choir member of Holy Cross Parish, graduating in [REDACTED], I have nothing but fond memories of Fr. Vader. It is impossible to believe he would harm anyone, especially a child. I know him to be a kind, loving, and caring person.

Talking to other members of my family who also attended Holy Cross, they agree with me as to Fr. Vader's character. Fr. Vader was not only a priest in our parish but also a close family friend, staying in touch with members of our family through the years, performing marriages and baptizing some of our children.

My concern is how anyone can falsely make a claim about something that supposedly happened 45 years ago (in a girl scout troop that as far as I can find out never existed) and people will give their charges any credence at all!

Obviously I am a supporter of Fr. Vader. I would be willing to do what I can to help his defense. I am offering myself, if needed, as a character witness to attest to the kind of person Fr. Vader is.

Thank you for your time and attention in this matter.

Yours very truly, / s/

Dear Cardinal George,

Father Vader was removed from his ministry two months ago and while I don't know much about the procedures in cases like Fr. Vader's, it seems to be alot longer than most of us at Sacred Heart would like.

One meeting with Fr. Kaczorowski?
When will the second meeting take place?
How soon will the Ecclesiastical Court be ready. Can there be an appeal to Rome?

In consideration of his age and some health problems could he be transferred farther south where his doctors are located? Driving from Mundelein and back must be taking on Fr. Vader given his health.

Please consider this your Eminence and I remain yours in Christ.

The Lord works in mysterious ways - and so does the Archdiocese of Chicago.

It's been two months since Father Vader was removed from his ministry and moved to the Retreat House at Mundelein. At that time we thought there was an actual process that would take place, resulting in Father Vader being cleared and returning to Sacred Heart.

Father Vader had one meeting with the Vicar, Father Kaczarowski. As far as a second meeting??? There is no information available about this.

Also mentioned is an Ecclesiastical Court - required in each Archdiocese. There is no court in Chicago; it is in the process of being set up. But, the procedure or process to appear before this Court??? We don't know.

Also available is an appeal to Rome. Again we have no information concerning this.

Father Vader does have a Canon lawyer as well as three other attorneys.

Unfortunately for Sacred Heart, 'waiting in the wings' for some answers is not what we do best, and even more unfortunately, there seems to be no answers. Despite this Sacred Heart will continue the search for information to give you.

This whole thing is incredibly strange. Father Vader is 76 years old, has some health problems and conditions. He is certainly no threat or danger to anyone, nor has he ever been. Because his current residency at Mundelein is inconvenient to say the least, Father Vader's personal physician has written the Cardinal, requesting that he be allowed to live at Holy Name of Mary/Sacred Heart because all of his doctors, as well as other personal matters, are located on the south side and south suburban area and driving back and forth to Mundelein is difficult for him, and not in his best interest healthwise. Hopefully the Cardinal will agree.

Please remember Father Vader in your prayers. Please also write another letter to Cardinal George concerning Father Vader and this 'case.' There are self addressed, stamped envelopes available at the rear of Church.

Dear ██████████,

I've received your letter, filled with dismay about the accusations against Father Tony Vader. I am grateful that you wrote to say how your life has been touched so deeply by Fr. Vader.

I share your dismay, because Father Vader has been a generous and exemplary priest. God has used him to do much good. However, there is always the possibility that even very good people can do something seriously wrong. The Review Board, which received the accusation, deliberated long and hard before judging that there is reasonable cause to believe the accuser's story. The accusation was not lightly made, and the Board's judgement on it has to be taken very seriously. The policy now is to remove a priest from active ministry while the accusation is submitted to the canonical trial process. I would like to believe that this next step will bring forth evidence to show that Fr. Vader can return to ministry.

In the meantime, I hope you will continue to support Father Vader, especially with your prayers. This is a tragic situation for all concerned, and it fills everyone with sadness. Thank you for writing and for your life of faith. You are in my prayers; please keep me in yours.

Dear Cardinal;

I just wanted to take a moment and speak on behalf of Father Anthony Vader. I've known Father my entire life. I was raised as a member of Holy Name of Mary parish, and as you know, Father was the pastor. I attended the school during the years of [REDACTED] Father was somewhat of a mentor to me, as well as a good family friend. In all of that time I've never known him to do anything improper. He never treated me with anything but respect, and I never heard of him mistreating any classmate in the seven years that I spent at the school all those years ago.

I was extremely disheartened to learn of his present misfortune. I will never believe that Father Vader is capable of doing what he is accused of. He is a good man who has dedicated his life to God, and I truly do not believe that he deserves to spend his retirement years with this sort of stigma on his record.

I am not sure if there is anything that you can do, but I thought that I would try just in case. I truly care about Father, and it hurts me to see him treated in this fashion.

Thank you for taking time to read this.

Dear Cardinal George:

It's been over two months since Father Vader was removed from Sacred Heart Church and we have hoped and prayed for some concrete news about his being cleared of the unbelievable charges and allowed to return to us by now.

We all would certainly appreciate hearing what exactly has transpired with his case since he was removed. How is it proceeding or is it? When will he have his day in court? This month or next month? We pray that it will be soon as the stress he is under certainly cannot be good for this good, kind man.

We would hope that you would take into account Father Vader's age and health problems and allow him to return to us here at Sacred Heart. We do not believe that he is, or ever was, a threat to anyone. Considering his over 50 years of loving service to Our Lord, we pray that you will have some consideration for this fine person and priest and allow him to return to both Holy Name of Mary and Sacred Heart.

Wishing you a Holy Easter, we remain, respectfully yours,

Dear Ms. McCluskey,

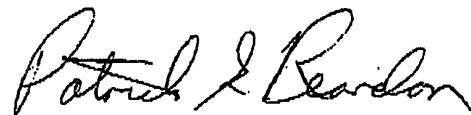

It has come to my attention that the accusations against Father Anthony Vader may be the subject of a Second Stage Review by the Professional Fitness Review Board during the meeting scheduled for April 26, 2003. I am formally requesting on behalf of Father Vader that the time for this review be extended.

I and others have spent many hours reviewing and investigating the accusations and will soon be in a position to provide a written response on behalf of Father Vader. Preparation of this response has been slowed by the fact that Father Vader is now at Mundelein making communication slow. Also the relevant personnel files are extensive. (As you know, any notes taken of these files must be handwritten, a tedious process.)

I do not make this request for the purpose of delay, but rather in the interest of providing the Board with the most complete information upon which to base a decision. There would seem to be no harm caused or risk to anyone, since Father Vader is not engaging in ministry at this time.

If any further information is needed, please contact me at any time. I will be out of my office until Friday, April 25, 2003. I will be able to return messages by telephone. I will attempt to call you during the week regarding this matter.

Dear Fr. Kaczorowski,

I was in shock and devastated when I heard of women accusing Fr. Vader for molesting them 45 yrs. ago. I've known Fr. Vader since 1959 when I came to this country as an Exchange Visitor Student. He was active with the Filipinos, The Filipino Student Catholic Action Team and now Filipino Community Action. He is very kind and helpful to the spiritual needs and immigration problems. He is a very spiritual and high moral person. That the accusations are unthinkable. My two daughters, 1st a 36 yrs. old doctor & the second 34 with Masters in Theology believe that Fr. Vader is innocent. My daughters know Fr. Vader when they were growing up getting together every week - and with the Fr. Minister and other family and relatives' activities.

We are praying that these are going to be over as his health is being affected too. We love Fr. Vader so much like our own members of

our family.

Dear Father Kaczorowski,

I want to tell you I have known Father Vader since the late Sixties and all this time, I have the greatest respect, and admiration, for him. It is too MUCH for me to believe in the accusation. Sure the Holy Oil on his head and palms was hardly dry when this allegation occurred. Father Vader Baptized our grandchildren and spiritually nourished our family through the years. That he has celebrated his Golden Jubilee of Priesthood sets him apart as one who was a Priest for the long haul. Perhaps the story of Susanna, in the ch-13 of Daniel, has something to say here.

Dear Rev. Fr. James T. Kaczorowski,

Father Vader was there to concelebrate my 25th Wedding anniversary at the Holy Name Cathedral.

He was there to commiserate with me during the death of my parents and parents in law.

He was there to celebrate mass in our two children's graduation party.

He was there to bless my children's cars before they drove on their own for the first time.

Father Vader was always there for me and for my family.

What can I do to repay him? I hope this feeble letter will convince you that Father Vader has nothing but regard for other people's happiness and well being.

Dear Rev. Fr. James T. Kaczorowski,

Father Vader is a close personal and family friend for more than 25 years.

As a physician, I can commiserate with Father Vader. I, too, am consistently subjected to nuisance suits, without any absolute merit.

What gives people the right to malign and destroy other peoples' lives and reputation?

I read Father Vader's letter addressed to "My dear Filipino American Family: " where he wrote:

"...I want you to know that I am innocent, that I have never in my lifetime touched these two sisters who brought these accusations..."

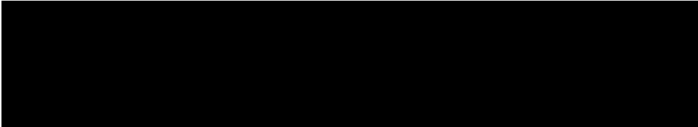

If I did not know Father Vader personally, I would have exclaimed "Oh, God! Another priest in a scandal."

But since I do know the man, my heart is filled with rancor for his accusers and pity for the accused. I remember Joseph Cardinal Bernadin, dying with pancreatic cancer, when he was falsely accused.

I am confident that the accusations against Father Vader are false and driven simply by monetary greed.

I would like to know the background of the accusers and compare it with the exemplary, unselfish life that Father Vader has spent serving his parishioners and his Church.

I beg you to provide Father Vader the peace and comfort that he deserves in his retirement years.

Sincerely with you in Christ,

Dear Father Kaczorowski,

My greatest concern for Father Vader is his health - psysical and mental. He does have some health problems which I understand require that he see his physicians from time to time and since they are all located in the south suburbs, he must drive all the way from Mundelein and back.

He is retired as a pastor of Holy Name of Mary and should be able to live his retirement years without having the stress these accusations must have caused. We know that he is not, and never has been, a threat to anyone. These last 2½ months have been a time of disbelief, sometime anger, and completely senseless to the people of Sacred Heart.

Please help however you are able to see that Father is found free of any accusation and allowed to return to his ministry.

Thank you,

Dear Father Kaczorowski:

LETTER OF SUPPORT FOR
REV. ANTHONY J. VADER

Father Vader is a wonderful priest and has been a friend to my family.

How much longer must he wait to be exonerated from these terrible and untrue allegations?

As you are aware he is not a young man and not a threat to anyone and he never has. It is unjust that he can no longer serve his community.

I ask that you give some consideration to him and allow him to return to the ministry.

Sincerely,

I am a member of the Catholic Church and I have known Father Vader for many years. He is a wonderful priest and has been a friend to my family. He is not a young man and not a threat to anyone and he never has. It is unjust that he can no longer serve his community. I ask that you give some consideration to him and allow him to return to the ministry.

Dear Rev. James T. Kaczorowski,

Shortly after Rev. Vader became our pastor, [REDACTED]
[REDACTED]

Rev. Vader not only came to the hospital numerous times but he came to our house. He wanted us to know that he would be available, whenever we needed him. He stressed that we should not hesitate to call him, day or night.

He carefully explained what the church teachings were in regard to extraordinary medical procedures. His explanation and compassion made the decision that had to be made, easier if not without pain.

This is just one example of his commitment to his parishoners. He can alwasys be depended upon being there when we need spiritual guidance and comfort.

Please help bring back out beloved pastor.

Sincerely yours,

This letter is support of Father Anthony Vadev of Sacred Heart Church. I was shocked and dismayed to have - first of all - learned of the horrendous charges against him, and second of all - to learn that they are still pending against him - unproven & unfounded as of this date!

Cannot the accusers be evaluated by a psychiatrist and perhaps given Sodium pentothal or some like drug which will allow them & their memories to be examined more thoroughly? I wouldn't trust a lie detector test as I feel that perhaps they have convinced themselves that their perceptions are true.

I have known Father Vadev for many years. I am convinced that he is wholly innocent and that lies against him are without merit and made because of "false memory syndrome" or for personal gain!

Please resolve this matter as

soon as possible. I want our
priest back!!!

Subject: Fr. Anthony J. Vader

Dear Fr. Kaczorowski:

We are very pleased to learn that Fr. Anthony J. Vader will have his hearing on April 26, 2003 before the Board of Fitness Review concerning the alleged sexual misconduct filed against him early this year.

As we wrote you earlier, we are convinced that Fr. Vader is innocent and we are confident that the Board's findings will bear out our belief. We continue to pray for Fr. Vader, for the Board and for the accusers. We likewise pray for Cardinal George and whole Church in these times of trial.

We are looking forward to a quick resolution of this case and hope to see Fr. Vader back in his wonderful ministry, especially to our Filipino community. As you know, Fr. Vader has been ministering to our community, here in the U.S. and in the Philippines, for the last 45 years and we want that to continue for a long, long time, God willing.

We wish to thank the members of Board of Fitness Review for scheduling Fr. Vader's hearing as early as possible. May God bless us all. If you have any questions please call us at [REDACTED]

Sincerely,

Cc: Fr. Vader

April 22, 2003

Rev. James Kaczorowski,

I have been informed that once again you are going to take the case against Father Anthony Vader to "the Committee" . My question is why? Why continue with this charade? Is this an exercise that makes Barbara Blaine happy? Is that why we are scheduling another "Committee" hearing? Is Father Vader going to be allowed to defend himself, or is your attorney going to defend him.

Father Anthony Vader is an innocent man, who is only guilty of doing the job God called him to do – minister to the people.

Send him back to what God choose him to do – he is an innocent man.

Dear Fr. Kaczorowski,

I've known Father Vadel for more than 20 years,
since he first came to Sacred Heart. He is a
good priest & a good person. I don't believe he
is guilty of the allegations.

There is no reason on earth he should be compelled
to live at Mundelein and be deprived of his
life long work — being a priest, currently to
the people of Sacred Heart. He is not and never
has been a danger to anyone. Please help bring
Father Vadel back to Sacred Heart.

Dear Father Kaczorowski,

It is difficult and impossible to hear of accusations against Father Vader. He is not guilty of anything and being sent away from his Church, Sacred Heart, to live at Mundelein makes no sense.

Father Vader is 76 years old. He has celebrated his 50th anniversary as a priest and should be able to live his remaining years with people who know and care about him. His health is not the best and the commute to and from Mundelein must be stressful.

Please do whatever you can to see to it that these allegations are dismissed, and Father Vader is allowed to return to his life as a priest, at Sacred Heart -and soon, please.

I have been a member of Sacred Heart Shrine all my life I am now [redacted] years old. I have known many Priests in my life time. Father Vadala, is one of the best. I can't understand this whole affair, all I want is to have Father Vadala back saying the Holy Mass.

Dear Fr. Kaczorowski:

The purpose of my letter is to thank you for your response to my earlier letter of support for Fr. Anthony Vader and to follow-up with additional words of support for him. It has been many weeks since the allegations were made against Fr. Vader and I'm concerned for his health and well being during the emotional period of uncertainty that he is experiencing. As stated in my earlier letter I have known Fr. Vader for many years and he has been an integral piece to my "faith" life and I hope that as you analyze his situation you will become able to know him and the many lives he has touched. He is truly a special priest. I hope that you will review his situation soon. Because I know that then he will be able to return to what he is truly best at, actively serving his faith community.

Thanks for your time and consideration.

April 22, 2003

Dear Rev. Kaczorowski:

I am writing you again to show support for FATHER VADER.

It is my sincere hope that everything possible is being done to prove his innocence in regard to the 45 year old allegations.

I know Father Vader to be a good and holy priest. I ask that you help in anyway that you can.

Dear Father Kaczorowski:

Thank you for answering my questions about Father Vader's hearing.

I just want to reiterate that he is a Good and Holy Man and I pray that he will once again be able to join the world again. He is not doing well at Mundelein.

Hundreds and hundreds of people surely would appreciate anything you can do to help.

Thanks for your time.

I was told today there is a
2nd hearing by some anonymous
committee to determine the future
of a dedicated parish priest -

He is an innocent man why must
you & your committee fracture him?

I pray for your soul & that God will
forgive you for what you are doing to His Church.

Please tell your Committee Fr. Vadez
is innocent & send him back to his
parish where he belongs.

Please resolve the matter of Father Vader versus his enemies as soon as possible. He is dearly loved, absolutely believed, and sorely missed at our Church.

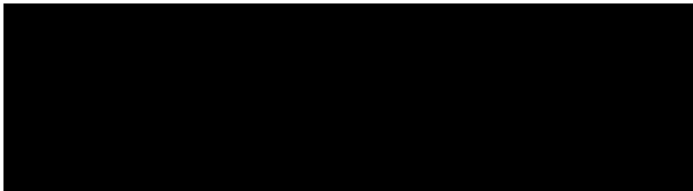

Father Vader is the reason I am a Catholic / practicing my faith religiously. He is very help & thus, very tested and persecuted.

I have been a regular parishioner

many, many years and I miss
Father Vader very much. So does
my entire family. I understand
Father Vader has a court date on

allowed to spend their punishment
in his Rectory ?? After all he is
already retired. Please Father -
We need him - Thank you,

Dear Father Kaczorowski,

Just a quick note on Father
Vader's behalf. I am in my
forties - many of my generation,
are lost in their faith. I have
to tell you that if it wasn't
for Father Vader, I probably
would have forgotten my
faith. When I see or think
of him, I try and remember

his quiet intellectualism and
humility and his unquestioning
spirituality. I wish I could
be more like him. He is so much
an emulation of Jesus. I
have already lost Father Bruchardt
who passed away and I hope
not to lose Father Vader too.
Both have been responsible
for saving a generation of
young people now in their
forties.

Sincerely,

Dear Ms. McCloskey:

I am the mandated Procurator-Advocate for Rev. Anthony Vader, whose cause is scheduled to be considered at your Second Stage Review on Saturday, 26 April 2003.

On his behalf, I am writing to request a postponement of the Second Stage Review for Father Vader until your next scheduled hearing. He and I request this for the reason that I have just received the allegations made against him, and I have not had time to formulate a response to them, nor, in fact, to meet with Father Vader. We have talked several times on the phone, but I need, naturally, to have a more formal discussion with him about these matters.

Both Father Vader and I will be most grateful for your consideration of this request, Ms. McCloskey. I would also appreciate it if, when the date for the next Review is set, you or your secretary could so inform me.

Thank you for your service and for this consideration.

Re: Father Anthony Vader

Dear Father,

This letter is probably different from the others you have received on behalf of Father Vader. It is about a party celebrating Father Vader's Jubilee.

You would not believe the group that filled the Main Room of the Martinique Restaurant (all three levels). At least four languages were spoken by those assembled - clerics everywhere. All of the main religions were represented, and many of the not so main. Not sure which ethnic group or race was in the majority but I think African American might have been first and Hispanic second, Caucasians came in third and fourth was a combination of peoples from Lord knows where speaking God knows what language but the point is we were all there together celebrating the life and times of a man we all have come to know and love and depend on over the last 20, 30 40 or 50 years depending on when we met this extraordinary man of God. Father Vader has done more for the many people of color and ethnic diversity in the Chicago area than any other Priest I have ever known. Father Vader being accused of doing something wrong and against any of his people is very much in doubt. No one could fool the Hundreds of people who attended this party out of love and thankfulness for this beloved priest.

Please send our Priest back to all of us.

My non-Catholic Father who loved me and educated me in the best Catholic schools in the Archdiocese was buried by Father Vader, my Irish Catholic Mother, who Father Vader came to her deathbed to give her the last rites was 30 miles from Church. (We belong to [REDACTED] but Sacred Heart is our home). I was married there and my son's were baptized there. And my grandmother attended Sacred Heart as a young woman as did my Mom. Father Vader came to the people of Sacred Heart when no one else wanted us. He has kept our Parish Community alive.

AOC 021278

Keeping Father Vader from his people and his duties is a terrible disservice to this Priest who has dedicated his life to the many peoples of Chicago.

Thank you for your consideration.

Sincerely,

On November 15, 2002, Father Anthony Vader met with Professional Fitness Review Administrator, Leah McCluskey, at the office of the Vicar for Priests. Also present for the meeting was Vicar for Priests, Father James Kaczorowski. Ms. McCluskey read notes of allegations made by [REDACTED] and [REDACTED]. [REDACTED] Father denies the allegations. He further affirms that he has never engaged in sexual misconduct with any minor at any time. Father Vader will make separate specific responses to each accusation. The following will specifically address the allegation made by [REDACTED]

STATEMENT OF [REDACTED]

On October 21, 2002, [REDACTED] spoke with Professional Fitness Review Administrator Leah McCluskey and Victim Assistance Minister Ralph Bonacorsi. She stated that on several occasions Father Vader [REDACTED] asked her to partially disrobe, exhibiting her breasts or vagina. [REDACTED]

[REDACTED] On a little less than ten occasions he came and felt her breasts under her clothing, then left. [REDACTED] stated that this conduct began in "either 1955 or 1956 and lasted for approximately one year. [REDACTED]

[REDACTED]

[REDACTED]

ANALYSIS AND RESPONSE

Father deplores the fact that he is accused of something so long in the past that it is impossible to marshal witnesses and proof to assist his defense and provide corroboration for his truthful response. Indeed, Holy Cross Parish has been closed for many years. Further he submits that the accusation is vague and suffers from

internal inconsistency. Father means no personal attack upon the accuser. However he must forcefully assert that the accusation is false and will discuss the inconsistencies here.

One could respond to such an analysis by saying that since these things happened so long ago, one should not be held to be accurate. But such a cavalier disregard of accuracy would deprive an accused the right to any cogent response, especially where the accusation is uncorroborated, internally inconsistent and reported to have occurred approximately 47 years ago. While the accuser is now 57 years old, the alleged observations would have originally been made by a 10 year old.

FACTUAL ERRORS

[REDACTED]

Father Vader states that he has no memory of a [REDACTED] in Holy Cross Parish during the years 1955 or 1956. [REDACTED]

[REDACTED] This information is corroborated by two other priests who served at Holy Cross Parish at the time, Rev. [REDACTED] and Rev. [REDACTED]

[REDACTED]

[REDACTED] This information is also corroborated by Father [REDACTED] and Father [REDACTED]. (See affidavits of Rev. [REDACTED] and Rev. [REDACTED])

Father Vader has previously stated that he is unaware of visiting the [REDACTED] home at any time. During his time at Holy Cross he made a practice of visiting all homes in the parish. So it is quite likely that he visited the [REDACTED] home if they were parishioners. His purpose in visiting was to maintain pastoral contact with members of the parish. He would not and did not visit or enter a home in the absence of an adult. [REDACTED]

[REDACTED] He never had any improper contact with [REDACTED] or any other person.

EVIDENCE OF CHARACTER

Father Vader has attempted to examine each of the accusations of [REDACTED] and respond in humility and honesty. He realizes that he is being asked to "prove a negative." He is aware that, along with the limited corroboration available after so many years, his word must be his defense. Father humbly submits that he has demonstrated his credibility during 51 years of his priesthood. He calls to the attention of the Review Board the fact that over five hundred persons to date have written letters attesting to his integrity and credibility. (A partial list of authors of these letters is attached to this response.) Father submits that any evaluation of his

credibility by the Professional Fitness Review Board can only be made after reading the written testimony of these character witnesses in the letters which are contained in his personnel file.

Father Vader submits that he has spent his priesthood in the service of others. He has served God's people in many parishes. He has been a faithful chaplain and companion to the many Chicagoans from the Philippines. He has preached and worked for the human and civil rights of African Americans during his entire priesthood. He does not claim perfection; he does state unequivocally that he has never engaged in any act of sexual misconduct or impropriety with a minor. He is saddened that after over fifty years of faithful service he is now falsely accused of such misconduct. He prays for his accuser. He requests that the Professional Fitness Review Board find that he is fit to continue his priestly work to the end of his earthly life, as he promised on the day of his ordination over 50 years ago.

[REDACTED]

On November 15, 2002, Father Anthony Vader ("Father Vader"), met with Professional Fitness Review Administrator, Leah McCluskey, at the office of the Vicar for Priests. Also present for the meeting was Vicar for the Priests, Father James Kaczorowski. Ms. McCluskey read notes of allegations made by [REDACTED]. Father Vader denied the allegations. He affirmed that he never inappropriately touched or fondled [REDACTED] as a minor at any time. On December 15, 2002, Father Vader met again with Ms. McCluskey and Father Kaczorowski at the office of the Vicar for Priests. Also present at the meeting was Patrick Reardon, attorney for Father Vader. At the December 15, 2002 meeting, Ms. McCluskey read the account of the telephone interview of [REDACTED]. Father Vader denied making the alleged incriminating statements attributed to him by [REDACTED]. The following will specifically address the allegations made by [REDACTED].

REVIEW OF PAST STATEMENT OF [REDACTED]

[REDACTED] has made one statement with representatives of the Chicago Archdiocese on November 4, 2002. Present at that statement were Ms. McCluskey and victim assistance minister, Ralph Bonaccorsi.

SUMMARY OF NOVEMBER 4, 2002, STATEMENT

[REDACTED] claim of sexual misconduct against Father Vader is an account of an alleged isolated incident as a 12-year old [REDACTED] in 1959 [REDACTED] " [REDACTED] alleges no prior or subsequent sexual misconduct by Father Vader. [REDACTED]

[REDACTED]

[REDACTED]

According to [REDACTED], she told her friend, [REDACTED], about the alleged incident. [REDACTED] located and arranged for a meeting with Father Vader. [REDACTED]

[REDACTED] Father Vader denies making the statement and denies any inappropriate misconduct.

[REDACTED]

[REDACTED]

[REDACTED] perceptions of what happened [REDACTED] are uncertain without the indicia of credibility, and even if delivered with tears and sincerity, do not amount to a level of evidence sufficient to find Father Vader unfit for ministry.

Significantly, [REDACTED]'s telephone statement undermines [REDACTED] allegations. While it is apparent the two of them discussed [REDACTED] statement before [REDACTED] was available to give Ms. McCluskey her account ensuring some level of consistency (e.g., [REDACTED]), other exonerating evidence is readily apparent.

[REDACTED]

[REDACTED]'s recollection of and her experience with Father Vader from Holy Cross was entirely different from [REDACTED]. She stated that Father Vader was a "well-liked and favored priest" at Holy Cross.

[REDACTED] did not disclose the confrontational purpose of the visit when she called Father Vader ten years ago. Yet, she described Father Vader as calm throughout the visit, offering counseling to [REDACTED] even though she was "explosive."

Moreover, and significantly, she states that [REDACTED] accused Father Vader of fondling her after [REDACTED]

[REDACTED]

The inconsistency calls into question whether this 44-year old event even occurred.

In 1992 or 1993, [REDACTED] was [REDACTED] and went to great lengths to locate, contact and set up a meeting between [REDACTED] and Father Vader. Oddly, she did nothing else after the meeting. She admitted to Ms. McCluskey that she would "do anything for [REDACTED]," yet she was silent for ten years. Perhaps [REDACTED] had her doubts about the veracity of the allegations when she observed the explosive demeanor of [REDACTED] and Father Vader's concerned response.

HISTORY

Father Vader was an Assistant Pastor at Holy Cross Church from 1952 through 1964 and at St. Lawrence Church from 1964 through 1968; Administrator at Holy Name of Mary from May 1968 through 1970, and Pastor at Holy Name of Mary from May of 1970 to his retirement in 1997. He was the chaplain for the Filipino Student Catholic Action from 1959 through 1965, and ministered to the Filipino community after the Richard Speck murders of Filipino nurses. He marched with Dr. Martin Luther King, Jr.

Father Vader remembers some of his routine at Holy Cross, instructional classes on Saturday mornings, visiting the sick and parishioners on Saturday afternoons. He recalls [REDACTED] meeting ten years ago. He understandably does not recall [REDACTED]. He has visited hundreds of men, women and children who have been sick. He denies any sexual misconduct of minors at any time.

After 50 years of ministry, there has not been one hint of improper conduct by Father Vader, as he faithfully served the Chicago Archdiocese on the south side of Chicago. That reputation of integrity, humility, and love is demonstrated by the hundreds of people who have written on Father Vader's behalf, including former parishioners from Holy Cross. The only allegations now are from two sisters within the same house, each of which recall abuse [REDACTED]. Undoubtedly, those who suffer sexual abuse experience deep pain in their lives, which can cause them to strike out against other innocent people. Those who are falsely accused experience overwhelming pain as well. A retired pastor without substantial resources is forced to prove his innocence against mere allegations which are given unreasonable weight just by virtue of their utterance. One recalls the vigorous scrutiny that was necessarily given to what ultimately proved to be a false accusation against Cardinal Joseph Bernardin. The apostle, Paul, was fully aware of the potential damage a pastor could suffer from false, unverified allegations. Thus, he instructed Timothy that on each specific charge, "do not entertain an accusation against an elder unless it is brought by two or three witnesses." Timothy 5.19 (NIV). What of this charge by [REDACTED]?

An exacting analysis discloses that [REDACTED] has made a completely unverifiable isolated allegation where she "thinks" she was abused by a priest 44 years ago. [REDACTED]

[REDACTED]

Father Vader is saddened that [REDACTED] has suffered abuse in her life. He bears no ill will against [REDACTED]. He can only respond that her characterization of his conduct is false and very disappointing to him.

Father Vader humbly submits that he has been and continues to be fit to practice the ministry and serve the Lord Jesus to whom he has devoted his life.

Reverend Anthony Vader

MEMORANDUM

DATE: MAY 15, 2003
TO: FILE
FROM: BISHOP RAYMOND GOEDERT
RE: [REDACTED]

A handwritten signature in dark ink, appearing to be 'R. Goedert'.

I wish to memorialize events of the last two days. Yesterday afternoon, as I was driving Father Tony Vader back to the retreat house, he was discussing his case and the allegations against him. He was still insistent that he never did any of the things about which he was accused. I asked him various questions, including who else was stationed at Holy Cross during that period. I wondered if there could be a question of mistaken identity.

Tony said that [REDACTED] and [REDACTED] were both there as well as [REDACTED], ordained in 1950, who has since died. [REDACTED] left the active ministry in 1975. Tony mentioned that one of the parishioners told him that she had been abused by [REDACTED]. Tony thought she was a minor at the time. Tony had no proof of anything and never raised this issue at all even in connection with his own case. I told him that I thought that he should let his attorney, Pat Reardon, know about this, as it could very well be that the two women who are making the allegations may have been in error as to the priest involved. Tony promised to mention this to Pat the next day.

Pat Reardon called me this afternoon, Thursday, May 15. Tony had told him about [REDACTED]. Pat said that what is curious about all of this is that another one of the cases he is handling, that of John Hefferan, ordained in 1956, a similar charge was made about Father [REDACTED]. Pat said that John told him that it was known around the parish that [REDACTED] was a little loose with women. Since [REDACTED] is deceased, there is no way we can prove any of this. However, Pat wondered whether or not [REDACTED] was actually at Infant of Prague Parish while John Hefferan was there. There were two [REDACTED]s ordained for the Archdiocese. I checked the file of [REDACTED], class of 1950 and his file does state that he was at Infant Jesus of Prague in Flossmoor from June 5, 1970 to June 7, 1974. This file also states that he was at Holy Cross Parish from July 1, 1959 to July 7, 1962. That is where the allegations against Father Vader were made.

I gave this information to Pat. He said that he would prepare something for the review board, since Tony's second stage review is suppose to take place this coming Saturday, May 17.

While checking [REDACTED]'s file, I came across an envelope marked personal and confidential and because of the possibility of their being some connection between the contents of this envelope and either of the aforementioned allegations, I opened it. The envelope is stamped to be opened only by Bishop or Vicar General. There was nothing in the envelope that would have any bearing whatever on either of these cases.

There was another envelope, similarly marked, personal and confidential to be opened only by Archbishop or Vicar General. I opened that and it has nothing to do with either of these cases, in fact, I doubt if it has anything to do with [REDACTED]. It seems as though it might belong in Father [REDACTED], class of 1944 file. I will check it out and put it where it belongs.

Dear Ms. McCluskey,

Additional information has come to my attention today in investigating two of the matters on the agenda of the Professional Fitness Review Board for Saturday, May 17, 2003.

In the course of independently investigating matters relating to accusations against Father Anthony Vader and Father John Hefferan, I have discovered that, along with the issues raised in the written submissions, there is a very real possibility of misidentification. Suspicion has arisen today about the behavior of a priest, who was assigned to both parishes, Holy Cross and Infant Jesus of Prague, at the times relevant to the allegations against each of the above priests. I will attempt to investigate this issue as quickly and fully as possible, as it affects the fact finding process as to each of the above priests.

It is my belief that the current submissions show sufficient problems with the accusations to require finding in favor of the fitness of each of the two priests. If there continues to be a question, I hope that I will be given an opportunity to submit any additional information as to this new potential issue.

Best Wishes.

Sincerely,

DECREE

ARCHDIOCESE OF CHICAGO
PROFESSIONAL FITNESS REVIEW

Having received the recommendation of the Archdiocesan Professional Fitness Review Board that there is "reasonable cause to suspect" that **Reverend Anthony Vader** engaged in sexual misconduct with a minor, I have concluded that this constitutes information which "at least seems to be true" (c. 1717).

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to **Father Vader**.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint **Ms. Leah McCluskey** to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm **Father Vader's** name or to violate his right to protect his privacy. Nor may he be asked to do anything which violates his conscience or is morally unacceptable according to the Church's moral teachings.

After she has concluded her investigation, Ms. McCluskey is to make a written report to me, no later than thirty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense.

Given on 23 May, 2003 at Chicago, Illinois.

P R E C E P T

Bishops "have been designated by the Holy Spirit to take the place of the apostles as pastors of souls and, together with the Supreme Pontiff and subject to his authority, they are commissioned to perpetuate the work of Christ, the eternal Pastor." (*Christus dominus*, n.2b) However, since the pastors of the Church can never be expected to carry the burden of pastoral ministry alone (*Lumen gentium*, n. 30), they have been given the order of priests to cooperate in shepherding and guiding God's people. Indeed, bishops, "because of the gift of the Holy Spirit that has been given to priests at their ordination, will regard them as indispensable helpers and advisers in the ministry and in the task of teaching, sanctifying and shepherding the People of God." (*Presbyterorum ordinis*, n. 7)

Because of this common task, "bishops are to regard their priests as brothers and friends, and are to take the greatest interest they are capable of in their welfare, both temporal and spiritual. For on their shoulders particularly falls the burden of sanctifying their priests." (*Presbyterorum ordinis*, n. 7b)

Moreover, the *Directory on the Pastoral Ministry of Bishops* states, "In the same way as Jesus showed his love for his disciples....so also a bishop....can hardly fail to realize that he should show his greatest love and chief concern for priests....Led by a sense of duty and sincere and invincible charity he gives willing assistance in every way to help priests to esteem the loftiness of their priestly vocation, to live serenely, to spread joy to those about them and to fulfill their duties faithfully." (n. 107a)

This same document urges bishops to do "everything possible to prevent the troubles his priests could have....To keep them safe from trouble he takes prompt and prudent measures." (n. 112)

The Code of Canon Law has described precepts as a means by which ecclesiastical authority "directly and legitimately enjoins a specific person or persons to do or omit something, especially in order to urge the observance of law" (c. 49).

Therefore, I issue this precept, in accordance with c. 49, to urge **Reverend Anthony Vader** to fulfill the obligations which were placed upon him at the time of his ordination. Because some suspicion has arisen about his fidelity to the sacred promises he made at his ordination, I urge him in particular to lead a life which is in keeping with the holiness of his vocation. Although he is not presently exercising public ministry in the Church, he ought to pursue holiness of life in the way that he lives. He is also still bound to the obligation to pray the liturgy of the hours daily, to set aside time for spiritual retreats, to engage in mental prayer, to approach the sacrament of penance frequently, to honor the Virgin Mother of God with particular veneration as Queen of Priests, and to use any other means of sanctification which he finds helpful (c. 276).

Because of the obligation to observe perfect and perpetual continence for the sake of the kingdom of heaven, **Father Vader** is to act with due prudence toward persons who could endanger the obligation to observe continence (c. 277§1), and to observe the particulars of the attached Individual Specific Protocol (c. 277§3) which I have established in consultation with him.

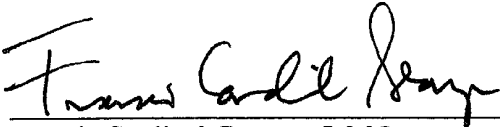

He is to avoid all those things which are unbecoming the clerical state, or those things which are foreign to the clerical state (c. 285), especially those things which are set forth in the attached Individual Specific Protocol which I have established in consultation with him.

Father Vader is hereby dispensed from his obligation to wear ecclesiastical garb (c. 284), and is strongly urged not to do so until such time as the case against him can be resolved and more permanent determinations can be made. Although not removed from office, he is nonetheless urged not to exercise the rights of any ecclesiastical office, in accordance with the Individual Specific Protocol which I have established in consultation with him.

In order to ensure that these obligations are met, I have delegated **Ms. Leah McCluskey** to receive information regarding **Father Vader's** fulfillment of this precept and his Individual Specific Protocol. She is to submit a report to me no less than quarterly regarding this matter, and may report to the Professional Fitness Review Board more frequently as needed or requested.

I am establishing this precept in a spirit of fraternal charity, mindful of my responsibility to encourage my priests to remain faithful to the obligations of the clerical state. Because the attached Individual Specific Protocol has been established in dialog between **Father Vader** and the Vicar for Priests, I accept the provisions of this document, and urge **Father Vader** to fulfil them in accordance with the obedience he is to show to me as his ordinary (c. 273), and which he promised at his ordination.

Given in Chicago, Illinois on the 23rd day of May, 2003.

Dear Ms. McCluskey:

Accompanying this letter is a decree which appoints you as the investigator into an allegation of sexual misconduct with a minor that was made against **Rev. Anthony Vader**. The terms of this investigation are spelled out in the decree.

I ask that you report to me on a regular basis, but no less than quarterly, on Father Vader's compliance with this protocol. Dear Tony:

I am again writing to you to give you an update as to what is happening concerning the allegations of sexual misconduct with a minor which have been made against you. I am extremely grateful to you for your patience in this matter. As you know, the Dallas Charter required me to act quickly in cases involving allegations of clerical sexual misconduct with a minor to ensure that no priest with a credible accusation was engaged in public ministry. However, because the accompanying Norms had not been approved by the Holy See, I have not been able to act as quickly as I would have liked in getting your case resolved.

With the Norms having gone into effect on March 1, 2003, along with further instructions which came from the Holy See in February, we are now in a position to begin referring our cases to the Congregation for the Doctrine of the Faith. Before I make such a referral, I will gather any additional information that seems necessary and review the matter once again. I will then send your advocate a copy of the letter I will be sending to the Holy See, and allow him or her the opportunity to offer an opinion as well. I anticipate this being done by the middle of July.

To that end, I have delegated Ms. Leah McCluskey to review each of the cases to see if more information needs to be gathered. I have asked her to report back to me within one month so that I can make a determination about referring the case to the Congregation for the Doctrine of the Faith. According to the recommendation of the Canonical Affairs Committee of the United States Conference of Catholic Bishops, if the Congregation for the Doctrine of the Faith directs me to begin a penal trial, the judges to be used will not be priests serving in the Archdiocese of Chicago. They will be chosen from a list of priests who have been trained to hear cases of clerical sexual misconduct.

In referring your case to the Congregation for the Doctrine of the Faith, I will also consult with the Promoter of Justice and issue a decree which formalizes those things which I asked you to do for the good of the Church and under your promise of obedience to me. The imposition of this decree is required by Norm 6 of the Essential Norms established by the United States Conference of Catholic Bishops.

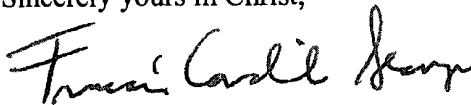

AOC 021322

I have also designated Ms. McCluskey as the person to ensure that the "monitoring protocol" which you signed is being followed. She will report to me and to the Professional Fitness Review Board concerning your compliance with this protocol. I have asked that she perform this function personally, with the Vicar for Priests doing so in her absence. This will ensure the confidentiality and professionalism of this monitoring.

The protocols which you sign from time to time are not to be considered as penalties imposed on you. Instead, they are ways in which I exercise my responsibility to ensure that you fulfill the obligations which you received when you were ordained. I am establishing these protocols as individual precepts, which canon 49 describes as "a decree which directly and legitimately enjoins [you] to do or omit something, especially in order to urge the observance of law." You will receive a copy of my precept at the same time you receive a copy of your protocol.

I hope this clarifies the process somewhat for you. I am grateful that we can finally begin a process for the resolution of your case. I know this has been a very difficult period of time for you in your priesthood. You have always been in my prayers during this time. I ask that you continue to keep me in yours.

Sincerely yours in Christ,

Dear [REDACTED],

I've received your letter, filled with dismay about the accusations against Father Tony Vader. I am grateful that you wrote to say how your life has been touched so deeply by Fr. Vader.

I share your dismay, because Father Vader has been a generous and exemplary priest. God has used him to do much good. However, there is always the possibility that even very good people can do something seriously wrong. The Review Board, which received the accusation, deliberated long and hard before judging that there is reasonable cause to believe the accuser's story. The accusation was not lightly made, and the Board's judgement on it has to be taken very seriously. The policy now is to remove a priest from active ministry while the accusation is submitted to the canonical trial process. I would like to believe that this next step will bring forth evidence to show that Fr. Vader can return to ministry.

In the meantime, I hope you will continue to support Father Vader, especially with your prayers. This is a tragic situation for all concerned, and it fills everyone with sadness. Thank you for writing and for your life of faith. You are in my prayers; please keep me in yours.

Sincerely yours in Christ,

Dear Ms. McCluskey:

As you know, I wrote to you on May 15, 2003 about my concerns that there may have been a serious misidentification in the matters of Father Vader and also Father Hefferan.

I have attempted to examine the files of Reverend [REDACTED] to determine when he was ordained, when he was assigned to certain parishes, particularly Holy Cross and Infant Jesus of Prague. I wish to determine whether there is any information relevant to his knowledge or interaction with young women at these or other parishes. I wish to learn of his relationships and interaction with other parish priests, who may now be interviewed as to whether they remember information relevant to my investigation. I wish to examine Father [REDACTED]'s relationship to the work of Domen Delacado (phonetic spelling) and Father [REDACTED]'s work with young children.

I wish to obtain photographs of Father [REDACTED], Father Anthony Vader and Father John Hefferan from the relevant times relating to the accusations, i.e. the mid 1950's to the mid 1960's.

I believe there is a very strong possibility that one priest may be mistaken for another in a parish setting, particularly by very young parishioners. I experienced this myself in my ministry at St. Agatha Church during the late 1960's. I followed a very popular priest in my assignment. For several years young (and not so young) parishioners referred to me as "Father Mallette." I am sure to this day many of them would still identify me by that name.

Despite my concerns, I have been unable to conduct my investigation. Officials of the Archdiocese have denied access to records of Father [REDACTED]. I believe due process requires a

complete investigation of this matter. I have been assured by John O'Malley of the Archdiocese legal department that you will conduct an investigation and share all information with me. I will await your communication as soon as possible.

I call your attention to the fact that there are at least two priests named [REDACTED] who were ordained in the early 1950's. I am aware that one is deceased. I believe he is the subject of concern. However, I could not be certain of this without examining the files of both men.

Best wishes.

Dear [REDACTED]:

Cardinal George received your letter of April 16 and has asked me to respond to your question about the situation involving Father Vader.

I can understand the pain you must feel over the accusations that were made against Father Vader. I have worked with Father Vader personally over the years, and I, too, was saddened to hear of what has transpired.

At the present time, the Archdiocese is still in the preliminary stage with regard to Father Vader's case. That is, an accusation was made which at least seems to warrant further investigation. The Archdiocese is in the process of conducting that investigation. Because the events took place so long ago, this takes longer than it might have taken if the accusation were about something which took place recently. Those who are doing the investigation need to make sure that they have looked into every possible area with regard to the accusation. The passage of time makes the investigation more difficult, but not impossible.

In my experience here in the Archdiocese and in dealing with this issue across the country, I have found that the people who have accused priests of sexual misconduct are very sincere, and often very troubled, people. They sincerely believe that such abuse took place, and they have presented evidence to the Archdiocesan Fitness Review Board that persuaded the nine members that the matter needs to be looked into further.

The Archdiocese is now in the process of doing that. However, we have to follow the Church's procedural laws in this matter. These laws require that a preliminary investigation take place to determine if the facts and circumstances warrant further action by the Cardinal. If so, he must report this to the Congregation for the Doctrine of the Faith in Rome to ask permission to conduct a trial to see if the accusation is true. If the Congregation for the Doctrine of the Faith gives Cardinal George permission, a trial will take place according to the procedural laws in the Code of Canon Law. This will be handled by the Metropolitan Tribunal, although judges will be brought in from other dioceses so that no Archdiocesan priest will be sitting in judgement over another Archdiocesan priest.

In the meantime, until the issue is resolved, Father Vader has been asked to refrain from exercising public ministry. He has agreed to this and has also agreed to live in a monitored setting. While this is a very painful time for him – and also for the Archdiocese because of Father Vader's many years of service – it is something that the Archdiocese is required to do, according to the laws which have been approved for the United States by the Holy Father.

The Archdiocese will try to move Father Vader's case along as quickly as possible. However, we have to proceed deliberately and according to law in these matters. In my twenty-one years of experience as a tribunal judge, I have found that trials which are hastily done often overlook the weightier issues of justice and the right of defense.

If the accusations against Father Vader ultimately prove to be untrue, then he will be restored to ministry again. However much people may wish the accusations to be untrue, though, it is only by taking all parties seriously in these matters, and by following the procedural laws of the Church which are designed to get at the truth, that we can come to a decision which is truly just.

I can assure you that the Archdiocese does not like to ask priests to remove themselves from ministry. The needs of God's people are so great that we need all the priests we can get. However, if a priest is suspected of harming God's people in any way, we also have to take that seriously. If the accusations prove true, the priest must face the consequences of his actions.

I hope this clarifies things somewhat for you. I encourage you to continue to pray for Father Vader, for his accusers, and for all of us who have to administer the laws of the Church in this matter.

Sincerely yours in Christ,

(Rev.) Patrick R. Lagges
Judicial Vicar

DRAFT
FOR REVIEW
OFF

July , 2003

(address)

Dear ,

I write in response to the letter you sent me last April, in which you express your concerns about the status and health of Fr. Anthony Vader since his removal as Pastor Emeritus of Holy Name of Mary Parish and Sacred Heart Mission. Like many of Fr. Vader's friends and former parishioners, you are worried about Father's health, anxious for the canonical trial process to begin, and hopeful that he could be transferred to a location in the south suburbs.

~~Please be assured that~~ We are in the process of preparing to hold canonical trials. By the end of this month, Fr. Vader's case will be among those referred to the Congregation of the Doctrine of the Faith in Rome. If this Congregation grants permission to hold a trial, it will be conducted by our Metropolitan Tribunal, the Archdiocesan "court" that is ready to accept such cases. Fr. Vader will be informed of the process of having his case heard, as well as about his right to an appeal. In the interest of fairness, the judges who hear these cases will be brought in from other dioceses, so that no Archdiocesan priest will ever sit in judgment over another. The Archdiocese is seeking to move this process along as quickly as possible. However, it is most important that we proceed with care, so that the rights of all involved are respected and a truly just decision can be reached.

Until this case has been resolved, our Archdiocesan policies, written in accordance with the USCCB *Charter for the Protection of Children and Young People*, require Fr. Vader to refrain from the exercise of public ministry. He has agreed to do so, and has also agreed to live in the monitored setting we provide in Mundelein. Fr. Jim Kaczorowski, our Vicar for Priests, has met with Fr. Vader on several occasions and stays in contact with him. Fr. Vader's freedom to contact Fr. Kaczorowski has not been restricted.

I hope this clarifies some of the questions you have raised about Fr. Vader's status. The decision to ask a priest to remove himself from ministry is always a painful one for a priest, for his bishop, and for all the members of the Body of Christ whom he serves. I appreciate the way you are supporting Fr. Vader with your prayers. Please continue to pray for him, as well as for his accuser, for me, and for our entire Church.

Sincerely yours in Christ,

Francis Cardinal George, OMI
Archbishop of Chicago

Dear Jim and Leah:

I will leave for my vacation on July 8 and I plan to be gone for two weeks until July 22.

My vacation will be spent in [REDACTED], Colorado a small town in the Rockies where my grandfather homesteaded in 1881. Now the town is filled with Vaders.

I will stay with [REDACTED] whose telephone number is [REDACTED]. I can also be reached through St. Peter Church in [REDACTED] and whose phone number should be in the Catholic Directory.

There will be a family reunion for the Vader family as well as Cattlemens Days with the rodeo and stock show. The Vader family will be at the whole program and [REDACTED] will be the program directors.

Sorry to be late in informing you, but I had forgotten the days for my leaving. I had to call United Airlines and they told me it will be next week.

Hope to see you on my return and finish up this case.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note in response to your letter of June 23, 2003, regarding the matter of **Reverend Anthony Vader**, a retired priest of the Archdiocese of Chicago who is no longer engaged in active ministry, and the allegation made by [REDACTED], following the Second Stage Review conducted by the Review Board on June 21, 2003.

In light of the Board's consideration of the matter, his current living situation and monitoring protocols are to continue. However, I ask that you conduct a Supplementary Review of this matter to investigate more thoroughly the possibility of mistaken identity.

Thank you for your assistance in this matter.

Sincerely yours in Christ,

Re: Vader, Anthony

Date: July 6, 2003

PRA, Fr. James Kaczorowski [Vicar for Priests], and Fr. Daniel Smilanic [Promoter of Justice, Delegate to the Cardinal] met with Fr. Anthony Vader on June 20, 2003 to review Fr. Vader's new monitoring protocols. PRA also gave Fr. Vader a copy of the most recent *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry*.

PRA informed Fr. Vader that copies of all of the monitoring information that he received today would be overnighted to his canonical advocate, Sr. Francine Quillin. PRA requested that Fr. Vader discuss the information with Sr. Quillin and then provide PRA with a signed copy indicating his agreement to abide by the aforementioned protocols within 10 days. Fr. Vader was extremely cooperative and agreed to PRA's request.

Re: Vader, Anthony

Date: July 8, 2003

PRA contacted Fr. Anthony Vader via phone on July 7, 2003 regarding the allegations of sexual misconduct of minors made against him. In regards to Fr. Vader's claim that there has been a case of mistaken identity in the aforementioned matters, PRA engaged Fr. Vader in a discussion regarding Fr. [REDACTED]. Fr. Vader was assigned to Holy Cross with Fr. [REDACTED] from 1960-1962. As per Fr. Vader, a former Holy Cross student by the name of [REDACTED] disclosed to Fr. Vader that Fr. [REDACTED] had taken her to a hotel in Indiana when she was a minor. When asked by PRA if anything had occurred between Fr. [REDACTED] and [REDACTED], Fr. Vader stated that the two had "sexual relations." As per Fr. Vader, [REDACTED] disclosed this information to him either when he was assigned to Holy Cross [1952-1964] or St. Laurence [1964-1968].

As per Fr. Vader, [REDACTED] "and her girlfriends" would go to Holy Cross to visit with Fr. [REDACTED]. Fr. Vader inferred that he and his attorney Patrick Reardon have been searching for [REDACTED] as well as her "close friend" [REDACTED] in connection with this matter. In an attempt to locate [REDACTED], Fr. Vader stated that he and Mr. Reardon have learned that [REDACTED] has a brother by the name of [REDACTED] who is a [REDACTED]. However, Fr. Vader stated that there are several [more than 10] "[REDACTED]" who work for [REDACTED].

Fr. Vader was thanked for the information and had been informed earlier in the conversation that PRA and Fr. Daniel Smilanic, Promoter of Justice, have been investigating the possibility of he [Fr. Vader] being mistaken for Fr. [REDACTED] by the alleged victims.

Dear [REDACTED],

I write in response to the letter you sent me last April, in which you express your concerns about the status and health of Fr. Anthony Vader since his removal as Pastor Emeritus of Holy Name of Mary Parish and Sacred Heart Mission. Like many of Fr. Vader's friends and former parishioners, you are worried about Father's health, anxious for the canonical trial process to begin, and hopeful that he could be transferred to a location in the south suburbs.

We are in the process of preparing to hold canonical trials. By the end of this month, Fr. Vader's case will be among those referred to the Congregation of the Doctrine of the Faith in Rome. If this Congregation grants permission to hold a trial, it will be conducted by our Metropolitan Tribunal, the Archdiocesan "court" that is ready to accept such cases. Fr. Vader will be informed of the process of having his case heard, as well as about his right to an appeal. In the interest of fairness, the judges who hear these cases will be brought in from other dioceses, so that no Archdiocesan priest will ever sit in judgment over another. The Archdiocese is seeking to move this process along as quickly as possible. However, it is most important that we proceed with care, so that the rights of all involved are respected and a truly just decision can be reached.

Until this case has been resolved, our Archdiocesan policies, written in accordance with the USCCB *Charter for the Protection of Children and Young People*, require Fr. Vader to refrain from the exercise of public ministry. He has agreed to do so, and has also agreed to live in the monitored setting we provide in Mundelein. Fr. Jim Kaczorowski, our Vicar for Priests, has met with Fr. Vader on several occasions and stays in contact with him. Fr. Vader's freedom to contact Fr. Kaczorowski has not been restricted.

I hope this clarifies some of the questions you have raised about Fr. Vader's status. The decision to ask a priest to remove himself from ministry is always a painful one for a priest, for his bishop, and for all the members of the Body of Christ whom he serves. This is especially painful in the case of Fr. Vader, who has done so much good for so many people often overlooked by others. I appreciate the way you are supporting Fr. Vader with your prayers. Please continue to pray for him, as well as for his accuser, for me, and for our entire Church.

Sincerely yours in Christ,

Re: Vader, Anthony/ [REDACTED]

Date: July 18, 2003

PRA spoke with [REDACTED] via phone regarding the status of her allegation of sexual misconduct against Fr. Anthony Vader. [REDACTED] asked PRA if her attorney had contacted the office on her behalf. PRA informed [REDACTED] that her attorney had called earlier in the week and was given the requested information regarding [REDACTED].

[REDACTED] then asked about the postponement of the Second Stage Review of her allegation against Fr. Vader. She was informed that a letter was being sent to her today regarding the Board's recommendations from June 21, 2003 and the Cardinal's request that PRA investigate additional information that Fr. Vader and his attorney have presented. At her request, [REDACTED] was informed that the "additional information" was the possibility that she had mistaken Fr. Vader for another priest as her alleged abuser. [REDACTED] expressed her surprise and anger at the suggestion that she was not certain of Fr. Vader's identity. [REDACTED]

It was explained to [REDACTED] that PRA and the Promoter of Justice [Fr. Daniel Smilanic] have thoroughly investigated the additional information presented by Fr. Vader and his attorney regarding the possibility of "mistaken identity." PRA also informed [REDACTED] that this matter would be on the Review Board's agenda scheduled for August 16, 2003.

AOC 021383

██████████ thanked PRA for all of the work done in this office on her behalf. She also asked about Ralph Bonaccorsi from Assistance Ministry and asked that her greetings be extended to him.

PROFESSIONAL FITNESS REVIEW

Dear Ms. McCluskey,

This letter is in response to the copies of letters sent by fax in care of this office to my clients, Father Anthony Vader and Father John Hefferan, dated July 17, 2003, and received here today. In those letters you make reference to "recently acquired information" which you will present to the Professional Fitness Review Board on July 19, 2003. I must remind you that neither I nor my clients have been advised of this new information or been given a chance to investigate or respond to it. I have no idea what new information has been acquired, but I strongly submit that even the appearance of due process would require that information relevant to an accusation be shared with the accused.

I remind you of the letter I sent on June 10, 2003, requesting information relevant to the files of Reverend [REDACTED], now deceased. I enclose a copy of that letter. (I note that it bears the address of the Archdiocese rather than your office; however it was faxed to you directly on June 10.) In that letter I indicated my deep concern over misidentification. Despite this concern, I and my clients have been denied access to the relevant file material. I was assured by the lawyer for the Archdiocese that you would conduct an investigation and share the results with me. You and I spoke of this assurance by telephone at the time I sent the letter. I requested answers to several specific questions so that I could conduct follow-up interviews and investigation. Your July 17th letter is the first communication I have received indicating that any information has been obtained.

I requested photos of the parties relevant to the Vader inquiry. I have heard and received nothing. In the interim, I have acquired some of these photos through other means. If you do not have them, I can provide them upon request.

Sincerely,

Patrick G. Reardon

Dear Mr. Reardon,

This letter is in response to your letter to me dated July 18, 2003. I received the fax in the evening of July 18th.

The "recently acquired information" that you referenced from my letter to Fr. Anthony Vader dated July 17, 2003 was a direct reference to the information that you brought to my attention regarding the possibility that Fr. Vader was mistaken for another priest by his alleged victims. Contrary to your understanding, no "recently acquired information" was presented to the Review Board on July 19, 2003, as Fr. Vader's cases were not on the agenda. Fr. Daniel Smilanic, Promoter of Justice and myself have not yet finished our investigation of the aforementioned matter, however, upon the completion of our investigation you will be notified as we had previously discussed. Only after the investigation is complete and the information has been shared with you and Fr. Vader will this matter be placed on a Review Board agenda, the date of which you will be notified by Fr. Vader's Vicar for Priests, Fr. James Kaczorowski.

I appreciate your offer of sharing your photographs "of the parties relevant to the Vader inquiry." However, I have obtained copies of relevant photographs through records kept by the Archdiocese of Chicago.

If you have any questions or concerns in the future, I appreciate written notification, however, I remind you to feel free to contact me via phone at [312] 751-5205 as well.

Sincerely,

REPORT:

Investigation of the response of Rev. Anthony Vader to an allegation.

ARCHDIOCESE OF CHICAGO
PROFESSIONAL FITNESS REVIEW

In response to the allegation made against him, the accused has presented an explanation that he has been mistaken for another priest. In other words, the accused has stated that the one making the allegation has mistaken him for [REDACTED] '50 (deceased). The accused and [REDACTED] were assigned for a common period of time at Holy Cross parish (65th Street). Another accused and [REDACTED] were assigned for a common period of time at Infant Jesus of Prague (Flossmoor).

There are four anecdotal features that have surfaced. The first is that [REDACTED] was known as a 'womanizer'. The second is a report, attributed to Vader, that a woman came forward with the story that as an underage girl, she and [REDACTED] were sexually involved with each other, apparently while he was assigned to Holy Cross parish. The third is that he was married months after he left the priesthood. The fourth is that someone recently mistook the other accused priest for [REDACTED].

The first step was to examine the [REDACTED] file. There was nothing in the [REDACTED] file to indicate that he was ever involved in any misconduct with minors, nor that he was ever sexually involved with anyone.

[REDACTED]

The second step was to talk with those who had known him. This was done by Ms Leah McCluskey (PFRA) and the Rev. Daniel A. Smilanic (PJ).

The PJ interviewed a classmate who was ordained with [REDACTED]; he is a retired priest of the Archdiocese. He recalled that at their 'class meetings', he and [REDACTED] and another classmate always ended up talking in a corner: they did not want to participate in the gambling that characterized such gatherings. He recalled that [REDACTED] married following his resignation and that he was later divorced.

[REDACTED]

[REDACTED] He stated that he never knew of, nor heard of, any sexual misconduct on the part of [REDACTED], either with adults or underage individuals. He stated that he was surprised when he learned of [REDACTED]'s resignation. When asked directly, he stated that there was no resemblance between [REDACTED] and Vader, or the other accused priest.

The PJ interviewed a resigned priest of the Archdiocese who was ordained during the same era as [REDACTED]; the [REDACTED] file contains references to this resigned priest as a friend in the Instructions For Burial. He stated that [REDACTED] and [REDACTED] were friends, and became quite friendly during the period that both were moving out of the priesthood. He stated that he knew of no sexual involvement with anyone, and no questionable involvement with kids, on [REDACTED]'s part. He stated that he knew of no bizarre or unusual behavior. He said that [REDACTED]'s marriage lasted about 5 to 7 years. [REDACTED]

He stated that he never heard of [REDACTED] having psychological problems.

He recalled that another close friend would be [REDACTED], an ex-priest of the Archdiocese, if he is still alive: he was one of the founders of the ACP and went on to work at Notre Dame University. When asked directly, he stated that although he had never thought of it before, but there might be a slight resemblance between [REDACTED] and Vader; he emphatically stated that there was no resemblance between [REDACTED] and the other accused priest.

The PFRA spoke with another retired priest of the Archdiocese. He was assigned with [REDACTED] at Holy Cross. PFRA explained that [REDACTED]'s name had surfaced in connection with the investigation of allegations of sexual misconduct with minors made against other priests. PFRA asked the retired priest if he had any knowledge of issues with [REDACTED] concerning minors. He stated that he had never 'heard anything' regarding concerns with [REDACTED]'s behavior around or with minors. He recalled that [REDACTED] worked with adults, [REDACTED]

The PFRA spoke to another retired priest of the Archdiocese who is now living in California. In the 1970 the retired priest and [REDACTED] were assigned together at Our Lady of Grace. The PFRA asked him if he was aware of any questions or concerns regarding [REDACTED]'s interactions with minors and/or young females. He replies that he was extremely surprised with the questions asked regarding [REDACTED]. Further, he said that there was nothing he ever say that would have him question [REDACTED] and his interactions with minors or with young females.

The PFRA spoke with Fr. Thomas Tivy, the Vicar for Priests of the Archdiocese. From 1969 to 1970, [REDACTED] was assigned to Our Lady of Grace. Fr. Tivy grew up in Our Lady of Grace and was the pastor of the parish for a number of years, although neither of those periods of time were

at the same time as [REDACTED]'s assignment there. PFRA asked Fr. Tivy if he had any knowledge of issues with [REDACTED] concerning minors. Tivy stated that he never heard of any issues concerning the behavior of [REDACTED] with minors.

The PFRA spoke with the other accused priest about [REDACTED]'s reputation; it has been suggested that one who has brought an allegation against him mistook him for [REDACTED]. He and [REDACTED] had both been assigned to Infant Jesus of Prague, although apparently not simultaneous with the time when the alleged abuse took place. This priest stated that [REDACTED] was involved in all sorts of 'partying'. When asked to develop that statement, he expanded his recollections by observing [REDACTED] was 'partying' with nuns at their parish and not at Infant Jesus of Prague. This priest felt that [REDACTED] left because he wanted to marry, and he married an ex-nun. This priest also stated that [REDACTED] traveled on weekends to Indiana University for courses in Ethics. This priest asserted that on one occasion [REDACTED] accompanied 'Miss Mexico' from Mexico to Indiana University. The other accused priest stated that he and [REDACTED] were 'close in height' and 'less than one year apart in age'.

The PFRA employed the services of a private investigator to search for the woman with the story that she and [REDACTED] were sexually involved with each other. Vader had stated that the woman had a close female friend whose brother was a [REDACTED]. He provided the names of the women as best he could recall. The investigator could find no trace of the woman or her friend. The investigator reported that the name of the [REDACTED] brother did not match any name in the current or past [REDACTED] roster. He also looked into [REDACTED] and he could not find a match.

CONCLUSION: So far, other than Fr. Vader's statement about what someone else said to him, there does not seem to be any evidence of any sexual abuse of minors of the part of [REDACTED]. So far, the resemblance of [REDACTED] and Vader or the other accused priest is questionable. The recollections of the other accused priest do not skew with the details about [REDACTED] that have surfaced, and so it is hard to find much credibility in them.

All that remains is the photographic 'line up'.

From: Leah McCluskey, Professional Responsibility Administrator 

Re: Vader, Anthony

Date: August 8, 2003

A phone message was received on August 1, 2003 from [REDACTED], an investigator whose services were obtained by PRA to locate individuals identified by Fr. Anthony Vader in a past phone conversation [refer to memo dated July 8, 2003 in Fr. Vader's file].

As per Fr. Vader, a woman by the name of [REDACTED] had confided in him sometime between 1952 and 1968 that she had "sexual relations" with Fr. [REDACTED]. Fr. Vader and his attorney Patrick Reardon have suggested that the individuals who allege sexual misconduct against Fr. Vader have mistaken him for Fr. [REDACTED]. Fr. Vader provided PRA with [REDACTED] name, along with that of a close childhood friend by the name of [REDACTED]. Fr. Vader informed PRA that "we [he and Mr. Reardon]" had been attempting to locate the women through [REDACTED] brother [REDACTED], who as per Fr. Vader is a [REDACTED].

Mr. [REDACTED]'s message to PRA stated that through his investigations, there is "no such person" by the name of [REDACTED] who is a [REDACTED]. Further, Mr. [REDACTED] determined that there is no civilian by the name of [REDACTED] who is employed by [REDACTED]. Also as a result of his investigation, Mr. [REDACTED] determined that there is no former [REDACTED] by the name of [REDACTED] who is a [REDACTED] employee.

Second Stage Reviews

B. In the Matter of Anthony Vader [Withdrawn 2002] – PFR-137

The Review Board conducted a Second Stage Review regarding the allegation of [REDACTED] [REDACTED]. The claim is as follows: Fr. Vader fondled [REDACTED] under her clothes; Fr. Vader also instructed [REDACTED] to expose herself to him.

In a unanimous 7-0 vote [two Board members needed to leave the meeting], the Board recommended to uphold their First and Second Stage Review recommendations that there is reasonable cause to suspect that the alleged misconduct occurred. The Board also recommended that there is no evidence to uphold the possibility that Fr. Vader was mistaken for another priest by [REDACTED] as her alleged abuser. Further, the Board recommended that Fr. Vader's withdrawal from ministry continue and that restrictions and monitoring be imposed in accord with Archdiocesan policies and procedures.

FINAL REPORT:

Investigation of the response of Rev. Anthony Vader to an allegation.

In response to the allegation made against him, the accused has presented an explanation that he has been mistaken for another priest. In other words, the accused has stated that the one making the allegation has mistaken him for [REDACTED] '50 (deceased). The accused and [REDACTED] were assigned for a common period of time at Holy Cross parish (65th Street). Another accused and [REDACTED] were assigned for a common period of time at Infant Jesus of Prague (Flossmoor). In response to this explanation, the Professional Fitness Review Administrator (PFRA) and the Promoter of Justice (PJ) are conducting an investigation.

There are four anecdotal features that have surfaced. The first is that [REDACTED] was known as a 'womanizer'. The second is a report, attributed to Vader, that a woman came forward with the story that as an underage girl, she and [REDACTED] were sexually involved with each other, apparently while he was assigned to Holy Cross parish. The third is that he was married months after he left the priesthood. The fourth is that someone recently mistook the other accused priest for [REDACTED].

The first step was to examine the [REDACTED] file. There was nothing in the [REDACTED] file to indicate that he was ever involved in any misconduct with minors, nor that he was ever sexually involved with anyone.

The second step was to talk with those who had known him. This was done by the PFRA and the PJ.

The PJ interviewed the Rev. [REDACTED], who was ordained with [REDACTED]; he is a retired priest of the Archdiocese. He recalled that at their 'class meetings', he and [REDACTED] and another classmate always ended up talking in a corner: they did not want to participate in the gambling that characterized such gatherings. He recalled that [REDACTED] married following his resignation and that he was later divorced. [REDACTED]

[REDACTED] Fr. Duggan stated that he never knew of, nor heard of, any sexual misconduct on the part of [REDACTED], either with adults or underage individuals. He stated that he was surprised when he learned of [REDACTED]'s resignation. When asked directly, he stated that there was no resemblance between [REDACTED] and Vader, or the other accused priest.

The PJ interviewed [REDACTED], a resigned priest of the Archdiocese. [REDACTED] was ordained during the same era as [REDACTED], and the [REDACTED] file contains references to him as a friend in the Instructions For Burial. [REDACTED] stated that [REDACTED] and [REDACTED] were friends, and became quite friendly during the period that both were moving out of the priesthood. He stated that he knew of no sexual involvement with anyone, and no questionable involvement with kids, on [REDACTED]'s part. He stated that he knew of no bizarre or unusual behavior. He said that [REDACTED]'s marriage lasted about 5 to 7 years. [REDACTED]

He stated that he never heard of [REDACTED]

having psychological problems. [REDACTED]

He recalled that another close friend would be [REDACTED], an ex-priest of the Archdiocese, if he is still alive: he was one of the founders of the ACP and went on to work at Notre Dame University. When asked directly, he stated that he had never thought of it before, but there might be a slight resemblance between [REDACTED] and Vader; he emphatically stated that there was no resemblance between [REDACTED] and the other accused priest. [REDACTED]

The PFRA spoke with Msgr. [REDACTED], a retired priest of the Archdiocese. He was assigned with [REDACTED] at Holy Cross. PFRA explained that [REDACTED]'s name had surfaced in connection with the investigation of allegations of sexual misconduct with minors made against other [REDACTED]

priests. PFRA asked [REDACTED] if he had any knowledge of issues with [REDACTED] concerning minors. [REDACTED] stated that he had never 'heard anything' regarding concerns with [REDACTED]'s behavior around or with minors. He recalled that [REDACTED] worked with adults, [REDACTED]

The PFRA spoke to Fr. [REDACTED] ('56), another retired priest of the Archdiocese who is now living in California. In the 1970 [REDACTED] and [REDACTED] were assigned together at Our Lady of Grace. The PFRA asked him if he was aware of any questions or concerns regarding [REDACTED]'s interactions with minors and/or young females. He replies that he was extremely surprised with the questions asked regarding [REDACTED]. Further, he said that there was nothing he ever say that would have him question [REDACTED] and his interactions with minors or with young females.

The PFRA spoke with Fr. Thomas Tivy, the Vicar for Priests of the Archdiocese. From 1969 to 1970, [REDACTED] was assigned to Our Lady of Grace. Fr. Tivy grew up in Our Lady of Grace and was the pastor of the parish for a number of years, although neither of those periods of time were at the same time as [REDACTED]'s assignment there. PFRA asked Fr. Tivy if he had any knowledge of issues with [REDACTED] concerning minors. Tivy stated that he never heard of any issues concerning the behavior of [REDACTED] with minors.

The PFRA spoke with the other accused priest about [REDACTED]'s reputation; it has been suggested that one who has brought an allegation against him mistook him for [REDACTED]. He and [REDACTED] had both been assigned to Infant Jesus of Prague, although apparently not simultaneous with the time when the alleged abuse took place. This priest stated that [REDACTED] was involved in all sorts of 'partying'. When asked to develop that statement, he expanded his recollections by observing [REDACTED] was 'partying' with nuns at their parish and not at Infant Jesus of Prague. This priest felt that [REDACTED] left because he wanted to marry, and he married an ex-nun. This priest also stated that [REDACTED] traveled on weekends to Indiana University for courses in Ethics. This priest asserted that on one occasion [REDACTED] accompanied 'Miss Mexico' from Mexico to Indiana University. The other accused priest stated that he and [REDACTED] were 'close in height' and 'less than one year apart in age'.

The PFRA employed the services of a private investigator to search for the woman with the story that she and [REDACTED] were sexually involved with each other. Vader had stated that the woman had a close female friend whose brother was a [REDACTED]. He provided the names of the women as best he could recall. The investigator could find no trace of the woman or her friend. The investigator reported that the name of the [REDACTED] brother did not match any name in the current or past [REDACTED] roster. He also looked into past [REDACTED], and he could not find a match.

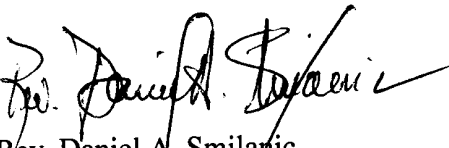

Fr. [REDACTED] was not contacted because of his age.

Pursuant to the 'photographic line-up', when the question of a mistaken identity was presented to the ones bringing the allegation, they were incredulous. They reminded the PFRA that they had confronted Vader ten years earlier about the abuse, and they knew very well what his physical appearance is.

A redacted copy of the Interim report was given to Vader's civil attorney; the names of the priests who were interviewed were removed so that their privacy would be respected. If his attorney is able to present new information, the Professional Responsibility Review Board could decide to conduct a Supplementary Review.

CONCLUSION:

Other than Fr. Vader's statement about what someone else said to him, there does not seem to be any evidence of any sexual abuse of minors of the part of [REDACTED]. So far, the resemblance of [REDACTED] and Vader or the other accused priest is questionable. The recollections of the other accused priest do not skew with the details about [REDACTED] that have surfaced, and so it is hard to find much credibility in them.

Dear Cardinal George,

As the Auditor whom you appointed in accord with Canon 1717 to conduct a Preliminary Investigation into the allegations of sexual abuse of minors that have been made against the Rev. Anthony Vader, a priest of the Archdiocese of Chicago, I would like to inform you that the investigation has been completed.

As required by Canon 1718, a sufficient amount of material is now present for you to make a determination. I have examined the files of the investigations of the allegations of sexual misconduct with minors by Fr. Vader, and I have found them to be complete.

There is at least one allegation that was submitted to the Archdiocesan Professional Fitness Review Board in which the Board recommended to you that there is reasonable cause to suspect that the alleged misconduct did occur. Given the material gathered as the Board's instruction of the case, it is now necessary for you to determine if the elements meet the required standard of proof. The Board reported their finding to you after having discussed the evidence and the arguments in two formal sessions. As part of the procedure followed by the Board, Fr. Vader was read the allegations made against him and provided a response. With reference to his involvement in the instruction of the case, Fr. Vader had the advice of legal counsel.

I now submit this matter to your Eminence for a determination. It is my recommendation that the allegation of sexual misconduct with a minor against the Rev. Anthony Vader has the semblance of truth (*notitiam saltem verisimilem*) as required by Canon 1717 and Article 13 of the Procedural Norms *de gravioribus delictis*, and consequently the case should be sent to the Congregation for the Doctrine of the Faith.

There is at least one allegation of sexual misconduct against Fr. Vader. The Professional Fitness Review Board has been presented all allegations against Fr. Vader, and has reported to you the finding that the allegations provide reasonable cause to suspect that the alleged incidents of misconduct did occur. It is my recommendation that the

AOC 021421

aforementioned allegations have the semblance of truth (*notitiam saltem verisimilem*) as required by Canon Law. As a result, there is no additional information that needs to be gathered at this time regarding the allegations made against Fr. Vader.

If you have any questions or concerns, please contact me at 312 751-5205.

Sincerely,

Re: Vader, Anthony

Date: September 3, 2003

PRA and Fr. James Kaczorowski, Vicar for Priests met with Fr. Anthony Vader at the Cardinal Stritch Retreat House on July 29, 2003 regarding monitoring protocols.

It was explained to Fr. Vader that adjustments would be made to the Travel/Vacation Agreement form as well as the Daily Log form for clarification purposes. Adjusted forms will be provided to Fr. Vader and to his canonical advocate Sr. Francine Quillin. PRA also provided Fr. Vader with a copy of *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry*, which was promulgated on July 15, 2003. Fr. Vader was informed that a copy of the newly promulgated policies and procedures would be mailed to Sr. Francine as well.

Fr. Vader informed PRA and Fr. Kaczorowski that Sr. Francine wrote comments on his behalf in response to the monitoring protocols, which PRA would receive by July 29, 2003. He stated that Sr. Francine is against the protocols and her reasons will be provided to PRA.

When asked if he had any specific concerns and/or comments regarding the Monitoring Protocols, Fr. Vader did have some feedback. Fr. Vader shared his concerns with the Daily Log forms, stating that they are unclear and spoke of their need to be amended. PRA informed Fr. Vader that amendments were to be made to all of the monitoring forms and that amended forms would be forwarded to him and Sr. Francine.

Fr. Vader verbally agreed to adhere to the amended monitoring protocols.

From: Leah McCluskey, Professional Responsibility Administrator

Re: Vader, Anthony

Date: September 5, 2003

PRA received a return phone call from Fr. Anthony Vader today regarding his Travel/Vacation Agreement received by this office on September 3, 2003.

PRA expressed appreciation for forwarding the information regarding his upcoming trip to Yellowstone National Park [September 7-September 19, 2003]. However, when PRA asked Fr. Vader who would be acting as his monitor while on the trip, Fr. Vader stated that he would be traveling with another priest [who is also under monitoring] and no one else. PRA informed Fr. Vader that he and the other priest whom he plans to travel with would need to have an adult with them to act as their monitor either while they are traveling or when they reach their destination.

Fr. Vader informed PRA that he would speak with the other priest who he has planned the trip with and will call again.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note of August 20, 2003 in response to your letter of August 18, 2003, regarding the matter of **Reverend Anthony Vader**, a retired priest of the Archdiocese of Chicago who is no longer exercising public ministry, and the allegations of sexual misconduct that were made against him by [REDACTED]. I understand that another review of Father Vader's case was conducted at my request to see if there was the possibility of mistaken identity as had been claimed. This further review was conducted by the Review Board on August 16, 2003.

I accept the Review Board's recommendation that there is no evidence which suggests that [REDACTED] was mistaken in her identification of Father Vader as the priest she alleges sexually abused her.

I wish to thank you for investigating this matter further, and the members of the Review Board for their serious deliberations concerning my request.

Victim Statement Abstract:

This abstract replaces a memorandum to file from Leah McCluskey, Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, dated September 16, 2003, summarizing a meeting with Victim KE's attorney to inform him of the process of formalizing Victim KE's allegation of sexual abuse against Fr. Anthony Vader. According to the summary, Victim KE's attorney alleged that Victim KE was abused by Fr. Vader at Holy Cross parish in the early 1960s, when Victim KE was approximately 10-11 years old, and that a classmate of Victim KE was also abused. Additionally, Victim KE's attorney requested that Fr. Vader be told not to contact Victim KE's elderly father.

Dear Fr. Vader,

Enclosed you will find documentation regarding the monitoring protocols.

The monitoring protocols have been changed somewhat. This was done principally in order to put into a standard written form, arrangements that had been made orally and/or on an individual basis. It was felt that by committing as much as possible to a written form, misunderstandings could be reduced and communication would be facilitated. These changes reflect the feedback provided by all those involved in the monitoring program, including those who are subject to it. The enclosed forms contain the adjustments made to the monitoring forms that were provided to you in July of 2003. All those involved in monitoring will be receiving a copy of the new forms.

All of the information enclosed as well as a copy of this letter and a copy of the policies and procedures, *1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry* promulgated on July 15, 2003 has been forwarded to your canonical advocate, Sr. Francine Quillin, PBVM, JCL.

As you agreed orally to comply with the earlier form of the monitoring protocols, I ask that you indicate to me your oral agreement to these.

In designing a form that addresses so many different, complex situations, one or another points may be unclear. If you have any question or concerns, please contact me at [312] 751-5205.

Sincerely,

INDIVIDUAL SPECIFIC PROTOCOL
For

Anthony Vader

The Individual Specific Protocols (ISP) implement the primary goal of protecting minors and the integrity of the Church. Additionally, the ISP serves as a safeguard for the individual priest/deacon with regard to the possibility of subsequent allegations. As long as the cleric is a client of the Office of Professional Responsibility, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Professional Responsibility Administrator (PRA); please refer to protocol number 15.

This ISP for Anthony Vader is as follows (PRA to initial all that apply):

1. ☒ Restricted from being alone with minors (anyone under the age of 18) without the presence of another responsible adult.

2.

3.

4. ☒ The "Clergy Daily Log" to be completed on a daily basis and co-signed by the monitor. The log is a tool that is used for the protection of minors, the priest/deacon, the monitor and the Archdiocese. Although it lists all time periods, it is to be intended to provide an accurate record of the day rather than a detailed clock. If you are describing an off-campus activity, please include the place, the general purpose of the visit/trip/activity (e.g. Spiritual Direction, therapy), and the telephone number only if it is a private residence. (For example, it is enough to indicate that you did personal shopping rather than the name, location and telephone number of each individual store.) If your self-description is challenged, some documentation/verification may be requested. The monitor will return the log forms at the end of each month to PRA.

5. ☒ Abide by the restriction of residence to Cardinal Stritch Retreat House

6. ☒ No inappropriate use of computers, software, Internet capabilities, communications tools or technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* will apply.
7. ☒ Must complete and submit the "Travel/Vacation Agreement" to PRA prior to a scheduled departure.
8. ☒ Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
9. ☒ No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. ☒ Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. ☒ The right of defense must not involve the public life of the Church.
12. ☒ On-site visits by PRA annually to include meeting with PRA and the cleric.
13. ☒ On-site visits by Vicar for Priests (VP) annually to include a meeting with VP and the cleric.
14. ☒ This ISP is to be reviewed annually with PRA, VP, and the cleric.
15. Because the private celebration of the Eucharist is possible, during the course of each week one of the Masses celebrated is to be for the intention of the priests of the Archdiocese of Chicago.
16. Any change or alteration to this agreement will involve consultation with the cleric, his monitor, the PRA, and the VP. The cleric, his monitor, the PRA, or the VP can initiate the discussion for change or alteration, and at the discretion of any of the parties, his legal and/or canonical counsel may be involved.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Signed: _____ Date: _____

Printed Name: _____

Signature of PRA: [Signature] Date: 9/17/03

Signature of VP: [Signature] Date: 9/18/03

A copy of this Protocol will be kept on file in the Office of Professional Responsibility and on file in the Office of the Vicar for Priests.

His Eminence Francis Cardinal George, O.M.I.
Archdiocesan Pastoral Center
Chicago, IL 60690

Your Eminence:

During this past week Father James Kaczorowski called me about two issues which he said you had asked him. I would like to go further into an explanation on these issues.

First of all, it was reported to you that I had molested a lady (who was then a teen-ager) and the name was [REDACTED]. I DENY the accusation. The [REDACTED] family was in my first parish (Holy Cross on 65th Street) and I knew the [REDACTED] family. They had a beautiful home on [REDACTED] and I visited there on my annual census calls. We were all friends.

Some years later I got a call from [REDACTED] that her daughter [REDACTED] was [REDACTED]. I revisited the girl there but I did not touch her.

[REDACTED] I left the girl after prayer and did not hear from the family again until the mother died and I was asked to come to her funeral. I obliged them but the principal celebrant was another priest who has since left the ministry.

[REDACTED] I have not seen nor heard from the family since. My first news about them was the telephone call from Father Kaczorowski.

I presume that the young lady (now a middle aged lady) is still [REDACTED]. While visiting her she told me of [REDACTED]. I presume that she allowed these thoughts to affect her and she associated them with me.

The second charge was that I had celebrated public Mass. I do not know if this means at Sacred Heart Mission or Holy Name of Mary Church. However, I did not celebrate public Mass at either Church. At Sacred Heart Joe Kinane celebrates the 4:00 P.M. Mass on Saturday, and Father John Kret, O.S.A. celebrant at the 8:30 A.M. and 10:30 A.M. Mass. After everyone has left the Church, then I would celebrate my private Mass. The only exception was when a long-time member of Sacred Heart told me she had sought her brother for years and had just learned that he died ten years ago. She wanted to have a Mass to terminate the relationship between them and have prayer for his soul. This Mass was held on a Saturday morning and about forty people were there. It was a private Mass for we had no music or other signs of a public Mass. This is the only ceremony that could be considered as a public Mass. I celebrated the Mass for the consolation of this woman who now knew that she would not see her brother again.

Holy Name of Mary Church

If there are other charges, then I would like to be appraised of them. As you can tell from this letter, I am presuming what happened. ~~for~~ Father Kaczorowski did not have complete information.

I hope that this settles that issue. If not, then please let me know and I will try to give a further explanation. It might be better if someone with more information called.

I know that this is hard for you, for you have been so considerate of me. If you have more questions, then please have someone contact me.

Sincerely in Christ,

Anthony J. Vader

RE: Referral of case to Rome
DATE: 3 October, 2003

This is to inform you that on **2 October, 2003** Cardinal George has forwarded the case of **Reverend Anthony Vader** to the Congregation for the Doctrine of the Faith, asking for permission to conduct a penal trial in the Archdiocese of Chicago.

It is impossible to estimate when we will receive a response from the Holy See. Given the large number of cases that are being sent there from the United States, it will probably be at least several months before we hear anything.

If a penal trial is permitted, all the material in the case will be handed over the Promoter of Justice (Rev. William H. Woestman, O.M.I.), who will then petition the tribunal to hear the case. The judges assigned to the tribunal will be from outside the Archdiocese of Chicago. They will follow the normal judicial process specified in Book VII of the Code of Canon Law. (These are the same processes that are followed in marriage nullity cases.)

The two questions before the court will be: (1) Has the priest committed an act of sexual misconduct with a minor? (2) If so, in accordance with the Dallas Charter and Norms, shall he be dismissed from the clerical state?

If you have any further questions, please feel free to contact me.

Re: Vader, Anthony

Date: October 28, 2003

PRA received a copy of the attached September 19, 2003 letter from Rev. James Kaczorowski, Vicar for Priests written by Rev. Anthony Vader to the attention of Cardinal George.

In regards to Fr. Vader's concern regarding [REDACTED] to date [REDACTED] has yet to formalize her allegation with the Office of Professional Responsibility. Therefore he has not been presented with a formal allegation by PRA and nor has he been asked for a formal response. During a meeting that took place between [REDACTED], [REDACTED] and acting attorney, and PRA on September 12, 2003 [see memo dated September 16, 2003] he requested that Fr. Vader have no contact with the [REDACTED] Family, [REDACTED]. As per [REDACTED] and Fr. Vader had been friends in the past. As a result of [REDACTED] recent disclosure of the alleged abuse by Fr. Vader to the family, [REDACTED] specifically requested that Fr. Vader be instructed to have no contact with [REDACTED]. PRA then contacted Fr. Kaczorowski after the September 12, 2003 meeting and it was agreed that he would contact Fr. Vader to express [REDACTED] wishes.

In regards to Fr. Vader's statement that he did not celebrate a public mass, the fact remains that a memorial mass is considered to be a public mass. Due to the fact that Fr. Vader's faculties have been restricted as a result of his removal from ministry, he is unable to perform/celebrate a public ministry. Therefore, Fr. Vader did violate his monitoring protocols by celebrating the memorial mass he references in his September 19, 2003 letter to Cardinal George.

I am responding to Father Vader's communication to you dated September 19, 2003 regarding [REDACTED]. According to Leah McCluskey, [REDACTED] has yet to formalize her allegation with the Office of Professional Responsibility. Because of that, Father Vader has not been presented with a formal allegation by Leah McCluskey nor has he been asked for a formal response. During a meeting that took place between [REDACTED], [REDACTED] and acting attorney, and Leah McCluskey on September 12, 2003, [REDACTED] requested that Father Vader have no contact with the [REDACTED] Family, [REDACTED]. According to [REDACTED] and Father Vader had been friends in the past. Because of [REDACTED] recent disclosure of the alleged abuse by Father Vader to the family, [REDACTED] specifically requested that Father Vader be instructed to have no contact with [REDACTED]. After the September 12, 2003 meeting, Leah McCluskey informed me about the interaction of [REDACTED] and herself and it was agreed that I would contact Father Vader to express [REDACTED] wishes.

With respect to Father Vader's statement that he did not celebrate a public Mass, the fact remains that a memorial Mass is still considered a public service. Due to the fact that Father Vader's faculties have been restricted as a result of his removal from ministry, he is unable to perform or celebrate a public ministry. Consequently, Father Vader did violate his monitoring protocols by celebrating the memorial Mass to which he referred in his letter to you.

I trust the above account clarifies for you the situation regarding Father Vader. Should you have further questions, please feel free to contact me. God bless you in all you do.

Fr. Smilanic,

I did speak with Kaz. He asked that you "check with" Bishop Conway to ensure that the decree re: Vader's presence at the churches and the check writing are still to be drawn up and signed by FEG. I expressed my opinion that the decree still be presented to Vader, to which Kaz agreed.

Also, I wanted to remind you about a follow up letter written by FEG backing up what Kaz and I met with the guys about yesterday:

1. new ISP, Daily Logs, and Travel forms presented to them on 1/26/04
2. Men are to sign ISP and return to me no later than 3/31/04
3. If men do not sign ISP and/or do not adhere to protocols, the consequence will be the following: no salary, FEG will only provide room and board, car and health insurance, small monthly stipend

Kaz did bring up the point that those retired and over 70 do not have a salary and therefore, would not be affected by a salary reduction--would there then just be specific decrees written to fit any violation in protocol?

As for Vader and his trip, as per Kaz and the meeting with Vader and FEG this morning [I'll fill you in on details later], Vader provided FEG with more of an itinerary to the Philippines--I told Kaz we'd need names of Bishops and fax numbers so that a letter could be faxed to them letting them know of Vader's status here and his presence in their respective diocese [is that what it is called in the Philippines?]. Vader is leaving on Thursday, 1/29--I hate to ask, but would you have to write such a letter? Also, now that I think about it, would there be any language translations of such a letter necessary?

Whew. Sorry about the overflow of information. Hope your mother is doing well. I'll talk to you later.

MEMORANDUM

To: File - PFR-137

From: Leah McCluskey, Professional Responsibility Administrator 

Re: Vader, Rev. Anthony

Date: January 31, 2004

PRA and Rev. James T. Kaczorowski, Vicar for Priests met with Rev. Anthony Vader on January 26, 2004 at the Cardinal Stritch Retreat House. Fr. Kaczorowski had arranged the meeting with Fr. Vader so that the current monitoring protocols could be discussed.

PRA provided Fr. Vader with the current Individual Specific Monitoring Protocols, a Daily Log form, and a Travel/Vacation Agreement form. Fr. Vader was also informed that copies of the aforementioned forms would be forwarded to his canonical advocate, Sr. Francine Quillin, PBVM.

Fr. Vader informed PRA that his departure date for the Philippines has been moved up to Thursday, January 29th 2004 and he will not return until February 22, 2004. PRA referenced Fr. Vader's Travel/Vacation Agreement form received by the Office of Professional Responsibility the week of January 19 2004. Specifically, PRA requested the name of his travel monitor, as well as where he will be staying while in the Philippines and contact information. Fr. Vader informed PRA that he would be traveling throughout the Philippines and that he did not know where he would be staying. As for his monitor, Fr. Vader identified [REDACTED] as his travel monitor. In terms of contact information, Fr. Vader provided PRA with [REDACTED]'s phone number [REDACTED] and suggested that PRA contact her in the event that he needed to be reached. PRA asked Fr. Vader for a travel itinerary prior to his departure, to which he stated that he was "going on a medical mission" and that he did not know where he would be staying. PRA again requested that he provide an itinerary due to the fact that Cardinal George would be sending letters to the appropriate Bishops in the Philippines informing them of Fr. Vader's presence in their respective dioceses and of Fr. Vader's status in the Archdiocese of Chicago. Fr. Vader then informed PRA that he would be traveling to the following areas in the Philippines: Vigan, Ilocos Sur, Polangui Albay, and Ilo Ilo. He specified that when he is in Ilo Ilo, he will be staying at St. Vincent' Seminary. Fr. Kaczorowski then informed Fr. Vader that

he would not be able to perform any public ministry while he is in Philippines. Fr. Vader challenged that he would be able to perform "private ministry" while he was on the trip. Fr. Kaczorowski suggested that Fr. Vader discuss with Cardinal George the difference between public ministry and private ministry prior to his departure.

Fr. Kaczorowski then initiated conversation regarding Fr. Vader's frequent presence at Holy Name of Mary parish and Sacred Heart Mission. Fr. Vader agreed that he has been at both places, and spoke as if he were still in active ministry at both. As per Cardinal George, Fr. Kaczorowski asked Fr. Vader to cease going to the parish and the mission, where he [Fr. Vader] has been greeting people outside of the church and signing parish checks. Fr. Vader shared his concerns that he is doing nothing wrong by being there and that he certainly is able to sign "about 50 checks per month." He also expressed his feeling that it would be "inhumane" to forbid him from continuing such practices. PRA referenced the Individual Specific Protocols and explained to Fr. Vader that he is not to be presenting himself as a priest [while withdrawn], and that his presence and involvement at the aforementioned parishes most likely identifies himself as a priest to the parishioners. As the discussion continued, Fr. Vader compared his being assigned to African American parishes to Rev. John Calicott's assignment to Holy Angels and the media attention he had received over the past week. In referencing the ethnic make-up of his and Fr. Calicott's past parishes, Fr. Vader used the word "nigger" on more than one occasion. PRA finally asked Fr. Vader to not use the word again, due to it being offensive. Fr. Vader then explained, "Well, that is what black people call other black people who turn each other in." He continued, "No black person has ever made a [negative] call on me." PRA then reminded Fr. Vader that two African American women came forward to formalize their allegations of sexual misconduct against him, which has resulted in his subsequent withdrawal from public ministry until the completion of a canonical trial. Fr. Vader responded, "Okay. No *sane* black people have made calls on me."

As Fr. Vader continued to express his feelings that it is "inhumane" to forbid him to be present at Holy Name of Mary and Sacred Heart Mission, Fr. Kaczorowski assured him that he would bring such concerns to Cardinal George's attention.

Your Excellency,

This letter is to inform you of a priest of the Archdiocese of Chicago who is presently visiting in your country for an extended period of time and who should not publicly celebrate the Eucharist or engage in any ministerial activities.

The Rev. Anthony J. Vader, ordained in 1952, has been accused of sexual misconduct with minors. I conducted the Preliminary Investigation required by Canon 1717, and I found that the allegations have the semblance of truth. In accord with in Article 13 of the Procedural Norms of *Sacramentorum Sanctitatis Tutela* and the particular law of the United States Conference of Catholic Bishops identified as US Norm 6, I forwarded the case to the Congregation for the Doctrine of the Faith. I am presently awaiting their response to my request to conduct a penal trial of Fr. Vader. In order to ensure the safety of minors, our particular law also requires that I inform you of the presence of Fr. Vader among your faithful.

By means of a precept (Canon 49), until the canonical processes have been completed, I have directed Fr. Vader not to engage in any ministerial activity, not to wear any garb which would identify him as a priest (e.g., the 'clergy shirt', the Roman Collar), and not to celebrate or concelebrate a public Mass. I would ask you to share this warning with the bishops of your national Episcopal Conference and to inform the diocesan clergy of this prohibition.

If you or any Ordinary of your National Episcopal Conference have any questions about the status or situation of Fr. Vader, please contact one of the following persons. So that contact can be made quickly and immediately, I have provided their direct office telephone number.

ARCHDIOCESE OF CHICAGO

Office of the Archbishop

Post Office Box 1979
Chicago, Illinois 60690-1979

IN THE NAME OF THE MOST HOLY TRINITY. AMEN.

a) Considering that on October 21, 2002 and on November 4, 2002 I received allegations of sexual misconduct against the Rev. Anthony J. Vader, ordained to the priesthood for the Archdiocese of Chicago and incardinated as a cleric of the Archdiocese of Chicago, involving two females who were under sixteen years of age at the time of the alleged incidents;

b) Considering that on November 11, 2003, the Professional Responsibility Board of the Archdiocese of Chicago in a First Stage Review had found that the allegations of sexual misconduct with two minors against the Rev. Anthony J. Vader were credible, and that on January 23, 2003 I had accepted that finding;

c) Considering that after further investigation, on June 21, 2003, the Professional Responsibility Board in a Second Stage Review had found that there is reasonable cause to suspect that the alleged misconduct occurred, and that on July 3, 2003 I had accepted those determinations;

d) Considering that on August 16, 2003, the Professional Responsibility Board conducted a Supplementary Review of the allegations at my request and found that there was no evidence of mistaken identification and thus the earlier determination of the Board remains unchanged, which finding I accepted on September 13, 2003;

e) Given that on May 23, 2003 in accord with Canon 1717, I decreed the instruction of a canonical Preliminary Investigation of all the allegations of sexual abuse against minors which have been made against the Rev. Anthony J. Vader, given that on August 29, 2003 I accepted the findings of the Preliminary Investigation that the allegations did have the required semblance of truth, and given that on September 30, 2003 the matter was commended to the Congregation for the Doctrine of the Faith as required by US Norm 6 and Article 13 of the Procedural Norms of *Sacramentorum Sanctitatis Tutela*;

f) Given that also on May 23, 2003 in accord with Canon 49, I issued a precept which enjoined the Rev. Anthony J. Vader, among other things, not to exercise the rights of any ecclesiastical office and to observe the Individual Specific Protocol which in the practice of this Archdiocese secures his refraining from ministry until the canonical processes are completed;

g) Given that once the Congregation for the Doctrine of the Faith has been notified, the US Norm 6 enjoins the Ordinary to apply the precautionary measures mentioned in Canon 1722, which are to exclude the accused from the sacred ministry, from ecclesiastical office and function, to impose or forbid residence in some place or territory, and to prohibit public participation in the Most Holy Eucharist in order to prevent scandals, to protect the freedom of witnesses and to guard the course of justice;

h) Troubled by the credible reports that I have received concerning the continued presence of the Rev. Anthony J. Vader at Eucharistic celebrations at both Sacred Heart Mission and Holy Name of Mary parish, in the ecclesiastical residences associated with the mission and the parish and at other parish functions, and concerned about the credible reports that I have received about his presence at other pastoral, ecclesiastical and liturgical celebrations beyond Sacred Heart Mission and Holy Name of Mary parish;

i) Gravely concerned about the disruption of the pastoral care of the parishioners of Holy Name of Mary parish and the faithful who associate themselves with Sacred Heart Mission, about the scandal caused to the faithful of the Archdiocese of Chicago, about the diminishment of the credibility of the Church before the general population of this metropolitan area,

j) Heedful that the Rev. Anthony J. Vader has been admonished about his deportment which implies ministry, as well as about his questionable compliance with the Individual Specific Protocols, by my Vicar for Clergy, the Rev. James Kaczorowski, and by the Professional Responsibility Review Board Administrator, Ms. Leah McCluskey MSW, LCSW, and thus the Rev. Anthony J. Vader has been lawfully cited;

k) Observing that I have consulted the Promoter of Justice, the Rev. Daniel A. Smilanic JCD in this matter;

l) Having come to the determination that it is of a pressing necessity to prevent scandal, as well as for his own security, that the Rev. Anthony J. Vader not be physically present in Holy Name of Mary parish or at Sacred Heart Mission, or involve himself in any activity which might have any appearance of public ministry;

m) Conscious that I have provided for the canonical maintenance and sustenance of the Rev. Anthony J. Vader at Koenig Hall of the Cardinal Stritch Retreat House in Mundelein, Illinois in accord with Canons 281 and 1350;

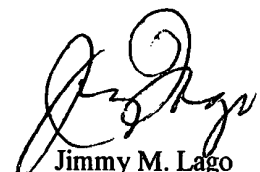

I, Francis Cardinal George, O.M.I., by the grace of God and the Apostolic See Archbishop of Chicago, invoke Canon 1722 and

do hereby forbid the Rev. Anthony J. Vader, a priest ordained for and incardinated as a cleric of the Archdiocese of Chicago, from being present in any way at any time on the property of Sacred Heart Mission in Chicago, from being present in any way at any time within the canonical territorial boundaries of Holy Name of Mary parish in Chicago, from attending any Eucharist celebrated in the Sacred Heart Mission or in the Holy Name of Mary Church, and I further forbid him from engaging in any behavior which might imply, suggest, infer or simulate sacred ministry in any ecclesiastical jurisdiction, and I further forbid him from presiding or concelebrating at the public celebration of the Eucharist, as well as providing pastoral care in any form to the faithful until the canonical processes directed by the Congregation for the Doctrine of the Faith are completed.

This decree is effective immediately. I direct that this decree be communicated without delay to the Rev. Anthony J. Vader, to his Canonical Advocate and to his Civil Legal Counsel.

This is a draft of the letter. Will be back in office on Fri @ 1:00. If it is OK, will get it signed.

This letter is to inform you of a priest of the Archdiocese of Chicago who will be visiting in the territory of your country for an extended period of time and who should not publicly celebrate the Eucharist or engage in any ministerial activities.

The Rev. Anthony J. Vader, ordained in 1952, has been accused of sexual misconduct with minors. I conducted the Preliminary Investigation required by Canon 1717, and I found that the allegations have the semblance of truth. In accord with in Article 13 of the Procedural Norms of *Sacramentorum Sanctitatis Tutela* and the particular law of the United States Conference of Catholic Bishops identified as US Norm 6, I forwarded the case to the Congregation for the Doctrine of the Faith. I am presently awaiting their response to my request to conduct a penal trial of Fr. Vader. In order to ensure the safety of minors, our particular law also requires that I inform you of the presence of Fr. Vader among your faithful.

By means of a precept (Canon 49), until the canonical processes have been completed, I have directed Fr. Vader not to engage in any ministerial activity, not to wear any garb which would identify him as a priest (e.g., the 'clergy shirt', the Roman Collar), and not to celebrate or concelebrate a public Mass.

If you or any Ordinary of your National Episcopal Conference have any questions about the status or situation of Fr. Vader, please contact one of the following persons. So that contact can be made quickly and immediately, I have provided their direct office telephone number.

Our office represents [REDACTED] with respect to a claim of childhood sexual abuse by Fr. Anthony Vader, which began in approximately 1958 when [REDACTED] was twelve or thirteen years old. Our office represents victims of clergy childhood sexual abuse throughout the country. It is our policy to advise the Diocese or Archdiocese who we believe maintained ecclesiastical jurisdiction over the alleged perpetrator at the time, of the claim before filing a lawsuit. Our expectation is that we and the Diocese or Archdiocese will attempt to reach a mutually amicable resolution of the claim without the need to file a lawsuit. More often than not, this has been the case.

Accordingly, I am providing you with the details of my clients claim, as I know it. We will send, under separate cover, a short DVD presentation where you will have an opportunity to observe [REDACTED] as she tells you her story in her own words. You should have that presentation in the next week.

[REDACTED] was born [REDACTED] in Chicago, Illinois [REDACTED]

In an effort to seek help for the abuse [REDACTED] suffered, [REDACTED] notified the Archdiocese of Chicago of the abuse. The Professional Responsibility Review Board interviewed [REDACTED] and conducted an investigation into the [REDACTED]'s allegations of sexual abuse. The Professional Responsibility Review Board made a final determination at their August 16, 2003 meeting, that "there is reasonable cause to suspect that the alleged misconduct occurred. Further, the Board recommended that there is no evidence to uphold the possibility that you ([REDACTED]) mistakenly identified Anthony Vader as your alleged abuser." A copy the Boards September letter is attached hereto. [REDACTED]

Our firm is part of a rather small network of lawyers around the country who represent victims of clergy childhood sexual abuse. We try to keep close tabs on how cases are being handled by the various dioceses and archdioceses around the country. We are aware that the Archdiocese of Chicago has resolved many similar cases with Jeff Anderson, Esq. and other attorneys in Illinois and elsewhere. There is some history of settlement values to draw upon as guidance for a fair resolution of this case.

Dear Brothers in Christ:

First, thanks to all of you who shared with your parishioners a copy of my February 15 letter concerning the John Jay study in advance of that report's official release tomorrow. You will remember that there are actually two reports to be released tomorrow, both commissioned by the Bishops. The John Jay social science study will contain national statistics regarding both those abused and accused, as well as dollar amounts spent to respond to the crisis. The National Review Board report will provide a context for the John Jay data.

We have been asked to wait until the reports are officially released tomorrow to offer comment on them, when real figures and perspective become public. I am told that both reports will be available to be viewed by 10 a.m. Friday on the U.S. Conference of Catholic Bishops website (www.usccb.org, linked to our website at www.archchicago.org). I will meet with media tomorrow to respond to the reports in their entirety and at that time offer our own up-to-date figures for the Archdiocese of Chicago about allegations made against clergy because of sexual abuse of children and youth since 1950.

I am including in this fax an advance copy of a letter and attachment I would like you to share with your parishioners this weekend about the reports. *(A clean copy of this letter will be available to you to download on Friday morning from the archdiocesan website, www.archchicago.org, in English, Spanish, and Polish.)* We will share this same letter with news media at tomorrow's news conference.

We will also be initiating a new service to access information for the protection of minors and to assist those who may have been sexually abused by a priest. The service will allow self-identified individuals, upon request, to receive appropriate information, already made public in another forum, regarding whether there has been reason to suspect that a past or present priest of the Archdiocese of Chicago may have abused a minor. All those inquiring will receive a written response. For inquiries on 98% of archdiocesan priests, the information provided will simply include an ordination date and a description of a current assignment. It is likely that we will be asked to describe this service at the news conference.

I was grateful to learn that some parishes are planning prayer services to coincide with the release of the John Jay report, because surely the issues raised by it are matters to be brought to prayer. I understand, too, that other parishes are planning discussions in which the report can be further evaluated. Because the release of this study could reopen some wounds among our people -- particularly among those who may have been abused -- I encourage you to have on hand contact information about how allegations of clergy sexual abuse can be reported.

No other group has faced the scrutiny involved in this type of study, and I know that this cannot be an easy time for you amidst the attention focused on the data that this report will contain. Yet, you are the "face" of the Church within your parish communities, in times both easy and hard. So many of you have told me of the kindness of your parishioners who have expressed their personal support for your priestly ministry – and, like you, I take great comfort from this support.

My prayer for you today is the same one I pray for myself: that in our intentions and in our actions, we might be worthy of the trust placed in us by Jesus Christ and by those whom we serve in his name and with his authority. Thank you for your life and ministry as priests in the Archdiocese of Chicago. Please keep me in your prayers.

Fraternally yours in Christ,

Francis Cardinal George, O.M.I.

February 27, 2004

Dear Brothers and Sisters in Christ:

Today the John Jay College of Criminal Justice in New York City released a nationwide social science research study, commissioned by the U.S. Bishops, on clerical sexual abuse of minors. The John Jay Study is a quantitative analysis based on confidential data gathered from almost every diocese, eparchy, and religious order in the U.S. on sexual abuse of minors by Catholic clergy from 1950 to 2002. The data will be crucial in searching for the causes of clerical sexual abuse and in preventing it in the future. This is the study's purpose. A report by the National Review Board providing context for the John Jay data will also be released today.

Officials of the Archdiocese have already published basic data in two reports covering the periods 1950 to 1992 and 1993 to 2002. This information has been updated through December 31, 2003, and is shown on the attached information sheet.

Archdiocesan records reflect that 2,513 archdiocesan priests served in the Archdiocese of Chicago between 1950 and 2003. The Archdiocese has found reason to suspect that, during these 53 years, sexual misconduct with a minor occurred in 142 cases involving 55 Archdiocesan priests, about 2 percent of archdiocesan priests. Of the 55 priests, 13 are deceased, 22 have resigned from the priesthood and 20 are withdrawn from ministry. None is engaged in any public ministry. All cases have been reported to the public authorities.

Money spent because of clerical sexual abuse includes \$26.9 million for victim assistance, settlements and support in the period 1950-2003. Beginning in 1992, the year the Bernardin Commission established procedures for dealing with clerical sexual misconduct, through December 21, 2003, \$5.9 million was spent for treatment and monitoring of priests, and \$5.9 million for legal expenses. Of the \$5.9 million spent on legal fees, \$1.3 million was spent to defend a priest and a school principal judged to be innocent by a civil jury.

The Archdiocese of Chicago, complying with the definition of "allegation" supplied by the John Jay Study, reported for the study all recorded notifications of clerical sexual misconduct with minors, whether or not they resulted in any investigation or whether there was reasonable cause to suspect abuse had occurred.

Since 1992, the Archdiocese of Chicago has addressed allegations of abuse of minors and promoted healing of victims through an Assistance Ministry office, an independent Review Board, and a regular process for reporting abuse allegations to the civil authorities and the public. More recently, the Archdiocese created an Office for the Protection of Children and Youth. It oversees child abuse training programs and background screenings of over

50,000 employees and volunteers. These measures have allowed us to reach out to victims and parish communities, to create safe environments for children and to remove from ministry any priest for whom there was reasonable cause to suspect that sexual misconduct with a minor had occurred. All of these initiatives will continue in our seminaries, schools, parishes and ministry offices.

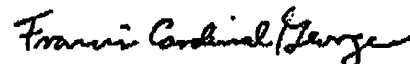

The bishops of the United States have kept the promises they made during and following their June, 2002, Dallas meeting. All offending priests have been removed from ministry; an independent study was undertaken to understand the extent and causes of clerical misconduct; and policies and procedures have been put in place in every diocese in the United States to deal with abuse allegations, to insure the safety of children and to communicate openly with the public. Most important of all, the care of victims has been formalized and will remain high on the agenda of the Church.

The publication of these results reminds us that some priests betrayed the trust placed in them by Christ, by the children He loves, and by families. Church leaders who failed to act on their behalf only added to the harm done. I again sincerely apologize to the victims and to their families for the anguish they have endured. I offer once again an invitation to anyone who has experienced sexual abuse by a priest or deacon to bring this information to our attention by contacting the Office of Professional Responsibility at 1-800-994-6200.

The consequences of these failures have deeply affected the entire Catholic community. I know that many of you are angered and embarrassed, as am I. We can learn from the transgressions of the past, however, and make as sure as we can that no other child or young person goes through what those who have been victims continue to suffer.

You are always in my prayers. Please keep me in yours.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.

On March 8, 2004, PRA and Rev. James T. Kaczorowski, Vicar for Priests spoke with Rev. James E. Flynn, pastor of Holy Name of Mary regarding Rev. Anthony Vader.

Fr. Kaczorowski informed Fr. Flynn of the existing Decree forbidding Fr. Vader's presence at either Holy Name of Mary or Sacred Heart mission. Fr. Fr. Flynn informed Fr. Kaczorowski and PRA that he would take Fr. Vader off of the books as per the Cardinal. When asked by Fr. Flynn, he was informed that Fr. Kaczorowski and PRA were to meet with Fr. Vader on March 12, 2004 to discuss these violations of his monitoring protocol and decree. Fr. Flynn informed Fr. Kaczorowski and PRA that he would speak with Fr. Vader on Friday evening to reiterate that he [Fr. On March 8, 2004, PRA and Rev. James T. Kaczorowski, Vicar for Priests spoke with Bishop Joseph Perry, Episcopal Vicar of Vicariate VI, regarding reports that Rev. Anthony Vader has violated the Decree forbidding his presence at Holy Name of Mary parish and Sacred Heart mission. Further, Fr. Kaczorowski informed Bishop Perry that Fr. Vader continues to write checks on the Holy Name of Mary bank account.

Fr. Kaczorowski informed Bishop Perry that if Fr. Vader continues to disregard the decree, Cardinal George might choose to exercise his right to pursue civil legal action and have Fr. Vader arrested for trespassing. Bishop Perry thanked Fr. Kaczorowski and PRA for the information and stated that he would contact Rev. James E. Flynn, pastor of Holy Name of Mary. As per Bishop Perry, he stated that he would inform Fr. Flynn that Fr. Vader is not to be present at either Holy Name of Mary or Sacred Heart and that Fr. Dear Father Vader,

I would like to take this opportunity to inform you that the Most Reverend Raymond E. Goedert will assume the responsibilities of interim monitor at the Cardinal Stritch Retreat House, Koenig Hall, effective Tuesday, March 16, 2004. While he serves in this capacity, Bishop Goedert will reside at the retreat house. I am deeply grateful to him for accepting this responsibility at the present time. As this transition occurs, I also wish to thank Father Anthony Talarico for having served in the capacity of monitor for the past two or more years while, at the same time, performing his primary duties of administrator at the retreat house.

Sometime within the next two weeks, Bishop Goedert, Father Jim Kaczorowski, my Vicar for Priests, and Ms. Leah McCluskey, Professional Responsibility Administrator, will meet with the residents at Koenig Hall as a group and review the contents of the protocol. We are also inviting Father Talarico and Father Siedlecki to be present for this meeting since there will be occasions when they will function as monitor in Bishop Goedert's absence.

I am sorry this process is taking so much longer than I believed and expected it would. I want to assure you of my prayers for you. Likewise, I ask that you pray for me. May this season of Lent be a time of special blessing for you.

Sincerely, yours in Christ,

Anthony Vader, which has not already been barred by the statute of limitations applicable to [REDACTED]'s claim, shall be tolled as of March 15, 2004, which is the date that you first requested such tolling. This tolling agreement shall last until December 15, 2004 (the period from March 15, 2004 until December 15, 2004 is the "Tolling Period"). Please be sure to understand that we only represent the Catholic Bishop and that we do not speak for or represent the accused priest.

Notwithstanding the foregoing, either party may terminate this Agreement by giving written notice of termination of this Agreement to the other party by certified mail, return receipt requested. The termination of this Agreement shall take effect thirty (30) days from the date the written notice is deposited with the United States Postal Service by the notifying party.

Apart from this specific tolling, the Catholic Bishop reserves all of its defenses, including that of the statute of limitations, against any claims [REDACTED] may have against the Catholic Bishop.

Nothing in this Agreement shall be deemed, construed or otherwise interpreted as an admission by any Party of the existence or validity of any claim by either party against the other

ARCHDIOCESE OF CHICAGO

TO: Cardinal George
FROM: Bishop Goedert *RG*
RE: Father Vader
DATE: April 20, 2004

You had asked me to speak to Tony Vader about the report you received that he had been celebrating Masses on the occasion of his meetings on Sundays with members of the Filipino community. Tony acknowledged without hesitation that he did occasionally offer Mass as part of the Holy Hour. He said the Masses were always celebrated in peoples' homes, never in churches. He considered that to be "private" celebration, not "public".

I told Tony that I would consider such Masses to be public and, therefore, in violation of the directives he had received. I asked him to write up the matter for your consideration. Enclosed is his letter.

I also asked Tony about his wearing the collar. Kaz had told me that he received reports that Tony was wearing the collar at the opera, etc. Kaz asked me to question Tony on this matter. Tony's letter to you covers that point as well.

I am sending Kaz a copy of Tony's letter and this memo, as it might be necessary to spell out for Tony exactly what is expected of him regarding these two issues.

Cc Rev. James Kaczorowski, Vicar for Priests

P.S. I am enclosing Tony's letter on another issue-namely, whether or not he can go to the Beth Eden Baptist Church for the pastor's anniversary celebration. He would be expected to be garbed in cassock and surplice. I presume you or Kaz will respond to Tony's request.

Re: Rev. Anthony Vader

Your Eminence, you requested my opinion regarding Father Tony Vader's invitation to attend Rev. Dr. Craig M. Jenkins' anniversary celebration at Beth Eden Baptist Church on May 2, 2004. Since three misconduct allegations in the black community have been received concerning Father Vader, two of which were accepted as having reasonable cause to suspect their occurrence, I have grave reservations of Tony attending the aforementioned public celebration. He is expected to be attired in cassock and surplice which would certainly identify him as a cleric. From my perspective, it would point Tony out as a clerical participant in the celebration. Furthermore, it is possible that this event may be written up in the parish newsletter, or in a neighborhood newspaper, accompanied by pictures of the event mentioning names of clerics present for the celebration.

I spoke with Leah McCluskey who agrees with the above rationale for Father Vader not appearing in clerical garb. I sense that if Tony is given the least bit of leeway, he has a tendency to extend it far beyond the limits.

Your Eminence, thank you for your consideration in this matter. God bless you in all you do for us and the Archdiocese.

Dear Fr. Vader,

I am writing this letter in regards to your Daily Log Forms that were forwarded to me by Bishop Goedert and received on April 20, 2004.

While reviewing your logs, I noted that you were at Sacred Heart and Holy Name of Mary on April 11, 2004 to pick up your mail. As both Fr. Kaczorowski and I have discussed with you in the recent past, the Decree signed by Cardinal George forbids you to be present at either of the aforementioned parishes. If you are in need of assistance to determine how to have your mail from Sacred Heart and Holy Name of Mary forwarded to you, I suggest that you contact either Fr. Victim Statement Abstract:

This abstract replaces a memorandum to file prepared by Leah McCluskey, Administrator for the Archdiocese of Chicago's Office of Professional Responsibility, dated April 27, 2004, summarizing Victim KE's allegation of sexual abuse by Fr. Anthony Vader. According to the summary, Victim KE alleged that she was abused by Fr. Vader at Holy Cross parish in the early 1960s, when Victim KE was approximately 10-11 years old. The abuse occurred multiple times over a period of approximately six months to a year and consisted of kissing and fondling over and under the clothes. Victim KE also alleged that she witnessed Fr. Vader abusing another girl at the time of Victim KE's abuse and that she was told by a third party in approximately 1990 that Fr. Vader had engaged in sexual intercourse with a minor. Victim KE alleged that she told Fr. [REDACTED] in 1993 about her abuse by Fr. Vader, but did not follow his advice and report the abuse.

Victim KE also provided an addendum to the summary with additional details of Victim KE's interactions with Fr. Vader and Victim KE's disclosure of her abuse to a friend at a family event in the early 1980s.

Date of Meeting: May 24, 2004 Time of Meeting: 2:30pm

Present at Meeting

Mr. Patrick Reardon, civil attorney for Fr. Vader
Sr. Francine Quillin, canonical advocate for Fr. Vader
Ms. Leah McCluskey, Professional Responsibility Administrator [PRA]
Rev. James T. Kaczorowski, Vicar for Priests

Face to Face Meeting

Mr. Patrick Reardon and Rev. Anthony Vader were in the waiting area of the Vicar for Priests office upon PRA's arrival. Rev. James T. Kaczorowski invited all into the conference room in the Vicar for Priests office, where Sr. Francine Quillin was available for the meeting via speakerphone.

Prior to beginning the meeting, PRA presented Fr. Vader and Mr. Reardon with copies of [REDACTED] allegation of sexual misconduct against Fr. Vader. It was agreed that PRA would forward a copy of the allegation to Sr. Francine.

After introductions were made, Fr. Vader and Sr. Francine accepted PRA's offer to explain the responsibilities of PRA and the Office of Professional Responsibility. PRA also provided both with a brief explanation concerning the Review Board process regarding matters of allegations of sexual misconduct. PRA agreed to forward Sr. Francine a copy of *§1100 Sexual Abuse of Minors: Policies for Education, Prevention, Assistance to Victims and Procedures for Determination of Fitness for Ministry*.

AOC 021542

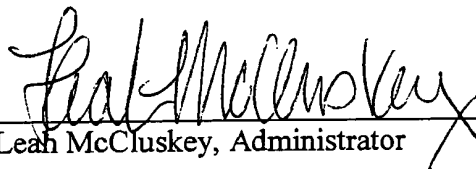

PRA then read to Fr. Vader the entire allegation made against him by [REDACTED]. Upon the conclusion of the allegation being read, Mr. Reardon asked that he, Fr. Vader, and Sr. Francine be able to talk without PRA and Fr. Kaczorowski present in the room. PRA and Fr. Kaczorowski left the conference room until invited back in by Mr. Reardon after approximately 10 minutes.

Mr. Reardon offered a "general, absolute denial" on behalf of Fr. Vader in response to [REDACTED] allegation. He added that if there were any additional information obtained that there would be a written response forwarded to PRA. When prompted by Mr. Reardon, Fr. Vader then responded to [REDACTED] allegation by stating that he "denies everything [in the allegation] that has to do with sex." Fr. Vader denied any fondling, touching, or any sexual relations as alleged by [REDACTED].

Fr. Vader reviewed this report and his signature is a statement of agreement of the accuracy of what he said is documented in this report. PRA and Fr. Kaczorowski met with Fr. Vader, Mr. Reardon, and Sr. Francine [via speakerphone] at the Vicar for Priests Office for approximately 45 minutes.

Having received the recommendation of the Archdiocesan Professional Responsibility Review Board that information at least seems to be true that Reverend Anthony Vader engaged in sexual misconduct with [REDACTED] a minor, I have concluded that this constitutes information which "at least seems to be true" (c. 1717).

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to Reverend Anthony Vader.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint Ms. Leah McCluskey to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm Father Vader's name or to violate his right to protect his privacy.

After she has concluded her investigation, Ms. McCluskey is to make a written and oral report to me and to the Professional Responsibility Review Board, no later than one hundred eighty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense.

I apologize for the fact that I have just come across these signed mandates, and realized that evidently I never sent them to you. I don't know how many copies you need for the various files there, but I had three originals done at the time.

Hopefully it helps to senate the files!

Thank you for all the work you do, and for your gracious efforts at keeping all of us informed about these cases as things arise. It is a very big responsibility, but you shoulder it well.

Dear [REDACTED],

Thank you for sharing your good memories and experiences of Father Anthony Vader. I am sure you are aware that over the last few years the Church clearly stated that our children should never be at risk regarding sexual misconduct. Father Vader has been withdrawn from active ministry due to the fact that there is at least one substantial allegation of sexual misconduct leveled against him. Until the canonical process is completed, I cannot share with you Father Vader's future status and possible return to active ministry.

Let us please pray for all victims who were abused by our clergy as children, as well as their families, so that healing may continue to occur. I regret that I am not able to relay better news to you concerning Father Vader. In the meantime, let us remember him in prayer.

God bless you and your family.

Sincerely yours in Christ,

Francis Cardinal George, O.M.I.

OFFICE OF PROFESSIONAL RESPONSIBILITY (312) 751-5205
ARCHDIOCESE OF CHICAGO
 This is a red ink stamp. **INDIVIDUAL SPECIFIC PROTOCOLS**
DO NOT COPY For
Rev. Anthony Vader

The Individual Specific Protocols (ISP) implement the primary goal of protecting minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office of Professional Responsibility, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Professional Responsibility Administrator (PRA); please refer to protocol number 15. The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Anthony Vader is as follows (PRA to initial all that apply):

1. ☒ Restricted from being alone with minors (anyone under the age of 18) without the presence of another responsible adult.

2.

3.

4. ☒ The "Clergy Daily Log" to be completed on a daily basis and co-signed by the monitor. The log is a tool that is used for the protection of minors, the priest/deacon, the monitor and the Archdiocese. Although it lists all time periods, it is intended to provide an accurate record of the day rather than a detailed clock. If you are describing an off-campus activity, please include the place, the general purpose of the visit/trip/activity (e.g. Spiritual Direction, therapy), and the telephone number only if it is a private residence. (For example, it is enough to indicate that you did personal shopping rather than the name, location and telephone number of each individual store.) If your self-description is challenged, some documentation/verification may be requested.

5. ☒ Abide by the assignment of residence to Cardinal Stritch
Retreat House

6. ☒ No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* will apply.
7. ☒ Must complete and submit the "Travel/Vacation Agreement", and obtain concurrence with the Agreement, prior to a scheduled departure.
8. 
9. ☒ No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. ☒ Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. ☒ The right of defense must not involve the public life of the Church.
12. ☒ On-site visits by PRA annually to include meeting with PRA and the cleric.
13. ☒ On-site visits by Vicar for Priests (VP) annually to include a meeting with VP and the cleric.
14. ☒ This ISP is to be reviewed annually with PRA, VP, and the cleric.
15. Because the private celebration of the Eucharist is possible, during the course of each week one of the Masses celebrated is to be for the intention of the priests of the Archdiocese of Chicago.
16. Any change or alteration to this agreement will involve consultation with the cleric, his monitor, the PRA, and the VP. The cleric, his monitor, the PRA, or the VP can initiate the discussion for change or alteration, and at the discretion of any of the parties, his legal and/or canonical counsel may be involved.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Re: Monitoring

Date: November 30, 2004

PRA and Rev. James T. Kaczorowski, Vicar for Priests traveled to the Cardinal Stritch Retreat House on November 29, 2004 and met with Rev. Edward Siedlecki. Fr. Siedlecki resides at the Retreat House.

Due to the fact that Rev. Anthony Talarico will be on vacation from November 29, 2004 through December 10, 2004, he will be unable to fulfill his duties as on-site monitor for those men who have been withdrawn from active ministry as a result of allegations of sexual misconduct. Fr. Kaczorowski and PRA met with Fr. Siedlecki to ask if he would agree to act as on-site monitor while Fr. Talarico is on vacation.

Fr. Siedlecki stated that he would act as monitor in Fr. Talarico's absence. PRA then went over the duties of on-site monitor with Fr. Siedlecki at his own request. Fr. Siedlecki was also agreeable to contacting Fr. Kaczorowski and/or PRA in the event of any of his awareness of any clear disregard/violation of the stated monitoring protocols.

Fr. Siedlecki shared with Fr. Kaczorowski and PRA his own current medical issues. It was agreed that in the event that Fr. Siedlecki would not be able to fulfill the role as monitor due to a medical emergency, he will contact either Fr. Kaczorowski or PRA.

Dear Fr. Vader,

I am writing this letter in regards to the Travel/Vacation Notification form that you sent to my attention and that I received on December 10, 2004.

Dear Ms. Leah McCluskey:

With regard to my travel/vacation notification, I filled it out as the form requested. Now I find out that you want more information, which I will try to give you.

[REDACTED] live at [REDACTED] in Makati City, Philippines. The telephone numbers are [REDACTED] and [REDACTED]. The fax is [REDACTED].

If you did not know, Makati is a suburb of Manila. When I first went to the Philippines, Makati was a series of rice fields. Now it is the Business center of the nation.

I will be with the [REDACTED] family on both my travel to the Philippines. We will fly together both ways. We will leave Chicago on January 1, 2005 and return to Chicago on March 31, 2005. They have accepted the responsibility for me while in the Philippines.

I do not plan to travel in the Philippines at this time. I may go to Real, in the Quezon Province to bring some of the money the Filipino community has given me to assist all those families who lost homes, family members, possessions, etc. during the recent land slides as noted in the US newspapers. Other than that I will enjoy the warmth of Manila until we return to Chicago on March 31, 2005. The trip to Real is a one day trip. [REDACTED] will be with me or know where I am on such a trip.

I answered all the questions on the travel/vacations form, but apparently these did not satisfy. If more information is needed, then perhaps I can assist you in rewriting the Travel Notification. Please let me know what help you need.

Blessed and Merry Christmas.

PRA spoke with Ms. Yvonne Gillie-Wallace, DCFS investigator via phone on June 22, 2006. The phone call began discussion a different matter. Ms. Gillie-Wallace then expressed her need to speak with PRA about "other pending cases."

Ms. Gillie-Wallace referred to DCFS investigator Artis Cook and their need to go out to "Mundelein." PRA informed Ms. Gillie-Wallace of her [PRA's] June 16th phone conversation with Ms. Gailyn Thomas of DCFS regarding the needs of the investigators. Ms. Gillie-Wallace was able to clarify that she was interested in the location of where the clerics withdrawn from the priesthood [for substantiated allegations of sexual misconduct] reside. PRA informed Ms. Gillie-Wallace that "Mundelein" is the location of St. Mary of the Lake Seminary and that the Cardinal Stritch Retreat House is on the seminary grounds. Ms. Gillie-Wallace was informed that the clerics she has spoken of reside at the Cardinal Stritch Retreat House. PRA spent much time attempting to explain the set up of St. Mary of the Lake Seminary in relation to the location of the Cardinal Stritch Retreat House. Ms. Gillie-Wallace did eventually express her understanding of the campus.

Ms. Gillie-Wallace then requested clarification for the addresses of the following clerics [which PRA provided]:

Dear Tony:

I have completed my review of the case of sexual misconduct with minors that has been pending against you. My decision is contained in the enclosed decree.

I have also sent a copy of this decree to your advocate, so you might want to discuss this with her.

Should you wish to appeal this decree, you may do so to the Congregation for the Doctrine of the Faith within the prescribed period of time. However, you will be expected to bear any of the expenses associated with that appeal.

I hope this will bring some conclusion to this matter which has been most difficult for both of us. Please be assured that you remain in my prayers; I ask that you keep me in yours.

THE FACTS.

Reverend Anthony Vader is a priest of the Archdiocese of Chicago who was ordained in 1952. He has served the Archdiocese in the following assignments: Parochial Vicar at Holy Cross Parish (1952-1964), St. Lawrence Parish (1964-1968) and Holy Name of Mary Parish (1968-1970); then as pastor of Holy Name of Mary Parish from 1970 until his retirement in 1997. At the present time, he is a retired priest of the Archdiocese of Chicago, residing at the Cardinal Stritch Retreat House.

There are three accusations of sexual misconduct against Father Vader. All three involve young women who accuse Father Vader of fondling them both above and underneath their clothing. Father Vader has denied all these accusations.

The matter was brought before the Professional Responsibility Review Board on two separate occasions for each allegation. Both times, the Review Board advised me that there was enough evidence present for further action to be taken. After the second recommendation, they advised me that they believed the matter ought to be referred to the Holy See, in accordance with the motu proprio *Sacramentorum Sanctitatis Tutela*. I referred this matter to the Holy See on 30 September, 2003, receiving a reply on 13 July, 2004 (P.N. 387/03 - 19660), dispensing from canonical prescription and instructing me to conduct an administrative penal process. I initiated this process on 26 August, 2004, entrusting its instruction to Reverend Patrick R. Lagges. All the evidence and proofs have been gathered. This consists of:

- o The allegations of [REDACTED]
- o The response of Father Vader to each of the accusations
- o The results of the Preliminary Investigation for each allegation
- o The results of the deliberation of the Review Board and my responses

Father Vader has been cited according to the norm of law. I had already accepted his previous mandate for Sister Francine Quillin to act as his advocate, with a dispensation from the Congregation for the Doctrine of the Faith. Sister Francine has reviewed the acts of this case and has been allowed to comment on them.

I have appointed two assessors in this case, in accordance with the prescriptions of the law and the directives of the Holy See. They have reviewed all the acts of the case and have presented me with their opinions.

I have carefully reviewed all the acts of the case and listened to the opinions of the Assessors. Having prayed for the guidance of the Holy Spirit, I have now come to a decision on the following matter:

Is **Father Anthony Vader** guilty of the delict described in c. 1395§2 (c. 2359§2 of the 1917 Code); namely sexual misconduct with a minor under the age of sixteen?
and
insofar as this is true, what penalty ought to be imposed?

THE LAW.

Every society which is organized in the world must establish rules that govern how its members are to behave and what to do when its members don't behave in that way. This is no less true of the Church. It is for this reason that c. 1311 states, "The Church has the innate and proper right to coerce offending members of the Christian faithful with penal sanctions."

However, the present Code, following upon the principle established by the bishops of the world that the number of automatic penalties should be reduced and only inflicted for the most serious reasons, recognized the wisdom of the Fathers of the Council of Trent who wrote, "Let Bishops and other Ordinaries bear in mind that they are pastors and not prosecutors and that they ought to preside over those subject to them so as not to lord it over them, but to love them as children and brethren and to strive by exhortation and admonition to deter them from what is unlawful, that they may not be obliged should [their subjects] transgress, to coerce them by due punishments.But if on account of the gravity of the offense there is need of the rod, then its rigor is to be tempered with gentleness, judgement with mercy, and severity with clemency, that discipline, so salutary and necessary for the people, may be preserved without harshness and they who are chastised may be corrected...." This was also enshrined in the 1917 Code of Canon Law as c. 2214§2.

The present Code also emphasized that the imposition of penalties is to come only as a last resort. Canon 1341 admonishes bishops and other ordinaries not to begin penal proceedings until they have exhausted all other means of repairing scandal, restoring justice, and reforming the offender.

There are some crimes, however, that are so heinous that their effects reverberate through the whole Church. In such cases, the Holy See intervenes to issue particular legislation to ensure the unity of the Church is not harmed by the action of individual.

Such is the case with clerical sexual abuse of minors. Canon 1395§2 states, "A cleric who in another way has committed an offense against the sixth commandment of the Decalogue, if the delict was committed by force or threats or publicly or with a minor below the age of sixteen years, is to be punished with just penalties, not excluding dismissal from the clerical state if the case so warrants." Recognizing the gravity of this offense, and the long term effects that this has upon the victim, the Holy See issued particular legislation for the United States in 1994, defining the offense as applicable to any person under the age of eighteen who was abused by a cleric. In 2001, this became the universal law of the Church with the promulgation of the *motu proprio*, *Sacramentorum sanctitatis tutela*. Further particular legislation in the United States, namely the *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons* has established dismissal from the clerical state as the

normal penalty to be imposed in cases where clerics have been found guilty of the delict of sexual abuse of minors.

Since c. 1342§2 prohibits the imposition of perpetual penalties by means of a decree, this would mean that normally a judicial trial would have to take place in order to impose the penalty prescribed by the *Essential Norms*. However, on 7 February, 2003, the Holy Father issued further legislation which granted to the Congregation for the Doctrine of the Faith the faculty to issue decrees of dismissal from the clerical state. It allowed the Particular Congress of the Congregation for the Doctrine of the Faith, in cases which are “grave and clear”, to allow some cases to “be treated under the summary process of can. 1720 by the Ordinary who, in case he is of the opinion that the accused should be dismissed from the clerical state, will ask the CDF to impose dismissal by decree.” This was a derogation from Article 17 of *Sacramentorum sanctitatis tutela*, which states, “The more grave delicts reserved to the Congregation for the Doctrine of the Faith may only be tried in a judicial process.”

In this particular case, the Particular Congress of the Congregation for the Doctrine of the Faith, in permitting this case to be handled according to the summary judicial process, also included the provision that the Particular Congress would also consider imposing “some other perpetual penalty” recommended by the Ordinary. The Congregation has also granted a dispensation from prescription in this matter (see P.N. 387/03 – 19660) so that the action has not been extinguished.

In determining whether a delict has been committed and a penalty ought to be imposed, the bishop must make three distinct decisions, according to cc. 1717-1720. First, he must decide whether there is some semblance of truth to the accusation (c. 1717). According to the *Essential Norms*, he is to seek the advice of a diocesan review board which is to be established as a consultative body in each diocese to assist the bishop in making determinations in various stages of the process.

Having made the decision that there is some semblance of truth to an accusation, the bishop must then conduct an inquiry either personally or through another in order to decide whether a further penal process is warranted in a case. In weighing the evidence presented from this investigation, the bishop must then decide whether further action is necessary in order to determine whether a delict has been committed and what penalty ought to be imposed.

According to *Sacramentorum sanctitatis tutela*, if he determines that further action is necessary, the bishop must refer the case to the Congregation for the Doctrine of the Faith (see Article 13), seeking further direction as to how to proceed. The Congregation will then direct the bishop to initiate a judicial trial, to initiate an administrative process, or to provide for a resolution of the case in some other administrative manner. In the most egregious cases, the Congregation has been granted the faculty to refer the case directly to the Holy Father for an *ex officio* dismissal from the clerical state.

In this particular case, the Congregation has directed me to proceed with an administrative penal process, according to c. 1720, and, if the case warrants the imposition of a perpetual penalty, to refer the matter back to the Congregation for its consideration of my decision and the imposition of a perpetual penalty if the Congregation feels it is so warranted.

Having taken the above into consideration,
having carefully weighed the evidence and the proofs,
having afforded the accused the right of defense through his legitimately mandated
Advocate,

having listened to the Reverend Promoter of Justice, and
having consulted two experts in the law who have served as Assessors,
I, Francis Cardinal George, O.M.I., Archbishop of Chicago,
having only God before my eyes,
and invoking the name of the Most Holy Trinity,
do hereby **declare, pronounce, and decree:**

Reverend **Anthony Vader** has been found guilty of the delict described in c. 1395§2 of the present Code; namely a sin against the sixth commandment of the Decalogue with a minor under the age of sixteen years of age. I have reached moral certitude that Father Vader has committed this delict by carefully weighing the evidence that has been presented, as well as the opinions of Father Vader's advocate and the two assessors. The difficulty in the case is that the accusers and the accused are trying to remember things that happened many years ago. It is to be expected that some of these memories may be inexact. But it has also been shown that in cases of childhood sexual abuse, although the details are often not precise, the fact that the child was abused is accurate. I find this to be the case with Father Vader's accusers.

Because of the seriousness of the offense, taking into account the circumstances of persons and things, and keeping foremost in my mind my obligation, enunciated by the *Charter for the Protection of Children and Young People*, to provide for the protection of children and young people in my diocese, I have determined that some canonical penalty is warranted in this case. I do not believe that the actions of Father Vader warrant dismissal from the clerical state.

However, because of the seriousness of the offense and the scandal that has resulted among the Christian faithful, I make the following provisions in this case:

Father Anthony Vader's faculties to minister as a priest of the Archdiocese are removed for a period of five years. At the end of that period of time, this decree will be reviewed to see if it must be renewed or can be revised. However, Father Vader is permitted to celebrate Mass alone in his room, with no one else present. He may also celebrate the Sacrament of Reconciliation and the Anointing of the Sick in danger of death only. Requests for other liturgical services must be directed to the Vicar for Priests.

Father Vader is enjoined from being present in any way at any time on the property of Sacred Heart Mission in Chicago and Holy Name of Mary parish in Chicago. He may not exercise any pastoral ministry for the faithful of either place and should not visit or stay within the territorial boundaries of Holy Name of Mary parish or among the faithful who attend Sacred Heart Mission. He must consult with the Vicar for Priests before traveling outside the Archdiocese of Chicago.

With regard to where Father Vader shall live, I hereby designate the Vicar for Priests and the Professional Responsibility Administrator to determine this matter in consultation with Father Vader.

Because he is a retired priest of the Archdiocese of Chicago, Father Vader will receive the normal benefits which are accorded to retired priests.

I also direct the Vicar for Priests, in conjunction with the Professional Responsibility Administrator, to work with Father Vader in determining a monitoring protocol which ought to include periodic meetings with the Vicar for Priests.

I also dispense Father Vader from the obligation to wear ecclesiastical garb (c. 284), and strongly urge that he not wear such attire. Furthermore, he is not to represent himself as a priest to those unknown to him nor to act as an agent of the Archdiocese of Chicago.

I further urge Father Vader to observe the prescriptions of canons 273 to 289 concerning the rights and obligations of clerics. That is, he is to show reverence and obedience to the Supreme Pontiff and to his Ordinary (c. 273); to unite himself with the presbyterate of Chicago and promote the mission of the laity (c. 275); to pursue holiness of life, especially by availing himself of daily prayer, monthly spiritual direction and an annual retreat; to pursue opportunities for continuing education (c. 279); to foster simplicity of life (c. 282); and to foster peace and harmony based on justice (c. 287).

I further urge Father Vader to refrain completely from all things which are unbecoming or foreign to the clerical state (c. 285) and which could bring further scandal upon the Church.

Most especially, because of his actions in the past, I remind Father Vader of his obligation to observe perfect and perpetual continence for the sake of the kingdom and to behave with due prudence toward persons who could endanger this obligation (c. 277).

This decision shall be made known to Father Vader and to his Advocate at the earliest possible moment, as well as their right to appeal any decision of the Congregation for the Doctrine of the Faith to the *feria quarta* of that same Congregation.

Given at Chicago, Illinois on the 22nd day of July, 2005.

Re: Vader, Rev. Anthony [Retired/Withdrawn]

Date: September 20, 2005

Cardinal Francis George, O.M.I., Rev. Patrick Lagges, Judicial Vicar, Revs. Edward Grace and Vincent Costello Vicars for Priests, and PRA traveled to the Cardinal Stritch Retreat House to meet with Rev. Anthony Vader on August 3, 2005. The meeting had been scheduled at the request of Cardinal George so that he could speak with Fr. Vader about the administrative penal process he was instructed to conduct by the Holy See (P.N. 387/03 – 19660)."

Cardinal George began the meeting with a prayer and then provided Fr. Vader with a copy of the aforementioned decree [see file].

Cardinal George informed Fr. Vader that this matter was referred to the Holy See on September 30, 2003 and that the response was received from the Holy See on July 13, 2004. The Cardinal also informed Fr. Vader that he has completed his review of the case of sexual misconduct with minors that has been pending against him. Cardinal George read over and summarized the decree and imposed penalties for Fr. Vader.

Cardinal George clarified for Fr. Vader that his Vicar for Priests is now Fr. Costello. The Cardinal also informed Fr. Vader that any requests for public ministry must be made to his Vicar for Priests. Further, Cardinal George informed Fr. Vader that he must consult with his Vicar for Priests when traveling outside of the Archdiocese of Chicago.

Fr. Vader stated his "argument" that he is not guilty of the allegations made against him. He then told Cardinal George that he wants to go to Sacred Heart [parish] on the weekends and function there as he had as a retired priest. Cardinal George directly told Fr. Vader that would not be possible and that he will not reside/function at Sacred Heart or any other parish. Both Cardinal George and Fr. Lagges advised Fr. Vader to speak with his canonical advocate, Sr. Francine Quillin, PBVM, JCL and send his appeal directly to the Congregation for the Doctrine of the Faith [CDF].

AOC 021624

Fr. Lagges directed Fr. Vader to write "received on August 3, 2005" on the copy of the decree that he received at the meeting. Fr. Vader was also informed that a copy of the decree would be sent to Sr. Francine. Fr. Lagges informed Fr. Vader that if he wishes, he must appeal [the decision contained in the decree] within 30 days of the August 3rd meeting.

Fr. Costello clarified for Fr. Vader that he is not to celebrate any masses at Holy Name of Mary or at Sacred Heart. PRA informed Fr. Vader that he is expected to continue to adhere to his current monitoring protocols.

Dear Father Flynn:

As you know, Cardinal George has resolved eleven cases of priests heretofore temporarily removed from public ministry as a result of an allegation of abuse of a minor. In accord with our policies and practices, victims and the affected parish communities will be informed about the resolution of the cases. With that in mind, I ask that you share the enclosed letter with your parishioners at Masses this weekend.

I suggest you do so in a manner that, in your judgment, best suits your particular parish situation: pulpit announcement (experience has demonstrated that such announcements are best made after Communion), bulletin announcement/insert, copies distributed after weekend Masses, or a combination of these.

Thank you for your cooperation in fulfilling this request, even though it is with short notice.

Sincerely yours,

To the Parishioners of Holy Name of Mary Parish:

As you know, some time ago Father Anthony Joseph Vader was temporarily withdrawn from ministry following Cardinal George's acceptance of the advice of the Independent Review Board that there was reason to suspect that Father Vader engaged in sexual misconduct with a minor. According to Canon Law, this determination by the Review Board was forwarded to the Holy See for its review. This is to report to you that this process has been concluded.

Specifically, the Holy See reviewed and confirmed Cardinal George's acceptance of the advice of the Review Board and authorized Cardinal George to resolve the matter administratively. Pursuant to that instruction, Cardinal George reviewed all of the information collected, listened to the opinions of canonical advocates, and sought advice from his own canonical advisors as well as from assessors who are canon lawyers independent of the Archdiocese of Chicago.

Cardinal George has determined based upon the information presented that sexual misconduct did occur with a minor, and he has prohibited Father Vader from engaging in any public ministry, presenting himself as a priest, or acting as an agent of the Archdiocese of Chicago.

It is my hope and prayer that while this announcement is yet one more reminder of a sad reality, it may also bring a measure of finality and peace to the people of Holy Name of Mary Parish.

Please keep in your thoughts and prayers all those affected by the sin of abuse. They and all of you are daily in my prayer.

Sincerely yours,

Mundelein officials want the Chicago Archdiocese to provide information on several priests living on seminary grounds in the village who have been removed from public ministry after allegations of sexual misconduct with minors.

Nearly all the 11 priests ousted by Cardinal Francis George last week reside on the grounds of University of St. Mary of the Lake off Route 176. Some of the priests have lived there since 2002, but village authorities learned of it only recently, Police Chief Raymond J. Rose said.

Some of the priests are in nursing homes, an archdiocese official said. Seven of the priests had ties to churches in Cook, Lake and DuPage counties. The allegations date back 50 years, past the statute of limitations for criminal prosecution.

Rose said the priests don't have to register as sex offenders, but police would like to follow the same procedure and have their files available in the event of an incident. He said the village is aware of the archdiocese's concern about the priests' privacy.

"We're trying to find that middle ground that allows us to have the information, so the community is aware that we have the information," he said. "Should there ever be any reports or concerns, we would

have that file in the police department."

Rose said any information on the priests would remain confidential.

An archdiocese official said Tuesday the Mundelein police request is under consideration.

"It's a very difficult conundrum at the moment," said Colleen Dolan, archdiocese director of communications and public relations. "I would presume the lawyers would have to look at the legalities of this because you can't just put (the priests') names on a list."

Though the archdiocese has not released a full list of the removed priests' names, officials there confirmed a list obtained by the Daily Herald. It has been widely published.

Mundelein police are asking for more than just names. Officials want to know how to identify the men, details of the allegations against them and how they are being monitored.

Mundelein Mayor Kenneth Kessler said while police are being cautious, there is no reason for alarm about the accused priests living on the seminary grounds.

"It's not like this just happened last week," he said. "These people have been there and there have been no problems to date. We actually have far better ability to know what's going on with an organization of that nature than what's going on up and down the streets of regular old, private Mundelein."

Though the archdiocese has not released a full list of the removed priests' names, officials there confirmed a list obtained by the Daily Herald. It has been widely published.

Mundelein police are asking for more than just names. Officials want to know how to identify the men, details of the allegations against them, and how they are being monitored.

Mundelein Mayor Kenneth Kessler said while police are being cautious, there is no

reason for alarm about the accused priests living on the seminary grounds.

"It's not like this just happened last week," he said. "These people have been there and there have been no problems to date. We actually have far better ability to know what's going on with an organization of that nature than what's going on up and down the streets of regular old, private Mundelein."

Still others are calling for that information to be made public.

Veteran Lake County Children's Advocacy Center investigator Mark Pleasant said the public should know whether the priests undergo counseling and the severity of their supposed offenses.

"The whole problem here is the lack of information that is available," said Pleasant, who works for an arm of the Lake County state's attorney's office. "These people exist (under) a veil of secrecy."

Dolan said the priests are not under house arrest but must check in with a monitor before leaving university grounds. At times, they may be accompanied by a chaperone. They are allowed to drive cars. They are forbidden from being alone with minors.

Their living quarters were once a retreat house now used solely as a home for removed priests. It is separated by a lake from the seminary campus.

"They are not mixed in with the seminarians, and they definitely should not make plans to go where there are children," Dolan said. "Each one of them, in order to maintain this process, have signed a document to the cardinal saying that they will abide by these rules."

The priests are required to "lead a life of prayer and penance." They should also

receive regular counseling, Dolan said. The priests also can move out of the seminary and leave the priesthood at any time, she said.

But critics say the archdiocese's monitoring system does not work. One such priest accused of sexual misconduct, the Rev. John Callicott of Chicago, slipped under the radar.

Callicott was removed as pastor of Holy Angels parish on Chicago's South Side in 2002 amid accusations he engaged in sexual misconduct with two teenage boys in the 1970s at another church. He was sent to the University of St. Mary of the Lake.

In January 2004, controversy arose when archdiocese officials learned Callicott was traveling from Mundelein, at the invitation of Holy Angels officials, to talk to grade-school students about sex.

"What they call monitoring leaves a lot to be desired," said Barbara Blaine, president of Chicago-based Survivors Network of Those Abused by Priests. "There is no way to monitor these guys 24 hours a day."

The cardinal has ordered a church trial for Callicott's case.

Dolan said there won't be a repeat of that case because all

Re: Cardinal Stritch Retreat House Residents

Date: October 7, 2005

Rev. Edward Grace, Vicar for Priests, Mr. John O'Malley, Director of Legal Services, and PRA traveled to the Mundelein Police Department today to meet with Mr. Raymond Rose, Chief of Police and Mr. Cameron Eugenis, Deputy Chief. The meeting was arranged to discuss those archdiocesan priests who have been withdrawn as a result of a substantiated allegation of the sexual abuse of a minor and currently reside at the Cardinal Stritch Retreat House located in Mundelein, Illinois. Chief Rose made it clear throughout the meeting that the discussion was not to include any withdrawn priest living in Mundelein who is already a registered sex offender.

After preliminary discussion surrounding the process of a priest being withdrawn from ministry and the Review Board process, Mr. O'Malley informed Chief Rose and Deputy Chief Eugenis of the information that Francis Cardinal George had wished to share with the Mundelein police concerning the aforementioned priests.

Chief Rose stated that basic information they would like to be provided on any priest removed from ministry and living at the Retreat House would be their date of birth, a picture of each man, and a picture of each man's car. Through further discussion, the following information was also requested on each aforementioned priest: height, weight, eye color, hair color, social security number, driver's license number and expiration date, employment information, vehicle information [make, model, year, color, license plate number].

It was also agreed that PRA would contact Chief Rose and Deputy Chief Eugenis via phone in the event that one of the aforementioned priests moves into or out of the Retreat House.

PRA then verbally provided the following information on each withdrawn priest residing at the Retreat House, which was recorded by Chief Rose's secretary: name, date of birth,

AOC 021631

date removed from ministry, and the date of the last substantiated allegation. PRA also verbally provided a basic summary of the monitoring protocol that each withdrawn priest has been asked to follow.

Dear Tony,

Tuesday, November 8, 2005 I noticed you at Don Mulstoffs funeral. You were wearing a clergy shirt. As you are well aware, your monitoring protocol (#10) states that you are to refrain from wearing "any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the clerical shirt)". Moreover, Cardinal George in his decree on your matter dated July 22, 2005 dispensed you from the obligation of wearing ecclesiastical garb and "strongly urged" that you not wear such attire.

These statements should be sufficient to obtain your compliance. Your fellow residents at the Retreat House were compliant with the prohibition against clerical garb. You should have been.

A repetition of your failure to observe your monitoring protocol and decree may result in disciplinary action. That would be unfortunate.

If you wish to discuss this matter with me, feel free to contact me at 312-642-1837.

Maybe you do not know it, but other priests positioned here at the Retreat House have died. Nothing was mentioned of their being priests, even though at least in one case the parishioners were present. Many of them were African-Americans. I am sure these black Catholic were scandalized, because THEIR PRIEST COULD NOT wear any sign of the deceased being a priest. It embarassed me. His car still sits with some minor bruises since the last time he drove off the road before the trip to the Philippines. The car was brought home via tow truck. I don't think the car has been out since he's been back. Let me see how he's doing over the next week or so. I haven't had much contact with him since he came home. I am dubious however about his driving skills.

Also, is it your understanding that the Arch is going forward with the additional person to serve as monitor co-ordinator or some such title? I assume this person would be down at the Pastoral Center. I ask so as to work with the Arch IT people and this camera system. Apparently, it requires some measure of work to make sure the camera system can be viewed downtown in addition to out here. If it worked only here, no big techie issues. For it to work downtown, need adequate "bandwidth." Before things are redesigned on the network, is this the direction currently planned? **I send a copy of this to Carol for her input as to this second paragraph.**

Dick,

I don't know what to do with Tony Vader. Should we consider getting him tested to see if he can still drive? Marion Joy apparently has a program to test the capacity of people to operate a car. If Tony's really slipping we may need to move him to another facility.

Re: Tony Vader

Alex Becker called. Tony Vader is in South Suburban Hospital. (You already have that information.) When discharged he will have to go to a skilled care facility (rehab or long term not known). It seems Tony wants a south side placement.

Alex says Holy Family is possibility. However, there are some issues. By December Holy Family and Bishop Lyne will have to deal with some water and sewer problems. Palos would like to incorporate the places and also offer half million to help with the water problem. In return they (Palos) want to build a park on the property. This would cause a problem if there are priests who have been accused of child abuse living there.

More immediate questions: Where will Tony go when released? Is placement for rehab or long term? There is also a question as to Tony's driving ability.

They are confirming the need for skilled

Fr. Grace,

Thank you for the information--and yes, you are correct. We will have to meet with Vader and whoever is identified as a "monitor." Since he was in the Philippines when we were out at the Retreat House to go over the protocols with all of the men, we would have to meet with Vader anyway. But it would probably be good to speak with a doctor or social worker [?] at Holy Family to determine his mental capacity at this point in time--which I would think would have an effect on the "monitoring protocols" themselves.

Folks:

I will be calling Fr. Jim Flynn to let him know that, after a fairly quick inventory of Anthony's room, I did not find a power of attorney for Fr. Vader nor was his car title evident. I will have someone check the basement to see what, if anything, is stored down there.

I did see some envelopes of cash--I am guessing not more than a few hundred dollars' worth. Also, there are a number of uncashed pension checks. There are many envelopes with greeting cards. I suspect that some of these contain additional cash.

I also saw that Fr. Vader's car was deemed "totaled" by the insurance company. I imagine there is still some value in the car, nevertheless. As I type this, it occurs to me that I have the key. I will check the car and see if the title is there. I will let you know.

I send this info to you to alert you to the fact that I will be handing this material over to Fr. Flynn or his designee-- [REDACTED] whose character is attested to by both Frs. Flynn and Calicot. You will let me know soon if there is any difficulty with my method of proceeding?

IN THE CIRCUIT COURT OF COOK COUNTY, ILLINOIS
COUNTY DEPARTMENT- CHANCERY DIVISION

Mother Doe 100, individually and as
representative of the minor John Doe 100,
on behalf of themselves and all others
similarly situated, [REDACTED]

RECEIVED

APR 18 2006

ARCHDIOCESE OF CHICAGO
OFFICE OF PROFESSIONAL RESPONSIBILITY

Plaintiffs,

vs.

06CH02017

The Archdiocese of Chicago d/b/a The Catholic
Bishop of Chicago, a corporation sole,

Defendant.

CLASS ACTION COMPLAINT

NOW COMES the Plaintiffs, individually and on behalf of all others similarly situated, by and through their attorneys, JEFF ANDERSON & ASSOCIATES and KERNS, PITROF, FROST & PEARLMAN, to obtain declaratory and injunctive relief against Defendant, states as follows:

INTRODUCTION

1. This Complaint seeks declaratory judgment and injunctive relief against the Archdiocese of Chicago. The Archdiocese of Chicago has established a policy of harboring and protecting suspected child molesting agents, thereby endangering numerous children in Illinois. The Archdiocese has information about a number of suspected child molesting agents that it has never disclosed to law enforcement or the public at large, thereby causing children such as John Doe 100 to be harmed. Further, on information and belief, the Archdiocese has a policy and

practice of document destruction. This declaratory relief and injunction action seeks to have the Archdiocese produce all documents regarding the molestation of children by its agents for court supervision, to release the names of all agents accused of molesting children to the court and to the public, and to enjoin the Archdiocese from destroying any documents regarding suspected childhood sexual abuse by its agents.

JURISDICTION AND VENUE

2. This Court has jurisdiction over this action because it seeks to redress violations of the plaintiffs' rights and to protect children in Illinois that are in imminent danger. Venue is proper because the Archdiocese resides in Cook County and the majority of the allegations herein involve occurrences in Cook County.

PARTIES

3. Plaintiff John Doe 100 is a minor. Mother Doe 100 is John Doe 100's mother and legal guardian. At all times material, Plaintiff John Doe 100 was a resident of the State of Illinois. At all times material, Mother Doe 100 was a resident of the State of Illinois.

4. The identities of all Doe Plaintiffs are made known to Defendants through separate cover letter.

5. Plaintiff [REDACTED] is a thirty five year old Chicago resident. [REDACTED] was sexually molested as a child by [REDACTED] a religious order priest who was serving at a parish within the Archdiocese at the time of the abuse.

6. At all times material, the Catholic Bishop of Chicago, a Corporation Sole (hereinafter "Archdiocese of Chicago") was and is an Illinois corporation. Defendant has approximately eight hundred fifty four Diocesan priests serving in two counties in the State of

Illinois. At all times material to the complaint, Defendant Archdiocese was conducting business in the State of Illinois.

CLASS ACTION ALLEGATIONS

7. Plaintiffs bring this action on behalf of themselves and, pursuant to 735 ILCS 5/2-801, as the representatives of the class of persons who have been molested as children by an agent of the Archdiocese of Chicago and on behalf of those children who have not yet been abused, but who are in imminent danger of abuse because the Archdiocese has not released the names and files of agents that have been accused of molesting children or accused of inappropriate sexual behavior with children to either the public or to the court.

8. The Plaintiff class is so numerous that joinder of all members is impracticable. In its own self report, the Archdiocese asserted that there were 142 cases where they had reason to suspect that an agent had sexually molested a child. These numbers only include information that was reported to the Archdiocese. The underlying data for the results was not disclosed to the public.

9. There are questions of fact or law common to the class, which predominate over questions affecting only individual members. The common questions of law or fact include, but are not limited to: whether the Archdiocese of Chicago has failed to protect children by not releasing the names of its agents who have been accused of molesting children to the public and law enforcement and whether the Archdiocese has or is destructing documents in order to cover up or conceal crimes against children by clergy serving in and/or employed by the Archdiocese.

10. The Plaintiffs will fairly and adequately protect the interests of the class. The interests of the plaintiffs are the same as those of all class members because they have all been

sexually abused by an agent of the Archdiocese of Chicago or are in danger of being molested by an agent of the Archdiocese of Chicago because the Archdiocese's information is not public. All have an interest in preventing the sexual abuse of any further children by agents of the Archdiocese of Chicago.

11. A class action is an appropriate method for the fair and efficient adjudication of the controversy alleged in this complaint. The expense and burden of individual litigation would make it difficult or impossible for individual members of the class to redress the wrongs done to them. The cost to the court system of adjudication of such individualized litigation would be substantial. Individualized litigation would also present the potential for inconsistent or contradictory judgments and would magnify the delay and expense to all parties and the court system. By contrast, the conduct of this action as a class action presents far fewer management difficulties, conserves the resources of the parties and court system, and protects the rights of each class member. In addition, the prosecution of separate actions by the individual members of the class would create a risk of inconsistent or varying adjudications with respect to individual class members which would establish incompatible standards of conduct for the defendant.

ALLEGATIONS OF FACT

12. [REDACTED] (hereinafter "[REDACTED]") was ordained a priest of the Archdiocese of Chicago in approximately 1994.

13. At all times material, [REDACTED] was employed by the Archdiocese.

[REDACTED] was an ordained Roman Catholic Priest educated, trained and ordained by, and under the direct supervision, employ, agency and control of the Archdiocese. Among [REDACTED] duties in his employment was to provide pastoral care and counseling for

members of his denomination.

14. In approximately the winter of 2000, a nun at Holy Family Church in Chicago reported to the Archdiocese of Chicago that [REDACTED] asked a fourth-grade boy to pull down his pants in the sacristy at Holy Family.

15. The nun reported this numerous times to the Archdiocese.

16. On information and belief, on one occasion when the nun reported it to the Archdiocese, an official told her that "if the parents aren't pushing it, let it go."

17. After these reports, the nun made a final report to the Archdiocese, this one a written report of [REDACTED] behavior.

18. On information and belief, in 2000, the Archdiocese did not report [REDACTED] to law enforcement, did not tell any of the parishioners at any of the parishes [REDACTED] worked at in the past about the report, did not tell any of the parishioners at any of the parishes where [REDACTED] worked after these reports, and did not tell any other children or parents about the report.

19. On information and belief, after the nun reported the abuse to the Archdiocese, the Archdiocese transferred [REDACTED] to another parish, St. Agatha's in Chicago.

20. On information and belief, despite the report, the Archdiocese allowed [REDACTED] to teach at an Archdiocesan school and coach a boys basketball team.

21. In response to the clergy abuse scandal, the United States Catholic Conference of Bishops passed the Dallas Charter.

22. On information and belief the Bishops passed the Dallas Charter in 2002. The Charter was only enforced, if at all, from within. There was no meaningful external non church

oversight over its enforcement.

23. Cardinal Francis George represented to the public that the Charter was a "zero tolerance" policy that committed them to removal of priests in childhood sexual abuse cases. He also represented to the public that a priest with even one act of sexual misconduct with a child should not be allowed in public ministry in order to protect children.

24. In January of 2003, the Archdiocese released a "Ten Year Report" that purported to give information about the Archdiocese's efforts to stop childhood sexual abuse by clerics in the previous ten years.

25. On information and belief, the Ten Year Report purports to give the current status of priests that were accused of molesting a child anytime from 1993 to 2003. The report indicates that no priest accused of abuse during that time period is in any form of ministry in the Archdiocese of Chicago.

26. The Ten Year Report also states that officials of the Archdiocese have reported all allegations, including those not deemed credible, to the appropriate public authorities.

27. On information and belief, the Archdiocese did not include [REDACTED] in the Ten Year Report.

28. Also in response to the clergy abuse scandal, the United States Catholic Conference of Bishops agreed to participate in a self report survey conducted by the John Jay College.

29. As part of the John Jay survey, each Diocese submitted the number of priests that had allegations of sexual misconduct with a minor within the particular Diocese.

30. On information and belief there was no oversight over the information that was

given to the John Jay College. It was completely up to the particular Diocese to respond honestly.

31. The John Jay College defined "allegation," as all recorded notifications of clerical sexual misconduct with minors, whether or not they resulted in any investigation or whether there was reasonable cause to suspect abuse had occurred.

32. In 2004, the Archdiocese reported that it had reason to believe that 55 priests had sexual misconduct with a minor.

33. In 2004, Cardinal George and the Archdiocese represented to the public that there were no priests that were accused of childhood sexual abuse that were in public ministry in the Archdiocese of Chicago.

34. On information and belief, the Archdiocese did not include [REDACTED] in the 2004 John Jay numbers.

35. On information and belief in August of 2005, the Archdiocese learned that law enforcement was investigating [REDACTED] for childhood sexual abuse.

36. On information and belief, in August of 2005, the Archdiocese did not inform the law enforcement that a nun had reported that [REDACTED] had acted in a sexually inappropriate manner with a child in 2000.

37. On information and belief, just as it did in 2000, the Archdiocese did not report or warn any of the parishioners, the public, or the parents at St. Agatha parish that law enforcement was investigating [REDACTED] for childhood sexual abuse.

38. On information and belief, the Archdiocese elevated [REDACTED] to a position of authority in the Archdiocese on September 1, 2005. It appointed him as Dean of a Deanery of

the Archdiocese. This is an honored, respected, and supervisory position within the Archdiocese. This meant that [REDACTED] was still at St. Agathas, but also had some supervisory authority over roughly 20 parishes in the Archdiocese.

39. The Archdiocese allowed [REDACTED] to remain at St. Agathas and in the position of Dean until at least January of 2006, more four months after the Archdiocese received at least its second report of sexual misconduct against a minor by [REDACTED]

40. In January of 2006, Chicago law enforcement arrested [REDACTED] and charged him with sexually molesting two boys on multiple occasions.

41. On information and belief, the nun who reported the abuse to the Archdiocese in 2000 was contacted by the Archdiocese the day before [REDACTED] was arrested. The Archdiocese indicated to the nun that it did not have the nun's letter.

42. On information and belief, the Archdiocese also stated publicly that it has no written record of the nun's reports or the actual letter.

43. On information and belief, the Archdioceses and Dioceses across the United States, including the Archdiocese of Chicago, have been instructed to destroy documentation of sexual misconduct by priests and/or to send any of this material to the Holy See in order to claim it is immune from public discovery or disclosure.

44. On information and belief, the Archdiocese has not released the names of the 55 priests that it deemed as having reason to suspect committed sexual misconduct with children.

45. On information and belief, the Archdiocese has also not released the names of any of the other clerics, like [REDACTED] who were accused of sexual misconduct and are still in parishes, but not included in the Ten Year Report or the John Jay Survey.

49. [REDACTED] sexually molested John Doe 100 at some point between approximately 2000 and 2005, when John Doe 100 was a minor child.

50. Neither John Doe 100 nor Mother Doe 100 knew that the Archdiocese had received reports about [REDACTED] sexual abuse of children.

COUNT I
(Injunction - Release of Names)

51. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count I.

52. Plaintiffs bring Count I on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

53. The practices of the Archdiocese of Chicago have endangered numerous children in the past and these practices will continue to put children at risk in the future.

54. Plaintiffs and the class have the right to not be sexually molested by clerics of the Archdiocese of Chicago.

55. The Archdiocese owes a duty to warn all children and their parents that come into contact with its clerics of allegations of sexual misconduct by the clerics because these children and their parents hold clerics in an esteemed position, which gives clerics virtually unlimited access to children.

56. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics against whom the Archdiocese has deemed to have credible allegations of

sexual misconduct with children to the court and to the public at large.

57. The Archdiocese also owes a duty to children and their parents to release all of the names of clerics that have been accused of sexual misconduct with children to the court and to the public at large.

58. Unless injunctive relief is granted numerous children in Illinois are at risk of being sexually molested by clerics of the Archdiocese.

59. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:

- a) Release the names of all 55 of the priests that it reported to the John Jay Survey to the court and to the public.
- b) Release the names of all other clerics, like [REDACTED], that were not included in the John Jay Survey, but against whom the Archdiocese has received allegations of sexual misconduct by the cleric with children to the court and to the public.

COUNT II
(Injunction - Documents)

60. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count II.

61. Plaintiffs bring Count II on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

62. On information and belief, the Archdiocese still has documents that are evidence of crimes committed by clerics against children.

63. The Archdiocese has a duty to the public at large and to law enforcement to not

destroy any documents that evidence a crime.

64. The Archdiocese has a duty to children that were abused by clerics to not destroy any documents relating to the sexual misconduct or alleged sexual misconduct of any cleric at anytime in the Archdiocese of Chicago.

65. On information and belief the Archdiocese has destroyed documents and/or concealed documents and/or failed to give documents to law enforcement relating to sexual misconduct or alleged sexual misconduct by clerics of the Archdiocese.

66. Unless injunctive relief is granted, children will be at imminent risk of being molested by clerics of the Archdiocese, law enforcement will be prevented from doing its job, and those children that have already been molested by clerics will have their rights negatively affected.

67. In order to ensure that children are protected and free from sexual molestation by clerics, the plaintiffs and the members of the class are entitled to an injunction ordering that the Archdiocese do the following:

- a) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to the Illinois Courts for supervision of these documents.
- b) Turn over any document with any connection to any allegation of sexual misconduct by a cleric against a child to law enforcement.
- c) Cease in the destruction or spoliation of any documents with any connection to any allegation of sexual misconduct by a cleric against a child.
- d) Cease to conceal or misplace any documents with any connection to any

allegation of sexual misconduct by a cleric against a child.

COUNT III
(Declaratory Judgment)

68. Plaintiffs repeat and reallege every paragraph of this complaint as if set forth in Count III.

69. Plaintiffs bring Count III on their own behalf and on behalf of the class of similarly situated persons described in paragraph 7 of this Complaint.

70. There is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of not releasing the names of those clerics that have been accused of molesting children.

71. There is also an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practice of not removing a cleric that is accused of molesting a child from any position where the cleric has any contact with children.

72. Finally, there is an actual controversy between the plaintiffs and the members of the plaintiff class, on the one hand, and the Archdiocese, on the other hand, concerning whether the Archdiocese is adequately protecting children through its practices of destroying and/or concealing documents evidencing allegations of sexual misconduct by clerics.

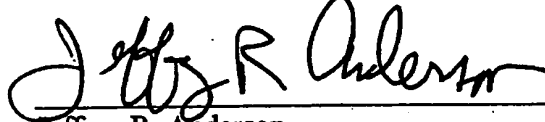

73. The plaintiffs and members of the plaintiff class are entitled to a declaration that the Archdiocesan practices of not releasing the names of clerics accused of sexual misconduct with minors, not removing clerics that are accused of sexual misconduct with children from positions where they have access to children, and by destroying and/or concealing documents, is

not adequate to protect children.

WHEREFORE, Plaintiffs respectfully request that this Court grant the relief requested within this complaint or any other relief the Court deems just in order to protect children.

Unfortunately, we don't have anything in Fr. Vader's file that clarifies his intentions re: executor. Bishop Lyne asked for this as well as the Vicar a few weeks ago and we looked through his file. Nothing on record. Bishop Goedert, his classmate I believe, was not aware of any instructions either. I gave the last known addresses of his nephews to Bishop Lyne I believe. I'll ask Maryann fox, my assistant to verify this with you. Sorry.

Jimmy:

As you may have heard, Anthony Vader is now at a nursing home due to a decline in his health. I suspect this will be a long-term arrangement for him. However, with his relocation, a question has arisen regarding his estate planning documents--powers of attorney and will. Fr. Costello advises me that priests are asked to file copies of these documents with your office. Would Fr. Vader have done such? The nursing home, as well as his physicians and friends are asking about these items. A search of his effects here has provided no clues as yet.

Hoping you are well,

Dear Ms. Magurany,

I want to thank you again for taking your time and agreeing to meet with Rev. Vincent Costello, Vicar for Priests and me on April 24th in regards to Rev. Anthony Vader. I also want to thank you again for your agreement to serve as Fr. Vader's on-sit "monitor," now that he is a resident of Holy Family Villa. As you know, Fr. Vader is a retired and withdrawn priest of the Archdiocese of Chicago with at least one substantiated allegation of sexual misconduct with a minor against him.

I am writing as a follow up to our meeting this morning where we discussed Fr. Vader's Individual Specific Protocols and his restrictions as a withdrawn priest of this diocese. Please contact me at any time if you have any questions regarding the materials that I provided you today, including the Travel/Vacation Form and the "Summary Time Line" of substantiated allegations of sexual misconduct with minors against Fr. Vader received by the Archdiocese of Chicago to date.

Thank you again Ms. Magurany for your agreement to assist both my office and the Vicar for Priests office with this matter. Please feel free to contact me at [312] 751-5205 or Fr. Costello at [312] 642-1837 at any time with any questions or concerns.

Dear Fr. Vader,

I want to thank you again for meeting with Rev. Vincent Costello and myself at Holy Family Villa on April 24, 2006 to review the enclosed Individual Specific Protocols [ISP].

As we discussed on April 24th, I am returning the ISP and the related Travel/Vacation Agreement Form that we reviewed to you and have forwarded copies to your canonical advocate and civil attorney as well. Please note that after our conversation with you and a subsequent conversation with your on-site monitor Ms. Roberta Magurany, you will not be asked to complete any Daily Log Forms. As per Ms. Magurany, it is a policy of Holy Family Villa that all residents are signed out and in upon any outing. Fr. Costello and I agreed that this was sufficient documentation for any time you might spend outside of Holy Family Villa. Ms. Magurany offered to forward such documentation to my attention on the occasions when you leave the residence. I ask that you review and discuss the ISP with your counsel and then return the signed protocol to me no later than May 9, 2006.

Dear [REDACTED],

I am writing in response to your January 17, 2007 letter regarding your client [REDACTED] and her allegation of sexual misconduct against Rev. Anthony Vader.

As I informed [REDACTED] and your associate [REDACTED], due to the fact that your client was over the age of 18 and adult at the time of the alleged abuse by Fr. Vader, this matter will not be presented to the Review Board. I explained during our November 30, 2006 meeting that the Review Board is only presented matters of the alleged sexual abuse of children by clerics and the Vicar for Priests' Office addresses matters of such misconduct involving adults. Therefore, I will forward this matter to Rev. Vincent Costello, Vicar for Priests for his attention.

I am in the process of finishing the draft report of our November 30th meeting when [REDACTED] formalized her allegation against Fr. Vader. When I have completed the draft, I will send it to [REDACTED] in the care of your office. As I clarified during the November 30th meeting, once [REDACTED] has made changes to the draft report, the entire matter will be forwarded to Fr. Costello.

If you have any questions, please contact me at [312] 751-5205. If you wish to contact Fr. Costello, he may be reached at [312] 642-1837.

You will also find copies of the most recent "Clergy Daily Log" and "Travel/Vacation Notification" forms that Fr. Vader will be directed to use as a client of this office.

As you know, one of our Vicars for Priests Rev. Vincent Costello and myself are scheduled to meet with Fr. Vader today to review with him his updated Individual Specific Protocol [ISP]. I have also enclosed with this letter a blank copy of the ISP that Fr. Vader will be asked to follow.

Ms. Magurany, I want to thank you again for your continued assistance with the matter of Fr. Vader's relation to this office. As always if you have any questions or concerns, please feel free to contact me at [312] 751-5205.

Re: Vader, Rev. Anthony [Retired/Withdrawn] [REDACTED]

Date: May 2, 2007

On April 24, 2007, Vicar for Priests Rev. Vincent Costello and Rev. Edward Grace and I traveled to Holy Family Villa to meet with Rev. Anthony Vader. Prior to meeting with Fr. Vader we met with the Administrator of Holy Family Villa, Ms. Roberta Magurany. When asked, Ms. Magurany informed us that physically Fr. Vader [REDACTED]

[REDACTED] Ms. Magurany stated that Fr. Vader never leaves the facility without another adult. [REDACTED]

Frs. Costello, Grace, and I agreed prior to meeting with Fr. Vader that we would observe his mental status and then assess if he would comprehend being read [REDACTED] allegation for a response.

Fr. Vader was wheeled into the office in a wheelchair where Frs. Costello, Grace, and I were waiting to meet with him. He was extremely pleasant when we greeted him, but was immediately clear that he did not know who any of us were. When Frs. Costello, Grace, and I individually introduced ourselves to Fr. Vader, he did not make any indications that he knew any of us, nor the Archdiocesan offices with which we were associated. Fr. Vader did participate in general conversation with Frs. Costello, Grace, and me about how he was feeling and the positive care that he was receiving at Holy Family Villa. When I suggested to Fr. Vader that we last saw each other about one year ago, he made no indication that he recalled the meeting or me.

Due to Fr. Vader's described behavior, both Vicar for Priests and I decided against reading [REDACTED] allegation to him.

INDIVIDUAL SPECIFIC PROTOCOLS
For
Rev. Anthony Vader

The Individual Specific Protocols (ISP) implement the primary goal of promoting the safety of minors. Additionally, the ISP protects the integrity of the Church and serves as a safeguard for individual priest or deacon. As long as the cleric is a client of the Office of Professional Responsibility, he will be subject to appropriate protocols, restrictions and monitoring under the authority of the Vicar for Priests and supervised by the Professional Responsibility Administrator (PRA). The agreement of a priest or deacon to abide by these protocols is not understood to prove the truth of any allegation and is not intended to be an admission of guilt for any delict or crime, whether in Canon Law, or State and Federal Law. This agreement represents the cooperation of the cleric with his bishop as he exercises his pastoral office (e.g., Canons 369 and 392).

This ISP for Rev. Anthony Vader is as follows (PRA to initial all that apply):

1. The client is restricted from being alone with a minor or minors, that is anyone under the age of 18, without the presence of another responsible adult.
2. 
3. 
4. N/A The "Clergy Daily Log" to be completed on a daily basis and co-signed by the monitor. The log is a tool that is used for the protection of minors, the cleric, the monitor and the Archdiocese. Although it identifies time periods, it is intended to provide a general record of the day rather than a detailed clock. If you are describing an off-site activity, please include your destination and the general purpose of the visit or activity. For example, it is enough to indicate that you did personal shopping at a given Shopping Center rather than the details of each individual store. However, if your self-description is challenged or a complaint is lodged with the Archdiocese, some documentation and verification may be necessary to sufficiently address the situation.
5. U Abide by the assignment of residence to Holy Family Villa in Lemont, IL.

6. (W) Must complete and submit the "Travel/Vacation Agreement", and obtain concurrence with the Agreement, prior to a scheduled departure. In the event of a prolonged stay in a particular location, the Archdiocese is required to notify the Ordinary of that place of your presence there.
7. N/A Attendance at a recommended support group _____ (please indicate specific support group). Recommended frequency of _____ times per week/month (please circle one). Attendance at a recommended support group is to be reflected on "Clergy Daily Log" forms.
8. No inappropriate use of computers, software, Internet capabilities, communications tools or video technology. The standards articulated in the *Policies and Procedures of the Archdiocese of Chicago* and the *Handbook For Archdiocesan Employees* apply as they do to all Archdiocesan personnel. NO computer in Fr. Vader's room.
9. No ministerial participation in the public celebration of the Eucharist or any other Sacrament or Sacramental without the prior, written permission of the Vicar for Priests.
10. Refrain from wearing any garb that would give the appearance of, or seem to infer, a priest/deacon who has canonical faculties and is currently assigned to some ministry (e.g., the 'clerical shirt').
11. On-site visits by the PRA and the VP annually to include a meeting with the cleric.

This Individual Specific Protocol is to be reviewed annually with PRA, VP, and the cleric. Also, there can be additional, written notations tailored to the needs of a specific situation which are signed by all parties and appended to this document. Any change or alteration to this agreement will involve consultation with the cleric, his monitor, the PRA, and the VP. The cleric, his monitor, the PRA, or the VP can initiate the discussion for change or alteration, or request that this Individual Specific Protocol be reviewed by the Professional Responsibility Review Board. At the discretion of any of the parties, the legal and/or canonical counsel of the cleric may be involved in the discussions.

I have reviewed, understand, and agree to all of these individual specific Protocols.

Dear Sr. Francine,

I hope that you are doing well.

Fr. Smilanic forwarded me your June 11th e-mail concerning Fr. Vader and the new allegation received against him.

When Frs. Grace and Costello [Vicars for Priests] and I last saw Fr. Vader a couple of months ago, the three of us agreed that I not read [REDACTED] allegation to him. The reason was due to the clear fact that Fr. Vader's memory has declined, as he did not know who any of us were, nor the offices in which we work--despite our contacts in the past. I did present this information to the Review Board.

As you know, I sent copies of the allegation to you and to Fr. Vader's civil attorney. I would just ask that you as Fr. Vader's canonical advocate respond in whatever way you feel is most appropriate.

I hope that some of this information is helpful to you Sr. Francine. I'm sorry that we kept missing each other and could not actually speak on the phone. But please feel free to e-mail with any other questions or concerns that you might have.

D E C R E E

Having received the recommendation of the Archdiocesan Professional Responsibility Review Board that information at least seems to be true that **Reverend Anthony Vader** engaged in sexual misconduct with [REDACTED], a minor at the time of the alleged incident, I have concluded that this constitutes information which "at least seems to be true" (c. 1717) and warrants further investigation.

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to **Father Vader**.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint **Ms. Leah McCluskey** to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm Father Vader's name or to violate his right to protect his privacy.

After she has concluded her investigation, Ms. McCluskey is to make a written and oral report to the Professional Responsibility Review Board, no later than one hundred eighty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense. This report is to be sent to me, along with the advice of the Review Board.

Given on August 3, 2007, at Chicago, Illinois.

Dear Ms. McCluskey:

Please forgive my delay in responding to the charges recently made against Rev. Anthony Vader by [REDACTED]. I have been delayed by some health problems.

I did receive a copy of your letter of July 5 to Father Vader, but I did not receive a copy of the allegations. Perhaps you could forward those to me.

I have become aware that Father Vader is in effect *sui non compos*, and is residing in a home which cares for him according to these needs.

That being the case, it would seem difficult to treat any allegation with objectivity or justice, since Father Vader is not competent to speak in his own defense.

If you have obtained what you consider to be clear and objective evidence supporting this latest allegation, I would respond to the extent possible.

Thank you for your patience with my delay.

Sincerely,

Francine Quillin, PBVM, JCL

- Ms. McCluskey spoke to the Review Board about those priests withdrawn from ministry who reside in nursing home care [Rev. R. Peter Bowman, Rev. Norman Czajka, Rev. Anthony Vader] and their inability to write in order to complete the “Clergy Daily Log” forms; it was agreed that Ms. McCluskey inform these men that they only have to complete a “Clergy Daily Log” form to be returned to her when they leave their respective buildings [residences]

- 

- The Board suggested that on a case by case basis, [REDACTED] statuses of Fr. Bowman, Fr. Czajka, Fr. Hefferan, and Fr. Vader be obtained from their respective medical professionals; in addition, it was requested that a quarterly report is obtained from the on-site supervisors of Frs. Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note of September 19, 2007 in response to your letter of September 17, 2007 regarding the matter of **Reverend Anthony Vader**, who was ordained a priest of the Archdiocese of Chicago but was found guilty of a delict under c. 1395§2, and the allegations of sexual misconduct that were made against him by [REDACTED]. This matter was discussed in a Review for Cause by the independent Review Board at their meeting of September 15, 2007.

Since Father Vader is currently under a penal decree which prohibits him from all public ministry, there are no further restrictions that I can place upon him. I accept the Review Board's finding that "there is reasonable cause to suspect that the alleged misconduct occurred," and ask that you provide the usual pastoral care to all of those who have been affected by this incident.

Thank you for your assistance in this matter.

Dear Ms. Magurany,

Greetings and Happy New Year! I hope that you enjoyed a peaceful and blessed Christmas.

I am writing in regards to the "Clergy Daily Log" and the "Travel/Vacation Notification" forms that Rev. Anthony Vader has been asked to complete in the past [see enclosures]. After meeting with the independent Review Board on November 17, 2007, it was determined that Fr. Vader only needs to have a "Clergy Daily Log" completed when he leaves the premises of Holy Family Villa. Therefore, Fr. Vader does not need to have these logs completed on a daily basis, only when he leaves the building. The "Travel/Vacation Agreement" still needs to be completed as instructed, that is three weeks prior to a scheduled departure.

If you have any questions, please feel free to contact me directly at [312] 751-5205.

Dear Father Vader,

This letter is to update you on actions we are taking to upgrade our monitoring and supervision program. For the past year, we have been reviewing the recommendations from the consultants we hired in 2006 as well as the Ad Hoc Committee who worked with us this past year to redesign our programs for oversight and compliance. We are now in the process of implementing improvements to both of these programs.

We have engaged Dr. Monica Applewhite, former president of Praesidium, Inc., the national accrediting body for religious communities seeking to comply with the ***Charter for the Protection of Children and Youth*** and ***Essential Norms***, to design and recommend an individual protocol with each removed priest. Secondly, we have hired a new compliance supervisor, Ms. Shawnte Jenkins, to oversee compliance with these agreements and protocols.

The Vicar for Priests and members of the Office for the Protection of Children and Youth will be in contact with you to discuss these changes.

Please give them your cooperation.

All,

[REDACTED] first notified the AOC of [REDACTED]'s allegation of sexual abuse against Rev. Anthony Vader in 2006. Ralph Bonaccorsi and I met with [REDACTED] on November 30, 2006 so that she could formalize her allegation against Fr. Vader. During the November 30th meeting, [REDACTED] provided the information that she was over the age of 18 at the time of the alleged abuse. As a result, I informed [REDACTED] and [REDACTED] of [REDACTED]'s office that this matter would not go to the Review Board and would go to the Vicar for Priests' Office.

After many letters back and forth to [REDACTED]'s inquires on this case reiterating that this matter did not go before the Review Board as previously noted, [REDACTED] sent to me in September 2008 a letter addressed to the Review Board with a copy of [REDACTED] and asked that the Board review this information. The information was presented to the Review Board and as a result, the Board asked that I request to meet with [REDACTED] again, as the [REDACTED] notes alleged abuse by Fr. Vader that may have taken place when [REDACTED] was under the age of 18.

Kathleen Leggdas and I met with [REDACTED] on December 9, 2008 and [REDACTED] shared alleged incidents of sexual abuse by Fr. Vader that took place when she was under the age of 18. As a result, in this office I am changing this matter from a Vicar for Priests file to entering it into RADAR and making this a "PFR - 137."

Please make the appropriate changes to your files and let me know if you have any questions.

Thank you.

Victim Statement Abstract:

This abstract replaces a letter from Victim KL, dated January 25, 2009 and addressed "To Whom This May Concern," received by the Archdiocese of Chicago's Office for Child Abuse Investigations and Review on February 19, 2009 from Victim KL's attorney. In the letter, Victim KL affirms her previous statements that her alleged abuse by Fr. Anthony Vader at St. Laurence occurred when she was of elementary school age and that she knew she was a victim at the time of the abuse.

Hello Fr. Costello,

Do you happen to know or could you find out the status of Fr. Vader's current mental state? I then wonder if you and I could determine if Fr. Vader would understand the concept of having an allegation read to him.

Thank you.

Dear Ms. McCluskey:

Earlier today, February 19, 2009, I called to check on the status of the Review Board's decision in the reconsideration of the claim of [REDACTED]'s interview was held on December 9, 2008. We were given an extension of February 4, 2009 to review and make any changes to [REDACTED]'s statement.

After [REDACTED] returned her statement with corrections on January 25, 2009, one of our staff persons was instructed to fax a copy to your office.

Per our conversation today, February 19, 2009, the fax was not received. It is possible this document was sent to an incorrect fax number. Therefore, I am sending another copy of the document.

Also, you mentioned that the Review Board would be meeting on Saturday, February 21, 2009 but you didn't know if the board would be discussing [REDACTED]'s claim.

I will call you next week to find out if this matter was brought up at their meeting.

Dear Mr. Radney,

Please find enclosed with this letter documentation concerning File – PFR – 137, the matter of [REDACTED]'s allegation of the sexual abuse of a minor against Rev. Anthony Vader.

Please note the following information pertinent to this matter:

- Date allegation received: 8/31/06
- Date of interview with [REDACTED]: 11/30/06 and 12/9/08
- Date allegation presented to Fr. Vader: N/A
- Date of Initial Review: 2/21/09

While at my first meeting with [REDACTED] on November 30, 2006, she provided the information that she was over the age of 18 at the time of her alleged sexual abuse by Fr. Vader. During the same meeting, I informed [REDACTED] and the representative from her civil attorney [REDACTED]'s office that this matter would not go before the Review Board due to the fact that she was over the age of 18 at the time of the alleged abuse. This matter was then referred to the Vicar for Priests Office.

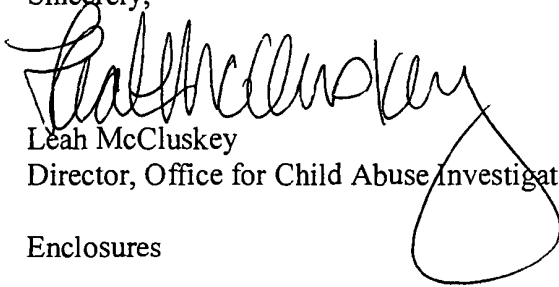

I received a letter from [REDACTED] dated September 2, 2008 that was addressed to the Review Board with an enclosed copy of [REDACTED]. [REDACTED] asked that the [REDACTED] be given to the Review Board, as [REDACTED] states [REDACTED] that [REDACTED]'s sexual abuse by Fr. Vader began when [REDACTED] was under the age of 18. When presented with this information, the Board directed me to request to meet with [REDACTED] again to go over her allegation against Fr. Vader. I then met with [REDACTED] for the second time on December 9, 2008.

I ask that you please attempt to obtain the following information as requested by the Review Board:

- Background check on [REDACTED]
- Attempt to determine if Fr. Vader was "a kid person" while assigned to St. Laurence [6/25/64 through 1/30/68]

Please contact me at [312] 534-5205 once you have had the opportunity to review the enclosed information so that we may discuss additional steps to take concerning the continuing investigation of this matter. At that time I would also like to discuss the possibility of having an interim if not final report from you on this matter by April 3, 2009. I would like to present this matter to the Review Board for a Review for Cause at the scheduled April 18, 2009 meeting.

Dear Ms. McCluskey,

I am writing to you in order to formalize my handwritten note in response to your letter of February 25, 2009, regarding the matter of **Rev. Anthony Vader**, a priest of the Archdiocese of Chicago who has been removed from priestly ministry, and the allegation made by [REDACTED] following the Initial Review conducted by the Review Board on February 21, 2009.

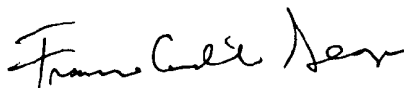

In light of the Board's consideration of the information presented in this matter, I accept the Board's determination, and believe that the information suggests further investigation into whether **Father Vader** engaged in sexual misconduct with a minor.

With this letter is a decree which appoints you as the investigator into an allegation of sexual misconduct with a minor that was made against **Father Vader**. The terms of this investigation are spelled out in the decree.

Thank you for your assistance in this matter.

Having received the recommendation of the Archdiocesan Review Board that information at least seems to be true that **Reverend Anthony Vader** engaged in sexual misconduct with [REDACTED] a minor at the time of the alleged incident, I have concluded that this constitutes information which "at least seems to be true" (c. 1717) and warrants further investigation.

Therefore, in accordance with the aforementioned canon, I decree that an inquiry be done into the facts and circumstances of this accusation, as well as its imputability to **Father Vader**.

Since my other duties prevent me from conducting this investigation personally, I hereby appoint **Ms. Leah McCluskey** to act as the investigator in this matter. In carrying out these duties, Ms. McCluskey will have all of the authority of an auditor, in accordance with cc. 1428 and 1717. She is to collect any additional proofs she deems necessary in accordance with the norm of law as they relate to the present allegation. She is delegated to take testimony from the accused and from any witnesses (cc. 1530 – 1538 and 1547 – 1573), to obtain any necessary documents (cc. 1540 – 1546), to enlist the services of any experts deemed necessary (cc. 1574 – 1581), and to have access to places or things which she deems necessary for her investigation.

In conducting her investigation, Ms. McCluskey is to take care that such an investigation does nothing to harm Father Vader's name or to violate his right to protect his privacy.

After she has concluded her investigation, Ms. McCluskey is to make a written and oral report to the Review Board, no later than one hundred eighty days from the date of this appointment. This report is to address the facts, circumstances, and imputability concerning the alleged offense. This report is to be sent to me, along with the advice of the Review Board.

Victim Statement Abstract:

This abstract supplements a memorandum to file from Leah McCluskey of the Archdiocese of Chicago's Office for Child Abuse Investigations and Review, dated February 26, 2009, summarizing Victim KL's allegation of additional acts of sexual abuse by Fr. Vader would rub Victim KL on the front and back over the clothes while hugging her. This occurred multiple times over a period of one to two years.

Sr. Rose Celeste O'Connell is searching on this. Will fax things to me. We both think that most of the teachers in those years would have been religious. She can check the names and see who is still around. The lay people, I can check with our pension office to see if anyone is receiving a pension; often this gives us contact information. Stay tuned!

Learned that Sr. Rose Celeste, principal during the 1960's, is deceased. On Monday I will call Sr. Rose Celeste O'Connell and ask her to search for the faculty lists. She is the one who was so helpful last year when we needed to find faculty for Santa Maria Del Popolo, Mundelein. Had lay and religious teachers. Will then check to see if any of the lay teachers are receiving a pension from the Arch. That would give us contact information (unless they got married since!). I can find out if any of the nuns are living from them.....

Re: Anthony Vadar meeting

On March 3, 2009 Dr. Monica Applewhite and I went to Holy Family Villa to meet with Anthony Vadar regarding his ISP. When we arrived Anthony Vadar was sitting in a wheel chair in the TV area with other residents. A nurse on staff took us to Anthony Vadar and stated that we could wheel him into a separate area to talk in private. Dr. Applewhite introduced herself and asked his permission to push him in his wheel chair. He seemed happy to have a visitor and stated "sure".

I introduced myself to Anthony Vadar. He immediately dropped Dr. Applewhite's hand and reached out and grabbed my hand, pulling me down toward his lap with his face only inches away from mine. He then attempted to rub my face while asking me what high school I attended and if I would like to transfer his school. Once I was able to get loose from Anthony Vadar he continued to engage me in conversation regarding high school. It was clear the Anthony Vadar was not lucid. He talked as if we were in a high school and not in a nursing home. However, when staff of the facility would approach he would know their name and function within the facility.

Anthony Vadar would answer very specific questions regarding current events but would always lead back to his time at the high school. He frequently spoke as if he was currently teaching sexual education courses to the males and females in the school and gave very specific conversations that he was having with the students. He stated that he was instructing the girls to stay away from the boys in the class because they were losing focus. He kept asking if I would like to be in his class, it was obvious that he thought I was a high school student. He proceeded to tell me how wonderful the world would be if "there were only on sex" and how much easier things would be for him.

Dear [REDACTED],

I am writing to inform you that the independent Review Board met on February 21, 2009 and conducted an Initial Review of your allegation of sexual abuse against Rev. Greetings, Harvey and All,

██████████ is proving to be a challenge to track down.

I tried the pension board. They too have a P.O. Box # for an address and a different phone # from the one in the Directory, but it too has been disconnected.

I will write ██████████ a letter and ask him to contact me, but he does appear to be interested in not being contacted ██████████

I let you know what, if anything, I learn.

Greetings, Harvey and All,

Concerning the requested priest contacts:

Maurice Foley died 10/27/89 at the age of 84;

██████████ left the priesthood in 1967 and died in 2003 at the age
of 79;

Bernard Guirsch died 12/11/99 at the age of 84;

Tom Millea is, to the best of my knowledge, still alive. Unfortunately,
however, the phone number in the directory is disconnected or no longer
in service. I'll try to track him down through our pension board, but
that might take a couple of days.

Greetings All,

Concerning contact with Fr. [REDACTED] in the Vader matter at St. Laurence:

I spoke with Fr. [REDACTED] this afternoon. He did not seem interested in giving me a number so that Rich could contact him, but he did say he would call Harvey or Rich at Hillard Heintze and speak with the investigator.

I gave him Harvey's direct number and the general office number.

[REDACTED] did tell me that he had succeeded Vader at St. Laurence (or perhaps he said that Vader had succeed him) so that they were never really there together. However, he did say he would call and speak with the investigator - for whatever information he might have from parishioners.

I hope this helps.

MEMORANDUM OF INTERVIEW – FR. [REDACTED]	8

EXECUTIVE SUMMARY

On February 24, 2009, Hillard Heintze received a request from the Office for Child Abuse Investigations and Review for investigative assistance in the matter of Rev. Anthony Vader, a retired and withdrawn priest of the Archdiocese of Chicago. Specifically, we were asked to assist in learning more about the background of the accuser, [REDACTED] a 58-year-old female subject, who alleges that Rev. Vader would touch her and other students on the lower back while she attended St. Laurence from 1961 to 1965. She also alleges that she was sexually molested by Rev. Vader when she ([REDACTED]) was approximately 18-years-old at Holy Name of Mary Rectory. [REDACTED]

In the scope of this investigation, Hillard Heintze gathered relevant information on [REDACTED] which included, but was not limited to her current life situation, personal identifiers, social security number, business affiliations, organizational interest and affiliation, professional licenses, real property ownership, criminal history checks, court records query, financial records, media records and U.S. Military records. With this insight, we then assessed the investigative findings to provide you information regarding the subject's character, integrity, ethics, general reputation, personal characteristics, and mode of living.

Hillard Heintze conducted the requested limited background investigation of [REDACTED] This investigation found [REDACTED]

Arrangements to interview former members of the St. Laurence staff revealed the majority of the assigned priests are now deceased. Fr. [REDACTED], the sole remaining staff member was contacted and interviewed. Efforts are still underway to identify and interview religious who were assigned to St. Laurence during the period in question. Their interviews will be the subject of follow up reports.

CASE REFERRAL TO HILLARD HEINTZE

On February 24, 2009, Director Leah McCluskey, Office for Child Abuse Investigations and Review, referred the matter of Rev. Vader to Hillard Heintze for further investigation. Specifically, we were requested to:

- Conduct a background check on [REDACTED]
- Attempt to determine if Fr. Vader was "a kid person" while assigned to St. Laurence [6/25/64 through 1/30/68]

On February 24, 2009 Radney assigned Investigator Rich Kobel the primary responsibility of conducting the follow up investigation.

DETAILS OF INVESTIGATION

Case Review

Beginning on February 24, Arnette Heintze, Harvey Radney and Investigative Associate Jim Molloy initiated a comprehensive case review of Rev. Anthony Vader's investigative file provided by the Office for Child Abuse Investigations and Review. This file included [REDACTED]'s allegations.

[REDACTED]

Interviews

April 1, 2009 – Interview of Fr. [REDACTED]

Fr. [REDACTED] was interviewed by an investigator and it was learned that Fr. Vader was assigned to St. Laurence parish after Fr. [REDACTED] was reassigned from St. Laurence. Fr. [REDACTED]'s encounters with Fr. Vader were brief and infrequent and Fr. [REDACTED] stated he would often see Vader's name associated with various events and trips in the Phillippino community. Fr. [REDACTED] commented on Fr. Vader's character by quoting a Phillippine newspaper article citing Fr. Vader's character as impeccable.

Surveillance

None conducted.

Research and Site Visits

Research on Rev. Anthony Vader identified articles in the *Chicago Tribune*, the *Chicago Sun-Times* and the *Libertyville Review*, listing Rev. Vader as one of many priests removed by Cardinal Francis George due to sexual misconduct with children. The articles do not discuss or name victims of Rev. Vader.

A *Chicago Sun-Times* article dated February 16, 2003 describes Vader's living situation as "a monitored and restricted setting and [he] has been directed not to be alone with minors." The article also reports that the Cook County state's attorney was handling the allegations against Rev. Vader.

Additionally, investigation identified the allegations against Rev. Vader has having been reported through a Filipino media outlet. An article about Rev. Vader was identified on the *PhilippineTIME News & People Magazine* website, however the website has since been abandoned and the link to the article is no longer available. On Wednesday, April 1, 2009, at approximately 12:30 P.M. Investigative Research Associate Jennifer Bushaw contacted *Philippine Weekly*, in order to inquire about articles previous published on Rev. Anthony Vader. An employee for the newspaper informed Bushaw that their paper had not run such an article. He suggested contacting [REDACTED] (no last name given), the CEO of the *Via Times* as he believed they had published an article about Rev. Vader and the sexual misconduct allegations. Bushaw attempted to contact [REDACTED] by phone at approximately 1:00 P.M. the same day and then again at approximately 12:15 P.M. on Friday, April 3. No one answered during both calls, and Bushaw left a message on the voicemail on April 1 with her question, name and contact information. As of Friday afternoon, she did not receive a return phone call.

Continuing Investigation

Investigator Rich Kobel continues to investigate this matter. Several persons of interest remain to be identified and interviewed. The housekeeping arrangement of the rectory of Holy Name of Mary during the period in question remains an area of interest along with several other questions which should be clarified as presented in the formal statement of [REDACTED] on December 9, 2009.

MEMORANDUM OF INTERVIEW – Fr. [REDACTED]

Date: April 1, 2009
Re: PFR – 137 Vader/[REDACTED]
From: Richard Kobel

A request was made by the Archdiocese of Chicago to have an investigator from Hillard Heintze interview priests that were assigned to St. Laurence Parish from 6/25/64 to 1/30/68. The interviews would be conducted in an attempt to reveal the habits of Fr. Vader regarding children in the parish. On 4/1/09 Fr. [REDACTED] contacted Hillard Heintze in order to schedule an interview. Fr. [REDACTED] was informed Investigator Kobel had been assigned to the investigation. Fr. [REDACTED] was given Investigator Kobel's telephone number. Fr. [REDACTED] contacted Investigator Kobel and on 4/1/09 at 9:45 A.M. an interview was conducted telephonically.

Investigator Kobel explained the purpose of the interview to Fr. [REDACTED]. Fr. [REDACTED] said he did not have much contact with Fr. Vader at St. Laurence. Fr. [REDACTED] stated Fr. Vader was assigned to St. Laurence after Fr. [REDACTED] left the parish. Fr. [REDACTED] could only recall meeting Fr. Vader once at St. Laurence when he (Fr. [REDACTED]) went to St. Laurence to pick up some mail. At that meeting Fr. Vader was eating lunch and Fr. [REDACTED] sat down and talked about the parish as Fr. Vader ate his lunch.

Fr. [REDACTED] encountered Fr. Vader at various Archdiocesan functions and they would often exchange greetings. Fr. [REDACTED] did note he would often see Fr. Vader's name associated with events and trips involving the Philippine community. Fr. [REDACTED] said he learned about the charges against Fr. Vader while reading a Philippine newspaper he found in a Chinese restaurant. Fr. [REDACTED] was questioned about the newspaper and he related he read the article about two years ago and several people from the Philippine community were interviewed. All of the people in the article said that the charges against Fr. Vader had to be false. Fr. [REDACTED] said the people interviewed in the article stated that Fr. Vader's character was impeccable.

Fr. [REDACTED] was asked if he could recall any other persons who were at St. Laurence when Fr. Vader was assigned. Fr. [REDACTED] related that all of the people he could recall during that time period were deceased. Fr. [REDACTED] said that there were nuns assigned to the parish during the time in question but did not recall any by name.

Good Morning Sr. Margaret,

I hope that you're doing well!

I wanted to follow up with you on a matter that you were doing some digging on for me--this is about St. Laurence grammar school and staff there between 1964 and 1968. Your last e-mail to me at the beginning of March was that Sr. Rose Celeste O'Connell was going to do some searching and fax you information on the religious who would have been at the school during the identified time period and if any were still around. You were going to see if there was any information on lay employees through the pension office. Just wanted to check to see if you and/or Sr. Rose had come up with anything.

Thank you again for all of your efforts! Have a great weekend.

Sr. Rose Celeste re-faxed the list. She has a code for D-Deceased, WD-left the order; still an OP. It would take a lot of research to try to find those who are not religious. For example, someone could go into the old Data Base and see if any of them are there. However, the data base was begun years after 1970. If some are getting a pension, Arletta Ferrell in HR might be able to find them. Some have contact information, but some may have direct deposit.

Anyway, as step 1 I will now fax you the lists. MF

Hi Leah:

Thanks for the list of teaching personnel from St. Laurence sent to you by Sr. Margaret Farley.

I have identified the attached list of Adrian Dominican Sisters as being listed in the current Archdiocese directory. This is a good starting point for the investigator to begin with interviews. We will move toward identifying the lay personnel following contact with this list of A.D. Sisters.

Would you like me to communicate this directly to Sr. Margaret Farley, or would you prefer doing so? We would be seeking an introductory message indicating our investigator would like to speak to them regarding an investigation concerning a third party and their knowledge of seventh and eighth grade teachers at St. Laurence during the period 1960-1965, along with other pertinent facts alleged by an accuser.

Let me know your thoughts.

Thanks,

Harvey

Good Morning Harvey,

I spoke with Don Turlek in our Department of Insurance and Risk Management about the possible existence of Fr. Vader's auto information through insurance records from 1969 through 1970. Mr. Turlek said that the AOC would not have any of that information from so long ago.

As for records of the housekeeping staff from that time period, I would suggest checking with Jac Treanor in the Archives and Records Center to determine if there is a possibility that such records might be within the St. Laurence files now at archives.

Hope this helps...

Leah

Hi Leah,

My apologies for getting this report to you so late in the day. There isn't much to report with this investigation as yet. I have included what we know at this point.

Also, you will find there is no cover on the report. I will place it once the final report is completed.

Another point....is it possible we can determine through insurance records if Fr. Vader owned a automobile during 1969-70 while he was assigned at Holy Name of Mary. And, are there any records that would give us an idea of housekeeping staff at HNM during that period.

Thanks,

Harvey

My name is Harvey Radney and I am employed with Hillard Heintze, a security advisory firm working with the Archdiocese of Chicago.

In order to assist in your contact efforts, I have also attached a listing of these sisters with their current addresses as listed in the 2009 Archdiocese Directory.

Our assigned investigator, Rich Kobel, will be contacting the sisters if your approval is given.

Thank you very much Sr. [REDACTED] for your assistance in this matter. Please feel free to contact me with any questions or concerns.

Good Morning:

I realize you're not in your office today but I wanted to get this request to you to have it on your desk for next week.

One of our investigators is attempting to locate Fr. Andrew McDonough. Investigator Everett is unsure if Fr. McDonough is still alive. Fr. McDonough is being sought for an interview regarding allegations against another person. Fr. McDonough is not accused of any wrong-doing. I was unable to find Fr. McDonough in the current Archdiocese directory or listing of deceased priests dating back to 2004.

Your assistance in locating Fr. McDonough would be greatly appreciated.

Dear Ms. McCluskey:

Hillard Heintze has completed the investigation requested for the February 24, 2009 case referral in the matter of Rev. Anthony Vader, a retired/withdrawn priest of the Archdiocese of Chicago. Attached you will find a supplemental report to our original investigative report which has been prepared as a confidential work product between Hillard Heintze and the Archdiocese of Chicago, Professional Review Board. With this transmittal, one (1) electronic version of this supplemental report is being submitted to you as Director, Office for Child Abuse Investigations and Review.

Following submission of the original report on May 1, 2009, Hillard Heintze continued the investigation of this matter as directed by the Office for Child Abuse Investigation and Review. During the course of this continued investigation, Hillard Heintze located and interviewed seven additional individuals thought to have information pertinent to this matter. Interviews were conducted with: Sr. [REDACTED], Sr. [REDACTED], Sr. [REDACTED], Sr. [REDACTED], Sr. [REDACTED] and Sr. [REDACTED], all of whom had been assigned to St. Laurence Parish during the approximate time period as Fr. Vader. Additionally, Mr. Jack Treanor, Vice Chancellor for Archives and Records, was interviewed and asked to identify former and current employees assigned to St. Laurence Parish between 1964 and 1968.

None of the individuals interviewed could recall Fr. Vader interacting with children, teaching in the school or even being present on school grounds. The ones who were familiar with Fr. Vader found it difficult to believe the sexual abuse allegations against him. The findings of their interviews have been included in the revised Findings and Conclusion section of this report.

Should you need any additional information on our investigation, please do not hesitate to call me at 312.869.8500.

Sincerely,

CASE REFERRAL TO HILLARD HEINTZE

On February 24, 2009, Director Leah McCluskey, Office for Child Abuse Investigations and Review, referred the matter of Rev. Vader to Hillard Heintze for further investigation. Specifically, we were requested to:

- Conduct a background check on [REDACTED]
- Attempt to determine if Fr. Vader was "a kid person" while assigned to St. Laurence [6/25/64 through 1/30/68]

DETAILS OF INVESTIGATION

Beginning on February 24, Arnette Heintze, Radney and Investigative Associate Jim Molloy initiated a comprehensive case review of Rev. Anthony Vader's investigative file provided by the Office for Child Abuse Investigations and Review. This file included [REDACTED]'s allegations.

A preliminary report of this investigation conducted by Hillard Heintze was forwarded to the Office for Child Abuse Investigations and Review on May 1, 2009. That report included a background investigation of the accuser [REDACTED]. The investigation of this matter continued after the initial report submission. Permission was sought and granted to interview several members of the Adrian Dominican Sisters that were assigned to St. Laurence School during the period in question. These interviews were conducted to help determine if Fr. Vader was a "kid person" while assigned to St. Laurence.

Interviews

May 5, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence Parish from September of 1960 to June of 1961, but that she does not know Fr. Vader.

May 5, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence Parish from 1962 to 1967, but that she had minimal contact with Fr. Vader. She did not observe any improper behavior between him and the children of the parish. Sr. [REDACTED] recalled Fr. Vader having the parish children participate in a Christmas pageant at midnight mass, but could not recall any other contact Fr. Vader had with the children. Sr. [REDACTED] stated that Fr. Vader was pious and devoted and she finds it difficult to believe an accusation of misconduct against him.

May 5, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence Parish from 1957 to 1963, but that she does not know Fr. Vader.

May 5, 2009 – Interview of Mr. Jack Treanor

Mr. Treanor is the Vice Chancellor for Archives and Records, and completed a request by Investigator Kobel to identify any former or current employees who were assigned to St. Laurence Parish between June 1964 and January 1968. Mr. Treanor stated that there were no employees listed on the Annual Parish Reports from 1964 to 1968, however the reports listed the names of sisters allowed to drive the parish vehicles. Mr. Treanor stated that he would email the list of names to Investigator Kobel as soon as possible. *[Investigator Kobel received a list of nuns identified by first name only from Mr. Treanor. No other identifiers were available to assist in identifying these sisters.]*

May 7, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence during the time in question and that she did not observe questionable behavior between Fr. Vader and the parish children. Sr. [REDACTED] did not recall Fr. Vader having contact with the parish children and stated that it was rare for any of the priests to go into the school. Sr. [REDACTED] did not recall Fr. Vader being in the school. She remembers Fr. Vader as shy, religious and prayerful, and would find it very difficult to believe an accusation of misconduct against Fr. Vader.

May 29, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence Parish from 1965 to 1969. She stated that she remembers Fr. Vader but did not have much contact with him. She stated that Fr. Vader did not teach in the school and was not involved in after school activities involving the children.

May 29, 2009 – Interview of Sr. [REDACTED]

Sr. [REDACTED] stated that she was assigned to St. Laurence Parish. She remembered Fr. Vader, but did not recall him being in contact with the children of the parish. Sr. [REDACTED] stated that Fr. Vader did not teach in the school and was not involved in after school activities with the children. She did not recall who taught the altar training classes. Sr. [REDACTED] stated that she finds it very difficult to believe Fr. Vader had abused anyone.

Research

A request was made to identify faculty members of St. Laurence School during the time period in question. The order identified as associated with St. Laurence was the Adrian Dominican Sisters. Sr. Margaret Farley provided a copy of the faculty during the period in question. Several members of the order were identified as still being religious and a request was made through the Prioress General, Sister [REDACTED], OP, PhD for permission to interview those identified. Sr. [REDACTED] was gracious in her response and assistance and the interviews were conducted.

A request was also made for names of priests that served at St. Laurence Parish between the years 1964-1968. Investigators were provided the following names: Fr. Maurice Foley, Fr. [REDACTED], Fr. [REDACTED] and Fr. Bernard Guirsch. With the assistance of Fr. Edward Grace, Vicar for Priests, it was learned that only Fr. [REDACTED] was still alive. Fr. [REDACTED] was subsequently interviewed for this investigation.

KEY FINDINGS/CONCLUSIONS

As a result of our limited background investigation and interviews of the case involving [REDACTED] and Rev. Anthony Vader, the following key findings were made:

- The Dominican sisters interviewed that recalled Fr. Vader described him as a prayerful, religious person and found it difficult to believe an accusation of misconduct by Fr. Vader.
- None of the sisters interviewed that knew Fr. Vader ever recalled him being in the school as part of his normal duties or being involved in after school activities.
- Many of the persons of interest in this matter are now deceased, rendering impossible the task of making further determinations in this matter.

MEMORANDUM

To: Rev. Vincent Costello, Vicar for Priests

From: Leah McCluskey, Office for Child Abuse Investigations and Review

Re: Vader, Rev. Anthony (Withdrawn)/ [REDACTED]

Date: August 6, 2009

As you know, [REDACTED] formalized her allegation of the sexual abuse of a minor against Rev. Anthony Vader. Due to Fr. Vader's current state of mental and physical health, this allegation was not presented to him for a response. For the same reasons, I have not sent Fr. Vader any letters with regard to Francis Cardinal George, O.M.I.'s decisions concerning the Initial Review and Review for Cause of this matter before the Review Board.

The Review Board conducted an Initial Review of [REDACTED]'s allegation of the sexual abuse of a minor against Fr. Vader on February 21, 2009. Cardinal George accepted the Review Board determination that this matter warranted additional investigation.

The Review Board conducted a Review for Cause of this matter on July 18, 2009. Cardinal George has accepted the Review Board's determination that there is not reasonable cause to suspect that Fr. Vader sexually abused [REDACTED] when she was a minor.

Please feel free to contact me at (312) 534-5205 if you have any questions about this information.

Hi Leah,

Since the emails I sent to [REDACTED] were returned to me, I did talk with her on the phone. She told me that she wrote the email to unburden herself and to pray that he rests in peace. She expressed forgiveness for him and his actions. Nevertheless, I told her OAM will be willing to meet with her and provide services if and when she would like them.

Thank you for your response. I will not reach out to [REDACTED] and will wait to hear from you if you hear anything different from her.

When you spoke with [REDACTED], did she share if she was a minor or an adult at the time of her abuse by Fr. Vader?

Thank you.

Hi Leah,

From what [REDACTED] said to me, I do not think you need to schedule a time to meet. At this time, it appears sending the email to "Protect and Heal," and chatting with me is enough. If I hear more, I will let you know. Tom
